AFFIDAVIT OF PATRICK RIPLEY IN SUPPORT OF PROPOSED SETTLEMENT, APPLICATION FOR ATTORNEYS' FEES AND EXPENSES, AND INCENTIVE AWARD FOR PLAINTIFFS

STATE OF ILLINOIS)
) ss.:
COUNTY OF COOK)

I, Patrick Ripley, being duly sworn, deposes and say:

1. I am a Managing Director with Loop Capital Financial Consulting Services. I have over 20 years of experience performing financial consulting services for clients. I submit this Affidavit in relation to the proposed Settlement, Award of Attorneys' Fees and Expenses, and Incentive Awards in the above-captioned action concerning AMC Entertainment Holdings, Inc. ("AMC" or the "Company").

2. Specifically, I submit this affidavit in support of the calculations used to determine the value of the proposed share issuances to the Common Stockholders based on (i) 519,192,390 issued and outstanding shares of common stock of AMC ("Common Stock"), (ii) 995,406,413 issued and outstanding AMC Preferred Equity Units ("APEs"), and (iii) the closing prices of Common Stock and APEs on May 3, 2023 and June 6, 2023. My assumptions for these analyses include that Common

Stockholders will receive an issuance based on the 7.5:1 ratio.[1] My analyses are also based on the closing prices of stock and number of shares outstanding on June 6, 2023 (*pro forma* of the stock split and share distribution, as applicable) and do not attempt to predict any potential changes in market capitalization due to any other market price adjustments beyond the static market capitalization value calculations presented.

3. On May 3, 2023, AMC Common Stock closed at a price of $5.74 per share and APE closed at a price of $1.52 per unit.

a. Accordingly, on May 3, 2023, the total market capitalization of Common Stock was $2,980,164,318.60 and the total market capitalization of APE was $1,513,017,747.76, such that the Company's total market capitalization was $4,493,182,066.36. Based on the foregoing, Common Stock and APE then accounted for approximately 66.33% and 33.67% of the Company's market capitalization, respectively.

b. Were Common Stock and APE collapsed into a single class of stock based on these May 3 figures, this new stock would have a post-collapse price of $2.97 per share. Former Common Stockholders would comprise approximately 34.28% of this post-collapse structure, representing a market

[1] I understand that the Company has agreed to pay stockholders cash for fractional shares not owned at a 7.5 to 1 multiple. This ensures that the aggregate value of the settlement equals the numbers I calculated for any given date – primarily in stock, but also with an amount of cash for fractional shares that cannot be estimated reliably at this time.

capitalization of $1,540,226,977.02. Former APE holders would comprise approximately 65.72% of this post-collapse structure, representing a market capitalization of approximately $2,952,955,089.34. The total market capitalization of the Company would remain an unaffected $4,493,182,066.36. Were the Company to then undergo a 1:10 reverse split of the new equity structure, holders of former Common Stock would hold 51,919,239 shares and former APE holders would hold 99,540,641 shares, all of which would trade at a price of $29.67 per share.

c. If the Company were to issue shares of this new equity structure to holders of former Common Stock at a ratio of 1 new share for every 7.5 new shares held by holders of former Common Stock, those holders would receive an issuance of 6,922,565 shares, such that there would be 158,382,446 shares in the Company's new equity structure. The holders of former Common Stock would hold 58,841,804 new shares, representing approximately 37.15% of the new equity structure and an approximately 2.87% increase from their position prior to the issuance. Based on the Company's unaffected overall market capitalization of $4,493,182,066.36, the issuance would have a value of $129,067,486.45.

d. Without any distribution of new shares, the collapse of the Company's equity structure would have resulted in the transfer of $1,439,937,341.58 from holders of Common Stock to APE units. Based on the

initial distribution of 516,820,595 APE units in August 2022, approximately 51.92% of this value, or $747,623,547.45, would accrue to APE units disseminated in the initial distribution. 48.08% of the value transfer, or $692,313,794.13, would accrue to APE units offered by the Company subsequent to the initial distribution.

4. On June 6, 2023, AMC Common Stock closed at a price of $4.64 per share and APE closed at a price of $1.57 per unit.

a. Accordingly, on June 6, 2023, the total market capitalization of Common Stock was $2,409,052,689.60 and the total market capitalization of APE was $1,562,788,068.41, such that the Company's total market capitalization was $3,971,840,758.01. Based on the foregoing, Common Stock and APE then accounted for approximately 60.65% and 39.35% of the Company's market capitalization, respectively.

b. Were Common Stock and APE collapsed into a single class of stock based on these June 6 figures, this new stock would have a post-collapse price of $2.62 per share. Former Common Stockholders would comprise approximately 34.28% of this post-collapse structure, representing a market capitalization of $1,361,515,334.47. Former APE holders would comprise approximately 65.72% of this post-collapse structure, representing a market capitalization of approximately $2,610,325,423.54. The total market capitalization of the Company would remain an unaffected $ $3,971,840,758.01.

Were the Company to then undergo a 1:10 reverse split of the new equity structure, holders of former Common Stock would hold 51,919,239 shares and former APE holders would hold 99,540,641 shares, all of which would trade at a price of $26.22 per share.

c. If the Company were to issue shares of this new equity structure to holders of former Common Stock at a ratio of 1 new share for every 7.5 new shares held by holders of former Common Stock, those holders would receive an issuance of 6,922,565 shares, such that there would be 158,382,446 shares in the Company's new equity structure. The holders of former Common Stock would hold 58,841,804 new shares, representing approximately 37.15% of the new equity structure and an approximately 2.87% increase from their position prior to the issuance. Based on the Company's unaffected overall market capitalization of $3,971,840,758.01, the issuance would have a value of $114,091,860.88.

d. Without any distribution of new shares, the collapse of the Company's equity structure would have resulted in the transfer of $1,047,537,355.13 from holders of Common Stock to APE units. Based on the initial distribution of 516,820,595 APE units in August 2022, approximately 51.92% of this value, or $543,887,272.67, would accrue to APE units disseminated in the initial distribution. 48.08% of the value transfer, or

$503,650,082.46, would accrue to APE units offered by the Company subsequent to the initial distribution.

5. The foregoing analysis does not differentiate that some portion of the issuance will be in the form of cash payment of fractional shares. For example, a holder with 100 shares of Common Stock would receive a share distribution of 13.333 (at a 7.5:1 distribution). 13 shares would be distributed, while 0.333 shares would be paid in cash. While predicting the amount of cash payment for fractional shares cannot be done reliably in advance without additional information, the cash payment will effectively gross up the aggregate payment on any given date to the numbers I calculated.

6. Based on 519,192,390 shares of Common Stock and 995,406,413 APE units outstanding on May 3, 2023, as well as May 3, 2023 closing prices of $5.74 and $1.52 for Common Stock and APE units, respectively, in order to return the Former Common Stockholders to their pre-collapse total ownership percentage of 66.33% would require issuing approximately 144,144,203 shares post-split, representing approximately 95.2% of the post-collapse and post-split outstanding total shares of 151,459,880.

I declare under penalty of perjury under the laws of Delaware that the foregoing is true and correct.

INTRODUCTION

The authors of the two Briefs, Plaintiffs' Opening Brief in Support of Settlement, Award of Attorneys' Fees and Expenses, and Incentive Awards[1] ("Plaintiffs' Brief") and Defendants' Brief in Support of Proposed Settlement[2] ("Defendants' Brief"), submitted in support of the proposed settlement ("Settlement"), converge on just two points in the entire argument: first, that the settlement should be consummated, and second, that should it fail to materialize, AMC Entertainment Holdings Inc. ("AMC") faces the imminent threat of bankruptcy.[3] Both sets of counsel advance their respective arguments for settlement by employing fear tactics. Notably, neither party offers alternative solutions for raising capital, but instead, champion the conversion of APE preferred stock ("APE") into AMC common stock followed by a reverse stock split. The Plaintiffs' counsel have a substantial 20 million dollar incentive to endorse this untenable narrative. Similarly, AMC Defendants' counsel acquiesce to this contrived storyline to shield their clients from liability and secure releases. Upon reading both briefs, one is left asking themselves the following question: Whether this precipitous settlement is predicated on preserving AMC from financial ruin or on thwarting and impeding the ongoing litigation to preclude stockholders from uncovering the facts. In both briefs, none of the authors address the conspicuous absence of any deposition testimony from AMC CEO Adam Aron ("Defendant Aron"), a key participant in the scheme and a material fact witness. While the term "scheme"[4] does surface in the Plaintiffs' brief, Lead Counsel conspicuously omits any reference to the consideration of petitioning the Court for leave to amend the complaint to include a cause of action against AMC Defendants grounded in fraud, as a consequence of the scheme. One of the elements required to allege for an action for fraud, scienter, has been established as a result of discovery.

In November 2021, AMC's banker, Citigroup, began work on "Project Popcorn", a prospective issuance of an alternative form of equity that could convert into common stock. By February 2022, Citigroup suggested that AMC could call these rights "AMC Preferred Equity Units" (APE). In a board meeting held on February 17th, 2022, Citigroup banker Derek Van Zandt

("Mr. Van Zandt") explained that AMC planned to offer the preferred shares to its retail stockholder base through a rights offering. One AMC preferred unit would convert into one share of common stock, subject to shareholder authorization. By March 2022, AMC and Citigroup involved D.F. King, the Company's proxy solicitor, and Computershare, the Company's transfer agent. In April 2022, Citigroup had a "storyboard draft," including a video of Aron explaining the potential offering. Despite Defendant Aron's positive public statements about AMC's financial outlook, by mid-May 2022, AMC's executives were exploring giving APEs special voting powers that could be maneuvered to force amendments to the Certificate.[5] On May 27th, 2022, B. Riley Financial sent AMC executives Defendant Sean Goodman ("Defendant Goodman") and Defendant John Merriwether ("Defendant Merriwether") several prospectuses from issuers that had used supervoting preferred shares to force through Certificate amendments.[6] By July 20th, 2022, a memorandum about the potential APE issuance revealed that AMC was planning an ATM (At-the-Market) offering of APEs. Defendant Goodman acknowledged that index funds owning AMC common shares would likely be required to sell the Preferred Equity Units, potentially impacting their trading value.[7] In a contemporaneous email exchange, Defendant Goodman and Defendant Merriwether discussed registering one billion preferred equity units, with around 517 million to be used for the dividend and the remainder to be sold through an ATM offering.[8]

On August 4th, 2022, after exhausting AMC's authorized common stock, AMC Defendants announced the creation of the APE "special dividend" distributed to holders of AMC common stock. AMC Defendants describe the preferred stock units as a "MIRROR-IMAGE" of AMC common stock with identical "economic and voting rights".[9] APE's voting rights, conversion rate, and a conversion clause–which *automatically* converts APE into AMC common- were designated pursuant to DGCL 151, via a board resolution never proposed to, let alone authorized by AMC stockholders.[10] By design, the APE "special dividend" was designated to automatically convert into Common Stock upon a share increase sufficient to permit full conversion.[11] This gave AMC

Defendants the ability to circumvent the rights and powers of shareholders and sell a mirror-image security without the required authorization.[12] Although at odds with public statements of AMC Defendants, on July 28th, 2022, AMC filed a Certificate of Designations with the Delaware Secretary of State outlining designations for APE.[13] More specifically, in prescribing APE's "Voting" rights the AMC's Certificate of Designations instructs APE:

> "shall not be entitled to vote together with Common Stock with respect to any matter at a meeting of the stockholders of the Corporation, which under the applicable law or the Certificate of Incorporation requires a separate class vote". [14]

On August 4th, 2022, subsequent to the filing of Certificate of Designations, AMC Defendants entered into an Agreement with Computershare Inc. without shareholder approval.[15] Under the accord, the underlying Preferred Stock, used to form APE preferred equity units, were deposited with Computershare Inc. and governed by deposit agreement ("the Computershare Depositary Agreement").

The Computershare Depositary Agreement instructs Computershare to vote all of the preferred stock in its custody "proportionally" on non-routine matters and routine matters.[16] In other words, the uninstructed- and non-affirmative - votes of APE holders can be farmed to be vote at a rate mirroring instructions from participating voters.[17] AMC common stock has no such arrangement with brokers holding common stock.[18] On September 26th, 2022, AMC Defendants disclosed that they entered into an equity distribution agreement with Citigroup to offer and sell 425 million APE.[19] Although AMC Defendants "anticipated that (the APE) would trade at or around the same price" the preferred stock equity units traded at just a fraction of AMC. the "expand(ing) trade differential",[21] Defendant Aron urged the pricing committee to lower the $2 minimum price Citibank could distribute APE for.[22] Citigroup obliged, then after crashing the price per APE to below a dollar, introduced Defendant Aron to Antara Capital ("Antara") in early December 2022. [23] Once Antara agreed to an understanding to buy and hold APE, until after they pledged votes in favor of AMC Defendant's proposals, Defendant Aron began working out a deal to ensure Antara a windfall in exchange for a successful proxy vote.[24] The deal eventually closed on December 21, with Antara getting a holiday discount from Defendant Aron of approximately 66 cents an APE, AMC Defendants gifted a rigged vote, and AMC common shareholders coal.[25] Cumulatively, after several transactions with AMC Defendants, Antara ended up with approximately 27.8% of the outstanding APE shares representing 17.8% of AMC's total voting power.[26] The hoard of APE held by Antara made the hedge fund, by definition, an interested party. Ultimately, the stockpiled Antara pledged votes were leveraged through the Computershare Depositary Agreement to ensure AMC Defendant's proposals were a lock. Although, without either: the Computer Share Agreement or Antara deal, AMC Defendants could not harvest the required affirmative vote to authorize conversion.

[Insert Mr./Mrs. Last Name]'s Objection Brief presents six arguments why this Court should deny the proposed settlement. The proposed settlement is not fair and reasonable, the class shouldn't be certified as it doesn't satisfy one of the four prerequisites mandated by subsection in Delaware Court of Chancery Rule 23(a), the requested lawyer fee and expense award is unjustified, the Lead Plaintiffs don't deserve an incentive award as they fail to meet the second factor in *Raider v. Sunderland*, it violates the class members due process and the vote on March 14th, 2023 was unlawfully manipulated. Further, the proposed settlement does not help recover the $5 billion plus stockholders lost in market cap through the creation of APE and it does not help AMC as a company avoid bankruptcy. The Lead Plaintiffs are not representing the plaintiff class, they are representing the lawyer class in order procure a quick payout at the determinant of the

ARGUMENTS

I. APRROVAL OF THE SETTLEMENT IS NOT FAIR AND REASONABLE AND IS NOT WARRANTED

LEGAL ANALYSIS

a. Legal Standard

Under Delaware Court of Chancery Rule 23, the Court must approve the dismissal or settlement of a class action.[27] The reasonableness of a particular class action settlement is addressed to the discretion of the Court of Chancery, on a case by case basis, in light of all of the relevant circumstances.[28] Although Delaware has long favored the voluntary settlement of litigation,[29] the fiduciary character of a class action requires the Court to independently examine the fairness of a class action settlement before approving it.[30] Approval of a class action settlement requires more than a cursory scrutiny by the court of the issues presented.[31] The Court must exercise its own judgment to determine whether the settlement is reasonable and intrinsically fair to the affected class members.[32] In doing so, the Court evaluates not only the claim, possible defenses, and obstacles to its successful prosecution,[33] but also the reasonableness of the 'give' and the 'get',[34] or what the class members receive in exchange for ending the litigation. Stated differently, in evaluating fairness to that interest, the Court "should look at the legal and factual circumstances of the case, the nature of the claims, and any possible defenses."[35] In assessing these factors, the Court must bring their business judgment to bear on the issue.[36] The business judgment

rule "creates a presumption `that in making a business decision the directors of a corporation acted on an informed basis, in good faith and in the honest belief that the action taken was in the best interests of the corporation.'"[37] "The considerations applicable to such an analysis include: (1) the probable validity of the claims, (2) the apparent difficulties in enforcing the claims through the courts, (3) the collectability of any judgment recovered, (4) the delay, expense and trouble of litigation, (5) the amount of the compromise as compared with the amount and collectability of a judgment, and (6) the views of the parties involved, pro and con."[38] "If, in the light of these matters, the Court of Chancery approves the settlement as reasonable through the exercise of sound business judgment, its function as the so-called third party to the settlement has been discharged."[39]

Under Delaware law the business and affairs of a corporation are managed by and under the direction of its board of directors.[40] In performing their duties the directors owe fundamental fiduciary duties of loyalty and care to the corporation and its shareholders.[41] Subject to certain well defined limitations, a board enjoys the protection of the business judgment rule in discharging its responsibilities. The rule creates a presumption "that in making a business decision the directors of a corporation acted on an informed basis, in good faith and in the honest belief that the action taken was in the best interests of the corporation."[42]

Under *Rome v. Archer*, the Chancellor observed that the principal defense was that a corporation may acquire its own stock under *8 Del.C. § 160*, and that the business judgment rule would almost certainly protect such action. The Chancellor also recognized that the standard applicable to the defendants' conduct was "good faith, reasonable investigation, and arguable

justification."[43] In applying this test to the defense here, the Chancellor noted: (1) the lack of self-interest on the part of Texaco's board, 10 of whose 13 members were outside directors; (2) the advice given the board by its investment banker and counsel; (3) the disruptive effect a hostile takeover attempt would have on Texaco in light of the administrative complexities generated by the Getty acquisition; and (4) that the facts of the case did not indicate any vote-buying intent by Texaco. While not making any findings *per se*, the court took note of these factors and decided that in the event of a trial the directors stood a better than even chance of winning, with the plaintiffs having a very difficult task in overcoming the protections of the business judgment rule. Thus, in applying his own business judgment the Chancellor concluded that the settlement was in the best interests of all concerned.

b. Claims and Defenses

The claims compromised are allegations for Breach of Fiduciary and violation of DGCL Section 242(b)(2)[44] in connection with the issuance of the APEs and proposals, declaratory judgment of invalidity as to the preferred stock, and seeking injunctive relief and money damages in an amount to be determined by trial. The authors of both the Plaintiffs' Brief and Defendants' Brief, concur on a mere two points: first, that the settlement should be consummated, and second, that should it fail to materialize, AMC faces the imminent threat of bankruptcy.[45] Both sets of counsel advance their respective arguments for settlement by employing fear tactics. Notably, neither party offers alternative solutions for raising capital, but instead, champion the conversion of APE into AMC common stock followed by a reverse stock split. The Plaintiffs' counsel have a substantial 20 million dollar incentive to endorse this untenable narrative. Similarly, AMC Defendants' counsel acquiesce to this contrived storyline to shield their clients from liability and secure releases. Upon reading both Briefs, one is left asking themselves the following question: Whether this precipitous settlement is predicated on preserving AMC from financial ruin or on thwarting and impeding the ongoing litigation to preclude stockholders from uncovering the facts. During AMC's Q4 Earing Call, held on February 28th, 2023, Defendant Aron was asked a question

following AMC's prepared remarks – "It has been reported that AMC is defending against two lawsuits relating to the issuance of APE units. Is this true? And can you elaborate?"[46] Defendant Aron responds,

> "Yes, litigation has been filed. We think it's misguided. We believe that all the actions we've taken are lawful. We think we have the merits in this case. It's consistent with our charter. **We will defend our position vigorously**. And we are encouraged that the Delaware Court of Chancery has allowed this March 14 vote to proceed on schedule."[47]

In both Briefs, we observe counsel for both sides meticulously evaluate the two claims and a permanent injunction application versus possible defenses. These respective arguments are presented to this Court and stockholders notably, in the absence of any deposition testimony from Defendant Aron, a key participant in the scheme and a material fact witness. The Parties suspiciously settled just four days prior to Defendant Aron's scheduled April 6th, 2023 deposition. While the term "scheme"[48] does surface in the Plaintiffs' brief, Lead Counsel conspicuously omits any reference to the consideration of petitioning the Court for leave to amend the complaint to include a cause of action against the AMC Defendants grounded in fraud, as a consequence of the scheme. One of the elements required to allege for an action for fraud, scienter, has been established as a result of discovery - ProjectPopcornGate[49].

APE is not the only way to raise Capital

Defendants assert in their opening brief that,

> **The only security currently available to AMC to raise equity capital are AMC Preferred Equity Units ("APEs").** [50]

Furthermore, during AMC's Q1 2023 Earnings Conference Call, on May 5, 2023, Defendant Sean Goodman ("Defendant Goodman") declared that "we've been able to raise $480 million of cash as a result of the creation of the APEs." [51] Contrary to the Defendants' implications, the issuance of APEs was not indispensably required, and their necessity is, in fact, a misapprehension. Since its inception in August 2022, AMC raised $480 million in cash as a result of APE to operate the company, albeit at the expense of stockholder dilution and a net decrease in market capitalization exceeding $5 billion. Additionally, APE resulted in diluting AMC common stockholder value by selling over 400 million APE shares with voting rights on the open market initially, but with the potential of releasing 5 billion total APE shares on the market. The question arises: was the creation of APEs and consequent dilution financially imperative for the company's survival based on the available data? During AMC's Q1 2023 Earnings Conference Call, held on May 5, 2023, Defendant Goodman stated that "We ended the quarter with liquidity of $704 million. This is comprised of $496 million of cash and cash equivalents and $208 million of undrawn credit facilities."[52] This declaration made by AMC's CFO shows that APE was not financially necessary. Excluding the $480 million raised as a result from APE from the total, AMC would retain $16 million in cash and approximately $208 million in accessible, undrawn credit facilities. Consequently, the data indicates that the sale of APE shares was not a sine qua non for the company's survival. The Defendants may contend that they lacked knowledge of the 2023 financial statements during 2022, but this raises a subsequent inquiry: **was the issuance of APEs the exclusive avenue for AMC to procure capital?**

Retail Investors Propose Capital Generation Strategies

In recent years, individual stockholders have proposed various capital generation ideas to AMC, both through shareholder conference calls and via direct communication with Defendant Aron, through email and Twitter. Suggestions included innovative business ventures such as an

AMC-branded credit card and retail distribution of AMC popcorn at grocery stores, both characterized by high profit margins. Although AMC implemented these ventures in 2023, they could have expedited their development to generate capital earlier. During the Q1 2023 Earnings Conference Call, held on May 5th, 2023, AMC reported that 80,000 individuals were on the waiting list for the AMC credit card. Additionally, Defendant Aron stated:

> "On March 11, the day before Oscars Sunday, we launched AMC's ready-to-eat Perfectly Popcorn for exclusive six months engagement at about 550 locations of the nation's largest retailer, Walmart…Sales were brisk. In fact, so much so that most of the Walmarts sold out of their initial supply. Not only are we very pleased by the initial positive consumer reaction, but so too, Walmart is pleased. Importantly, the second phase of our exclusive Walmart launch began on April 29 when we scaled up the supply chain, with the distribution of AMC's ready-to-eat popcorn hitting the shelves at approximately 2,600 Walmart stores and for shipping nationally in the United States on walmart.com. AMC's Microwave popcorn was also introduced at that time at Walmarts across the country as well. As was the case back in March, again, in the early days, sales are brisk. We think that our home popcorn is going to turn into a substantial business for AMC. We are already currently exploring opportunities for its eventual expansion into other grocery store chains and to other e-commerce and other channels, once Walmart's exclusivity ends."[53]

The initial success of these new ventures highlights not only the capacity of the "3.8 million AMC stockholders" to bolster their investment in AMC and its products but also demonstrates the existence of alternative capital generation options that do not necessitate selling additional shares on the open market.

Was the creation and sale of APE shares on the open market the most efficient method for raising capital? During AMC's Q4 2021 Earnings Call held on March 1st, 2022, Defendant Aron remarked:

> "I keep on getting offers from our shareholders, for example, that they want to chip in and help us pay down our debt. I don't know exactly that

that's in the cards, but I do admire their passion and dedication to AMC nonetheless."[54]

AMC Investors Suggest AMC Fund and AMC NFTs

Over the past several years, investors have proposed that AMC establish a fund dedicated to debt repayment. This fund would enable investors to contribute cash directly to alleviate AMC's debt, thereby enhancing the long-term fundamentals of the company they own. Furthermore, the debt repayment fund was conceived as an alternative to stock dilution, as numerous stockholders opposed the issuance of additional shares in the market because of the likelihood that additional shares on the market lowers the value of existing shares (basics of supply and demand). Regrettably, AMC did not implement the debt repayment fund despite repeated recommendations, which may have constituted a strategic misstep, as this method could have been the most efficient way to directly address debt. Selling shares on the open market is often less efficient, as AMC and its stockholders cannot control various market factors, including price, conditions, liquidity, share lending, or short sellers seeking to drive the price downward. Thus, there exists a risk that selling more shares on the market may help address short-term costs but could potentially jeopardize investors' long-term value with an increased number of shares on the market.

During the Q4 2021 Earnings Conference Call, held on March 1st, 2022, Defendant Aron reported that AMC had approximately 4 million shareholders, "individual retail investors would seem to own more than 90% of our officially issued 516 million shares." During the April 25th, 2023, telephonic conference call, attorney for the AMC Defendants, Mr. John Neuwirth, stated that there are an "estimated" 3.8 million AMC stockholders.[55] AMC's total debt reportedly amounts to around $5.1 billion (including short-term and long-term debt).[56] To completely pay off the debt today, each individual stockholder would need to contribute, on average, about $1,315.79. However, immediate debt clearance is not a necessity. On November 9, 2021, Defendant Aron stated that:

> "And if you look at our maturities, we don't have any debt maturities before August of 2023, and that's only a few $100 million worth. We don't have big maturities until 20 -- debt maturities, which means that's when you got to pay the debt back -- till 2026. That gives us -- 2026 -- that's 5 years from now." [57]

To pay off twenty percent of AMC's debt, investors would only need to contribute an average of $263 to the fund, which would eliminate $1 billion in debt without any dilution (e.g., creation and selling of APE), more than doubling the $480 million raised by selling APE. Over the course of a year, AMC investors could easily pay off $1 billion in debt and avoid losing over $5 billion in market capitalization and diluting shareholder ownership and voting power. Establishing a debt repayment fund would not pose a significant challenge for AMC, as there are numerous reputable crowdfunding websites transparently display donations. Alternatively, as some investors recommended, AMC could have sold custom NFTs on their merchandise site or partnered with Hycroft Mining to sell commemorative coins to help pay down the debt. **AMC had, and continues to have, additional options for debt reduction.**

Debt reduction adds value to existing shareholders by improving the long-term fundamentals of the stock and reducing the risk of long-term bankruptcy. If given the choice between paying $263 to protect their AMC investment or witnessing the value of their AMC investment decrease by over 50%, the vast majority would likely opt to donate $263 to safeguard their investment (which, for numerous shareholders, amounts to many multiples of $263). AMC stockholders still lack official, verified share count data. However, a verified sample from Say Technologies, which partnered with AMC on the AMC Q2 2021 Earnings Q&A call, indicates that approximately 70.3K shareholders, about 1.76% of the reported 4 million shareholders, held an average of about 1,018 shares at that time.[58] In summary, had AMC and Defendant Aron been

committed to raising cash for debt repayment, they could have swiftly established a debt repayment fund in which their 3.8 million shareholders would have the opportunity to participate. Through this approach, AMC could have raised more than the $480 million generated through APE, without diluting shareholder value, votes, or market capitalization.

c. Adequacy of the Settlement

Under the Settlement, AMC will issue new shares of Common Stock that Plaintiffs value in the aggregate, based on recent market prices, at an estimated value of over at over $100 million. Each record holder of Common Stock as of the Settlement Class Time, which is expected to be the close of business on the business day prior to the conversion on which the reverse stock split is effective, will receive one additional share of Common Stock for every 7.5 shares of Common Stock they hold after giving effect to the reverse stock split. And, if the share issuance would result in such record holders receiving a fraction of a share of Common Stock, AMC will arrange for a cash payment in lieu of a fractional share.

The Plaintiffs posit that the settlement holds an estimated value of approximately $129 million for AMC common stock shareholders. However, the Plaintiffs' argument in favor of the proposed settlement conspicuously omits any mention of the $5,150,690,236.70 USD in total market value that was eradicated from AMC shareholder value, encompassing individual investors, Allegheny County Employees' Retirement System, and other stockholders, since the listing of the APE preferred shares on the New York Stock Exchange ("NYSE") back in August 2022. In light of the 5.15 billion (approx. 53.4%) loss in market capitalization value endured by AMC investors, **the settlement seeks to recoup a mere 129 million (approximately 2.5% of the market cap value lost), while simultaneously bestowing upon the Plaintiffs' Counsel "an award of fees and expenses equal to $20 million, reflecting approximately 15.5% of the value solely created for the Class**."

Under the settlement, the majority of the "Settlement Class" 'give' a broad release to the AMC Defendants while 'get'(ting) nothing in return.[59] Amongst other inequities, the settlement hinges on a stipulation requires the bulk of the purported 3.8 million shareholders to release nearly

[59] DI 181 See: Notice of Pendency of Stockholder Class Action and Proposed Settlement.

a years' worth of claims yet receive no settlement distribution.[60] Since the distribution of the settlement is confined to holders of a "Settlement Class Time" -which is only a moment's snapshot of the close of one business day- yet the "Settlement Class" encompasses "all holders of AMC Common Stock between August 3, 2022, through and including the Settlement Class Time", the vast majority of the class will receive no distribution in exchange for a broad release of their claims.[61]

Suggestions for a revised Settlement Proposal

In light of the concerns raised in the current litigation, the proposed settlement should make the following revisions, aimed at addressing the interests of **all stockholders involved**, including the retail investors who comprise a significant portion of AMC's stockholder base. These revised settlement proposals are designed to address the concerns raised by the putative class, promote the interests of all stockholders, and pave the way for AMC's future growth and success.

Stockholder-Driven Advertising Initiative: Instead of renewing the contract with Nicole Kidman for the $25 million ad campaign, AMC should engage its stockholder community for advertising efforts. By tapping into the creativity and passion of the retail investor base, AMC can foster a sense of ownership among stockholders while promoting AMC's brand and offerings.

Prioritizing Stockholder Expertise for IT and Technical Work: To strengthen AMC's IT and technical capabilities, the company should prioritize the hiring of competent stockholders for these roles. This approach would leverage the skills and expertise of the stockholder base and create further alignment between the company and its investors.

Retail Representation on the Board: The appointment of retail board members, who would bring the perspective of retail investors to the company's decision-making process. This would ensure that the interests of retail stockholders are duly considered and represented at the highest levels of Corporate governance.

[60] *Id.* at 10
[61] *Id.*

Board Restructuring: In order to restore investor confidence and address concerns related to the current board's actions, a comprehensive evaluation and potential restructuring of the board. This process should consider the appointment of new independent directors with the requisite skills, experience, and commitment to AMC's long-term success.

AMC Debt Repayment Fund via NFTs: To address the company's debt burden without resorting to any further dilution of shares, the creation of an AMC Fund using non-fungible tokens (NFTs). Investors would be allowed to participate in this fund, contributing to the company's debt repayment while also acquiring unique digital assets tied to AMC's brand and offerings. The debt payoff should be done transparently for accountability but also so all stockholders can see progress in real time.

Re-evaluating the Accounting Firm: AMC should consider replacing Ernst & Young as its accounting firm. Engaging a new accounting firm with a fresh perspective may enhance the quality and transparency of the company's financial reporting, thus bolstering investor confidence in the company's financial stability.

Organizational Restructuring: AMC should assess its current organizational structure to identify areas of improvement and streamline operations. This may include reorganizing departments, reallocating resources, or identifying cost-saving measures to boost efficiency and productivity. Such restructuring efforts should prioritize long-term growth and value creation for all stockholders.

Exploring Alternative Funding Methods: AMC should explore alternative funding methods beyond traditional Wall Street avenues. This may include crowdfunding, strategic partnerships, or the issuance of digital assets, such as non-fungible tokens (NFTs) or security tokens. These alternative funding methods can help diversify AMC’s capital base, reduce reliance on traditional financing channels, and further align the interests of retail investors with AMC’s strategic objectives.

Enhancing Corporate Governance: To ensure that the interests of all stockholders are well-represented and protected, AMC should review and enhance its corporate governance practices. This may include increasing board diversity by appointing retail investor representatives to the board, and implementing robust oversight mechanisms to ensure transparency and accountability. Retail stockholders own a majority of the outstanding shares and it is of vital interest for AMC's future to have retail representation on the board of directors.

Safeguard Stockholder Value: To ensure that the settlement benefits all parties involved, AMC must outline steps to restore and safeguard stockholder value in AMC and/or APE stock. AMC should implement a transparent and verifiable share count where all stockholders are assigned a serial number for each share owned. This method could possibly go through blockchain technology or with the assistance of a third party such as Share Intel or T-Zero. Assigning a unique serial number to each share will enable individual stockholders and the company to verify share authenticity and prevent unauthorized duplication. This action would protect retail investors and AMC from potential bad actors who might attempt to sell synthetic shares, which can lead to a decline in share price over time, destruction of stockholder value, and disruption of organic market activity. As part of protecting stockholder value, AMC should investigate issuing a special dividend in the form of an NFT, silver coin, or AMC gift card. **Protecting stockholder value and protecting the stock from manipulation is one of the only ways to regain the massive market cap value lost due to APE.**

Reform Stockholder Voting Process: AMC should update its corporate guidance to require stockholder approval happens via a transparent voting process with accountability where all stockholders can verify that all of their votes were cast accurately, and the total tallies can be verified. Currently, there is no process for verification, so there is no guarantee that stockholder's votes are recorded correctly. Additionally, AMC should implement alternative voting methods as necessary for international stockholders to ensure their voices are heard in company decisions.

Hold on any Future Stock Transformations such as a Reverse Split: There should be a hold on any future stock transformations (such as a reverse split or merger or further dilution) until a valid, transparent share count is conducted and a transparent voting process is in place for AMC

stockholders. This protects AMC stockholders from corporate fraud and corporate voting manipulation.

By implementing these changes, the company will be better positioned to navigate the challenges it faces, foster a more inclusive and transparent corporate culture, and ultimately, create long-term value for all its stockholders.

II. CERTIFICATION OF THE SETTLEMENT CLASS IS NOT APPROPRIATE

LEGAL ANALYSIS

a. Legal Standard

Under Delaware Court of Chancery Rule 23, a condition precedent to the certification of a class action is a two-step analysis. The first step requires that the action satisfy all four of the prerequisites mandated by subsection (a) of the rule. These are: (1) the class is so numerous that joinder of all members is impracticable, (2) there are questions of law or fact common to the class, (3) the claims or defenses of the representative parties are typical of the claims or defenses of the class, and (4) the representative parties will fairly and adequately protect the interests of the class. Delaware Court of Chancery Rule 23(a).

If the provisions of subsection (a) are satisfied, the next step is to properly fit the action within the framework provided for in Delaware Court of Chancery Rule 23(b). Delaware Court of Chancery Rule 23(b) divides class actions into three categories. Delaware Court of Chancery Rule 23(b)(1) applies to class actions that are necessary to protect the party opposing the class or the members of the class from inconsistent adjudications in separate actions. Delaware Court of Chancery Rule 23(b)(2) applies to class actions for class-wide injunctive or declaratory relief. Delaware Court of Chancery Rule 23(b)(3) applies when common questions of law or fact predominate and a class action would be superior to other means of adjudication.

b. The Class Does Not Satisfy Delaware Court of Chancery Rule 23(a)

i. The Class' Interests Are Not Fairly and Adequately Protected.

In the Plaintiffs' Brief, Lead counsel makes the following argument in attempt to meet the fourth prong in Delaware Court of Chancery Rule 23(a), that the recovery achieved through this litigation—a distribution of newly issued shares to all holders of Common Stock immediately before the Conversion and without any special treatment of Plaintiffs—demonstrates that Plaintiffs' interests were aligned with those of absent class members and is likewise indicative of the competence and effectiveness of Class Counsel.[62]

Lead Counsel Files a Motion to Lift Status Quo

Lead Counsel fails to mention that on April 3rd, 2023, Lead Counsel moved this Court to lift the stipulated status quo order entered on February 27th, 2023 due to a proposed settlement between the parties.[63] AMC and its board of directors and, together with the AMC Defendants did not oppose, and support this motion. Lead Counsel gave the Court notice that the Lead Plaintiffs are pleased to report that—following extensive adversarial litigation amidst expedited discovery, consultation with multiple experts, and a mediation process facilitated by former Vice Chancellor Joseph R. Slights, III—the parties have agreed to a settlement pursuant to which AMC will issue class members new shares of AMC common stock collectively valued, based on recent market prices, at more than $100 million. On April 5th, 2023, this Court denied the lifting of the status quo motion citing the following reasons:

> **The parties seek to lift the status quo order to allow the defendants to complete their settlement obligations before the settlement is noticed, considered, and approved.[64] This Court has cautioned against parties**

[62] See Haverhill Ret. Sys. v. Kerley, C.A. No. 11149-VCL, at 20-21 (Del. Ch. Sept. 28, 2017) (TRANSCRIPT) ("Given that I am approving the settlement as fair and adequate, it follows that I necessarily believe that the class representatives, as well as the derivative action representatives, provided adequate representation in this matter.")

[63] DI 59,69

[64] Mot. ¶ 23 ("Here, the parties agree that the Court should lift the status quo order because the proposed Settlement would provide a substantial benefit to the [proposed] settlement class—namely, receipt of Common Stock that will likely be worth more than $100 million—but contingent upon lifting of the status quo order and the conversion and reverse split being consummated. Importantly, while the term sheet contemplated that the parties will work in good faith to achieve final approval of the [Proposed] Settlement at an anticipated future hearing, the [Proposed] Settlement terms contemplate performance

> **performing even partial settlement obligations before a settlement hearing, as doing so prevents the Court from meeting its obligation to oversee class action settlements.[65] It is well settled that the Court of Chancery's role in approving class action settlements under Court of Chancery Rule 23 "is intended to balance policies favoring settlement with concerns for due process"15 and arises "from the fiduciary nature of representative actions," particularly "the need to assure that the interests of absent class members or stockholders have been fairly represented, and the necessity of guarding against the ever-present potential for surreptitious buyouts of representative plaintiffs at the expense of those whom they purport to represent."[66]**

By filing this motion, Lead Counsel sought to contravene the due process rights of absent class members by neglecting to furnish appropriate notice, the opportunity for said members to express their views on the proposed settlement, either by submitting objections or endorsing the settlement through relevant documentation and the right to file discovery motions. Although this Court did deny Lead Counsel's motion, this Court should not overlook this application, as the standing and ability of counsel cuts both ways.

The obligation to make the Settlement Payment only arises if the Status Quo Order has been lifted and the Conversion has taken place. Subject to these conditions, the Company, on behalf of the named defendants, has agreed, promptly following the Conversion, to make a settlement payment to the record holders of the Class A common stock as of the Settlement Class Time (as defined below).").

Lead Counsel Opposes Putative Class Motions' To Intervene

It is highly unusual that Lead Counsel, in a case such as this, to seemingly oppose the very stockholders they purport to represent. One cannot help but question the rationale behind Lead Counsel's apparent efforts to silence the voices of the putative class by filing their opposition to the putative members' motions to intervene. In a situation where one would expect the AMC Defendants to be the sole party opposing such matters, it is disconcerting that Lead Counsel appears to be disregarding their ethical obligation to ensure that the concerns, hardships, and perspectives of the most affected individuals are given a fair opportunity to be heard in court. Such actions give the impression that Lead Counsel may be attempting to suppress the voice of the Class.

Lead Counsel Oppose Discovery Motions

Considering that both Lead Counsel and Defense attorneys have already agreed to maintain the confidentiality of all discovery, their opposition to the motion for discovery by putative class members and intervenors raises certain questions. Specifically, one might question whether Lead Counsel and Defense attorneys are attempting to orchestrate this settlement based on concealment rather than disclosure. This approach undermines the due process rights of putative members, as it limits their ability to fully understand and evaluate the terms of the proposed settlement. Legal ethics and principles of fairness generally require that all parties have access to the necessary information to make informed decisions about their legal rights and obligations.

Lead Counsel Inadequately Represents the Class on a 242 Claim

On April 28th, 2023, this Court published their letter[67] addressing the parties' filing of the settlement stipulation, proposed scheduling order, and proposed notice.[68] This Court put the Lead Counsel on notice that the notice of pendency of stockholder class action and proposed settlement, settlement hearing and right to appear, would have to be revised specifically in paragraph 39. "Lead Counsel asserts its claim under Delaware General Corporation Law Section 242(b)(2) was

[67] DI 175
[68] DI 165

unlikely to succeed because of "[a] recent decision from the Delaware Court of Chancery" that held "Section 242(b)(2) requires [a] 'special right," such as those alleged to be at issue in this case, "to be expressly granted in a corporation's certificate of incorporation" to require a separate vote of a class of stockholders where that "special right" is adversely affected. Indeed, on March 29, 2023, this Court held as much: and one firm among Lead Counsel represented the plaintiffs in that action.[69] On April 12, that firm appealed that decision to the Delaware Supreme Court.[70] **Paragraph 39 should disclose that one firm among Lead Counsel is lead counsel for the plaintiffs in that case and has appealed that "recent decision," and that the appeal remains pending.**"[71]

Resolving DGCL 242 controversies calls for this Court to interrupt the relevant Certificate of Incorporation/Designations and the intent of parties revealed by the language of the relevant certificates and the "circumstances surrounding its creation and adoption."[72] Make no mistake about it, AMC Defendants issuance of APE as "mirror-image" of AMC common stock, and successive Computershare Depositary Agreement leveraged by their deal with Antara, was a calculated breach of DGCL 242. There isn't much interpretation needed here. On multiple occasions, AMC Defendants violated the plain language of DGCL 242 and the relevant designations that instruct preferred stock was not "entitled to vote together with Common Stock" when "applicable law... requires a separate class vote". Without stockholder approval, AMC Defendants designated super voting rights and an automatic conversion clause to preferred stock; then entered into the Computershare Depositary Agreement to weaponize the sale of APE, thereby altering the incorporated rights and powers of AMC common and guaranteeing conversion of APE The unauthorized scheme adversely affected common stock holders by bestowing illegitimate special rights to preferred, thereby usurping common stock holder's rights and powers already

established in AMC's Certificate of Incorporation. And they did it all without ever proposing a vote until the results AMC Defendants sought was a foregone conclusion.

Call it what you want, the issuance of APE 1/100th preferred stock equity units- designated with an automatic conversion clause- was an unauthorized increase in AMC common stock. AMC Defendants concede APE was indeed a "MIRROR-IMAGE" designed to circumvent DGCL 242 to give Defendants the ability to sell shares without requisite shareholder approval from the majority of AMC shareholders.[73] AMC Defendants contend their Certificate of Incorporation afforded the AMC's board the luxury of unilaterally designating voting powers to treasury preferred stock pursuant to DGCL 151 without shareholder authorization. Plaintiffs may agree, but the plain language adopted in The Certificate of Incorporation only grants authorization for the board to adopt a resolution. Under, DGCL 242 (a)(3), when the resolution seeks to "increase or decrease its authorized capital stock or to reclassify the same, by changing the... designations, preferences, or relative, participating, optional, or other special rights of the shares, or the qualifications, limitations or restrictions of such right", such a resolution must be proposed and authorized through a certified amendment consistent with DGCL 242 (b)- not DGCL 151.[74]

The automatic conversion clause was a special right and power.[75] AMC Defendants never sought shareholder approval when designating super voting rights, the 100 x conversion rate, the automatic conversion clause to or the Computershare Depositary Agreement bestow upon preferred stock. Instead of proposing an amendment to be voted on as required by DGCL 242, AMC Defendants unilaterally altered the powers, preferences and rights of both common and preferred under DGCL 151. The automatic conversion clause in itself constitutes a breach of the plain language of DGCL 242 and any analysis of "circumstances surrounding its creation and adoption" of the Mirror-Image preferred equity units shows a calculated intent to lever such breach against the will of common stockholders.[76]

Petition to Opt Out

As of May 14th, 2023, over "6500 people" have signed an online petition on Change.org, to opt out of AMC's proposed class settlement in reference to this matter. The petition asserts that

> "the settlement appears to be a cash grab for the plaintiffs' attorneys, who stand to gain significant fees rather than a fair and just resolution for shareholders. This kind of action is typical in Delaware Chancery Court and counsel for the plaintiffs are repeat offenders. As such, we respectfully request that the undersigned be allowed to opt out of the settlement agreement."[77]

International Stockholders

The Lead Counsel has not adequately represented the interests of the international stockholders of AMC, including, but not limited to, those hailing from Japan, the Netherlands, Germany, Spain, and China. The lack of due consideration for these stockholders is evidenced by the absence of language accommodations and the failure to account for the extended delivery times for communications sent to international stockholders. Specifically, the Lead Counsel has neglected to provide translations of critical documents pertaining to the settlement, such as the settlement stipulation, proposed scheduling order, and proposed notice. This oversight hinders the ability of international stockholders to comprehend and participate in the settlement process effectively. Additionally, the Lead Counsel has not taken into account the logistical challenges faced by international stockholders with respect to the mailing of postcards. The postcards, which were sent out no later than May 8th, 2023, are expected to reach international recipients later than their American counterparts due to international shipping times. Consequently, these international stockholders are afforded a disproportionately narrow window to review, comprehend, and respond to the contents of the postcards, which are not provided in their native languages. The deadline for filing responsive documents, support, or objections, set for May 31st, 2023, further exacerbates this disparity.

In conclusion, the actions of Lead Counsel demonstrates a failure to adequately represent the interests of the class, potentially undermining the legitimacy and fairness of the class action settlement. The disregard for the due process rights of absent class members and the attempt to circumvent proper court oversight should result in the court denying the settlement, necessitating further litigation or renegotiation. This case highlights the crucial need for attorneys to uphold their fiduciary duties to all class members, ensuring that their rights are protected and their voices heard in the pursuit of a fair and equitable resolution.

III. THE PROPOSED SETTLEMENT ONLY RECOVERS A MERE 2.5% OF THE LOST MARKET CAP VALUE AND FAILS TO PROVIDE SUBSTANTIVE RECOVERY TO STOCKHOLDERS – THEREFOR THE REQUESTED FEE AND EXPENSE AWARD IS UNJUSTIFIED

In the Plaintiffs' opening brief, the Plaintiffs contend that, upon approval of the settlement,

> "although one cannot definitively predict the price at which AMC stock will trade following the Conversion, using reasonable assumptions, the Settlement is among the largest negotiated resolutions in Delaware class action history. Over 6.9 million shares of Common Stock will be issued as Settlement Consideration if the Settlement is approved. Based on the trading prices of shares of Common Stock and APE units on May 3, 2023, the total Settlement Consideration is worth approximately $129 million." [78]

Remarkably, Plaintiffs audaciously seek attorneys' fees amounting to $20 million, inclusive of $121,641.74 in expenses, having consented to the settlement prior to deposing Defendant Aron, whom they have characterized as a participant in the alleged "pernicious and clever financial engineering" behind Project Popcorn.

LEGAL ANALYSIS

a. Legal Standard

Delaware courts, unlike many federal courts, do not follow the "lodestar" or "Lindy" approach to setting a fee, under which the time expended by the plaintiff's attorneys is the

[78] D.I. 206, pages 9-10

prime consideration.[79] This Court may award attorneys' fees to counsel whose efforts conferred a common benefit.[80] This principle applies to both financial and non-monetary benefits.[81] The determination of any attorney fee and expense award is within the Court's discretion.[82] The Court considers the *Sugarland* factors, including: (1) the benefit achieved; (2) the contingent nature of counsel's fee and the efforts of counsel and time invested; (3) the complexity of the litigation; and (4) the standing and ability of counsel involved. Delaware courts have assigned the greatest weight to the benefit achieved in litigation.[83]

b. Plaintiffs' Benefits of the Settlement Argument is Disingenuous

The Plaintiffs' conclusion to their first argument illustrates a significant disconnect with the reality of this settlement:

> "The new stock issuance compensates common stockholders for the dilution suffered on account of the APEs issuance to the expected tune of approximately ***$129 million***. Indeed, an **economic recovery of this magnitude is rare** in cases before this Court."[84]

Plaintiffs posit that the settlement is valued at approximately $129 million for AMC common stock stockholders. However, the Plaintiffs' argument in support of the proposed settlement and their request for a $20 million award lacks any reference to the $5,150,690,236.70 in total market value that has been eradicated from AMC stockholder value since the introduction of the APE share into the US Markets on August 22nd, 2022, less than a year prior. In the aftermath of a loss of approximately 53.4% in market capitalization, amounting to $5.15 billion, this

settlement proposes to recover $129 million, **a mere 2.5% of the lost market cap value**, while compensating the Plaintiffs' Counsel with "an award of fees and expenses equal to $20 million, **reflecting approximately 15.5% of what they exclusively created for the Class**.[85] The proposed settlement is also "fatally flawed and not likely to survive This Court's scrutiny. Amongst other inequities, the settlement hinges on a stipulation which requires the bulk of the purported 3.8 million shareholders to release nearly a years' worth of claims yet receive no settlement distribution. See Notice of Pendency of Stockholder Class Action and Proposed Settlement at 10. Since the distribution of the settlement is confined to holders of a "Settlement Class Time" -which is only a moment's snapshot of the close of one business day yet the "Settlement Class" encompasses "all holders of AMC Common Stock between August 3, 2022, through and including the Settlement Class Time", the vast majority of the class will receive no distribution in exchange for a broad release of their claims."[86]

Interestingly, Lead Counsel's third argument in the Plaintiffs' Brief, asks this Court to award them $20 million in legal fees and expenses to be paid out in cash, while the settlement will be disbursed to the Class in the form of shares, subject to potential gains or losses until their subsequent sale. Considering the purported confidence of the Lead Counsel in the value of the settlement, it is curious as to why they did not structure their legal fees in a manner that would entail receiving fifty percent in cash and fifty percent in post-reverse split AMC stock, with a mandatory holding period of two years to qualify for long-term gains while AMC collects $10 million from their insurance. By adopting to a legal fee payout structure consisting of 50% cash and 50% stock (subject to long-term holding), the Lead Counsel collectively stand to potentially save several million dollars in prospective tax liabilities, as long-term capital gains are taxed at a lower rate (maximum rate of 20%) compared to federal income tax (maximum rate of 37%). If the settlement is indeed deemed highly advantageous for the settlement class, it begs the question as to why the Lead Counsel did not structure the legal fee and expense award in a manner that would entitle them to receive payment in the form of stock.

AMC's Market Cap Analysis

As evidenced by AMC's FORM 10-Q filed on August 4th, 2022 the filing shows that there were 516,820,595 outstanding AMC shares at that time.[87] On the same day, just before the APE stock dividend was announced, AMC stock closed at $18.66, resulting in a total market capitalization of $9,643,872,302.70.[88] Subsequently, during the August 4th, 2022 AMC Call, Defendant Aron, without seeking shareholder vote or approval, revealed AMC's intention to offer a preferred share dividend spin-off called APE, with each existing shareholder receiving one APE share for every AMC share held.[89] As stated in AMC's 8-K filed on August 18th, 2022, AMC's board of directors maintains the authority to authorize additional AMC Preferred Equity units at any point in the future, including in 2022 or 2023, at their sole discretion if deemed to be in AMC's best interests.[90] The introduction of APE was not merely a dividend; it allowed for significant dilution, authorizing up to 5 billion APE shares, which is nearly ten times the original outstanding share float of AMC. The APE dividend was dilution without shareholder approval.[91]

Since the introduction of APE, shareholder value has significantly diminished. As referenced in the Plaintiff's brief, on May 3rd, 2023, AMC Common Stock closed at a price of $5.74 per share, and APE closed at a price of $1.52 per unit. "Accordingly, as of this date, the total market capitalization of Common Stock stood at $2,980,164,319 (based on 519,192,390 issued and outstanding shares of Common Stock), and the total market capitalization of APE amounted to $1,513,017,748 (based on 995,406,413 issued and outstanding APEs)."[92] As of May 3rd, 2023, the combined market capitalization of the company, for purposes of illustration, remained at $4,493,182,066.[93] By subtracting the current total market capitalization of AMC and APE as of May 3rd, 2023 ($4,493,182,066) from the total AMC market capitalization before APE

($9,643,872,302.70), the resulting figure, $5,150,690,236.70, represents the total market value lost by AMC shareholders in less than a year. Please note that this initial market cap calculation calculates overall shareholder value lost, but this specific calculation does not calculate the percent of ownership that was lost.

The perceived value of the 129 million clawed back to AMC common stockholders through the proposed settlement does not adequately compensate for the lost market capitalization. In the opening brief filed by the Plaintiffs, there are assumptions about the $129 settlement value that are inherently incorrect or misleading. First, in the opening brief filed by the Plaintiffs, they state "Based on the trading prices of shares of Common Stock and APE units on May 3, 2023, the total Settlement Consideration is worth approximately $129 million."[94]

Estimated Value of the Proposed Settlement

Assumption: The total settlement presumes that the trading price between the present and the settlement date will remain within a comparable range (e.g., +/- 10%). However, both AMC and APE are highly volatile stocks. From May 3rd, 2022 to May 3rd, 2023, AMC has traded within a range of $3.77 (52-week low) and $27.50 (52-week high)[95], while APE has traded between $0.65 (low) and $10.50 (high) since its debut on August 22nd , 2022 until May 3, 2023.[96] Notably, both stocks have trended downward shortly since after APE was released and further downward when APE was diluted in late 2022. Based on available short interest data on websites such as Fintel or Yahoo, these stocks are both highly shorted. Short selling can cause downward pressure on the stock price because the short seller will aim to sell a stock they don't own at a higher price in the hopes it will go down. Then, they can buy back the stock at a lower price to cover their previous short debt and net a profit.

In the Plaintiff's opening brief, the Plaintiffs acknowledge that if the settlement is approved that one cannot definitively predict the price at which AMC stock will trade following the

Conversion."[97] While this statement holds partial truth, recent historical trends of small to mid-cap stocks following a reverse split can serve as a basis for estimating potential market cap gains or losses. One recent example would be Mullen Automotive (Ticker: MULN) Stock. The company announced a 25 for 1 reverse split on May 3, 2023, which would take into effect the following day (on May 4th, 2023). Once the announcement was made, the stock closed down about 21% on the day.[98] And then on May 4th, 2023, after the reverse split was effectuated, MULN shares dropped about another 8%.[99] The MULN reverse split clearly shows how quickly share price and market cap can drop as a result of a reverse stock split. MULN is just one example, there are countless other companies (e.g., COSM, WISA, SNDL, etc) that also experienced massive drops in value post reverse stock split.

Due to the inherent volatility of the stock, historical patterns of market cap loss following reverse splits, and the absence of accountability in market structure (e.g., no blockchain verification to prevent brokers or market makers from creating synthetic shares), the anticipated $129 million settlement value may significantly diminish in a brief period following the conversion, adversely affecting long-term AMC shareholders. The majority of the $129 million settlement value would represent the presumed AMC stock value before it is sold, constituting unrealized gains for most shareholders rather than immediate cash value. Nevertheless, shareholders might experience some realized gains when they receive cash to replace fractional shares. For the vast majority of the settlement value, AMC is reallocating shares they intended to sell on the market back to shareholders, which is not equivalent to AMC directly paying $129 million to their shareholders. Given the history of reverse stock splits negatively impacting stockholders, there exists a real possibility that if the market cap of AMC common drops by $129 million (a projected 2.9% of the estimated $4.49 billion market cap), any benefit from this

settlement could be instantly wiped out. Short sellers often view reverse splits as favorable opportunities.

The estimated $129 million value is, in essence, highly theoretical and not guaranteed to materialize, or if it does materialize, it could be fleeting before gradually diminishing over time. In a scenario where AMC common stock is aggressively shorted immediately following the reverse split, effectively eroding shareholder value, nearly all parties involved in this lawsuit would suffer—AMC as a company, retail shareholders, Allegheny, and other investors—while only the attorneys would retain their gains.

The Impact of Fractional Share Payouts on the Value of the Proposed Settlement

The Lead Plaintiff's Opening Brief (which references the calculation from Ripley's Affidavit)[100] states that in the proposed settlement the stockholder payout would approximate around 6.9 million shares to applicable common stockholders with an estimated value of 129 million to stockholders (referencing the May 3, 2023 closing price).[101] In the Plaintiffs' Opening Brief, it states "If the share issuance would result in record holders receiving a fraction of a share of Common Stock, AMC will arrange for a cash payment in lieu of issuing fractional shares."[102] It appears that the 6.9 million share number was derived by dividing the estimated common stock share float of approximately 52 million (post reverse split, pre conversion) by 7.5 (referencing the 1 for 7.5 common stock proposed settlement payout). The Plaintiffs' proposed settlement payout estimation is based on faulty calculations and is a misrepresentation to the Court, settlement class, and the AMC Defendants. The Lead Plaintiffs failed to report the impact that the fractional cash payouts would have on the final numbers. Ripley's Affidavit claims that "While predicting the amount of cash payment for fractional shares cannot be done reliably in advance without additional information." Without the raw data to review the shareholdings for stockholder account, the verified total number of stockholders and their accounts, and a breakdown of synthetic vs authorized shares held in each account, the most accurate fractional cash payout number cannot be verified. However, based on the existing data, an estimate of the value of fractional cash payouts

[102] D.I. 206 at 29

can be calculated and is necessary to estimate in order to understand the accuracy, impact, and risk of the proposed settlement on AMC and its stockholders.

If the proposed settlement is approved by this Court and the reverse split (RS) and merger goes forward, the following would take place:

> 1. AMC and APE experience a 10 for 1 RS.
> 2. AMC pays out cash in place of AMC and APE fractional shares not divisible by 10.
> 3. Then, as part of the settlement, applicable common AMC Stockholders receive 1 new AMC common share for every 7.5 hares held.
> 4. Then, AMC pays out cash in place of fractional shares not divisible by 7.5.
> 5. Then, AMC and APE are merged into one common stock AMC.
> 6. Then, AMC is traded on the open market only under AMC. [103]

There are three rounds of fractional payouts in total, though every stockholder may not necessarily receive each payout. As referenced, there are estimated "3.8 million stockholders" (D.I. 188)[104], and many of those stockholders have multiple brokerage accounts, so it is likely most stockholders will receive anywhere between 1 and 8 fractional cash payouts in total, which will change the number of actual number of shares delivered as part of the reverse split and proposed settlement. To be clear, the fractional cash payouts that would exist as part of the reverse split would not be counted in the total settlement number, but what happens in that step does affect how many shares and fractional cash payouts would occur in the proposed settlement.

Question: How much cash and how many shares would actually get paid out in the proposed settlement (estimated by the plaintiffs at 129 million USD)? The analysis in this section establishes several initial conditions. Many individual shareholders believe synthetics are in existence, based on available data from short interest, failed to delivers (FTDS), average

[103] DI 206
[104] D.I. 188

holdings, and the stockholder voter turnout during the Say Technologies call.[105] However, presumably in situation of synthetic shares, brokers and/or short sellers would be responsible for paying out fractional shares or new assigned common shares that are over and above the float. This analyses does not account for synthetic shares because it only focuses on what AMC would be responsible for paying for out the authorized shares in the proposed settlement.

According to the reported Fintel ownership data on April 6th, 2023, institutions own 25.83% of AMC (134,107,394), insiders own 4.77% of the existing AMC float (in total around 30.6% or around 158,872,871 shares).[106] In total, approximately around 450 institutions and around 40 insiders report to own AMC stock (rounded up to 500). Many of these 500 or so institutions and insiders may receive the fractional cash payouts (though defendants on this case will be excluded from the proposed settlement). However, the vast majority of fractional cash payouts will be implemented on the 3.8 million stockholders and their accounts, so that will be the focus of this analysis. Individual stockholders are reported to hold (at minimum) the remaining 360,319,518 of the outstanding AMC shares (69.3%), which averages out to approximately 94.8 authorized shares per stockholder (rounded up to 95 for this analysis). Using the average authorized share per stockholder of 95, when the AMC 10 for 1 RS occurs, then the average stockholder (A) would be left with 9 AMC shares, and would receive a fractional payout (from AMC) of 5x/10 multiplied where x is the current share price post 10 to 1 RS. Additionally, if the average shareholder held the same number of AMC and APE, they would also get the same fractional payout for APE after the 10 to 1 RS. If the proposed settlement was approved, then Stockholder A in this example would receive 1 new post-split AMC common shares (for the 1 per 7.5 owned) and a fractional cash payout (from AMC) of 2x/7.5 for his remaining shares that are not divisible by 7.5. Now because 7.5 is the dividing number, this implies that nearly all applicable stockholders will be receiving some type of fractional payout at this stage. As fractional payouts are made, those shares from the fractions are not delivered as shares in the proposed settlement.

[105] DI 95 and 186. Note: Say Technologies vote showed that 70.3K Participants (of 4 million AMC shareholders, 1.76%) held on average 1,018 shares, which implies massive synthetic shares.
[106] AMC Price and News. Fintel. April 6, 2023. Link: https://fintel.io/s/us/amc Note: Using April reference for calculations because reporting on the site changed in May though the numbers look comparable.

To complete the equation, it is necessary to use a share price for x. For consistency, the post-split share price was estimated to be $29.67 (based on Ripley's estimation) will be used for x, the estimated post-split share price.[107] If the average individual shareholder has 95 AMC shares pre RS, that will result in an estimated 18 million shares (5%) of the retail total being removed before the proposed settlement (1.8 million post-split). The average cash payout at the RS stage for AMC to pay to individual stockholders would be about $14.835 per person and $56.37 million in total. The APE fractional payout for the reverse split was not calculated for this analysis, though it is likely that the payout would be in a similar range as the estimated AMC RS fractional payout of $56.37 million in total.

Then post-split the average individual investor would have 9 AMC common shares and receive 1 additional new post-split common share and a cash payout of $7.91. If expanded the average number to all 3.8 million stockholders that would result in 3.8 million shares to individual stockholders and about a $30 million in cash payout. Another thing of note, this example only displays retail stockholders having one account. If you factor in that many individual shareholders have multiple accounts holding AMC, the fractional payouts potentially increase by double or more. Additionally, if there are more than 3.8 million shareholders, the fractional payouts increase even further. Also important to note is the larger the fractional payouts at both the reverse split and proposed settlement stages, the larger the initial cash payout by AMC Defendants would be to AMC common stockholders, but the lower the share payout would be to stockholders.

Using the same calculation for institutions and insiders, the median range of the AMC RS fractional payout for those groups would be approximately $7,417 in total. The institutions and insiders have a much higher average share count, thus a very small percentage (under 0.01%) of their total shares are removed in a reverse split. The AMC Defendants (categorized under insiders) would be excluded from the potential proposed settlement. In the proposed settlement, the median shares potentially lost by institutions via fraction would be minimal, median estimate would be around 1,610, which would result in a total fractional payout of $47,769, and 1,786,488 new shares for institutions in total. So because of the number of insiders and institutions are only around 500,

[107] DI 206 at 4 Ripley's Affidavit filed along with The Plaintiff's Opening Brief

there is minimal impact of the fractional share payouts and shares lost during RS and proposed settlement especially when compared to retail.

When accounting for fractionalized payouts, the proposed settlement is estimated to result in 3.8 million AMC shares to individual stockholders and 1,786,488 new AMC shares for institutional holders, which results in an estimated 5,586,488 new shares to be issued (rounded to 5.6 million), initial calculations indicate the total shares delivered in the proposed settlement would be less than 6.9 million shares[108] but closer to 5.6 million shares. Additionally, the analysis estimates that individual shareholders in total would receive $30 million in fractional cash payouts and institutions would receive about $48k. Any fractional shares resulting in a cash payout would qualify as a realized gain or loss and be potentially taxable, but the delivered shares would be unrealized gains or losses until the stockholder sells. **The current proposed settlement is a misrepresentation of the settlement conditions to the Court and shareholders. The briefs and proposed settlement should be rewritten in order to reflect more accurate estimations of the delivered shares and cash payouts.** If the plaintiffs or defendants want to dispute these numbers, then they need to provide a share count that is verified by a 3rd party and shareholders so an accurate assessment of how many shares and cash will be delivered based on the shares held in each shareholders account.

The Risk of Bankruptcy due to the Fractional Share Payouts

When the fractional payments occur, AMC is required to pay stockholders for the fractions or non-divisible in a split shares back. Depending on the share price, division, and number of shareholders, this can be even more expensive than projected. The assumption is that AMC would resell those shares taken back once the market opens post RS to regain the majority of that cost. Though as mentioned previously, often reverse splits result in downward pressure.

Further, there is a major risk that if this proposed settlement is allowed to be implemented (and the reverse split and merger go through) it would result in AMC exhausting all of their cash and make them bankrupt before they could sell shares on the market to recoup. If AMC goes bankrupt as a result of this settlement, it would negatively affect

[108] DI 206 at 9, 31, 52

all parties on this case including AMC stockholders, the Plaintiffs, and the AMC Defendants. How could AMC go bankrupt as a result of the settlement? During AMC's Q1 2023 Earnings Conference Call (on May 5, 2023), Defendant Goodman stated that "We ended the quarter with liquidity of $704 million. This is comprised of $496 million of cash and cash equivalents and $208 million of undrawn credit facilities."[109] The estimated cash payouts as a result of both the reverse split for AMC and proposed settlement for AMC shares total $86.57 million USD that AMC would have to pay out to cover fractional shares that cannot be delivered. The initial estimation for payouts are 12.26% of AMC's liquidity for operations. If right before the reverse split is implemented, if the market makers raised the price of AMC common to push this stock up to 8.16x of its estimated value, halt the stock, implement the reverse split and the proposed settlement, this would then trigger AMC to pay out a substantial amount of fractional payouts that would exceed the $704 million of liquidity on hand from AMC (before they could sell more shares on the market). This situation may cause AMC corporate to file for bankruptcy and possibly result in the stockholders (including the Plaintiffs and AMC Defendants) losing most or all of their AMC and APE investment. **The Court should be aware that the combination of the reverse split, merger, and proposed settlement with large fractional payouts can lead to a potential bankruptcy for AMC and loss of all value to all AMC stockholders.**

Risk of Dilution on Shareholder Value

The Plaintiffs' brief explains the proposed share structure:

> The Certificate Amendments and Conversion would leave only about 150 million shares of Common Stock outstanding, affording management roughly 400 million 'dry powder' shares to conduct future dilutive capital raises without needing to seek stockholder approval.[110]

Dilution constitutes a significant concern for shareholders. One reason why AMC stock trades higher than APE is the fewer outstanding shares and the near absence of AMC shares left for dilution, whereas APE could be diluted with an additional 4 billion shares. When a company dilutes its shares by releasing them onto the market, the share price typically declines; conversely, if a company repurchases and retires shares, the value of outstanding shares and the ownership percentage of company stock increase. It is critical to note that, under the new share structure, AMC corporate would possess the capacity to dilute the float by an additional 267% at any given moment. This prospect deters potential shareholders since, should the stock begin gaining momentum, they are aware of the very real possibility that the corporation will dilute and sell more shares on the market, thereby reducing the value of their shareholdings. AMC shareholders have already witnessed this process play out with APE shares, which initially started trading around $6-7 dollar range, and now in early May is trading around $1.50. APE started with about 516 million shares outstanding and now is up to 1 billion and APE has seen its share price drop about 75%.

To ensure that the settlement benefits all parties involved, it must outline steps to restore and safeguard shareholder value in AMC and/or APE stock.

c. The Contingent Nature of Counsel's Representation and the Efforts and Time Expended Support the Fee and Expense Award

Delaware's public policy promotes incentivizing risk-taking in the interests of shareholders through contingent fee representations. However, it is crucial to ensure that fee and expense awards are equitable, judicious, and proportional to the value conferred upon the class. While the contingent nature of counsel's representation and the efforts and time expended are factors warranting consideration in determining the fee and expense award, a comprehensive evaluation of the reasonableness, proportionality, and value provided by counsel to the class is essential before approving such an award of this magnitude requested by the Plaintiffs.

The proposition of bestowing both a risk and incentive premium in addition to standard hourly rates is predicated upon the supposition that counsel confronted considerable risks and

uncertainties when undertaking the case. Nevertheless, the strength of the plaintiffs' case from inception had mitigated the actual risks faced by counsel. Plaintiff Alleghany had nearly unlimited free resources and due diligence performed by retail shareholders on the internet. This was found on Reddit, Twitter and other social media. Additionally, retail shareholders who were subject matter experts, extensible performed free consulting for Allegheny plaintiffs. Additionally, the high likelihood of winning versus a defendant who has an extensive history of allegations similar to this case, and who settles quickly, alludes to the low level of risk associated with the case. It is imperative to meticulously scrutinize the genuine risks involved in the case and the extent to which counsel's representation was contingent on the outcome. Moreover, the court must judiciously assess the efficacy and productivity of the counsel's work.

The time dedicated to the case should be reasonable, precluding any rewards for counsel who needlessly prolong litigation or expend excessive hours. The time spent by counsel in the litigation should function as across-check on the reasonableness of the fee award, ensuring that the fee and expense award is proportional to the time expended, the value provided to the class, and the intricacy of the case. In sum, a thorough evaluation of these factors is of paramount importance to make an informed determination as to whether the requested fee and expense award is reasonable and justified. In this case, it is excessive and not merit worthy.

d. The Complexity of the Litigation

One of the secondary *Sugarland* factors is the complexity of the litigation. All else equal, litigation that is challenging and complex supports a higher fee award. While it is conceded that litigation involving challenging and complex matters might warrant a higher fee award, it is crucial to scrutinize the uniqueness and complexity of this case alongside the overall risks, efforts, and time spent by counsel. The assertion that this case surpasses the complexity of a standard breach of fiduciary duty or Blasius case, and the claim that prosecuting the case necessitated a profound understanding of Delaware law, trading strategies, and corporate finance, should be weighed against the genuine risks faced by counsel and the actual value provided to the class. In this case, numerous aspects were disregarded, omitted, and, quite frankly, disappointing.

Furthermore, the inventive development of a settlement structure must be critically examined to ensure that the terms of the settlement genuinely offer substantial compensation to the Class members and are proportional to the case's complexity. This assessment is essential for determining if the complexity of the litigation by itself justifies the requested Fee and Expense Award.

e. The Standing and Ability of Counsel

While it is true that the standing and ability of counsel is a factor considered by Delaware courts in determining the reasonableness of a fee and expense award, it must be evaluated in relation to other factors, such as the genuine risks faced by counsel, the time and effort invested, and the value provided to the class. Although counsel in this case possesses experience in stockholder class and corporate governance litigation and has garnered favorable comments from courts, this factor alone should not be the exclusive determinant for the requested Fee and Expense Award. The standing of opposing counsel might be considered in determining the allowance of counsel fees, and it is acknowledged that defendants are represented by experienced and well-regarded law firms. In fact, in this matter, opposing counsel were able to finesse the Plaintiffs into a quick, poorly representative settlement. This reflects poorly on the standing and ability of counsel and ought to be factored in the reasonableness of the fee and expense award.

Plaintiffs' Attorneys settle before deposing Defendant Aron

In the Verified Stockholder Class Action Complaint[111], Lead Counsel employ a series of provocative adjectives and evocative language to characterize the actions allegedly perpetrated by the AMC Defendants and Defendant Aron, including:

- "weaponization"
- "undermining"
- "financial trickery"
- "pernicious financial engineering"
- "clever financial engineering"

[111] DI 1

- "weaponizing this 'blank check' to undermine common stockholders' voting powers and economic interests"
- "failed"
- "entice"
- "Like Agamemnon leaving a horse outside Troy's walls, the Board had set in motion its end-run around AMC's stockholders' votes"
- "The Board has abused its powers to purposely thwart the stockholder franchise"
- "weaponized their legal power to issue "blank check""
- "capital structure gamesmanship"
- "target its own stockholders"

Considering the decision of Plaintiffs' counsel to settle a mere four days before Defendant Aron's scheduled deposition, despite previously characterizing him as a participant in the alleged "pernicious and clever financial engineering," and their abject failure to entertain an application seeking leave to file an amended verified stockholder class action complaint, particularly in light of the early fruits of document discovery, with a cause of action, such as fraud, raises concerns about **their strategic choices and commitment to vigorously pursuing the case**. Nonetheless, this Court must carefully examine the standing and ability of counsel in this context, taking into account their decision not to depose Defendant Aron and not to seek leave to file Plaintiffs' First Amended Verified Stockholder Class Action Complaint based on the discovery evidence when determining the reasonableness of the requested Fee and Expense Award.

f. The Reasonableness of the Requested Fee and Expense Award

The Delaware Supreme Court has held that "the Court of Chancery must make an independent determination of reasonableness on behalf of the common fund's beneficiaries, before making or approving an attorney's fee award."[112] As this court has observed, *E.F. Hutton* "unequivocally" requires that "where plaintiffs and defendants agree upon fees in settlement of a class action lawsuit, a trial court must make an independent determination of reasonableness of the agreed to fees."[113] "The fact that a fee is negotiated . . . does not obviate the need for independent judicial

[112] *E.F. Hutton, 681A.2d at 1046*.
[113] *In re Nat'l City Corp. S'holders Litig., 2009 Del. Ch. LEXIS 138, 2009 WL 2425389, at *5 (Del. Ch. July 31,2009)* (internal quotation marks omitted), *aff'd*, *998 A.2d851 (Del. 2010)*.

scrutiny of the fee because of the omnipresent threat that plaintiffs would trade off settlement benefits for an agreement that the defendant will not contest a substantial fee award."[114]

The fact that the insurers will fully fund the awarded fees and expenses should not detract from the need to scrutinize the reasonableness and proportionality of the requested award. The percentage of the financial benefit achieved and the hourly rate of $647.69 should also be assessed within the context of the specific case, rather than simply relying on precedential fee awards or the hourly rates approved by Delaware courts in other cases. While Delaware case law supports a wide range of reasonable percentages for attorneys' fees and the exercise of judicial discretion in selecting an appropriate percentage, the particulars of this case, the risks faced by counsel, and the genuine benefits conferred upon the class must be considered. The adversarial activity and the stage of litigation at which the settlement occurred should also be factored into the evaluation of the requested fee and expense award.

Although Plaintiffs achieved substantial financial and non-monetary benefits through the settlement, it is essential to examine the proportionality and reasonableness of the requested fee and expense award in relation to the value provided to the class and the specifics of this case. All factors must be weighed and analyzed before determining whether the requested Fee and Expense award is warranted.

IV. LEAD PLAINTIFFS DON'T DESERVE INCENTIVE AWARDS

LEGAL ANALYSIS

a. Legal Standard

In the Plaintiffs' Brief, the Plaintiffs seek approval of a $5,000 incentive award to each of the three Lead Plaintiffs, to be paid exclusively out of any fees awarded to Class Counsel as compensation for the time and effort that they each devoted to this expedited matter. The Supreme Court has recently re-affirmed that lead plaintiffs may be paid modest incentive awards, where justified by the two factors identified in *Raider v. Sunderland*:

[114] *2009 Del. Ch. LEXIS 138, [WL] at *5.*

(i) the time, effort, and expertise expended by the class representative, and
(ii) the benefit to the class.[115]

Public policy also favors such an award. "Compensating the lead plaintiff for efforts expended is not only a rescissory measure returning certain lead plaintiffs to their position before the case was initiated, but an incentive to proceed with costly litigation (especially costly for an actively participating plaintiff) with uncertain outcomes."[116] And in "the current environment" a stockholder who files plenary litigation faces "the very real possibility of having their computer and other electronic devices imaged and searched, sitting for a deposition—perhaps more than one if they also institute 220 litigation—and then perhaps testify at trial."[117]

It is incontrovertible that the Lead Plaintiffs have met the first factor in Raider v. Sunderland. They took the initiative to vet attorneys in order to file suit and facilitated in both the pleading and discovery phase. However, their decision to now settle prematurely should be called into question especially when they agreed to settle just 4 days prior to deposing Defendant Aron, a material fact witness, in the financial engineering scheme . The settlement that the Lead Plaintiffs agreed to calls into question their true intent. The proposed settlement is fatally flawed and not likely to survive this Court's scrutiny. Amongst other inequities, the settlement hinges on a stipulation which requires the bulk of the purported 3.8 million stockholders to release nearly a years' worth of claims yet receive no settlement distribution.[118] Since the distribution of the settlement is confined to holders of a "Settlement Class Time" -which is only a moment's snapshot of the close of one business day yet the "Settlement Class" encompasses "all holders of AMC Common Stock between August 3rd , 2022, through and including the Settlement Class Time", the vast majority of the class will receive no distribution in exchange for a broad release of their claims. Furthermore, the "benefits" - $129 million to the class equates to just **a mere 2.5%** of the billions lost in market capitalization since the launch of APE, a settlement that yields such a negligible

recovery in comparison to the losses suffered may not pass the proverbial sniff test, as it could be perceived as insufficient and potentially inequitable.

V. THE PROPOSED SETTLEMENT DOES NOT PROVIDE CLASS MEMBERS WITH DUE PROCESS

LEGAL ANALYSIS

a. Legal Standard

US Constitution Fourteenth Amendment Right – Due Process Clause

Given the legal effect of the proposed settlement, class members should be provided with sufficient notice and the opportunity to be heard with respect to the terms - and consequences of this agreement. Both elements are fundamental guarantees of the Fourteenth Amendment's, which **"at a minimum ... require]s] that deprivation of life, liberty, or property by adjudication be preceded by notice and opportunity for hearing appropriate to the nature of the case."**[119] "This right to be heard has little reality or worth unless one is informed that the matter is pending and can choose for himself whether to appear or default, acquiesce or contest."[120]

Delaware Court of Chancery Rule 23

> "[i]n any class action maintained under paragraph (b)(3), the Court shall direct to the members of the class the best notice practicable under the circumstances, including individual notice to **all members** who can be identified through reasonable effort."

Notice need only be sent to record holders. [121] Delaware law contemplates the use of a record date for delivering notice.[122]

In *Kahn v. Sullivan*, 594 A.2d 48 (Del. 1991), the Court of Chancery directed that for settlement purposes, the *Sullivan* action would be maintained as a stockholder derivative action and as a class action. The action was to be maintained by those plaintiffs, as representatives of the class who held Occidental common stock on April 6, 1989, and their successors in interest up to and including January 2, 1990, excluding the defendants and members of their immediate families. A settlement hearing was scheduled for April 4, 1990. The Notice of Pendency of Class and Derivative Action, Proposed Settlement, Settlement Hearing and Right to Appear, was sent to all class members one month prior to the hearing.

On June 6, 1990, after the case had already been taken under advisement, the Court of Chancery was informed that the Notice of the Settlement Hearing **was not sent to a number of shareholders because of an oversight**. The Court of Chancery directed that notice be sent to those stockholders. Supplemental notice was sent on June 15, 1990 providing that any additional objections to the Settlement could be filed up to July 16, 1990. In response to that notice only two letters were received, neither of which asserted any new basis for an objection.

b. Court's Process - Notice to Stockholders

On May 9th, 2023, this Court was in receipt of AMC stockholder Etan Leibovitz's ("Mr. Leibovitz") letter motion, dated May 1st, 2023.[123] The letter served to inform the Court that Mr. Leibovitz was among the numerous retail investors who participated in the telephonic conference call held on April 25th, 2023. Mr. Leibovitz's letter wished to express several concerns regarding the aforementioned call.

April 25th, 2023 Telephonic Conference Call

The Court Holds Stockholders Accountable

At the outset of the telephonic conference call, this Court swung the **accountability pendulum over towards the stockholders side**. This Court's preliminary draft letter [124]

[123] DI 257, 258, 259
[124] DI 190 Final Draft Exhibit 1

addressed to AMC stockholders emphasized adherence to due process and ensuring that each stockholder receives appropriate notice of the requirements to establish standing before the Court concerning the presentation of evidence for stock ownership. This draft letter references the pertinent legal authorities for the objections raised and complies with the timely submission of said correspondence.

There exists a fundamental issue with the accuracy of the current verification process. Firstly, there's a risk that an individual could manipulate holdings rather easily by altering any one of the many publicly available brokerage screenshots, like those found on platforms such as Reddit. These images could be modified to falsely indicate that an individual possesses shares when they do not. Secondly, both AMC common stock and the preferred APE stock are frequently traded securities, with transactions occurring daily during the weekdays. Given the daily trading activity, new shareholders are continuously entering while existing shareholders are exiting on a daily basis, even amidst these court proceedings.

The current process[125] stipulates that "Objections must be accompanied by documentary evidence of beneficial ownership of AMC common stock. Such evidence must show the stockholder's full name and can comprise copies of an official brokerage account statement, a screen shot of an official brokerage account, or an authorized statement from the stockholder's broker containing the transactional and holding information found in an account statement." Given these options, it is likely most objecting and supporting stockholders will use screenshots or brokerage statements. When a user displays a screenshot (or statement) that screenshot represents a set moment in time before the May 31st, 2023 deadline and the June 29-30, 2023 hearing. So a potential issue with a single date screenshot verification is that a stockholder may own the stock in May when they write their objection or support document, but could theoretically sell right after sending the document in May or June before the settlement hearing or future settlement. Would this imply that their objection or support document becomes invalid? Does a process currently exist to verify continuous stock ownership throughout the hearing and any subsequent settlement process? Would it be necessary for stockholders to email updated screenshots reflecting their ownership?

[125] DI 190 Exhibit 1 at 2

In order to obtain AMC stockholder addresses and names, AMC would have to obtain that data from the trading brokerages. If AMC maintains a rolling list of active stockholders throughout the court proceedings, then in the best interest of protecting stockholder private financial data and accuracy to confirm active ownership, AMC should verify that objectors and supporters are listed on their stockholder list as owning AMC stock throughout the court proceedings (Notice Date - May 8th, 2023, 5 business days from entry of Order). AMC referencing the ongoing stockholder list would be the most accurate and secure way to verify whether the objectors and supporters are stockholders and thus AMC should be required to produce this list of stockholders. This puts burden on the AMC Defendants and less burden on Plaintiffs, stockholders, and potentially the Court. If AMC as Defendant has concerns about an objector or supporter owning stock, AMC can reference their stockholder list. If AMC finds an objector or a supporter that does not own the stock, then the individual can provide verification to the Court if needed. Without clarity or possible changes to the process like the alternative of AMC referencing their ongoing shareholder list, concerns that due process will not be met for many stockholders.

"By OUR ESTIMATION the number of beneficial stockholders is approximately 3.8 million" – Defendants' attorney Mr. Neuwirth

The final agenda item that this Court addressed during the telephonic conference call, was whether notice by mail is required. This Court opened up the discussion citing precedence and stating that the Court is hesitant to forego notice by mail. Subsequently, on behalf of the Defendants, Attorney John Neuwirth ("Mr. Neuwirth") unequivocally asserted himself by stating in part that,

> "by **our estimation** the number of beneficial stockholders is **approximately** 3.8 million…the cost of mailing to that many stockholders is approximately $2.9 million dollars….. Which is significant."

Mr. Neuwirth then attempted to lay out his case why electronic means would be the most cost effective while addressing precedence.

On June 15th, 2022, Defendant Adam Aron ("Defendant Aron") made assertions via Twitter, regarding "six share counts" that were purportedly conducted. He tweets,

> **Inbound tweets ask over and over for a "share count." AMC has done a share count 6 times in the past year. We know of 516.8 million AMC shares. Some of you believe the count is much higher. As I've said before, we've seen no reliable info on so-called synthetic or fake shares.**[126]

However, these assertions were merely an exercise in rhetorical flourish. These "alleged share counts", in truth, were never intended to be anything other than a counting of **outstanding shares**, and as such, were always going to result in the same number. Defendant Aron's actions in conducting these "share counts" were driven by impure motives. Furthermore, it is an **incontrovertible fact** that Defendant Aron, in his capacity as a fiduciary, has failed to discharge his duties by not ascertaining the **precise number** of shares of both AMC and APE that are in **circulation**. This is qualitatively and quantitatively different than what was expressed via his tweet. This failure on the part of Defendant Aron to address this matter is **the primary reason why the Plaintiffs has sought recourse in this Court.**

The number of stockholders and share ownership has been a subject of significant debate, as evidenced by the letters submitted to this Court's docket. **The Court should take judicial notice to one key word that was used by Mr. Neuwirth during the presentation of his argument – "estimation"**. First, who encompasses the "our"? Who supplied Mr. Neuwirth with this fundamental information for him to make this representation during a telephonic conference call before the Court? Next, **why is Mr. Neuwirth even estimating at this point**?

Objections to the Current Notice Process

- What date was that "estimated" 3.8 million AMC shareholders calculated?

[126] DI 259

- What happens if a shareholder who submitted either their objection or approval for settlement letter then sells his or her stake in AMC prior to May 31st, 2023, will their objections or support letters count?[127]
- Stockholders were previously instructed to send their objections and proof of ownership to by mail or electronically to AMCSettlementObjections@blbglaw.com. There is a high risk that in the current process, well-meaning stockholders may accidentally release sensitive financial information (like full account numbers for their brokerage by forgetting to redact) over email that could easily be intercepted or possibly leaked or hacked. The account number, brokerage name, and stockholder contact information if leaked, does put that user's account security at risk. This is not best practice for handling sensitive data.

- There is a fundamental accuracy issue with the current process for verification. First, there is a risk that an individual could pretty easily photoshop holdings by taking any one of many publicly available brokerage screenshots from the website Reddit.

- Since AMC stock is traded daily, that means there are new shareholders buying and old shareholders leaving the stock on a daily basis, including during these court proceedings. In the best interest of protecting shareholder private financial data and accuracy to confirm active ownership, AMC should verify that objectors are listed on their regularly updated shareholder list as owning AMC stock throughout the court proceedings (including around the May 31, 2023 deadline, the in-person hearing on June 29-30, 2023, and any potential settlement date). AMC referencing the ongoing shareholder list would be the most accurate and secure way to verify whether the objectors are stockholders and thus AMC should be required to produce this list of stockholders.

- Class Members are required to disclose their proof of ownership to the plaintiffs as part of their objections. However, before the notice was sent out, the Lead Plaintiffs who claim to represent the AMC common stockholders, have not disclosed to the settlement class whether they

[127] A derivative plaintiff must maintain stockholder status throughout the litigation. Lewis v. Anderson, 477 A 2d 1040, 1046 (Del. 1984) This continuous ownership rule "has become a bedrock tenet of Delaware law and is adhered to closely." In re New Valley Corp, Derivative Litig., C.A. directly or indirectly through their private equity investment partners (reported on their Quarterly Investment Report for Q4 2022) are shorting AMC and APE.[128] Additionally, the Lead Plaintiffs should disclose whether they own any complex derivatives and options related to AMC and APE.

- The notice of the proposed settlement was sent out before members of the class settlement were granted access to discovery.

- AMC stockholders have not been granted access to review and validate the raw voting data from March 14th, 2023 AMC stockholder call (where the reverse split and merger vote took place) to ensure their votes were counted fairly. A neutral third party has also not been given the opportunity to validate the March 14th, 2023 vote. This validation is vital to whether settlement class members would choose to object or support the proposed settlement and the notice of the proposed settlement was sent out before this data was validated.

- There has been no transparent share count be conducted by a third party that allows individual AMC and APE stockholders to validate the shares (and serial number of those shares) they own in order to protect stockholder value. If the share count reveals more shares and votes than should exist that may impact the validity of the March 14th , 2023 reverse split and conversion vote, and any potential settlement. The share count results is vital to whether settlement class members would choose to object or support the proposed settlement and the notice of the proposed settlement was sent out before this data was validated.

If due process has not been properly adhered to, if the shareholder vote has not been duly verified for accuracy and legitimacy, if there is an absence of a share count to substantiate the precise number of votes in existence, if the creation of APE shares was unlawful, and/or if the sale of APE shares to Antara was impermissible, then it calls into question the **fairness and validity** of the proposed settlement. Should the settlement be approved based on potentially inaccurate or false underlying data, there exists a substantial likelihood that such a ruling may be subject to reversal upon appeal, or it could give rise to a plethora of subsequent legal actions. In the best

interests of judicial economy, the preservation of Allegheny's, AMC's, and AMC stockholders' resources, it would be prudent to ensure that due process is scrupulously followed, and that accurate figures for votes and shares are ascertained by all concerned parties before a final agreement can be reached that adequately serves the interests of all stockholders.

VI. THE VOTE ON MARCH 14th, 2023 WAS UNLAWFULLY MANIPULATED

Previous Opportunities to Sell More Shares

In the first half of 2021, AMC had asked stockholders (majority individual investors) to approve a proposal to essentially double the outstanding shares available. In the official company release dated April 27th, 2021, Defendant Aron explains that they asked "AMC shareholders to vote on approving another 500 million authorized shares…However, as to the request for 500 million further shares to be authorized, many of our stockholders are telling us to wait. It is important to listen to these owners of our company, and that's exactly what we are going to do. Accordingly, we will not vote on Proposal 1 at our May 4 Annual Meeting of Shareholders."[129] To add some context, many retail stockholders had reached out to Defendant Aron on Twitter explaining they did not want further dilution but instead provided innovative ideas on how to grow the company (some of which were adopted). Additionally in June 2021, AMC asked stockholders to authorize 25 million shares, which is a smaller percent dilution (around 5% of total shares) than the previous request.[130] The Plaintiffs' brief states "Notwithstanding the Company's modest proposal, an insufficient number of stockholders supported the share increase. The Board again pulled the proposal before the vote."[131] **However**, this narrative that AMC did not have the votes is actually contradicted later by Defendant Aron. In an August 8th, 2022 interview with Yahoo Finance Live, Defendant Aron was asked about the previous (2021) stockholder votes regarding dilution. Defendant Aron stated,

> "The shareholders didn't say, no, that they did not want us to issue more common stock. It was last summer-- May, June, July. We had it out for a shareholder vote. The vote was split. It was actually running favorable in favor of a stock issuance at the time. **But it was my opinion, my decision. I pulled the vote.** I pulled the tabulation. I took the question off the table. And the reason I did that back then is while we were winning the vote, it was close, and I didn't think that on something this important, we should do it at a time when the shareholders were not for it in big numbers."[132]

Of note, between June and December of 2021, AMC was trading a range of around $20 to $72 in that time frame. [133] Theoretically, AMC could have passed the vote to offer 25 million shares and sold the new shares around $30 incrementally throughout end of 2021 and raised about 750 million (or more) in capital with minimal dilution (around 5%) and risk to shareholders.

The Introduction of APE

In November 2021, AMC's banker, Citigroup, began work on "Project Popcorn", a prospective issuance of an alternative form of equity that could convert into Common Stock. As described in the Introduction of this brief in detail, throughout 2022, AMC collaborated with Citigroup, their transfer agent Computer Share, B. Riley Financial in order to launch APE.[134] In addition, this was an inherent conflict of interest between AMC's responsibility to its stockholders and Citigroup's actions. Citigroup has currently (and also historically) bet against AMC stock by shorting the stock and buying puts on the stock (note: this data is self-reported). Additionally, Citigroup's analysts have consistently issued very low price targets on AMC. Specifically, on November 7th, 2022 Citigroup's analyst issued a sell rating on AMC and a price target of $1.20.[135] Then, again on March 23rd, 2023, Citigroup's analyst issued a sell rating on AMC with a price

target of $1.60.[136] The fact that Citigroup was working with AMC to develop the APE shares displays a major conflict of interest because Citigroup would profit as AMC fails, but potentially lose money if AMC succeeds.

On August 4th, 2022, AMC common stock (Ticker: AMC) closed at $18.66 [137]. At that moment in time, there were reported to be 516,820,595 outstanding authorized AMC shares.[138] At 5 pm ET on August 4, 2022, AMC hosted their Q2 2022 Earnings Conference Call. During the call, Defendant Aron announced:

> "Today, we announce that later this month AMC will be creating a new class of securities and will be issuing an AMC Preferred Equity Unit Stock Dividend payable only to holders of our 516,820,595 issued and outstanding company issued common shares. This includes all of our U.S. and all of our international shareholders as well. We will issue these new AMC preferred equity units on a one-for-one basis, investors will get one AMC preferred equity unit for each AMC common share that they own as of the record date in mid-August. It also will be listed on the New York Stock Exchange starting on August 22, 2022 under the ticker symbol A-P-E, yes APE. APE as in AMC-A, preferred-P, equity-E, A-P-E, APE. And informally we will now refer to our two New York stock exchange listed securities as shares for the common stock and as APEs for the AMC Preferred Equity Units. For a variety of reasons a dividend distribution in just about any form has been a long standing request from our investor base. Today, we answered that call. So, to this issuance of 516,820,595 new APEs will essentially serve the same purpose as a much voiced request for "**share count,**" as the new AMC Preferred Equity Units will only go to holders of company issued and outstanding AMC common shares."[139]

Defendant Aron would go on to explain that the value of AMC stockholder investment would now be split between AMC and APE shares. Defendant Aron added that:

> "Because this stock dividend being announced today is like a stock split, it's logical to assume that once a dividend is issued on August 22, the price of our common shares will fall. Vitally however, and I cannot repeat this enough, for each owned share, investors would not own only a single share, but would own instead a share and an APE…**While each APE is designed to have the same rights as a common share and can convert into a shared common stock, that conversion decision is still solely up to our shareholders.** Conversion can only take place if at a future stockholders meeting the company proposes and shareholders, including APE holders vote to approve the authorization of additional common shares…Given the flexibility that being able to issue more APEs will give us, we believe that we would handily be able to raise money if we so choose, which immensely lessens any survival risk as we continue to work our way through this pandemic to recovery and transformation…" [140]

Defendant Aron went on to claim that "my every decision and my every action is intended to work for the long term benefit of all of our shareholders…Well! Today we pounced."[141] During the call, Defendant Aron alleged that the issuance of APE was approved by shareholders in 2013, though APE did not exist at that time, that approval was referenced to a type of preferred shares. AMC stockholders were not given the option to vote on whether APE shares should be created, released, or sold before they were traded publicly. After releasing APE, Defendant Aron has routinely referred to the APE shares as "**precious**" both in interviews[142] and on stockholder

calls.[143] Defendant Aron posted about a detailed thread about the APE announcement on Twitter in August 2022, however, it appears the risks with the APE implementation was not fully explained. As explained in the Plaintiff's Brief, "Nowhere in Aron's "tweetstorm", the press release, the APE FAQ, or any other public statement by the Company did Defendants disclose that Computershare, the Company's transfer agent, was required to vote uninstructed APEs proportionally with instructed APEs, effectively giving APEs superior voting power. Instead, AMC disclosed that the APEs had the same voting power as shares of AMC Common Stock. Nor did AMC Defendants advise common stockholders to hold onto the APEs issued to them so they could maintain their voting control over AMC."[144]

By design, the APE "special dividend" was designated to automatically convert into Common Stock upon a share increase sufficient to permit full conversion.[145] This gave AMC Defendants the ability to circumvent the rights and powers of shareholders and sell a mirror-image security without the required authorization.[146] On August 4th, 2022, subsequent to the filing of Certificate of Designations, AMC Defendants entered into an Agreement with Computershare Inc. without shareholder approval.[147] Under the accord, the underlying Preferred Stock, used to form APE preferred equity units, were deposited with Computershare Inc. and governed by deposit agreement ("the Computershare Depositary Agreement"). The Computershare Depositary Agreement instructs Computershare to vote all of the preferred stock in its custody "proportionally" on non-routine matters and routine matters.[148] In other words, the uninstructed- and non-affirmative - votes of APE holders can be farmed to be vote at a rate mirroring instructions from participating voters.[149] AMC common stock has no such arrangement with brokers holding common stock.[150]

August 22nd, 2022 - APE's First Day of Trading

On Friday August 19th, 2022, AMC common stock closed at a price of $18.02 per share.[151] On August 22nd, 2022, that fateful day when APE started trading on the trading floor of the NYSE, all AMC investors should have been on "equal footing". Their portfolios should have reflected "x" shares of AMC and "x" shares of APE.[152] However, many investors particularly with oversees brokers did not receive their shares on time. Other investors reported they never received APE, just a cash payout. As the trading day unfolded various events transpired that influenced the landscape of AMC's stockholder base. Some index funds were immediately forced to sell their APE shares due to their risk aversion or restrictions on trading derivatives.[153]

For those investors that did receive the correct number of APE shares, they found that AMC opened on August 22nd, 2022 at $11.33,[154] and APE opened the day at $6.95.[155] So essentially on the onset, the APE dividend had taken 38% of the original AMC's previous value and the remaining 62% stayed with AMC stock. Minutes after the stock market opened, APE was halted for trading. However, the halts didn't end there. By the end of the day AMC was halted 3 times and APE was halted 10 times, which created additional stockholder confusion and interference for those that were trying to buy or sell. By the end of August 22nd, 2022, AMC closed trading at $10.46 and APE closed trading at $6.00. The combined total value of AMC and APE ($16.46) was already down about 8.6% from the previous trading day (where AMC closed at $18.02).[156] At no point that day and subsequent days did AMC and Ape trade at parity (the same price) instead their spread (difference in prices) only increased. AMC always traded higher than

APE throughout much of 2022-2023 and AMC actually was priced several multiples higher than APE. Since August 22nd, 2022 to present day, both AMC and APE have trended downward and have not recovered to the August 22nd, 2022 trading levels. From May 3rd, 2022 to May 3rd, 2023, AMC has traded within a range of $3.77 (52-week low) and $27.50 (52-week high)[157], while APE has traded between $0.65 (low) and $10.50 (high) since its debut on August 22, 2022 until May 3, 2023.[158]

The Introduction of Ape Creates New Types of "AMC Investors"

Concurrently, as the spread between APE and AMC started to widened, a new class of institutional investors and traders emerged, seeking to capitalize on the arbitrage opportunity presented by the spread between APE and AMC stock. Investopedia defines arbitrage as "the simultaneous purchase and sale of the same or similar asset in different markets in order to profit from tiny differences in the asset's listed price."[159] Because APE was potentially convertible into AMC common at a future point in time, many investors saw AMC and APE as interchangeable. Many investors were incentivized to buy APE at a much lower price in the hopes both AMC and APE would be merged together in the future. For an arbitrage example, on December 2nd, 2022, APE closed at $1.00[160] and AMC closed at $8.17.[161] If investor A wanted to participate in the arbitrage play in this instance, they might buy $1 million worth of APE at $1.00 then Investor A would sell short $1million worth of AMC at $8.17 equating to 122,399 shares to Investor B. If AMC and APE merged in the future at an equivalent rate, then both prices would likely be added up and divided by two. For this example, let's say APE is still trading at $1.00 pre merger and AMC is at $8.17 pre merger. Post merger, Investor A would have 1 million shares valued at around $4.59 million (a 4.59x in value). Additionally, Investor A could also close the short by buying

122,399 shares of AMC at the post merger value of $4.59, which would net a profit of $438,188.42 in cash from that trade. However, post-merger Investor B would have 122,399 shares valued at around $561,811.41 (a loss of around 46%). This example shows why many investors would be interested in the arbitrage play on AMC and APE. If invested correctly, an arbitrage play can be very profitable by essentially resulting in two very profitable trades at the same time. Right after the release of APE, Billionaire Jim Chanos announced publicly on CNBC he was playing an arbitrage play on AMC and APE. Specifically, Chanos stated, “"We actually bought the new APE preferred and we have shorted the AMC common against it, … They are economically the same security."[162]

From the perspective of an AMC and APE stockholder, the issue with having two actively traded stocks that are convertible is in the situation of extreme price differences (like with AMC and APE), any future merger would help one class of stockholders (APE), while hurting the other class (AMC). This situation created incentives for many investors to buy APE at lower prices and perhaps not be as interested in AMC. Then, later those APE investors would be more incentivized to vote for a merger that would assist their APE holdings despite the negative impact it would have on AMC stockholders. Because more APE shares (which have voting rights) were in existence (5 billion in comparison to AMC’s 517-520 million depending on time range), this situation gave more voting power to APE stockholders at the expense of AMC stockholders.

Prior to APE being listed on the NYSE, **AMC investors only had to focus on one stock** for their AMC investment. The launch of APE created potential confusion for many AMC investors because now there were two AMC stocks (AMC and APE) often with wildly different prices. These challenges were further exacerbated by the exclusion of European stockholders from participating in APE trading due to legal concerns. During this time period, there were no remaining shares of AMC common stock to dilute, however, when APE was introduced in August 2022, there were nearly up to 4.5 billion of APE left to dilute. This created confusion for stockholders on whether they should or should not invest in APE if AMC was planning on diluting

Antara Deal and Possible Insider Trading

APE opened at $6.95 [163] when it was released on August 22, 2022. From there, in just a few months' time, the stock was shorted down to $0.65 at its lowest on December 19, 2022. [164] Antara Capital, LLC (Antara) was one of the institutions that was shorting the APE stock. On December 22nd, 2022, AMC announced the sale of APE to Antara via a press release. That press release also explained "AMC's Board of Directors is seeking to hold a special meeting for holders of both AMC common shares and APE units (voting together) to vote on the following proposals: To increase the authorized number of AMC common shares to permit the conversion of APE units into AMC common shares. To affect a reverse-split of AMC common shares at a 1:10 ratio. To adjust authorized ordinary share capital such that, after giving effect to the above proposals if adopted, AMC would have the same ability to issue additional common equity as it currently has to issue additional APE units. As part of the agreement, Antara has agreed to hold their APE units for up to 90 days and vote them at the special meeting in favor of the proposals." [165] Per Antara's 13D filing, the filing reports that they "acquired 60,000,000 APEs (the "Initial APEs") offered under the Issuer's at-the-market program at a price of $0.58225 per share for an aggregate purchase price of $34,935,000."[166] The day before the announcement (December 21st, 2022), APE closed at $0.6850. The next day when the Antara deal was announced (December 22nd, 2022), the stock opened at $1.23, which is almost double the previous day. On December 22nd, 2022 Antara sold

8.9 million shares (previously owned) the same day of the announcement for a profit. AMC sold APE shares to Antara at $0.5822 per share, which is below the NYSE manual Section Minimum Price threshold for where APE was trading in that time frame. As part of the AMC and Antara deal, AMC sold 258,439,472 APE shares without shareholder approval. Before the Antara deal, there were a total of 1,160,331,398 voting units (including 517,580,416 common shares and 642,750,982 issued AMC Preferred Equity Units). The sales to Antara exceed the NYSE Company Manual Section 312 and the 20% Voting Powers threshold, because this was sold without shareholder approval. [167]

Based on the available evidence, AMC worked with Citigroup to develop the APE share but not for the benefit of AMC stockholders. Defendant Aron called the APE shares precious but sold the shares at rock bottom prices (which limited the amount of funds raised) to a hedge fund that had previously been shorting AMC in order to ensure the hedge fund voted to merge AMC and APE shares. Antara has netted a realized profit of over 200 million dollars from buying APE from AMC and voting for their proposals,[168] while AMC stockholders has seen their stock value diminish over time.

Integrity of AMC Shareholder Votes and Voting Power

The NYSE American 2023 Annual Guidance Letter states "The ability to vote on certain corporate actions is one of the most fundamental and important rights afforded to shareholders of companies listed on the Exchange. The matters on which shareholders may vote include amendments to equity compensation plans and certain share issuances…The Exchange is unable to authorize transactions that violate its shareholder approval and/or voting rights rules. To avoid this undesirable outcome, listed companies are strongly encouraged to consult the Exchange prior to entering into a transaction that may require shareholder approval. This includes the issuance of securities: (i) with anti-dilution price protection features; (ii) that may result in a change of control; (iii) to a related party; (iv) in excess of 19.9% of the pre-transaction shares outstanding; and (v) in an underwritten public offering in which a significant percentage of the shares sold may be to a

single investor or to a small number of investors."[169] The NYSE Company Guide Section 122 states that the "Voting rights of existing shareholders of publicly traded common stock registered under Section 12 of the Exchange Act cannot be disparately reduced or restricted through any corporate action or issuance. Examples of such corporate action or issuance include, but are not limited to, the adoption of time-phased voting plans, the adoption of capped voting rights plans, the issuance of super voting stock, or the issuance of stock with voting rights less than the per share voting rights of the existing common stock through an exchange offer."[170] The NYSE rules are supposed to protect shareholder votes and values for illegal share issuance. If there are more shares in existence than authorized, then stockholder voting power is diluted. **If NYSE traded companies are allowed to issue any amount of shares (and votes) without stockholder approval and if companies are not required to show evidence (raw data) that supports the results of their stockholder votes, then stockholders have no real rights or protections.** AMC stockholders have stated concerns that there are more shares in existence than are authorized, which is hurting shareholder value, hence the need for a transparent share count and transparent voting process.

Say Technologies Verified Voting on AMC Q&A call

At the time of the August 9th, 2021, AMC Q2 2021 Earnings Q&A call, AMC had 513,330,240 authorized outstanding shares.[171] In the lead up to that call, AMC partnered with the Say Technologies website to allow individual stockholders to submit questions on the website to Defendant Aron and the AMC Defendants. The website allowed stockholders to log the shares of AMC they owned by actually validating their brokerage account number and AMC shares owned with the Say Technologies website. Once verified, the website gave users a digital certificate listing the number of shares they owned, and then stockholders could ask questions or vote on potential questions for the call. The website publicly displayed how many investors registered for

the August 9th, 2021 call and how many shares were represented on the site in total. In total, 70.3K Participants (about 1.76% of 4 million shareholders) signed up on the site and 71.6M shares (about 13.95% of the total float) were represented for the call.[172] The average investor who participated owned about 1,018 shares which is about 8.5x the projected average share count shared in June 2021 (120 avg shares based on the 4 million shareholders owning 80% of the float number). Many studies aim for a sample size of 500-2,000 participants,[173] and this vote had 70.3K participants, which is more than enough to be a representative sample. While the Say Technologies vote numbers are not an official share count, the results provide strong evidence with a very large sample size that AMC stock has been over-sold (or over-shorted) on the market multiple times the share float. Right after seeing those numbers, as part of their fiduciary responsibility to stockholders, the AMC Defendants should have immediately started an investigation into the existing shares in order to protect stockholder value. Suspiciously, the day after the AMC Q&A call, on August 10th, 2021 Robinhood (the trading brokerage) bought Say Technologies.[174] Many individual investors had lost trust in Robinhood when they turned off the buy button for AMC and other stocks in January 2021. Due to the conflict of interest with new ownership, Say Technologies was unfortunately not a fit for future AMC calls. [175]

for the Sustainability Aspect of Blackrock's AI, Aladdin. Aladdin is a multibillion dollar Computer/AI system that is a virtual money siphoning machine and essentially a near monopoly on the Financial Markets. Mrs. Lader's Father is Philip Lader, who is the Director on the Board of AMC. Philip Lader is also a managing partner at Morgan Stanley, which is a blatant conflict of interest for stockholders, as Morgan Stanley also holds over $100 Billion Dollars in Assets Sold, but not yet purchased. Not to mention, these assets are priced at "Fair Market Value" and do not reflect the true price at which an asset that carries scarcity would be sold for. The AMC Tokens acted as digital IOU that are used to balance the "Financial Book" of the short sellers. Essentially they could be used as a "Reasonable Locate" to "Offset" their short position. They did this using the FTX created AMC Token which they used too artificially to "Offset" their short position. The problem is the Token was not backed by an "Authentic" Share and acted more as a synthetic derivative. Since there was no "Value" backing these Tokens, it meant that the game was over, OR that new "Artificial" Tokens would have to be created. There were then multiple AMC Tokens created, some with over an 8 Quadrillion Supply. This supply, not representing any "Real" value, is then used to endlessly mark against any short position, thus creating an infinite supply of "Synthetic" "IOU" Shares. This action completely suppresses the value of the underlying stock causing an extraordinary loss in shareholder value, as well capital formation for the Company. This was done to AMC in unprecedented and predatory fashion and it affected Millions of shareholders. This AMC wrapped token and connection to AMC's Board of Directors that needs further investigation to protect shareholder value. [176]

AMC Corporate Action

On March 14th, 2023, AMC held the shareholder meeting to vote on the proposed reverse split and conversion of AMC and APE. At the time, there were 517,580,416 eligible shares of AMC's Company's Class A common stock and 929,849,612 eligible AMC Preferred Equity Units were available to vote. Based on AMC corporate's calculations, the votes for both AMC and APE shares were combined to determine the final results. Regarding the reverse split proposal vote AMC reported that out of approximately 929.8 million APE shares, 842,782,544 voted in favor,

[176] See Exhibit C for screenshots regarding the AMC token

80,570,613 voted against, and 6,695,864 abstained. In the case of AMC shares, 128,344,709 voted in favor of the reverse split proposal, while 51,388,638 voted against, and 2,609,383 abstained.[177]

According to the reported results, every APE share was voted and recorded, because approximately 63% of the APE share votes were voted and recorded on time, and AMC corporate instructed Computer Share to vote in favor of the proposals the remaining percentage (37%) who did not vote on time. However, for AMC common shares, only 35% of the shares were voted and recorded. The difference between the voter turnouts for each class share (35% for AMC common vs 63% for APE) is highly statically unlikely and should have immediately triggered a shareholder vote audit. An audit of the shareholder vote would allow investigation of the raw voting data, the vote totals, and allow for stockholders to validate their votes were recorded correctly.

AMC corporate rigged the reverse split and merger vote by combining the total yes votes for AMC, APE, the APE votes they sold to Antara (in violation of NYSE Section), and the transfer agent mirrored yes votes in order to say that the reverse split and conversion passed. Additionally, AMC corporate violated DGCL 242 by forcing both the AMC and APE votes to held together instead of separately. The analysis provided in Exhibit A show that all these steps were needed in order for AMC corporate to illegally secure their desired outcome for the vote.[178] The voting percentage contrast alone is alarming but when also considering the likelihood of billions of synthetic shares/votes (note: The Say Tech vote from 2021 displayed evidence that the average shareholder held over 1,000 shares, which would likely mean billion(s) of synthetic shares), it appears that this vote was rigged and individual shareholder voting was suppressed. Many stockholders both domestic and especially internationally reported not receiving their proxy voting materials. Per Defendant Aron on the Q4 2022 call (on February 28, 2023) stated

> **"we are all aware painfully that the brokerage firms in some countries, especially in Europe do not facilitate shareholder voting. And there's - if that - if you're with one of those firms, there's not**

much you can do other than put - your shares in a different broker who would allow you to vote at future shareholder meetings." [179]

This issue where international stockholders are not allowed to vote is not new and has been referenced on previous calls including Q1 2022 and Q2 2022. So international stockholders may not be able to vote, however, given modern technology, it is inexcusable that AMC corporate has not found a way to work with international stockholders to record their shareholder votes which they purchased legally when they bought their shares.

After the March 14th, 2023 AMC Stockholder Vote, Mr. Affholter, an AMC common stockholder, submitted a request for the raw data with respect to the vote from AMC's Investor Relations on three separate occasions: April 12th, 2023, April 20, 2023 and May 9th, 2023.[180] Mr. Affholter has yet to receive any response to his application. AMC Investor Relations' abject failure to respond to Mr. Affholter shows AMC's lack of transparency and respect towards its stockholders. If the vote was valid, then AMC as a company should be willing to share the raw voting data in order to alleviate any stockholder concerns by proving the vote was valid. If the vote was valid and if a stockholder was given the raw data, it should be very easy for any stockholder to validate that the correct number of shares is assigned to them per brokerage account, that the shares were voted correctly for each proposal (yes, no, or abstain), and that the total calculations were performed correctly. The only reason that AMC would not be willing to share the raw voting data with stockholders and allow the voting data to be verified is if fraud was committed by the board and the release of the data would prove the result of the vote is false.

If stockholders cannot confirm that their stockholder votes for the shares they legally bought were recorded and recorded correctly, then stockholders do not really have any voting rights, because any given company's board of directors could fabricate any corporate results to their benefit at the expense of stockholders. Furthermore, if the March 14, 2023 voting results is in fact falsified then that revelation greatly influences AMC's actions going forward, stockholder

value, and any potential settlement as a result of this lawsuit. The stockholder voting data should have been audited during discovery before any proposed settlement or opening briefs were submitted to the Court. The fact the voting data has not already been audited shows a lack of respect to the process, to stockholders, and to the Court. The reported results from AMC corporate (though not validated) show that the majority of AMC shares did not vote in favor of the reverse split. If Delaware law and AMC's COD is followed, then either a new vote must be held with each class separately or the proposal for the reverse split and merger does not pass, so it cannot occur at this time.

The vote rigging allegation in the AMC case revolves around the company's actions to manipulate stockholders' voting rights, specifically through the Antara Transaction. After common stockholders had rejected the proposals to increase the number of authorized shares twice, Defendants decided to weaponize APEs and their mirrored voting power in order to force the Certificate Amendments through. The Antara Transaction was central to this manipulation. From the outset, AMC's senior management prioritized securing Antara's agreement to vote in favor of the conversion, thereby subverting the common stockholders' franchise. As a result, it is alleged that the AMC Defendants used the Antara Transaction not to provide value to their beneficiaries, but to bypass the stockholders' voting rights. AMC Defendants were aware that APE's mirrored voting power could be weaponized against holders of Common Stock. This became evident in an email sent to Defendants Goodman and Merriwether from D.F. King, which attached a model designed to show combinations of APE and AMC support that would achieve the requisite vote requirement. Furthermore, internal communications revealed that the company's senior management focused on ensuring that Antara held shares and voted in favor of the conversion. The vote rigging allegations against AMC involve the company's use of the Antara Transaction to manipulate and undermine the common stockholders' voting rights. By weaponizing APEs and their mirrored voting power, AMC Defendants were able to force through the Certificate Amendments, circumventing the stockholders' franchise and breaching their fiduciary duties. The evidence at hand indicates that the vote conducted on March 14th, 2023 was in fact unlawfully manipulated by the AMC Defendants. This assertion is substantiated by the correspondence exchanged between B. Riley and Defendants Goodman and Merriwether from D.F. King. These

communications reveal a concerted effort by the parties involved to distort the voting process to achieve a predetermined outcome - Implementation of a Proportional Voting Scheme.

Examination of Antara's Investment Impact on Voting Percentage

Additional evidence of vote manipulation can be discerned in the email correspondence from Mr. Van Zandt to Defendants Aron and Goodman.[181] This email includes an attachment that contains a preliminary analysis of ownership and voting predicated upon various investment scenarios involving Antara. The analysis demonstrates that AMC harbored concerns regarding the impact of Antara's investment on its share total and, consequently, it's voting percentage. This apprehension signifies an intention to regulate the voting outcome by manipulating the influence of Antara's investment.

Altering the Voting Standard through Strategic Means

Moreover, an email chain involving Defendants Goodman and Merriwether, dated May 31st, 2022[182], delineates a strategy whereby preferred equity could be utilized to transform the required voting standard from a "majority of shares outstanding" paradigm to a "majority of votes cast" paradigm. This transformation could solely be realized through the deployment of a proportional voting scheme, further corroborating the contention that the vote was unlawfully manipulated to secure a specific outcome. The cited correspondence between the defendants and relevant parties evinces a deliberate endeavor to distort the voting process to achieve a preordained outcome. By employing a proportional voting scheme, controlling the influence of Antara's investment, and modifying the voting standard, the AMC Defendants effectively manipulated the vote on March 14th, 2023 in an unlawful manner.

Summary: These two tables show how AMC rigged the vote by selling APE shares illegally to Antara, and having Computer Share vote the remaining depositary proportional votes in support of the proposals, and not including Broker non votes as an against vote. The Total row shows how AMC corporate tallied the votes so they would pass. The Total including Broker non votes without mirroring row shows that the proposal one and two votes would have passed had the votes been tallied correctly. This analysis evaluates the data that was reported by AMC corporate and estimates how some entities such as Vanguard and the Board members voted. Please note that these numbers have not been confirmed or validated with the raw data (which is best practice) because this raw data has not been provided to shareholders.

Hello Investor Relations at AMC,

I am an independent investor who is invested in AMC. I participated and voted in their recent shareholder meeting on March 14, 2023. The vote took place through proxyvote. I am looking to request the raw data for that vote so I can verify my votes were recorded correctly. Who is in charge of tallying up all the raw voting data? AMC, ProxyVote, computershare, or a 3rd party?

Thank you,
Jordan Affholter [redacted]

BUBBIE GUNTER'S OBJECTIONS TO THE PROPOSED SETTLEMENT

Statement of Objections

Pursuant to the instructions from this Court, I, Bubbie Gunter, a member of the "Class" have enclosed the necessary documentation to establish that I am in fact a member of the "Class"[1]

Therefore, please accept this letter as my formal desire to object to the proposed settlement currently on the table of which I am a member.[2]

---

[1] Exhibit "A" - Proof of Class Membership

[2] Allegheny County Employees' Retirement System v. AMC Entertainment Holding, Inc, et al., C.A. No. 2023-0215-MTZ

In this particular letter, I would like to address my concerns and objections to the settlement "structure" itself and not as much as the monetary aspect of the settlement which I will discuss later. Below is a list of my objections:

Objection # 1 - Misleading Facts in Settlement Filing
Objection # 2 – Defendants' Rights to Immunity
Objection # 3 - Objection to Lifting the Status Quo and Possible Civil RICO Violations
Objection # 4 - Fees and Expense Award

Objection # 1
Misleading Facts in Settlement Filing

In the matter before the Court, Lead Counsel requested this Honorable Court to appoint them as Class Counsel for the Settlement Class. They assured the Court they have and will fairly and adequately represent and protect the interests of the Settlement Class.

However, after a thorough inspection of Lead Counsel's Proposed Settlement (the "Settlement") it becomes evident that the filing is ***riddled with misleading facts*** that could jeopardize and harm the Settlement Class thereby making it void and the need for a **new proposed settlement be presented to the Court.**[3]

In re Marsh & McLennan Companies, Inc.[4] Securities Litigation, 527 F. Supp. 2d 144 (S.D.N.Y. 2007) the Court considered objections to a proposed settlement and specifically addressed the issues of misleading information in the settlement filing. The Court emphasized the importance of accurate and complete information in the settlement process and stated that misleading or inaccurate information can undermine the fairness of the settlement.

[3] See Exhibit "B", Class Members Brief in Support of New Proposed Settlement for consideration.
[4] In re Marsh & McLennan Companies, Inc. Securities Litigation, 527 F. Supp. 2d 144 (S.D.N.Y. 2007)

In their submission to the Court, Class Counsel stated,

> *"... On March 14, 2023, AMC convened the Special Meeting, where the Proposals were approved* ***by a majority of Common Stock and Preferred Stock****, including Preferred Stock shares corresponding to uninstructed AMC Preferred Equity Units, voting together as a class....."*[5]

This information to the Court is in fact ***not true at all*** and I feel it misleads the Court and Class into believing a "majority" of Common Stock and Preferred Stockholders approved the proposed amendments to their corporate filing and they did NOT!

It should be noted that for the reverse split proposal vote, AMC reported that ***ONLY 128,344,709 AMC shares voted in favor, 51,388,638 voted against, and 2,609,383 abstained.***[6]

Under Delaware law, an affirmative vote of shareholders of **at least a majority** in voting power of the Company's outstanding shares will be required for stockholder approval of the Common Stock Amendment.

This is a far cry from a MAJORITY vote.[7]

Furthermore, in their Brief in Support of the Proposed Settlement, Defendants once again misleads the Court, the Class, and any future individuals reading these documents into believing a "Majority" of Common Stock and APEs voted "Overwhelmingly in favor" of the Charter Proposals. However, this representation is far from the truth.

Just like a master storyteller weaving a tale of deception, Lead Counsel and Defendants crafted a narrative that distorts the facts and creates a false perception that the proposed Amendments to the Corporate Filing had widespread support from a majority of Common Stock and Preferred Stockholders. But, the reality is quite different.[8]

The misleading information presented by Lead Counsel and Defendants in their proposed settlement filing has a significant impact on both the Court and Shareholder Class as a whole.

[8] Brief in Support of the Proposed Settlement, p. 30

By misrepresenting the facts regarding the voting results, Lead Counsel creates the false impression that the proposed Amendments to the Corporate Filing were supported by a majority of Common Stock and Preferred Stockholders.

Another example of Class Counsel's lack to adequately represent the Settlement Class is their lack of knowledge of the facts of the case.

Records incorrectly reflect[9] that,

"Indeed, APE holders, including Antara, made investment decisions based on the fact that the APEs and Common Stock would vote together on the Charter Proposals…"

In their haste to settle, the defendants and Lead Counsel have once again overlooked critical facts, as evident from the inaccurate records that assert APE holders, based their investment decisions on the assumption that APEs and Common Stock would vote together on the Charter Proposals.

Such a notion is simply implausible and fails to align with reality. It is inconceivable to believe that all APE shareholders made their investment decisions relying on the notion of a unified voting arrangement having been established.

This flawed claim further highlights the lack of attention to detail and accuracy exhibited by the Defendants and Lead Counsel.

Attorneys have ethical and professional obligations to provide accurate information to both their clients and the Court.

At least a dozen other examples of misinformation to the Court can be found in their Proposed Settlement plan and their Briefs in Support. And, if the Briefs in Support of the Settlement are "poisoned", wouldn't the Settlement itself be "fruit" from it? Therefore, I strenuously object to their Proposed Settlement.

Misleading facts and a lack of transparency regarding the voting results, the true impact of the reverse stock split on the Settlement Class, and the accuracy of information presented throughout the proposed settlement filing clearly demonstrates the need for a ***more thorough review of the proposed settlement*** and the actions of the Lead Counsel and Defendants.

[9] Defendant's Brief in Support of Proposed Settlement, p.30

Objection # 2
Defendants' Rights to Immunity

On February 20. 2023, Plaintiffs brought forth several railing accusations against the Defendants. These charges include:

- *Defendants participated in a complex and disloyal corporate scheme to circumvent shareholder wishes in a corporate election;*
- *That Defendants, after many months of trying to convince shareholders to approve proposals that would dilute their Company's stock, used AMC's Anti-takeover policy against shareholders to officiate their scheme;*
- *In their complaint, Plaintiffs' asserted Defendants violated or will cause to violate Delaware law.*

After reviewing the actual complaint, Plaintiff's Opening Brief in Support of Proposed Settlement and Defendant's Brief in Support of Proposed Settlement, it is ***beyond the scope of reasoning*** to understand why Class Counsel would bring such condemning accusations against CEO Aron and the Board. Then, perform a hundred and eighty degree turn around!

After all, the Lead Counsel assured the Court and Members of the Class that they ***"...anticipate that there will be no difficulty in the management of this litigation…."***[10] to prove their claims.

In addition, Plaintiffs' stated they were, ***"Committed to prosecuting this Action and has retained competent counsel experienced in litigation of this nature…."***[11]

Then, after reading the Plaintiffs' Opening Brief in Support of the Proposed Settlement, I was left walking away feeling as if something wasn't right about the case as a whole.

The Plaintiff's changed their attitude toward the claims one-hundred percent and did a 180 degree turnaround. Now, the Class is expected to simply accept,

"Well, the Defendant's may have done something wrong.
Then again, maybe not. Now pay us $20 million dollars for this amazing work!"

---

[10] Verified Class Action Complaint, p.36(88)
[11] I.d. 37(90)

Is THIS the definition of "Practicing Law"? To submit frivolous complaints to the Court, only to settle with Attorney Fees in the MILLIONS?
This is unacceptable to me as well as many other Members of the Class!

In the WorldCom case, the Court thoroughly examined objections and placed significant emphasis on the fairness and adequacy of the settlement terms. The Court emphasized its responsibility to scrutinize the settlement to ensure it adequately addresses the alleged misconduct and protect the rights of the affected parties..[12]

The case highlights the Court's responsibility before approving a settlement to:

1. ***Diligently evaluate the merits of the claims against the Defendants,***
2. ***Assess the extent of the alleged wrongdoing, and***
3. ***Safeguard the interests of the class members.***

If the Defendants are in fact guilty of the many allegations Lead Counsel brought forth, I object to the inclusion of an immunity clause of the Proposed Settlement. Then, I would request the Court make whatever recommendations she feels are in the best interest of the Class as a whole.

If in the Court's wisdom, she agrees, then that which has been covered must be revealed!

With the Plaintiff's rushing to Court, rushing to Settlement, rushing to lift the Status Quo, the Court should carefully consider this objection before approving the settlement (with special emphasis on my next objection in which I question such large legal fees attributed to dropping the Action brought before the Court.

If the truth must come out, then this is the time for it!

[12] In re WorldCom, Inc, 219 F.R.D. 267 (S.D.N.Y)

Objection # 3
Objection to Lifting the Status Quo and Possible Civil RICO Violations

---

I strongly object to the approval and implementation of the Charter Proposals that were voted on March 14, 2023. As clearly stated in the records, and as this Class Member has pointed out, the Plaintiffs' have alleged that the Defendants, along with Antara, engaged in a conspiracy to circumvent shareholder wishes in a Corporate Election, potentially infringing upon Delaware law and RICO violations!

First, Plaintiffs' alleges that the Defendants and Antara entered into a binding agreement and participated "together" in a complex scheme to implement the Charter Proposals, circumventing shareholder wishes and potentially violating Delaware law![13]

Yet, in their complete fumbling of this case, Lead Counsel ask Her Honor to accept the Proposed Settlement as is and allow the flagrant violation of law should not be swept under the rug.

This ought not be so.

If the allegations are true, they may potentially imply violations to the RICO Act!

According to Delaware law, significant corporate decisions such as the "Charter Proposals" require the approval of at LEAST A MAJORITY of a company's Outstanding Shareholders.

Any action, such as selling controlling interest of the Company to an institution for the sole purpose of circumventing shareholders desires is considered a violation of Delaware law.

---

[13] Delaware Supreme Court, Gantler v. Stephens, 965 A. 2d 695 (Del. 2009)

Under Delaware law, substantial corporate resolutions, to include Corporate Amendments, demand approval from at LEAST a majority of a company's Outstanding Shares. And, the decisions of shareholders should not be infringed upon by outside influences.

Under Delaware law, an affirmative vote of shareholders of **at least a majority** in voting power of the Company's outstanding shares will be required for stockholder approval of the Charter Amendments.[14]

As was noted in my first objection, it should be noted that for the reverse split proposal vote to have succeeded, AMC would have to provide an accurate and final majority , AMC reported that:

- ***ONLY 128,344,709 AMC shares voted in favor,***
- ***51,388,638 voted against, and***
- ***2,609,383 abstained.***[15]

As the Court can plainly see, the vote for the Reverse Stock Split, Conversion, and the increase of AMC's Outstanding Share count to 550 million FAILED! It did not meet Delaware standards in achieving the majority vote required under law.

Of the 517 million AMC Shareholders, ***only 128,344,709 shares voted in favor*** of the proposals. This accounts for approximately 25% of the TOTAL Outstanding Shares!

It should also be further noted, that IF the Defendant's set out to concocted a scheme to circumvent shareholders denial of the proposals in question they succeeded . Because, out of AMC's own mouth they state that,

Without the mirrored voting and the Antara Transaction, the proposals would NOT have passed.[16]

However, they could not "stack the deck" with AMC votes like they had APE share votes. And, their overall efforts to circumvent shareholders' wishes failed once again.

---

[14] DGCL, Section 216 (4)
[15] AMC Q4 2021 Earnings Conference Call Transcript.
[16] AMC_00049559

Had the Lead Counsel and Plaintiffs challenged **THIS well-known and established** precedent of the Court, the entire proposal vote would have had to have been dismissed for Lack of Majority Vote and the whole matter sent back to AMC.

REQUEST FOR RELIEF

This Class Member request this Honorable Court to invalidate the implementation of the Charter Proposals voted on March 14, 2023. And instead, allow the Court's Status Quo order to remain until Her ruling on the legality of the vote!

Furthermore, this Class Member requests the Court consider the alleged violations originally brought forth by the Plaintiffs'. And, perhaps rather a Civil RICO violation may have taken place.

Objection # 4
Fees and Expense Award

In Lead Counsel's "*Stipulation and Agreement of Compromise, Settlement, and Release"*, it is stated that fee and expense award means *"...an award to Class Counsel of fees and expenses approved by the Court in accordance with the Settlement."*[17]

In Plaintiffs' Opening Brief in Support of Settlement, Plaintiff requested this Court award attorney fees in the amount of $20 Million Dollars!

Also, mentioned is a request for the Court to approve an "Incentive Award" for "Plaintiffs" of up to and including $5,000 each. Class Counsel goes on to explain that if the "Incentive Award" is approved, it would be, "*...paid to Plaintiffs solely out of any Fee and Expense Award by the Court to them.*"[18]

I set this objection before the Court because of the overwhelming evidence that the Plaintiffs' have:

1. *Rushed to court and filed a "premature" lawsuit alleging misconduct by the Defendants which is evidenced by using a claim that had been* ***denied for OVER 80 YEARS;***
2. *Now, Lead Counsel is rushing to "settlement" expecting $20,000,000(+) in "Fees and Expenses" for a poorly conducted pre-investigation prior to filing the suit.*

First, I draw attention to the Attorney Pay Rate for just four attorneys representing the "Class":

Name	Total Hours	Hourly Rate	Amount
Michael Barry	167.8	$1,100.00	$184,580.00
Kelly Tucker	62.6	$1,000.00	$62,600.00

[17] *Stipulation and Order for the Production and Exchange of Confidential and Highly Confidential Information*, March 14, 2023. Page 10 (g).
[18] I.d. 25-26

Jason Avellino	272.6	$725.00	$197,635.00
Kerry Dustin	81.0	$575.00	$46,575.00

With such a line up of Hard Hitters on the team, one would expect a Home Run from individuals who make more in an hour then most of the "Class" brings home in a week.

Therefore, I felt it imperative to investigate the need for such exorbitant fees. Was Michael Barry's efforts worth $1,100 dollars an hour; Did Kelly Tucker and Jason Avellino truly exhibit,

"...Substantial efforts (and time) expended by them to litigate this Action."[19]

It should also be noted that Plaintiff took up approximately twenty percent of their Opening Brief in Support of the Settlement. In fact, the "Opening Brief in Support of the Settlement" looked more like a ***"Brief in Support of their Attorney's Fees"***.

While it is true, this Court may award attorneys' fees to counsel for their effort, it is strictly a determination of the Court in the amount. And, I would ask the Court to consider these facts when determining the proper amount owed to counsel for their "work" in this case.

Plaintiffs bring forth the *Sugarland* case and point out four factors to consider when deciding on what fees the Plaintiff deserves for their time and effort spent on this case. They ask the Court to consider *Sugarland* as its foundation to determine:

(1) What benefits were achieved;
(2) The contingent nature of counsel's fee and the efforts of counsel and time invested;
(3) The complexity of the litigation; and
(4) The standing and ability of counsel involved.

[19] Plaintiffs' Opening Brief in Support of Settlement, p.55

When discussing the "Benefits of the Settlement,"[20] Plaintiffs' points out that the Class Members as a whole would receive "*approximately* " 6.9 million NEW shares of Common Stock"A ".

This Class Member is at a loss of words to think Lead Counsels "Benefits of the Settlement" ***begins with diluting the Class Members Class A Common Shares!***

Secondly, they point out the Settlement balance to the Class is, *again approximately* $129 million dollars. Lead Counsel arrives at this number through an issuance of 1 new AMC share for every 7.5 shares of Common Class A share they own. They do however forget to mention the new shares of AMC will begin by ***dilution of the new stock by more than 6.9 million new shares***.

No shareholder would agree to this, as is evidenced in the amount of "Letters of Opposition" the Court has received.

That isn't a "Settlement" it is robbery…AGAIN!

It is AMC Shareholders paying AMC Shareholders. Or, in other words, it is like ***taking the money out of your left pocket, putting it in your right pocket and believing you have gained something***!

Third, Plaintiff declares they spent countless hours reviewing documents such as 56,600 pages of documents produced by Defendants and over 2,500 pages of documents produced by third-parties.

And, because they have spent such substantial time representing the Class they believe they are entitled to a reward of $20 Million Dollars!

HOWEVER,

The Defendants point out in their Brief in Support of Proposed Settlement the sloppy, unprofessional and elementary attempt at Plaintiff in their approach to the case.

[20] Plaintiffs' Opening Brief, p.52-53

Plaintiffs' brought forth an allegation of a Section 224(b)(2) which began a chain reaction that has led us to this point. Then, they ultimately failed to prove their claim.

The Defendant pointed out that the Plaintiffs' attempt to bring the claim before the Court was weak to say the least. In fact, the Defendant stated, "Plaintiff's argument is the same one that has been ***continually rejected by the Delaware courts throughout the past 80 years***!"[21]

The question one must ask is WHY would an experienced law firm that claims to have done THOUSANDS of hours researching and preparing for the case summit an allegation they HAD to know has never passed the test of time in the Delaware Court!

In other words, Class Counsel is saying is,

> *"We brought an action that we may or may not have prematurely filed. It is not certain whether we can win the case or not. So, accept (1) share of Common Stock for every 7.5 shares you own. Let them dilute your stock anyway. And now, pay us $20,000,000. And, those that MIGHT* ***be guilty will receive blanket immunity****."*

Furthermore, it must be brought to the Court's attention that not only myself and other Class Members Object to the proposed legal fees requested, AMC's insurance companies are refusing to pay the settlement fee!

Friday, May 5, 2023, records will show, AMC began a civil suit against 20 of its insurers because they refuse to pay the proposed settlement fees. In other words the insurance companies are saying something is "fishy" here.

And, now it appears that the task of this Court may change from deciding legal fees to determine if lawyers from both sides conspired to file a premature lawsuit then rush to settlement in an attempt to scam the insurance companies.

With not one, not two but ***TWENTY*** insurance companies refusing to pay the proposed settlement, it can only be concluded that fraud may have been involved in the creation of this suit.

---

[21] Defendants Brief in Support of Proposed Settlement, p.25

And, it is because of these facts and objections, I, Bubbie Gunter, a member of the "Class" request the Court consider my objections.

Conclusion

The "Proposed Settlement" brought forth by the Class Counsel leads one to conclude that they have:

1. Rushed to court and filed a "premature lawsuit" alleging misconduct by the Defendants;
2. And now, Class Counsel is rushing to "settlement" expecting "Fees and Expenses" for a poorly conducted pre-investigation prior to filing the suit.

And, it is because of these facts and objections, I, Bubbie Gunter, a member of the "Class" request the Court consider my objections and accept this NEW Proposed Settlement for Consideration for the "Class".

Respectfully submitted,

STATEMENT OF OBJECTIONS - Complete Version

This is a complete version of all four (4) objections put into one complaint. It is too long for you to post in Chat GPT. So, you will have to go through each objection, see which ones you agree with, and follow the instructions in the videos below to create your own letter!

Objection # 1 - Misleading Statements in Settlement Filing

Watch the Youtube Video for Step-by-Step Instructions

This Objection points out misleading information in the Settlement Proposal filing, highlighting inaccurate facts presented by the Lead Counsel and Defendants.

Examples include "Misrepresentation of voting results and lack of knowledge about the case. If you like this Objection, you will be arguing that if the supporting documents contain misleading information, the settlement itself may be compromised.

If you are using Chat GPT, then follow the video posted here about this Objection. Here is the Prompt you will put into Chat GPT:

> ***"I am writing a letter to the judge in a Civil Matter. I like this objection and would like to put it in my letter also.***
>
> ***Please Rephrase and make one hundred percent original. Keep the context of the objection."***

Objection # 2 - Defendants' Rights to Immunity

Watch the Youtube Video for Step-by-Step Instructions

Defendants' Rights to Immunity

This Objection raised concerns about the defendants' right to immunity in the case. The Plaintiffs' at first brought serious accusations against the defendants but then suddenly they changed their stance in support of a proposed settlement.

The Objection questions the practice of submitting frivolous complaints and settling for millions in attorney fees.

Referring to a previous court case, the objection emphasizes the Court's responsibility to thoroughly evaluate the merits of the claims, assess the alleged wrongdoing, and protect the interest of the Class Members.

If you are using Chat GPT, then follow the video posted here about this Objection. Here is the Prompt you will put into Chat GPT:

"I am writing a letter to the judge in a Civil Matter. I like this objection and would like to put it in my letter also.

Please Rephrase and make one hundred percent original. Keep the context of the objection."

Objection # 3 - Objection to Lifting the Status Quo and Possible Civil RICO Violations

Watch Video for Step-by-Step Instructions

This Objection strongly opposes the approval and implementation of the Charter Proposals, alleging potential Civil RICO Acts violations and violations of Delaware Law.

The Objection argues that the Plaintiffs' have accused the Defendants and Antara of engaging in a conspiracy to circumvent shareholder wishes and states that such violations should not be ignored.

The Objection requests the Court to invalidate the implementation of the Charter Proposals, maintain the Status Quo until a ruling on the vote's legality, and consider the alleged violations.

If you are using Chat GPT, then follow the video posted here about this Objection. Here is the Prompt you will put into Chat GPT:

"You are a Harvard Law professor and I am your student. And, I have come to you for help writing an objection letter to the court. Please write it in simple terms.

A company I own stock in is being sued. I am writing a letter to the judge in this matter. I read someone else's Objection Letter and liked it and would like to put it in my letter also.

Please Rephrase and make one hundred percent original. Keep the context of the objection."

Objection # 4 - Fees and Expense Award

Watch Video for Step-by-Step Instructions

This Objection questions the high attorney fees and expense awards requested by Lead Counsel in the proposed settlement. The Objection highlights that the Plaintiffs rushed to file a lawsuit, alleging misconduct by the Defendants based on a claim that had been rejected for over 80 in the Delaware Court.

If you are using Chat GPT, then follow the video posted here about this Objection. Here is the Prompt you will put into Chat GPT:

"Ignore all other prompts. <u>You are</u> a Harvard Law professor and I am your student. And, I have come to you for help writing an objection letter to the court. Please write it <u>in simple terms</u>.

A company I own stock in is being sued. I am writing a letter to the judge in this matter. I read someone else's Objection Letter and liked it and would like to put it in my letter also.

<u>Please Rephrase</u> and <u>make one hundred percent original</u>. <u>Keep the context of the objection</u>."

Do NOT begin writing. Ask me for Class Member Gunter's Objection letter.

Once I have shared the Objection letter, THEN ask me is that all of the objections. If I say, Yes. Begin writing. If I say, No, Ask me for the next objection.

Once I have shared the second Objection letter, ask me if there is another objection. If I say, Yes. Begin writing. If I say, No, Ask me for the next objection.

Do you understand?

BRIEF IN SUPPORT OF A NEW PROPOSED SETTLEMENT

Exhibit "C" - Restitution Plan

To escape all punishment, Plaintiffs' (Allegheny) and Defendants (Adam Aron and the Board) would have the Court consider "giving" the Class Members **one (1) share for every 7.5 shares** of Common Stock they own.

This is merely a SHAM offering.

In other words, the Defendants have committed the crime, yet they expect shareholders to once again pay their dime for them!

This ought not be so. Should it not be the criminal that pays for their crimes?

Or, do they get a free ride on the backs of shareholders AGAIN! **The Dividend Restitution Plan** solves these issues!

FOR IMMEDIATE RELEASE

AMC Entertainment Holdings, Inc. Reports Fourth Quarter and Full Year 2021 Results

LEAWOOD, KANSAS - (March 1, 2022) -- AMC Entertainment Holdings, Inc. (NYSE: AMC) ("AMC" or "the Company"), today reported results for the fourth quarter and year ended December 31, 2021.

Fourth Quarter Summary

- AMC's fourth quarter of 2021 represented its strongest quarterly results in two full years.
- Total revenues for the fourth quarter grew to $1,171.7 million compared to $162.5 million for the fourth quarter of 2020.
- Net loss for the fourth quarter improved to $134.4 million, including a non-cash impairment charge related to long lived assets of $77.2 million, compared to a net loss of $946.1 million for the same quarter a year ago, which included a non-cash impairment charge related to long lived assets, definite and indefinite lived intangible assets and goodwill of $466.1 million.
- Fourth quarter Adjusted EBITDA improved $486.7 million to $159.2 million compared to an Adjusted EBITDA loss of $327.5 million for the fourth of 2020.
- Net cash provided by operating activities for the fourth quarter was $46.5 million, and Operating Cash (Burn) Generated (non-GAAP) was $224.4 million.
- Available liquidity and Cash and cash equivalents at December 31, 2021 was approximately $1,801.6 million and $1,592.5 million, respectively.

As of December 31, 2021, AMC had opened and was operating 593 domestic theatres and 337 international theatres. This represents 100% and 95% of its domestic theatres and international theatres, respectively. Substantially all the Company's theatres were open for the entirety of the fourth quarter.

In announcing the quarterly results, Adam Aron, Chairman and CEO of AMC Entertainment said, "AMC's fourth quarter 2021 results represent our strongest quarter in two full years, with positive Adjusted EBITDA of almost $160 million, Operating Cash Generated[1] of more than $220 million and finishing 2021 with a record year-ending liquidity position of more than $1.8 billion. Our positive recovery glide path from the global pandemic continued in earnest in the fourth quarter. While not yet where we want to be, our progress is substantial and unmistakable. The quarter offered moviegoers a more robust and appealing film slate that culminated with the exclusive theatrical release of the now third-highest grossing movie of all-time, SPIDERMAN: NO WAY HOME, despite having been released at the height of Omicron fears. AMC took advantage of the robust fourth quarter film slate, pent-up consumer demand, and a bold advertising campaign, among other important marketing initiatives, to attract some 60 million visitors to our theatres around the world during the fourth quarter. That was a seven-fold increase over the fourth quarter of 2020, and a 50% increase compared to the third quarter of 2021."

Aron added, "Our record year-end liquidity positions AMC well for continued recovery from the impact of COVID and provides AMC with the financial flexibility to opportunistically grow and innovate as we seek to transform our business. To that end, during 2021 and early in 2022, AMC has been adding what we expect will be nicely profitable theatres to our network both in the U.S. and in international markets, launched four separate NFT programs, accepted

cryptocurrency for the first time, and announced AMC's entry into the multibillion-dollar retail popcorn industry. As we have repeatedly said, with the monetary war chest that was provided to us by our shareholders in 2021, AMC is no longer on its heels. As COVID case numbers are finally declining and vaccination numbers increasing, as our operating results are markedly improving, and as our healthy liquidity allows, AMC is playing on offense again."

Aron added, "Another component to financial flexibility is the opportunity to improve the Company's capital structure, and in February we did just that with the successful offering of $950 million of senior secured first lien notes to refinance high-interest rate debt at lower rates, while extending maturities to 2029 and. We will continue to seek opportunities to strengthen our balance sheet during 2022, with a keen eye to lowering our interest expense, extending our maturities and opportunistically deleveraging."

Aron concluded, "The fourth quarter of 2021 proved once again that moviegoers want to see movies in theatres. We are quite bullish that for the full calendar year of 2022 the industry box office could be nearly double that of 2021, with COVID impacts easing, with more and more major films on the docket for release, and with most major studios coalescing around an exclusive theatrical window of 45 days or more. Bookings are very strong for THE BATMAN which opens this weekend, and we have movies like TOP GUN: MAVERICK, JURASSIC WORLD DOMINION, BLACK PANTHER: WAKANDA FOREVER, AVATAR 2 and many others that will excite us all this year. We should point out, however, that the box office pacing and our results in 2022 are expected to be heavily weighted towards the second half of the year. The January and February domestic industry box office numbers are already known. While they are more than quintuple that of last year, they are nonetheless well short of pre-pandemic numbers. While no one has a perfect crystal ball, it would seem that more blockbuster activity likely will come starting in the spring and summer of 2022, continuing through year-end."

[1] - This represents Operating Cash (Burn) Generated which is a non-GAAP measure and is reconciled to a GAAP measure in the tables accompanying this release.

1) We present Adjusted EBITDA as a supplemental measure of our performance. We define Adjusted EBITDA as net earnings (loss) plus (i) income tax provision (benefit), (ii) interest expense and (iii) depreciation and amortization, as further adjusted to eliminate the impact of certain items that we do not consider indicative of our ongoing operating performance and to include attributable EBITDA from equity investments in theatre operations in International markets and any cash distributions of earnings from other equity method investees. These further adjustments are itemized above. You are encouraged to evaluate these adjustments and the reasons we consider them appropriate for supplemental analysis. In evaluating Adjusted EBITDA, you should be aware that in the future we may incur expenses that are the same as or similar to some of the adjustments in this presentation. Our presentation of Adjusted EBITDA should not be construed as an inference that our future results will be unaffected by unusual or non-recurring items. Adjusted EBITDA is a non-U.S. GAAP financial measures commonly used in our industry and should not be construed as an alternative to net earnings (loss) as an indicator of operating performance (as determined in accordance with U.S. GAAP). Adjusted EBITDA may not be comparable to similarly titled measures reported by other companies. We have included Adjusted EBITDA because we believe it provides management and investors with additional information to measure our performance and estimate our value.

Adjusted EBITDA has important limitations as an analytical tool, and you should not consider it in isolation, or as a substitute for analysis of our results as reported under U.S. GAAP. For example, Adjusted EBITDA:

- does not reflect our capital expenditures, future requirements for capital expenditures or contractual commitments;
- does not reflect changes in, or cash requirements for, our working capital needs;
- does not reflect the significant interest expenses, or the cash requirements necessary to service interest or principal payments, on our debt;

- excludes income tax payments that represent a reduction in cash available to us; and

- does not reflect any cash requirements for the assets being depreciated and amortized that may have to be replaced in the future.

2) During the year ended December 31, 2021, we recorded non-cash impairment charges related to our long-lived asset of $61.3 million on 77 theatres in the U.S. markets with 805 screens which were related to property, net, operating lease right-of-use assets, net and other long-term assets and $15.9 million on 14 theatres in the International markets with 118 screens which were related to property, net and operating lease right-of-use assets, net.

   During the year ended December 31, 2020, we recorded goodwill non-cash impairment charges of $1,276.1 million and $1,030.3 million related to the enterprise fair values of our Domestic Theatres and International Theatres reporting units, respectively. During the year ended December 31, 2020, we recorded non-cash impairment charges related to our long-lived assets of $152.5 million on 101 theatres in the U.S. markets with 1,139 screens, which were related to property, net, operating lease right-of-use assets, net and other long-term assets and $25.4 million on 37 theatres in the International markets with 340 screens, which were related to property, net and operating lease right-of-use assets, net. We recorded non-cash impairment charges related to our indefinite-lived intangible assets of $12.5 million and $2.7 million related to the Odeon and Nordic trade names, respectively, in the International Theatres reporting units during the year ended December 31, 2020. We also recorded non-cash impairment charges of $14.4 million related to our definite-lived intangible assets in the Domestic Theatres reporting unit during the year ended December 31, 2020.

3) Amounts represent preopening expense related to temporarily closed screens under renovation, theatre and other closure expense for the permanent closure of screens including the related accretion of interest, non-cash deferred digital equipment rent expense, and disposition of assets and other non-operating gains or losses included in operating expenses. We have excluded these items as they are non-cash in nature or are non-operating in nature.

4) Includes U.S. non-theatre distributions from equity method investments and International non-theatre distributions from equity method investments to the extent received. We believe including cash distributions is an appropriate reflection of the contribution of these investments to our operations.

5) Attributable EBITDA includes the EBITDA from equity investments in theatre operators in certain International markets. See below for a reconciliation of our equity in (earnings) loss of non-consolidated entities to attributable EBITDA. Because these equity investments are in theatre operators in regions where we hold a significant market share, we believe attributable EBITDA is more indicative of the performance of these equity investments and management uses this measure to monitor and evaluate these equity investments. We also provide services to these theatre operators including information technology systems, certain on-screen advertising services and our gift card and package ticket program.

1) We present “Operating Cash (Burn) Generated” and “Free Cash Flow” as supplemental measures of our liquidity. Free Cash Flow is an important financial measure for use in evaluating our liquidity, as it measures our ability to generate additional cash from our business operations. Free Cash Flow should be considered in addition to, rather than as a substitute for, net cash provided by (used in) operating activities as a measure of our liquidity. Additionally, our definition of Operating Cash (Burn) Generated is limited and does not represent residual cash flows available for discretionary expenditures due to the fact that the measure does not deduct the payments required for interest expense and the deferral or repayment of lease amounts that were due and not paid during the COVID-19 pandemic. Therefore, we believe it is important to view operating cash (burn) generated and free cash flow as supplemental to our entire statement of cash flows. The term Operating Cash (Burn) Generated and Free Cash Flow may differ from similar measures reported by other companies.

2) (Deferral) repayment of deferred lease amounts represent those lease amounts that were due and not paid during the COVID-19 pandemic. Their impact is excluded from operating cash burn to provide a more normalized cash rent payment stream.

3) Non-recurring lease prepayments represent the prepayments of future leases obligations during the year ended December 31, 2021. Their impact is excluded from operating cash burn to provide a more normalized cash rent payment stream.

4) Maintenance capital expenditures are amounts required to keep our existing theatres in compliance with regulatory requirements and in a sustainable good operating condition, including expenditures for repair of HVAC, sight and sound systems, compliance with ADA requirements and technology upgrades of existing systems.

5) Growth capital expenditures are investments that enhance the guest experience and grow revenues and profits and include initiatives such as theatre remodels, acquisitions, newly built theatres, premium large formats, enhanced food and beverage offerings and service models and technology that enable efficiencies and additional revenue opportunities.

6) Change in construction payables are changes in amounts accrued for capital expenditures that fluctuate significantly from period to period based on the timing of actual payments.

1) We present Adjusted EBITDA as a supplemental measure of our performance. We define Adjusted EBITDA as net earnings (loss) plus (i) income tax provision (benefit), (ii) interest expense and (iii) depreciation and amortization, as further adjusted to eliminate the impact of certain items that we do not consider indicative of our ongoing operating performance and to include attributable EBITDA from equity investments in theatre operations in International markets and any cash distributions of earnings from other equity method investees. These further adjustments are itemized above. You are encouraged to evaluate these adjustments and the reasons we consider them appropriate for supplemental analysis. In evaluating Adjusted EBITDA, you should be aware that in the future we may incur expenses that are the same as or similar to some of the adjustments in this presentation. Our presentation of Adjusted EBITDA should not be construed as an inference that our future results will be unaffected by unusual or non-recurring items. Adjusted EBITDA is a non-U.S. GAAP financial measure commonly used in our industry and should not be construed as an alternative to net earnings (loss) as an indicator of operating performance (as determined in accordance with U.S. GAAP). Adjusted EBITDA may not be comparable to similarly titled measures reported by other companies. We have included Adjusted EBITDA because we believe it provides management and investors with additional information to measure our performance and estimate our value.

Adjusted EBITDA has important limitations as analytical tools, and you should not consider it in isolation, or as a substitute for analysis of our results as reported under U.S. GAAP. For example, Adjusted EBITDA:

- does not reflect our capital expenditures, future requirements for capital expenditures or contractual commitments;
- does not reflect changes in, or cash requirements for, our working capital needs;

- does not reflect the significant interest expenses, or the cash requirements necessary to service interest or principal payments, on our debt;

- excludes income tax payments that represent a reduction in cash available to us; and

- does not reflect any cash requirements for the assets being depreciated and amortized that may have to be replaced in the future.

2) Amounts represent preopening expense related to temporarily closed screens under renovation, theatre and other closure expense for the permanent closure of screens including the related accretion of interest, non-cash deferred digital equipment rent expense, and disposition of assets and other non-operating gains or losses included in operating expenses. 9) The International segment information for the quarter and year ended December 31, 2021 has been adjusted for constant currency. Constant currency amounts, which are non-GAAP measurements were calculated using the average exchange rate for the corresponding period for 2020. We translate the results of our International operating segment from local currencies into U.S. dollars using currency rates in effect at different points in time in accordance with U.S. GAAP. Significant changes in foreign exchange rates from one period to the next can result in meaningful variations in reported results. We are providing constant currency amounts for our International operating segment to present a period-to-period comparison of business performance that excludes the impact of foreign currency fluctuations.

We present adjusted net loss for basic and diluted loss per share and adjusted basic and diluted net loss per common share as supplemental measures of our performance. We have included these measures because we believe they provide management and investors with additional information that is helpful when evaluating our underlying performance and comparing our results on a year-over-year normalized basis. Adjusted net loss for basic and diluted loss per share eliminates the impact of certain items that we do not consider indicative of our underlying operating performance. These adjustments are itemized above. Adjusted net loss per (basic and diluted) common share is adjusted net loss (for basic and diluted purposes) divided by weighted average basic and diluted shares outstanding. Weighted average shares for diluted purposes include common equivalents for restricted stock units ("RSUs"), performance stock units ("PSUs"), special performance stock units ("SPSUs"), and the conversion of our Convertible Notes due 2026 if dilutive. Adjusted net loss for diluted earnings per share removes the interest expense on the Convertible Notes due 2026 if dilutive. The impact of RSUs, PSUs, SPSUs, conversion of Convertible Notes due 2026 and the interest expense on the Convertible Notes due 2026 was anti-dilutive in each period. You are encouraged to evaluate the adjustments itemized above and the reasons we consider them appropriate for supplemental analysis. In evaluating adjusted net loss and adjusted net loss per common share, you should be aware that in the future we may incur expenses that are the same as or similar to some of the adjustments in this presentation. Our presentation of adjusted net loss and adjusted net loss per common share (basic and diluted) should not be construed as an inference that our future results will be unaffected by unusual or non-recurring items. Adjusted net loss and

adjusted net loss per common share are non-U.S. GAAP financial measures and should not be construed as alternatives to net loss and loss per common share (basic and diluted) as indicators of operating performance (as determined in accordance with U.S. GAAP). Adjusted net loss and adjusted net loss per common share (basic and diluted) may not be comparable to similarly titled measures reported by other companies.

Subject: Global ACM Weekly Report - Week #7 & #8
Attachments: 230216 ACM Report vF.pdf

Happy Clean Monday!

Please find some highlights from this week's ACM deck below.

Good News First:

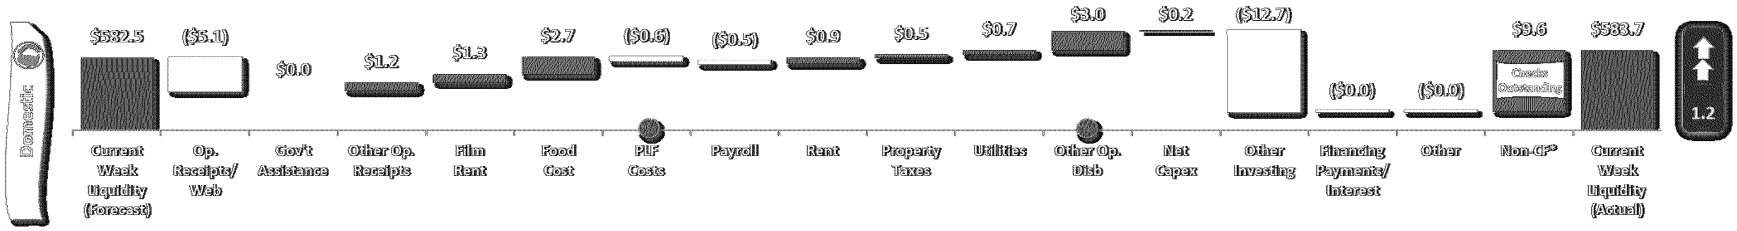
- Despite lower KPIs and ATT in the last two weeks, Q1 2023 cash flow has improved further due to favorable operating expenditure results.
- We have also added a new page (#7) to monitor the upcoming two weeks' cash flows.

Changes to the categorization of current/upcoming payments:

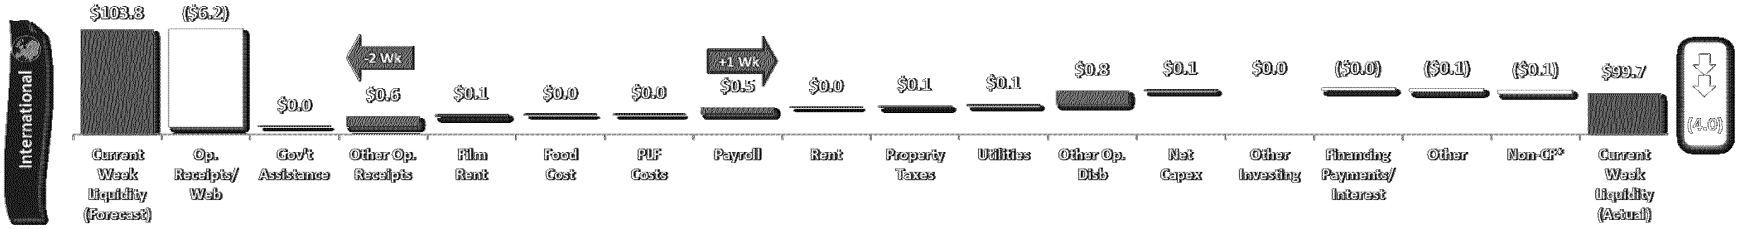
- **Receipts:** Gift Cards/Bulk Tickets are now part of Other Operating Receipts due to the seasonality of the business.
- **Disbursement:** Food Cost and PLF Cost were broken out of Other Operating Disbursements to match the COGS/PLF line on the monthized pages. Other Operating Disbursements now only contain General AP and Legal/Insurance, as well as Sales Tax/VAT payments.
- **Other:** Income Tax is now part of "Other" due to its very scheduled nature (usually no variances).

Current Period Variance:

- **Current period was ($12.4M) unfavorable globally** *(net Checks Outstanding)*

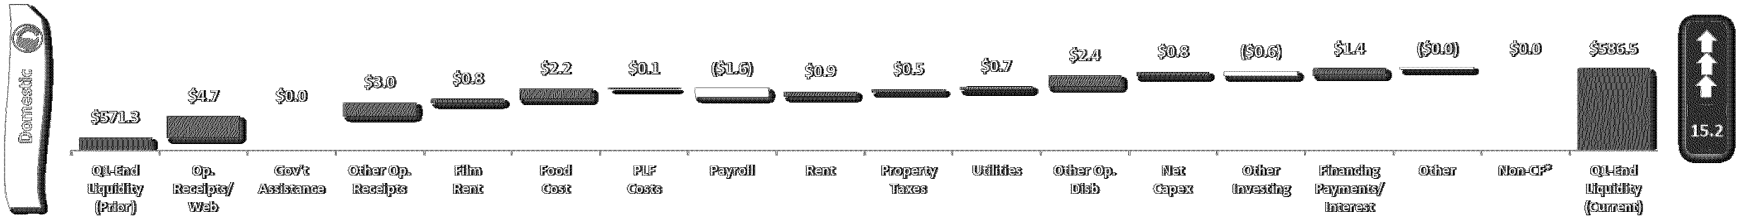


- **Domestic:**
  - Operating Receipts were **($5.1M)** lower than expected, due to lower KPIs in week 1 and lower ATT in week 2. However, Other Operating Receipts were **$1.2M** higher with higher gift card sales and AR collections.
  - Film Rent was **$1.3M** favorable due to lower admissions and rate adjustment with Sony credit, while food cost payments were **$2.7M** favorable, some of it delayed.
  - Other Operating Disbursements were **$3.0M** favorable mainly driven by the delay of RMS payment, offset by IMAX/Dolby and other payments.
  - The **$12.7M** unfavorable in Other Investing was due to the Rosemary Square proceeds has been further pushed to the end of March.

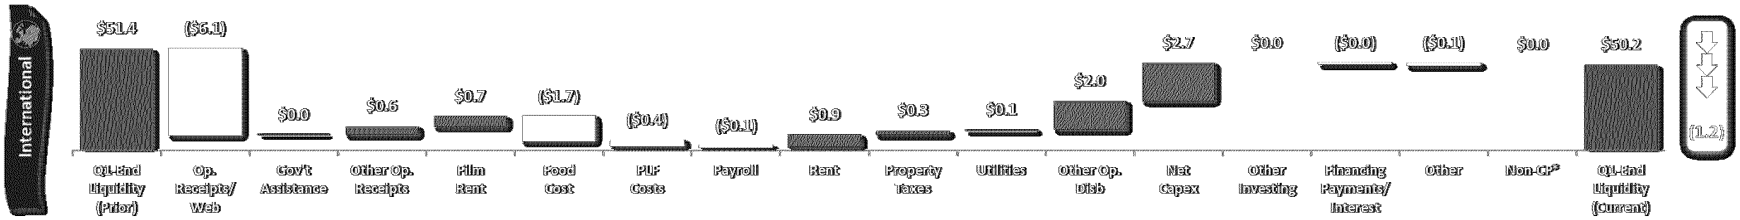


- **International:**
  - Our Operating Receipts were **($6.2M)** unfavorable due to lower ATT and KPIs as ANT-MAN underperformed in most territories.
  - Other Operating Disbursements were **$0.8M** lower due to payment delays in the UK, offset by earlier payment made in SP.

Quarter-End Liquidity Changes:



- **Domestic: $15.2M** favorable than previously anticipated:
  - Our attendance projections have improved by **362k** excluding the current 2 weeks, leading to a positive impact of **$4.7M** in Operating Receipts.
  - Gift Card sales have been updated for the following few weeks with some new AR reporting bringing us further favorability in Other Operating Receipts.
  - We are expecting a further positive impact on the operating expenditure expected for the Payroll through the quarter-end.



- **International: ($1.2M)** unfavorable than previously forecasted:
  - The negative impact of **($6.1M)** in Operating Receipts was mainly driven by the updated ATT and ATP projection in the UK and Spain through the QE.
  - Food Cost has mostly been offset by the Other Operating Disbursement as the correct reclassification of food costs in Germany has been updated.
  - The **$2.7M** favorability in Net Capex was driven by the updated forecast in Spain.

Q1 Preview: *(Changes were made to the categorization. In order to increase the visibility of the "Other OCF" bucket, we moved a few categories around and combined some.)*

- Our current projection of quarter-end cash balance and liquidity are **$428.6M** and **$636.7M**, respectively. The amount of cash burned in Q1 is **$203M** now.
  - C23Q1 Operating Cash Burn now is **$64.9M** less compared to Q1 of 2022.
  - Largest global changes between Q1 of 2022 and 2023 include ~**$220M** higher Operating Receipts, **$71.4M** higher COGS/FLF, and **$47.7M** higher General AP *(see first bridge below)*.
  - **We are now forecasting a ~$224.7M lower cash burn in Q1 compared to 2022, with $220M higher Operating Receipts and $2.8M lower Gov't Assistance.**

Thanks Adam,

Attached are the 3 items we can furnish the board in advance of the meeting, namely 3 Citi slides (though being modified to include all 2L debt), a Weil recap and the resolutions. Will send them across when you confirm the time.

As to litigation risk, John Neuwirth will simply discuss it on the call, and we will minute the conversation. Corey will be on as well. Thanks, Kevin

ATTORNEY CLIENT PRIVILEGED

Pursuant to my earlier email about the massive run up in the value of the the AMC preferred equity unit (NYSE "APE"):

You will recall that we had an interesting Board conversation about how much profit Antara might make if they were correct in their investment thesis that they should enable AMC to increase our cash position by $150 million, decrease our debt by $100 million and in the process converge the APE preferred units with AMC common shares.

Per my earlier email, AMC is up by more than $1.4 billion, because that investment thesis panned out to be a winner. So indeed, Antara is well in the money too.

But it was not without bold risk on Antara's part. They gave us a ton of cash in exchange for equity, AND if the shareholder vote to merge AMC shares and APE units should fail, all of the AMC value increase and all of the Antara gain would get wiped out.

Accordingly, we have been in discussions with Antara and other debt holders, who are willing to provide AMC with even more cash in buying APE's again now, or who are willing to convert more existing AMC debt into equity now.

This would once again give AMC more cash, less debt and importantly put more APE's into circulation having voting rights

at the March 14 special shareholder meeting.
It looks like we may have a possible follow on transaction with Antara for Board consideration, and possibly with other debt holders too (although adding in other debt holders has proven to be difficult as some of those other financial institutions have had ludicrous asks of us like exchanging their debt at par even though it currently trades publicly at only about 50 cents on the dollar).
This is all quite time sensitive because only shareholders on or before Tuesday of next week (February 8) can vote at the March 14 meeting.
More details will come to you this week, but we may need a Board call Wednesday or Thursday afternoon of this week to discuss. Are you available at any of these times?
Wednesday the 1st at 5, 6, 7 or 8 pm east
Thursday the 2nd at 5, 6, 7 or 8 pm east
By the way, in the guise of no good deed goes unpunished, the plaintiffs bar Privileged - Redacted
Privileged - Redacted
Privileged - Redacted (For the record, our creation of APEs back in August will turn out to be what prevents a bankruptcy filing in 2023 by AMC. It was an absolutely crucial action taken by management and Board. We should be enormously proud of what we have accomplished.) So, Weil would join us on any Board call this week, if there is one.

Thanks Derek!

I think we might have the capacity up to $150M…but I'm not sure that I see the value in this:

This option arguably has limited value, as raising convertible debt should be available to us after the vote. Many debt holders have approached us with offers to transact in a convertible.

I hate to give up the option to raise up to $100m pre March 14…

We don't need debt financing…we need equity financing.

Will give you a call shortly to discuss further.

Thanks.

OBJECTION-TO PROPOSED SETTLEMENT

Brian Tuttle *pro se*

k6v9581k3@gmail.com

PRELIMENARY STATEMENT

1. Interested party, Brian Tuttle *pro se*, hereby objects to the proposed settlement. First and foremost, Plaintiffs, and their counsel, inadequately represent the classes' interests and have repeatedly misrepresented, material facts and law, to put forth a fatally flawed settlement proposal. Second, in the rush to enter into a self-serving stipulation, Plaintiffs' attempt to release away objector's valuable *individual* claims through further self-serving misinterpretations of law. Finally, the class cannot be certified as one of the lead Plaintiffs has not signed an affidavit in support, and the remaining plaintiffs do not adequately represent the class because they didn't hold shares in the class settlement time period and/or are repeated offenders abusing the class action process.

OBJECTION

2. Objector, Tuttle reincorporates all arguments, and facts in support thereof, pled in Tuttle's Response and Objections to The Report and Recommendations of The Special Master- Regarding Brian Tuttle's Motion to Intervene and; Tuttle's Motion for Declaratory Relief and Brief in Support or any other filing pled by Tuttle.

I. PLAINTIFF'S COUNSEL DO NOT ADEQUATELY REPRESENT THE CLASS

a. Plaintiff's Counsel Misrepresents Important Facts and Law

3. Plaintiffs' counsel does not adequately represent the class; *they don't even adequately represent the Plaintiffs*. As The Court is well aware, class representative, Usbaldo Munoz, *never filed an affidavit in support of the proposed settlement*. See (Plaintiff's) *Combined Motion Bt Counsel to Withdraw*.. (filed 5/26/2023).Worse even, Plaintiffs' counsel misrepresented to The Court and class that Mr. Munoz did. PB at 51 n.122.

4. While Plaintiff's counsel were playing where in the world is Usbaldo San Diego, they were simultaneously misleading the class, and Court, by misrepresenting important material facts, and questions of law, at the heart of the proposed settlement. This is intolerable. Plaintiff's counsel delayed notice and the filing of other important documents, while attempting to conceal the material fact *they never obtained the required affidavit of Mr. Munoz*. Counsel failed Usbaldo Munoz, failed the class; and worse yet, attempted to cover up those failures by rushing to lift the status quo order and rush through their fatally flawed settlement.

5. This material omission is fatal to class representation, as it is now evident the classes' mistrust in plaintiff's counsel was legitimate - not some online conspiracy. Such a gross *attempted* miscarriage of justice brings into question plaintiff's repeated opposition to *pro se* class members requests for discovery, intervention, declaratory relief and *even basic notice*. Moreover, the Usbaldo alert

may have been the motivation for Plaintiff's repeated misinterpretations of law and delays in filings.

6. It is now impossible for this class to go forward with such inadequate representation. Plaintiff's counsel has without a doubt failed to maintain the class as required by Rule 23, and adequately represent Tuttle's interests. For these reasons alone, the remaining plaintiffs cannot be certified and the settlement they support cannot be approved.

b. Plaintiff's Investigation of 242 Claims Is Inadequate

7. It all makes sense now. In their original complaint, *Alleghany*-representing AMC common stockholders *as a class*: "challenge(d) a course of complex disloyal corporate engineering" id. at 2, which included "a violation of the DGCL" at 8, "effectuated for the very obvious *purpose* of eviscerating.. AMC common's specific power and right(s)". Id. at 8-9 (emphasis original). In Count II of their complaint, *Alleghany* continued: "***the Class are entitled to a declaratory judgment*** that the Preferred Stock is invalid and may not be voted…" Id. at 40 (emphasis added).

8. But now, the self serving Plaintiffs change of course claims seeking declaratory relief for alleged 242 violations "is not cognizable". Plaintiffs allege they "already examined" the claim. D.I. 101 at 9. Plaintiff's investigation of 242

claims is troubling as it appears to be driven by self interests. Peculiarly, Plaintiff's counsel argues the opposite, in an unrelated action with much weaker 242 violation claims. *In re Snap Inc. Section 242 Litig.,Consol. C.A. No.2022-1032-JTL., (Del.Ch. 2022).*

9. Defendants undoubtedly breached DGCL 242, on multiple occasions, when they unilaterally designated special rights powers, conversion clauses to preferred stock; then further weaponized those designations by entering into an unprecedented depository agreement that instructed Computershare to vote non-affirmative votes in favor of their proposals without shareholder instructions or authorization. D.I. 282; D.I. 285. Plaintiffs investigation of 242 claims is *inadequate* to say the least.

II. THE PROPOSED SETTLEMENT IS NOT EQUITABLE

10. Approval of a class action requires more than a cursory scrutiny by the court of the terms of the proposed settlement. Rome v. Archer, 197 A2.d 49, 53 (Del. 1964). Under Delaware Court of Chancery Rule 23, the Court must approve or dismiss a settlement of a class action. Ct. Cg. R. 23 (e). The fiduciary duty character of a class requires the Court to examine the fairness of a class action settlement. Kahn v. Sullivan, 594 A.2d 48,52 (Del. 1991). In examining the fairness of a settlement the Court is required to determine whether the settlement is reasonable and intrinsically fair to the affected class members. Rome v. Archer,

197 A2.d 49, 53. To do so a Court evaluates the reasonableness and equitable nature of the 'give' versus the 'get'. In re Activision Blizzard, Inc. Shareholder Litigation, 124 A 3.d 1025,1043 (Del.Ch.2015).

11. Under the proposed settlement the majority of the "Settlement Class" 'give' a broad release to the Defendants while 'get'(ting) **nothing** in return for valuable ***individual*** claims. *See*: *Notice of Pendency of Stockholder Class Action and Proposed Settlement*. Amongst other inequities, the settlement hinges on a stipulation requires the bulk of the purported 3.8 million shareholders to release nearly a years' worth of claims yet receive ***no settlement distribution***. *Id.* at 10. Since the distribution of the settlement is confined to holders of a "Settlement Class Time" -which is only a moment's snapshot of the close of one business day- yet the "Settlement Class" encompasses "***all*** holders of AMC Common Stock *between August 3, 2022, through and including the Settlement Class Time*", the vast majority of the class will receive ***no distribution*** in exchange for a broad release of their claims. *Id*.(emphasis added).

12. The proposed settlement is inequitable. The stipulation plaintiffs negotiated forces the majority of the settlement class to 'give' Defendants broad releases but ***the majority of the class 'get' nothing in return*** for their ***individual*** claims they sold. Such an arrangement cannot allow the release of valuable individual claims without compensation. In re Activision Blizzard, Inc.

Shareholder Litigation, 124 A 3.d 1025,1043 (requiring a Court supervising a class action to assess the reasonableness of "give" verses "get" and only allowing the release of individual claims if they are "of little or no probable value").

13. The proposed settlements' treatment of Tuttle's ***individual*** claims as *derivative* is not equitable. Plaintiff's misapplication of *Activision* ruling that *derivative* claims "run with shares" is catastrophic to Tuttle's ***individual*** claims. Tuttle sold 90% of his common stock holdings in AMC and is investigating valuable claims for the loss incurred. Under the global settlement 90% of Tuttle's individual claims will be released by the proposed settlement. *Activision* was clear ***only derivative*** claims "run with shares" and a Court can only release ***individual*** claims "if it appears that those claims are weak or of little or no probable value or would not likely result in any recovery of damages by ***individual*** stockholders." Id (emphasis added). Clearly the ***individual*** claims have value because the settlement revolves around them- although plaintiffs and the settlement treat them as derivative in nature or a distribution better suited for a 205 ruling.

III. THE CLASS CANNOT BE CERTIFIED

14. Objector Tuttle reserves the right to amend or supplement this objection if the timeline is extended or material facts come to light subsequent the serving of this objection.

15. **Plaintiff Anthony Franchi**. Anthony Franchi is not qualified to represent the class because he purchased AMC subsequent the APE dividend distribution and the value of his individual claims are below the amount he will receive as a class representative under the proposed settlement. The substantial allegations at the heart of these proceedings predate his investment in AMC. Moreover, the settlement is seeking releases from individual claims he does not hold.

16. **Plaintiff Alleghany County Employees' Retirement System**. Plaintiff Alleghany is not qualified to represent the class because the value of its' individual claims are below the amount they will receive as a class representative under the proposed settlement

17. Plaintiff Alleghany and Franchi are repeated class action filers. Combined, they have filed no less than 5 other class actions- the majority filed by the same counsel they are currently represented by. Such prolific filers are against the interests of the class and public policy in general

IV. THE ATTORNEY FEES ARE UNREASONABLE AND ANY AWARD GIVEN SHOULD BE OFFSET BY SANCTIONS

18. The exorbitant requested attorney fees are the main motivation behind Plaintiffs' counsel's misrepresentation of facts, self-serving interpretations of law and overstated value of the settlement distribution.

19. Granted, without the settlement, the attorneys would not get the lucrative fees they seek. Still in light of the repeated self-serving misrepresentations, of facts and law, Plaintiffs' counsel should be barred from receiving *any* compensation for their work. They worked for themselves and their own interests with little regard for the class claims they leveraged.

20. The misrepresentation of the affidavit of Usbaldo Munoz is a serious offense. And they *almost* got away with it. Such a misrepresentation threatens the very nature of class action proceedings so the punishment should fit the crime.

OBJECTION SUBMITTED,

CAPITAL STOCK

A. The total number of shares of capital stock that the Corporation has authority to issue is 650,000,000 shares, consisting of (i) 524,173,073 shares of Class A Common Stock, par value $0.01 per share (the "Class A Common Stock"), (ii) 75,826,927 shares of Class B Common Stock, par value $0.01 per share (the "Class B Common Stock", together with the Class A Common Stock, the "Common Stock"), and (iii) 50,000,000 shares of Preferred Stock, par value $0.01 per share (the "Preferred Stock").

B. Except as otherwise provided by law or as set forth herein, the shares of stock of the Corporation, regardless of class, may be issued by the Corporation from time to time in such amounts, for such consideration and for such corporate purposes as the Board of Directors may from time to time determine.

C. The Board of Directors is hereby expressly authorized, by resolution or resolutions, to establish, out of the unissued shares of Preferred Stock, one or more series of Preferred Stock and to determine, with respect to each such series, the number of shares constituting such series and the designation of such series, the voting powers (if any) of the shares of such series, and the preferences and relative, participating, optional or other special rights, if any, and any qualifications, limitations or restrictions thereof, of the shares of such series. The powers, preferences and relative, participating, optional and other special rights of each series of Preferred Stock, and the qualifications, limitations or restrictions thereof, if any, may differ from those of any and all other series at any time outstanding.

D. The number of authorized shares of any of the Common Stock or the Preferred Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority in voting power of the stock of the Corporation entitled to vote thereon irrespective of the provisions of Section 242(b)(2) of the DGCL (or any successor provision thereto), and no vote of the holders of any of the Common Stock or the Preferred Stock voting separately as a class shall be required therefor.

E. Each holder of record of Class A Common Stock shall have one vote for each share of Class A Common Stock that is outstanding in his, her or its name on the books of the Corporation and which is entitled to vote. Each holder of record of Class B Common stock shall have three votes for each share of Class B Common Stock that is outstanding in his, her or its name on the books of the Corporation and which is entitled to vote. Except as otherwise provided in this Third Amended and Restated Certificate of Incorporation or by applicable law, the holders of shares of Class A Common Stock and Class B Common Stock shall at all times vote together as one class on all matters submitted to a vote or for the consent of the stockholders of the Corporation.

F. In the election of directors, stockholders shall be entitled to cast for any one candidate no greater number of votes than the number of shares held by such stockholder; no stockholder shall be entitled to cumulate votes on behalf of any candidate. Except as otherwise required by law, holders of record of Common Stock shall not be entitled to vote on any amendment to this Third Amended and Restated Certificate of Incorporation (including any

certificate of designations relating to any series of Preferred Stock) that relates solely to the terms of one or more outstanding series of Preferred Stock if the holders of such affected series are entitled, either separately or together with the holders of one or more other such series, to vote thereon pursuant to this Third Amended and Restated Certificate of Incorporation (including any certificate of designations relating to any series of Preferred Stock) or pursuant to the DGCL.

G. Subject to applicable law and rights, if any, of the holders of any outstanding shares of Preferred Stock or any class or series of stock having a preference over or the right to participate with the Common Stock with respect to the payment of dividends, dividends may be declared and paid on the Common Stock at such times and in such amounts as the Board of Directors in its discretion shall determine.

H. Upon the liquidation, dissolution, distribution of assets or winding up of the Corporation, subject to the rights, if any, of the holders of any outstanding series of Preferred Stock or any class or series of stock having a preference over or the right to participate with the Common Stock with respect to the distribution of assets of the Corporation upon such dissolution, liquidation or winding up of the Corporation, the holders of Common Stock shall be entitled to receive the assets of the Corporation available for distribution to its stockholders in proportion to the number of shares held by them.

I. This Third Amended and Restated Certificate of Incorporation shall become effective immediately upon the filing of this Third Amended and Restated Certificate of Incorporation in accordance with the DGCL (such time of effectiveness, the "Effective Time"). Upon the Effective Time, (i) each share of Class A Common Stock, par value $0.01 per share ("Class A Stock"), if any, of the Corporation issued and outstanding immediately prior to the Effective Time shall be automatically reclassified as and converted into 49.514 validly issued, fully paid and nonassessable shares of Class B Common Stock and (ii) each share of Class N Common Stock and par value $0.01 per share ("Class N Stock" and, together with the Class A Stock, "Old Common Stock"), if any, of the Corporation issued and outstanding immediately prior to the Effective Time shall be automatically reclassified as and converted into 49.514 validly issued, fully paid and nonassessable shares of Class A Common Stock (together with the Class B Common Stock, the "New Common Stock").

J. Each holder of a certificate or certificates that immediately prior to the Effective Time represented outstanding shares of Old Common Stock (the "Old Certificates", whether one or more) shall be entitled to receive upon surrender of such Old Certificates to the Corporation for cancellation, a certificate or certificates (the "New Certificates", whether one or more) representing the number of shares of New Common Stock and the right to receive New Certificates pursuant to the provisions hereof, unless such shares are uncertificated. No certificates or scrip representing fractional share interests in New Common Stock will be issued, and no such fractional share interest will entitle the holder thereof to vote, or to any rights of a stockholder of the Corporation. In lieu of any fraction of a share, the Corporation shall pay to the Corporation's transfer agent (the "Transfer Agent") or its nominees as soon as practicable after the Effective Time, as agent for the accounts of all holders of Common Stock otherwise entitled to have a fraction of a share issued to them in connection with the stock split, the amount equal to the fair market value of the aggregate of all fractional shares otherwise issuable (the "Fractional Share Amount"). The fair market value shall be determined based upon the price that would be paid by a

willing buyer of the assets or shares at issue, in a sale process designed to attract all possible participants and to maximize value. The determination of fair market value shall be made by the Board of Directors.

K. After the Effective Time and the receipt of payment by the Corporation of the Fractional Share Amount, the Transfer Agent shall pay to the stockholders entitled to a fraction of a share their pro rata share of the Fractional Share Amount upon surrender of their Old Certificates. If more than one Old Certificate shall be surrendered at one time for the account of the same stockholder, the number of full shares of New Common Stock for which New Certificates shall be issued, unless such shares are uncertificated, shall be computed on the basis of the aggregate number of shares represented by Old Certificates surrendered. In the event that the holder surrenders Old Certificates after the Effective Time but prior to the date on which the Fractional Share Amount is determined and paid to the Transfer Agent, the Transfer Agent shall carry forward any fractional share of such holder until the Fractional Share Amount is paid to the Transfer Agent. In the event that the Corporation's Transfer Agent determines that a holder of Old Certificates has not tendered all of his certificates for exchange the Transfer Agent shall carry forward any fractional share until all certificates of the holder have been presented for exchange so that the payment for fractional shares to any one person shall not exceed the value of one share. If any New Certificate is to be issued in a name other than that in which the Old Certificates surrendered for exchange are issued, the Old Certificates so surrendered shall be properly endorsed and otherwise in proper form for transfer, and the person or persons requesting such exchange shall affix any requisite stock transfer stamps to the Old Certificates surrendered, or provide funds for their purchase, or establish to the satisfaction of the Transfer Agent that such taxes are not payable.

L. If the Corporation in any manner subdivides or combines by any split, dividend, reclassification, recapitalization or otherwise, or combines by reverse split, reclassification, recapitalization or otherwise, the outstanding shares of one class of Common Stock, the outstanding shares of the other class of Common Stock will be subdivided or combined in the same manner.

M. Each share of Class B Common Stock shall be convertible into one (1) fully paid and nonassessable share of Class A Common Stock at the option of the holder thereof at any time upon written notice to the Corporation. Before any holder of Class B Common Stock shall be entitled to voluntarily convert any shares of such Class B Common Stock, such holder shall surrender the certificate or certificates therefor (if any), duly endorsed, at the principal corporate office of the Corporation or of any transfer agent for the Class B Common Stock, and shall give written notice to the Corporation at its principal corporate office, of the election to convert the same and shall state therein the name or names (i) in which the certificate or certificates representing the shares of Class A Common Stock into which the shares of Class B Common Stock are so converted are to be issued if such shares are certificated or (ii) in which such shares are to be registered in book entry if such shares are uncertificated. The Corporation shall, as soon as practicable thereafter, issue and deliver at such office to such holder of Class B Common Stock, or to the nominee or nominees of such holder, a certificate or certificates representing the number of shares of Class A Common Stock to which such holder shall be entitled as aforesaid (if such shares are certificated) or, if such shares are uncertificated, register such shares in book-entry form. Such conversion shall be deemed to have been made immediately prior to the close of

business on the date of such surrender of the shares of Class B Common Stock to be converted following or contemporaneously with the written notice of such holder's election to convert required by this section, and the person or persons entitled to receive the shares of Class A Common Stock issuable upon such conversion shall be treated for all purposes as the record holder or holders of such shares of Class A Common Stock as of such date. Each share of Class B Common Stock that is converted pursuant to this section shall be retired by the corporation and shall not be available for reissuance.

N. Each share of Class B Common Stock shall (a) automatically, without further action by the holder thereof, be converted into one fully paid and nonassessable share of Class A Common Stock upon the occurrence of a Transfer, other than a Permitted Transfer, of such share of Class B Common Stock, and (b) all shares of Class B Common Stock shall automatically, without further action by any holder thereof, be converted into an identical number of shares of fully paid and nonassessable Class A Common Stock if, on the record date for any meeting of stockholders of the Corporation, Wanda or its affiliates holds less than 30% of the aggregate number of shares of Common Stock then outstanding, as determined by the Board of Directors of the Corporation (a "Conversion Event"). Each outstanding stock certificate that, immediately prior to a Conversion Event, represented one or more shares of Class B Common Stock subject to such Conversion Event shall, upon such Conversion Event, be deemed to represent an equal number of shares of Class A Common Stock, without the need for surrender or exchange thereof. The Corporation shall, upon the request of any holder whose shares of Class B Common Stock have been converted into shares of Class A Common Stock as a result of a Conversion Event and upon surrender by such holder to the Corporation of the outstanding certificate(s) formerly representing such holder's shares of Class B Common Stock (if any), issue and deliver to such holder certificate(s) representing the shares of Class A Common Stock into which such holder's shares of Class B Common Stock were converted as a result of such Conversion Event (if such shares are certificated) or, if such shares are uncertificated, register such shares in book-entry form. Each share of Class B Common Stock that is converted pursuant to this section shall thereupon be retired by the Corporation and shall not be available for reissuance.

O. The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Class A Common Stock, solely for the purpose of effecting the conversion of the shares of Class B Common Stock, such number of shares of Class A Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of Class B Common Stock into shares of Class A Common Stock.

ARTICLE V
BOARD OF DIRECTORS

The following provisions are inserted for the management of the business and for the conduct of the affairs of the Corporation and for the purpose of creating, defining, limiting and regulating the powers of the Corporation and its directors and stockholders:

A. The directors of the Corporation, subject to any rights of the holders of shares of any class or series of Preferred Stock to elect directors, shall be classified with respect to the time for which they severally hold office into three classes, as nearly equal in number as possible. One

class's initial term will expire at the first annual meeting of the stockholders following the effectiveness of this Third Amended and Restated Certificate of Incorporation, another class's initial term will expire at the second annual meeting of the stockholders following the effectiveness of this Third Amended and Restated Certificate of Incorporation and another class's initial term will expire at the third annual meeting of stockholders following the effectiveness of this Third Amended and Restated Certificate of Incorporation, with directors of each class to hold office until their successors are duly elected and qualified; provided that the term of each director shall continue until the election and qualification of a successor and be subject to such director's earlier death, resignation or removal. At each annual meeting of stockholders of the Corporation beginning with the first annual meeting of stockholders following the filing of this Third Amended and Restated Certificate of Incorporation, subject to any rights of the holders of shares of any class or series of Preferred Stock, the successors of the directors whose term expires at that meeting shall be elected to hold office for a term expiring at the annual meeting of stockholders held in the third year following the year of their election. In the case of any increase or decrease, from time to time, in the number of directors of the Corporation, the number of directors in each class shall be apportioned as nearly equal as possible. No decrease in the number of directors shall shorten the term of any incumbent director.

B. The numbers of directors shall be no less than three and no more than 15. Subject to any special rights of any holders of any class or series of Preferred Stock to elect directors, the precise number of directors of the Corporation within the limitations specified in the preceding sentence shall be fixed, and may be altered from time to time, only by resolution of the Board of Directors.

C. Subject to this Article V, the election of directors may be conducted in any manner approved by the officer of the Corporation presiding at a meeting of the stockholders or the directors, as the case may be, at the time when the election is held and need not be by written ballot.

D. Any or all directors of the Corporation (other than the directors, if any, elected by the holders of any series of Preferred Stock, voting separately as one or more series, as the case may be) may be removed at any time either with or without cause by the affirmative vote of holders of at least a majority of the voting power of all the then outstanding shares of stock of the Corporation entitled to vote generally in the election of directors, voting as a single class.

E. Subject to any rights of the holders of shares of any class or series of Preferred Stock, if any, to elect additional directors under specified circumstances, any vacancy in the Board of Directors that results from an increase in the number of directors, from the death, disability, resignation, disqualification, removal of any director or from any other cause shall be filled solely by a majority of the total number of directors then in office, even if less than a quorum, or by a sole remaining director.

F. All corporate powers and authority of the Corporation (except as at the time otherwise provided by law, by this Third Amended and Restated Certificate of Incorporation or by the bylaws of the Corporation) shall be vested in and exercised by the Board of Directors.

ARTICLE VI
ACTION BY STOCKHOLDERS

A. Any action required or permitted to be taken at any annual or special meeting of stockholders of the Corporation may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock of the Corporation having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and shall be delivered to the Corporation by delivery to its registered office in Delaware, its principal place of business, or to an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded; provided, however, that if at any time Wanda or its affiliates no longer beneficial owns, in the aggregate, more than 50.0% of the voting power of all the then outstanding shares of stock of the Corporation entitled to vote generally in the election of directors, then any action required or permitted to be taken at any annual or special meeting of stockholders of the Corporation must be effected at a duly called annual or special meeting of such stockholders and may no longer be effected by any consent in writing.

B. Except as otherwise required by law and subject to the rights, if any, of the holders of any series of Preferred Stock, special meetings of the stockholders of the Corporation for any purpose or purposes may be called at any time pursuant to a resolution of the Board of Directors (and the Chairman of the Board of Directors, the Chief Executive Officer or Secretary of the Corporation shall call the meeting pursuant to such resolution), and special meetings of stockholders of the Corporation may not be called by any other person or persons.

C. The books of the Corporation may (subject to any statutory requirements) be kept outside the State of Delaware as may be designated by the Board of Directors or in the bylaws of the Corporation. Meetings of stockholders may be held within or outside the state of Delaware, as the bylaws of the Corporation may provide.

ARTICLE VII
DGCL SECTION 203

The Corporation shall not be governed by Section 203 of the DGCL ("Section 203"), and the restrictions contained in Section 203 shall not apply to the Corporation.

ARTICLE VIII
CORPORATE OPPORTUNITIES

To the fullest extent permitted by Section 122(17) of the DGCL and except as may be otherwise expressly agreed in writing by the Corporation and Wanda, the Corporation, on behalf of itself and its subsidiaries, renounces any interest or expectancy of the Corporation and its subsidiaries in, or in being offered an opportunity to participate in, business opportunities, that are from time to time presented to Wanda or any of its respective officers, directors, agents, stockholders, members, partners, affiliates and subsidiaries (other than the Corporation and its subsidiaries), even if the opportunity is one that the Corporation or its subsidiaries might reasonably be deemed to have pursued or had the ability or desire to pursue if granted the

opportunity to do so and no such person shall be liable to the Corporation or any of its subsidiaries for breach of any fiduciary or other duty, as a director or officer or otherwise, by reason of the fact that such person pursues or acquires such business opportunity, directs such business opportunity to another person or fails to present such business opportunity, or information regarding such business opportunity, to the Corporation or its subsidiaries unless, in the case of any such person who is a director or officer of the Corporation, such business opportunity is expressly offered to such director or officer in writing solely in his or her capacity as a director or officer of the Corporation. Any person purchasing or otherwise acquiring any interest in any shares of stock of the Corporation shall be deemed to have notice of and consented to the provisions of this Article VIII. Neither the alteration, amendment or repeal of this Article VIII nor the adoption of any provision of this Third Amended and Restated Certificate of Incorporation inconsistent with this Article VIII shall eliminate or reduce the effect of this Article VIII in respect of any business opportunity first identified or any other matter occurring, or any cause of action, suit or claim that, but for this Article VIII, would accrue or arise, prior to such alteration, amendment, repeal or adoption.

ARTICLE IX
INDEMNIFICATION; LIMITATION OF LIABILITY

A. The personal liability of the directors for monetary damages for breach of fiduciary duty as a director of the Corporation is hereby eliminated to the fullest extent permitted by the DGCL. Any repeal or modification of this Article IX shall not adversely affect any right or protection of a director of the Corporation existing hereunder with respect to any act or omission occurring prior to such repeal or modification.

B. Each person who was or is a party or is made a party, threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (a "Proceeding"), by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was a director or officer of the Corporation or is or was serving at the request of the Corporation as a director or officer of another corporation, or as its representative in a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans (any such person, an "Indemnitee"), whether the basis of such Proceeding is alleged action in an official capacity as a director, officer or representative or in any other capacity while serving as a director, officer or representative, shall be indemnified and held harmless by the Corporation to the fullest extent permitted by the DGCL, as the same exists or may hereafter be amended (but, in the case of any such amendment to the fullest extent permitted by law, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment), against all expenses, liability and loss (including attorneys' fees, judgments, fines, Employee Retirement Income Security Act of 1974, as amended, excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by him or her in connection therewith and such indemnification shall continue as to an Indemnitee who has ceased to be a director, officer, employee or agent and shall inure to the benefit of his or her heirs, executors, and administrators. Such right shall be a contract right and shall include the right to be paid by the Corporation expenses incurred in defending any such Proceeding in advance of its final disposition; provided, however, if the DGCL requires, the payment of such expenses shall be made only upon delivery to the Corporation of an undertaking, by or on behalf of such person to repay all

amounts so advanced if it should be determined ultimately by final judicial decision from which there is no further right to appeal that such person is not entitled to be indemnified under this Article IX or otherwise. Unless otherwise required by law, the burden of proving that the Indemnitee is not entitled to be indemnified or to such advancement of expenses under this Article IX shall be on the Corporation. The Corporation may, by action of the Board, provide indemnification to employees and/or agents with the same scope and effect as the foregoing indemnification of directors and officers. Notwithstanding anything to the contrary in this Article IX and except as provided in paragraph (C) of this Article IX with respect to Proceedings to enforce rights to indemnification, the Corporation shall not be required to indemnify any Indemnitee against expenses incurred in connection with a Proceeding (or part thereof) initiated by such Indemnitee unless the initiation of the Proceeding (or part thereof) was approved by the Board of Directors.

C. If a claim under this Article IX is not paid in full by the Corporation within thirty days after a written claim has been received by the Corporation, the Indemnitee may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim and if successful, in whole or in part, the Indemnitee shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any Proceeding in advance of its final disposition where the undertaking, if any is required, has been tendered to the Corporation) that the Indemnitee has not met the standards of conduct which make it permissible under the DGCL for the Corporation to indemnify the Indemnitee for the amount claimed, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board of Directors, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the Indemnitee is proper in the circumstances because he has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel, or its stockholders) that the Indemnitee had not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the Indemnitee had not met the applicable standard of conduct.

D. Any amendment, alteration or repeal of this Article IX that adversely affects any right of an Indemnitee or his or her successors shall be prospective only and shall not limit or eliminate any such right with respect to any proceeding involving any occurrence or alleged occurrence of any action or omission to act that took place prior to such amendment or repeal.

E. The rights conferred by this Article IX shall not be exclusive of any other right which such Indemnitees may have or hereafter acquire under any statute, provision, bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

F. The Corporation may maintain insurance, at its expense, to protect itself and any director, officer, or representative against any such expense, liability or loss, whether or not the Corporation would have the power to indemnify him against such expense, liability or loss under the DGCL.

Item 5.07. Submission of Matters to a Vote of Security Holders.

On March 14, 2023, AMC Entertainment Holdings, Inc. (the "Company") held a special meeting of stockholders (the "Special Meeting").

A total of 182,342,728 out of 517,580,416 eligible shares of the Company's Class A common stock ("Common Stock") were present in person or represented by proxy at the Special Meeting, and a total of 182,342,728 shares of Common Stock were voted after excluding broker non-votes.

A total of 583,297,321 out of 929,849,612 eligible AMC Preferred Equity Units ("APEs"), each constituting a depositary share representing 1/100th interest in a share of the Company's Series A Convertible Participating Preferred Stock (the "Series A Preferred Stock"), were present in person or represented by proxy at the Special Meeting. All shares of Series A Preferred Stock held by Computershare Inc. and Computershare Trust Company, N.A. jointly as Depositary (the "Depositary") representing 929,849,612 votes were present and were voted pursuant to specific instructions by APEs at the Special Meeting or proportionally pursuant to the terms of the deposit agreement (the "Deposit Agreement") governing the APEs.

At the Special Meeting, the Company's stockholders were asked to vote on the following items: (i) a proposal to amend our certificate of incorporation (the "Charter") to increase the number of authorized shares of Common Stock (the "Share Increase Proposal"), (ii) a proposal to amend the Charter to effectuate a reverse stock split of the Common Stock at a ratio of one share of Common Stock for every ten shares of Common Stock (the "Reverse Split Proposal", together with the Share Increase Proposal, the "Charter Amendment Proposals"), and (iii) a proposal to adjourn the Special Meeting, if necessary or appropriate, to permit further solicitation of additional proxies if there are not sufficient votes at the time of the Special Meeting to approve the Charter Amendment Proposals (the "Adjournment Proposal"). The Share Increase Proposal and the Reverse Split Proposal each required the affirmative vote of at least a majority of the outstanding Common Stock and Series A Preferred Stock (or APEs representing such shares of Series A Preferred Stock) entitled to vote, voting together as one class (with each outstanding share of Common Stock entitled to one vote and each outstanding APE entitled to one vote). The Adjournment Proposal required the affirmative vote of a majority of the outstanding Common Stock and Series A Preferred Stock (or APEs representing such share of Series A Preferred Stock), voting together as one class, present in person or represented by proxy at the Special Meeting and entitled to vote on the proposal (with each outstanding share of Common Stock entitled to one vote and each outstanding APE entitled to one vote).

2023 Proposed Amendments to the General Corporation Law of the State of Delaware

May 1, 2023

PUBLICATION | **CORPORATE GOVERNANCE** | **CORPORATE TRANSACTIONS** | **CORPORATE & CHANCERY LITIGATION**

Legislation proposing to amend the General Corporation Law of the State of Delaware (the "DGCL") is expected to be introduced to the Delaware General Assembly for consideration during its 2023 regular session. If enacted, the 2023 amendments to the DGCL will, among other things, make the following changes:

- Sections 152, 153 and 157 (as well as Section 160(b)) will be revised to make clarifying changes with respect to the creation and issuance of stock and rights and options to purchase stock, including confirming that a corporation is not required to receive the statutory minimum consideration (typically the par value) for a disposition of treasury shares.

- Section 204 will be revised to simplify the requirements for the filing of certificates of validation in connection with the ratification of certain defective corporate acts.

- Section 228(e) will be revised to provide greater certainty as to the stockholders to whom notice of a non-unanimous action by consent of stockholders must be given.

- Section 242 will be revised to (i) eliminate the need to obtain the default vote of stockholders for charter amendments effecting specified types of forward stock splits and associated increases in the authorized number of shares, and (ii) reduce the minimum stockholder vote required to authorize a charter amendment increasing or decreasing the authorized shares of a class, or effecting a reverse split of the shares of a class, in circumstances where the shares of such class are listed on a national securities

exchange immediately before the amendment becomes effective and meet the listing requirements of such exchange after the amendment becomes effective.

- Section 260 will be revised to confirm that a corporation continuing or resulting from a conversion or domestication will have the same power to issue bonds, other obligations and securities as a corporation surviving or resulting from a merger or consolidation.

- Section 265 will be revised to authorize the adoption of a plan by which an other entity may convert to a Delaware corporation and to provide that certain acts and transactions effected pursuant to such plan may be accomplished without a further vote of the board of directors or stockholders of the Delaware corporation continuing after the conversion.

- Section 266 will be amended to clarify that a corporation may adopt a plan of conversion specifying, among other things, the terms of the conversion, the provisions of the organizational documents of the entity continuing after the conversion, the treatment of stock converted or exchanged in the conversion, and other matters.

- Section 390 will be amended to reduce the vote required to consummate a domestication, transfer or continuance of a Delaware corporation to a non-U.S. entity from a unanimous vote of all stockholders (voting and non-voting) to a majority in voting power of the outstanding stock entitled to vote and to clarify that the corporation may adopt a plan of domestication.

- Section 262 will be amended to revise the provisions governing statutory appraisal rights, including to provide that such rights are available in connection with a transfer, continuance or domestication of a Delaware corporation to a non-U.S. entity.

- Section 272 will be amended to provide that no vote of stockholders is required to authorize a sale, lease or exchange of collateral securing a mortgage or pledge under specified circumstances.

If enacted, the 2023 amendments will become effective on August 1, 2023, except that (i) the amendments to Section 262 will be effective with respect to (A) a merger or consolidation consummated pursuant to an agreement of merger or consolidation entered into on or after August 1, 2023, (B) a "short-form" merger authorized on or after August 1, 2023, or (C) a conversion, transfer, continuance or domestication effected on or after August 1, 2023; (ii) the amendments to Section 265 will apply only to conversions effected pursuant to a plan of conversion entered into on or after August 1, 2023 (or, if no plan of conversion is entered into, a corporation with respect to which the authorization of the conversion under the DGCL is obtained on or after August 1, 2023); and (iii) the amendments to Section 390 will apply only to domestications, transfers or continuances authorized by the board on or after August 1, 2023.

Sections 152, 153, 157 and 160: Creation and Issuance of Stock and Rights and Options to

Purchase Stock; Disposition of Treasury Shares

In 2022, Sections 152 and 153 of the DGCL, which deal with the creation and issuance of stock, and Section 157 of the DGCL, which deals with the creation and issuance of rights and options to purchase stock, were amended to harmonize the procedures by which stock, and rights and options to purchase stock, could be authorized for issuance, including with respect to the power of the board of directors (or a duly empowered committee of the board) to delegate its powers under those statutes to officers and others. The 2023 amendments make certain clarifying changes to Sections 152, 153, 157 and 160 to build on the changes enacted in 2022.

In connection with the 2022 amendments to the DGCL, Section 153 was amended to make clear that the procedures governing the power of the board (or a committee) to delegate the authority to issue stock applied equally to a disposition of treasury shares. (Treasury shares are those that have been issued but are no longer outstanding because they have been redeemed, purchased or otherwise reacquired by the corporation and have not been retired or cancelled.) Because the 2022 amendments to Section 153 provided that treasury shares could be disposed in the same manner as shares could be issued under Section 152, there was a question as to whether a corporation needed to receive, for a disposition of treasury shares, the minimum consideration that would be required for an issuance of stock (which, for shares having a par value, is consideration having a value at least equal to the par value of the shares). Historically, the principal distinction between an original issuance of stock, on the one hand, and the disposition of treasury shares, on the other, was that the corporation was not required to receive the statutory minimum consideration for the disposition of treasury shares. The longstanding view was that, when disposing of treasury shares, the corporation was not required to receive the par value in respect of the shares, since the shares had already been fully paid upon the corporation's receipt of consideration at least equal to the par value thereof in connection with their original issuance. As no change to this basic construct was intended by the 2022 amendments, Sections 152 and 153 are being amended to clarify that treasury shares may be disposed without the need for the corporation to receive consideration at least equal to the par value. Section 152 is being amended to clarify that the minimum consideration for which shares may be issued may not be less than the consideration, *if any*, required under Section 153. Section 153 is being amended to state that the consideration received for treasury shares may be greater than, less than, or equal to the par value of the shares. Section 153 is being further amended to confirm that, as with an issuance of stock, the corporation may receive for a disposition of treasury shares consideration consisting of cash, tangible or intangible property, or any benefit to the corporation (or any combination of the foregoing).

In connection with this change, Section 160(b) is being amended in a few technical respects. Currently, Section 160(b) provides that nothing in Section 160, which governs a corporation's power to deal in its own stock, limits or affects the corporation's right to resell shares that have been purchased or redeemed but have not been retired for such consideration as is fixed by the board. The amendments to Section 160(b) make clear that nothing in Section 160 limits or affects the corporation's right to resell, under Section 153,

shares that have been purchased or redeemed by the corporation and have not been retired, or are not required by the certificate of incorporation to be retired.

The 2023 amendments make clarifying changes to Section 157. As noted above, in 2022, Section 157 was amended to harmonize the procedures for issuing rights and options to purchase or acquire stock with the procedures applicable to the issuance of stock. Those amendments authorized the board of directors (or a duly empowered committee of the board) to delegate to one or more other persons or bodies (*e.g.*, officers and others) the power to issue rights and options, subject to the adoption of a resolution fixing (i) the maximum number of rights or options, and the maximum number of shares issuable upon exercise thereof, (ii) a time period during which the rights or options, and during which the shares issuable upon exercise thereof, may be issued, and (iii) a minimum amount of consideration (if any) for which the rights or options may be issued and the minimum amount of consideration for the shares issuable upon exercise thereof. The 2023 amendments preserve this basic construct, albeit with some technical enhancements. The language in Section 157(c), which permits the board to adopt resolutions delegating to other persons and bodies the power to enter into transactions to issue rights or options, is being expanded to make clear that the board (or committee) may in such resolutions delegate the power to fix the terms upon which shares may be acquired from the corporation upon the exercise of rights or options. Accordingly, under revised Section 157, a resolution of the board (or duly empowered committee) delegating the power to issue rights or options to officers or others could include, for example, the power to fix the vesting terms of the grant, including whether any grant may be accelerated. Amended Section 157(c) also provides that the board's (or committee's) delegating resolutions must continue to fix the maximum number of shares issuable upon exercise of the rights or options issued pursuant to the delegation, but do not otherwise need to fix the maximum number of rights or options issuable under the delegation. Additionally, amended Section 157(c) clarifies that such delegating resolutions must establish two separate time periods: one time period during which the delegate can issue rights or options and another time period during which shares may be issued upon the exercise of the rights or options. Those time periods may be expressed in terms of specific dates or time horizons, or they may be made dependent upon extrinsic facts. Thus, it would be sufficient for the resolutions to state, for example, that a person or body may issue options under an incentive plan for the duration of the plan and that shares may be issued upon the exercise of such options for a period of ten years following the grant date. Section 157(e), which deals with the consideration payable upon the exercise of rights or options, is also being amended to reference the minimum consideration (if any) required by Section 153 of the DGCL.

Section 204: Ratification of Defective Corporate Acts

Section 204, which relates to the ratification of defective corporate acts (*i.e.*, corporate acts that, due to a failure in authorization, are void or voidable), is being amended in several respects, principally to streamline the filings associated with the ratification of defective corporate acts that require the filing of an instrument with the Delaware Secretary of State. Currently, under Section 204, if the defective corporate act being ratified would have required under any section of the DGCL the filing of a certificate with the Delaware

Secretary of State, the corporation must file a certificate of validation with the Delaware Secretary of State (even if a certificate was previously filed and no changes need to be made to such certificate to give effect to the ratification). The current statute requires that the certificate of validation include specified information, including (i) the identification of each defective corporate act that is the subject of the certificate of validation (including, in the case of an act involving the issuance of putative stock, the number and type of shares of putative stock issued and the date or dates upon which the putative shares were purported to be issued), the date of the defective act, and the nature of the failure of authorization in respect of each such act; (ii) a statement that the defective corporate act was ratified in accordance with Section 204, including the date on which the board ratified the act and the date, if any, on which the stockholders ratified the act; and (iii) (A) if a certificate was previously filed with the Delaware Secretary of State and no change is required to give effect to the defective corporate act, the name, title and filing date of the prior certificate as well as a copy of such certificate (and any certificates of correction that were filed to correct that prior certificate), (B) if a certificate was previously filed and that certificate requires some change to give effect to the defective corporate act, the name, title and filing date of the prior certificate, a statement that a certificate containing the information required to be included under the applicable provision of the DGCL to give effect to the defective corporate act is attached as an exhibit to the certificate of validation (with the exhibit so attached), and the date and time that such certificate is deemed to become effective, and (C) if no certificate was previously filed, a statement that a certificate containing all information required by the applicable provision of the DGCL is attached as an exhibit to the certificate of validation (with the exhibit so attached), and the date and time that such certificate is deemed to become effective.

The relative complexity of the certificate of validation, along with the lack of uniformity in the practice of preparing such certificates, has resulted in delays in the processing of certificates of validation. In an effort to alleviate some of the administrative burdens associated with such filings, the 2023 amendments seek to streamline the procedures relating to the preparation and filing of certificates of validation. First, the amendments to Section 204(e) dispense with the need for filing a certificate of validation in circumstances where the underlying defective corporate act required the filing of a certificate under another section of the DGCL and such a certificate has already been filed and requires no change to give effect to the defective corporate act. As an example, under the current law, if the board, acting by less than unanimous written consent, approved an amendment to the certificate of incorporation to effect a stock split, and such amendment was adopted by stockholders and duly filed with the Delaware Secretary of State at the appropriate time, the corporation, after ratifying the stock split, would be required to file a certificate of validation attaching that previously filed instrument, even though no change was required to give effect to the underlying act. Under the 2023 amendments, no such certificate of validation would be required. Dispensing with the need to file a certificate of validation in these circumstances does not prejudice the rights of any parties in interest, as Section 204 still requires notice of the ratification to be given to holders of valid stock and putative stock as of all relevant times.

Second, the 2023 amendments greatly simplify the contents of a certificate of validation in circumstances where one is required. (A certificate of validation is required under circumstances where the certificate on file with the Delaware Secretary of State requires some change to give effect to the defective corporate act and where no certificate was previously filed but the underlying act requires recordation with the Delaware Secretary of State.) Specifically, the amendments eliminate the need for the certificate of validation to identify the underlying defective corporate acts, the nature of the failure of authorization relating to those acts and matters relating to any shares of putative stock arising from those acts. In addition, the amendments eliminate the need for the certificate of validation to specifically state that the board and, if applicable, stockholders have approved the ratification of the acts and the date(s) on which the ratification was so approved. Instead, the certificate of validation need only state that the corporation has ratified one or more defective acts that would have required the filing of a certificate under another provision of the DGCL, that each act has been ratified in accordance with Section 204, and, in the case where a certificate has previously been filed, the name, title and filing date of the certificate, a statement that a certificate containing the information required to be included under such other provision of the DGCL to give effect to the defective corporate act is attached as an exhibit, and the date and time that the certificate is deemed to become effective or, in the case where no certificate has previously been filed, a statement that a certificate containing the information required under the other provision of the DGCL is attached as an exhibit and the date and time such certificate is deemed to become effective.

Section 204 is also being amended to clarify technical procedural requirements in circumstances where no valid stock is outstanding and entitled to vote on the ratification. Currently, Section 204(c)(2) dispenses with the need for a vote of stockholders in circumstances where no valid stock is outstanding and entitled to vote on the ratification. That provision, however, currently states that no such vote is needed if there are no shares of valid stock outstanding and entitled to vote on the ratification "as of the record date for determining the stockholders entitled to vote on the ratification." Because the use of the construct of a record date is inapposite in circumstances where no vote of stockholders is being taken, the language of Section 204(c)(2) is being clarified to provide that the determination as to whether any shares of valid stock are outstanding and entitled to vote on the ratification must be made at the time the board adopts the resolutions approving the defective corporate act. Section 204(d), which currently specifies that shares of "putative stock" outstanding as of the record date for determining stockholders entitled to vote on a ratification are neither entitled to vote on the ratification nor counted for quorum purposes in any ratification vote, is being similarly amended to dispense with the concept of a record date and to fix the board's adoption of the resolutions ratifying the defective corporate act as the time for determining which shares constitute valid stock and which shares constitute putative stock entitled to vote on the adoption of the ratification of a defective corporate act requiring a vote of the holders of valid stock.

Section 228: Action by Consent of Stockholders in Lieu of a Meeting

Under Section 228 of the DGCL, unless the certificate of incorporation otherwise provides, stockholders may take action by consent in lieu of a meeting without prior notice and without a vote, provided that valid consents of the requisite number of votes of stockholders are delivered to the corporation in accordance with law. As no prior notice is required for such action to be taken, Section 228(e) requires prompt notice to be given to non-consenting stockholders after an action is taken. Specifically, Section 228(e) currently requires notice of the taking of corporate action by consent to be given to those stockholders who have not consented to the action and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for notice of the meeting had been the date that consents signed by a sufficient number of holders to take the action were delivered to the corporation as provided in Section 228.

Under the current law, the date for notice to non-consenting stockholders differs from the record date for determining stockholders entitled to act by consent. Under Section 213(b) of the DGCL, which governs the fixing of a record date for action by consent of stockholders in lieu of a meeting, there are three different record dates that could be used for determining stockholders entitled to act on a consent. (These include (i) a record date fixed by the board, which date may not precede the date upon which the board fixes the record date and which may not be more than ten days after the date of such resolution, (ii) if no record date is fixed by the board, and no prior action of the board is required by the DGCL, the first date on which a signed consent is delivered to the corporation, and (iii) if no record date is fixed by the board and prior action of the board is required under the DGCL, the date on which the board adopts the resolutions taking such prior action.) As revised by the 2023 amendments, Section 228(e) would harmonize the notice requirements to non-consenting stockholders with the provisions governing the record date for determining stockholders entitled to consent to an action. Specifically, amended Section 228(e) provides that notice of action by consent of stockholders in lieu of a meeting must be given to those non-consenting stockholders as of the record date for the action by consent who would have been entitled to notice of a meeting held to take such action if the record date for the notice of the meeting was the record date for the action by consent.

The amendments to Section 228(e) also provide that a notice that constitutes a notice of internet availability of proxy materials for purposes of the federal Securities Exchange Act will satisfy the notice requirements of Section 228(e) for corporations entitled to use such notices under the relevant regulation promulgated under the Securities Exchange Act.

Section 242: Amendments to Certificates of Incorporation

Section 242, which governs the procedures by which a corporation may implement amendments to its certificate of incorporation, is being amended in several important respects. In general, after a corporation has received payment for its stock, an amendment to the certificate of incorporation must be approved by the board and then adopted by the holders of a majority in voting power of the outstanding stock entitled to vote thereon and

by the holders of a majority in voting power of each class entitled to vote thereon as a class, subject to limited exceptions.

The 2023 amendments add a new Section 242(d) governing the circumstances in which a vote of stockholders otherwise required by Section 242(b) may be eliminated or reduced. Section 242(b)(1) currently contains provisions that eliminate the need for a vote of stockholders to adopt an amendment in limited circumstances, such as an amendment to effect a name change (unless the certificate of incorporation requires such a vote) or an amendment to delete provisions that named the incorporator, the initial directors or initial subscribers for stock or provisions contained in any amendment to effect a change, exchange, reclassification subdivision, combination or cancellation of stock that has already become effective. As those provisions relate to circumstances where an amendment does not require a vote of stockholders, they have been moved to new Section 242(d)(1). New Section 242(d)(1) then creates additional categories of amendments for which no vote of stockholders is required. Under new Section 242(d)(1), no vote of stockholders is required for an amendment that subdivides the issued shares of a class of stock into a greater number of issued shares (*i.e.*, a forward stock split), so long as such class is the only class of such corporation's capital stock then outstanding and such class is not divided into series. New subsection 242(d)(1) further provides that no vote of stockholders is required in connection with any such forward stock split in order to increase the authorized number of shares of such class up to an amount proportionate to the subdivision. By way of example, if a corporation with only common stock outstanding has 100 shares of common stock authorized, 50 of which are issued, the corporation could effect a 3:1 forward stock split. In connection with that split, the corporation would be required to increase its authorized shares of common stock to at least 150 authorized shares, but it could increase its authorized shares of common stock to up to 300 authorized shares.

Next, new Section 242(d)(2) reduces the default stockholder vote required to approve an amendment to increase or decrease the authorized number of shares of a class of stock, or an amendment to reclassify the outstanding shares of a class into a lesser number of shares of the class (*i.e.*, a reverse stock split), under specified circumstances. In recent years, due to a wider dispersion of shares among retail holders and policies in which brokerage firms decline to exercise their discretionary authority to vote shares held in "street name," many public corporations have encountered significant difficulty in securing various stockholder votes and, in particular, a vote necessary to effect a reverse stock split to help a corporation maintain the minimum share price amount necessary to be listed on a national securities exchange. The lack of interest and participation among stockholders and beneficial owners in these critical votes is often attributable not to the merits of the proposal—few stockholders, it would seem, would support a de-listing that would assuredly diminish the liquidity of the stock—but to "rational apathy" among retail and other dispersed investors, each of whom individually owns too few shares to have a vested interest in the corporation but all of whom collectively represent a significant portion of the voting base. New Section 242(d)(2) provides that a corporation may amend its certificate of incorporation to increase or decrease the authorized shares of a class of stock, or to effect a reverse stock split in respect of a class of stock, without obtaining the vote or votes otherwise required by Section 242(b) (*i.e.*, at least a majority in voting power of the

outstanding stock entitled to vote thereon) if (i) the shares subject to the reverse stock split are listed on a national exchange immediately before the amendment becomes effective and such corporation meets the listing requirement of such exchange relating to the minimum number of holders immediately after the amendment becomes effective, (ii) at a meeting of stockholders at which a vote is taken for and against the proposed amendment, the votes cast for the amendment exceed the votes cast against the amendment, and (iii) the amendment increases or decreases the number of shares of a class of stock that has not opted out of the class vote pursuant to the last sentence of Section 242(b)(2) (which sentence provides that an amendment to the certificate of incorporation to increase or decrease the authorized shares of a class, which would otherwise require a separate vote of the holders of the class, may be approved by the holders of the stock entitled to vote), the votes cast for the amendment by the holders of such class exceed the votes cast against the amendment by the holders of such class. As new Section 242(d)(2) refers only to votes cast for or against an amendment, it makes clear that abstentions have no effect on whether the required approval is obtained. The addition of subsection (d) does not eliminate the stockholder vote required to change the par value of a class of stock, whether or not in connection with any reclassification, subdivision or combination. Thus, if the par value of the shares of a class is changed, even proportionately with the split, a separate vote of the holders of a majority in voting power of the outstanding shares of such class would still be required under Section 242(b)(2) of the DGCL.

In connection with the foregoing amendments to Section 242(d) dealing with forward and reverse stock splits, Section 242(a)(3), which currently governs amendments that reclassify outstanding stock, is also being amended to require that reclassifications by way of subdividing and combining (*i.e.*, forward stock splits and reverse stock splits) must reclassify both outstanding shares and shares held in treasury. That is, when a corporation effects a forward or reverse stock split, the split will apply to all issued shares, whether they are outstanding or held by the corporation in treasury.

New Section 242(d) contains lead-in language (*i.e.*, "unless otherwise expressly required by the certificate of incorporation") that permits a corporation to "opt in" to the stockholder votes that otherwise would be required under subsection (b) in connection with any reclassification, subdivision or combination of the issued shares or increase or decrease in the authorized number of shares contemplated by Section 242(d). To make use of such lead-in language, though, the provision of the certificate of incorporation must expressly state that the vote of stockholders otherwise required under Section 242(b) is required to adopt any amendment to the certificate of incorporation specified in Section 242(d), or it must expressly "opt out" of the provisions of Section 242(d).

Section 260: Powers of Surviving, Resulting, Converted or Domesticated Corporations

Section 260 of the DGCL currently gives surviving or resulting corporations of a merger or consolidation broad power to issue bonds and other obligations, to an amount sufficient with its capital stock to provide for the payments it will be required to make, or obligations

it will be required to assume, to effect the merger. It also specifies that it is lawful for the surviving corporation to mortgage its franchise, rights, privileges and property to secure such obligations. It then provides that a surviving or resulting corporation may issue certificates for shares of capital stock or uncertified shares and other securities to the stockholders of the constituent corporation in exchange or payment for the original shares as required by the agreement of merger or consolidation.

The 2023 amendments apply the empowering provisions of Section 260 to both conversions and domestications, given that virtually any changes in a capital structure that may be effected through a merger or consolidation may also be effected through a conversion or domestication.

Section 265: Conversion of Other Entities to Delaware Corporations

Similar to amendments made in 2022 to Section 388 of the DGCL (which relates to domestications of non-U.S. entities to Delaware), the 2023 amendments to Section 265 provide that a plan of conversion adopted under Section 265 in connection with the conversion of another entity to a Delaware corporation may set forth corporate action to be taken by the converted corporation in connection with the conversion. Those additional corporate actions must be approved prior to the conversion in accordance with the legal requirements applicable to the entity prior to the conversion. Once so approved, any such corporate action that is within the power of a Delaware corporation under the DGCL that are set forth in the plan of conversion will be deemed authorized, adopted and approved, as applicable, by the converted Delaware corporation and its board of directors and stockholders, without further action by the board or stockholders. In the event that any such follow-on action requires the filing of a certificate under any other section of the DGCL, such other certificate must state that, pursuant to Section 265, no action by the board of directors or stockholders is required.

Section 266: Conversion of Delaware Corporations to Other Entities

The 2023 amendments revise Section 266, which relates to a conversion of a Delaware corporation to an other entity, to clarify that a corporation may adopt a plan of conversion specifying, among other things, the terms of the conversion, the provisions of the organizational documents of the other entity continuing after the conversion, the treatment of stock converted or exchanged in the conversion, and other matters. Currently, Section 266 provides that the board must adopt resolutions approving a conversion of the corporation to an other entity and submit the resolutions to the stockholders for their adoption. As amended, Section 266 provides that if a plan is to be adopted in connection with any conversion, the plan must be approved by the board and the stockholders in the manner prescribed in Section 266 together with the resolution approving the conversion.

Section 390: Transfer, Continuance and Domestication of Delaware Corporations to Non-U.S. Entities

Consistent with changes made in 2022 to Section 266, which allows Delaware corporations to convert to other entities, the 2023 amendments change the requirement in Section 390 for stockholder approval of the transfer, domestication or continuance of a corporation in a non-U.S. jurisdiction from all of the outstanding shares of stock of the corporation (voting or non-voting) to a majority in voting power of the outstanding shares of stock entitled to vote on the transfer, domestication or continuance. If the corporation is transferring, domesticating or continuing as a partnership with one or more general partners, the transfer, domestication or continuance requires the approval of each stockholder that is to become a general partner of the partnership.

Given that many stockholders, including preferred stockholders, will have invested in Delaware corporations on the basis that domestications, transfers and continuances would be practically impossible to consummate (and will have negotiated protective provisions or other rights with that premise in mind), the amendments make clear that any provision of the certificate of incorporation of a corporation incorporated before August 1, 2023, or voting agreement or other written agreement between the corporation and any stockholder entered into before that date, that restricts or prohibits the consummation of a merger, consolidation or conversion shall be deemed to apply to a domestication, transfer or continuance unless the certificate of incorporation or agreement expressly otherwise provides. Thus, for example, protective provisions of existing corporations that require a separate vote of the holders of preferred stock (or one or more series thereof) to approve a merger will be construed to require the same vote to effect a domestication, transfer or continuance. Nevertheless, going forward, if investors want to obtain veto rights over domestications, transfers or continuances, they must specifically negotiate for blocking rights in the certificate of incorporation over those transactions. Without those express rights, investors run the risk of having their shares cancelled or converted into another form of consideration (either cash, securities or other property) in a transfer, domestication, or continuance of the corporation. Investors should also review the terms of any "deemed liquidation" provisions to ensure that they will obtain the rights they seek to receive if the corporation consummates a transfer, domestication or continuance that changes the nature of their investment. Although investors should consider negotiating for such rights, they will not be entirely unprotected. As described below, Section 262 of the DGCL is being amended to give stockholders appraisal rights in connection with any transfer, domestication or continuance. From a practical standpoint, the availability of appraisal rights will have the effect of deterring many private corporations from effecting a transfer, domestication or continuance in a non-U.S. jurisdiction, as the prospect of a liquidity event will make it economically infeasible to complete the transaction.

As with Section 266, Section 390 is being amended to clarify that a corporation may adopt a plan of transfer, domestication or continuance specifying, among other things, the terms of the transfer, domestication or continuance, the mode of carrying it into effect, the provisions of the organizational documents of the resulting entity, the treatment of stock converted or exchanged in the transfer, domestication or continuance, and other matters, including any provisions required to be set forth therein under the laws applicable to the resulting entity.

Section 262: Appraisal Rights

The 2023 amendments effect several changes to Section 262, which currently provides stockholders with a right to seek a judicial appraisal of the fair value of their stock in connection with specified mergers, consolidations and conversions in which the corporation is a constituent entity or is the converting entity. Principally, the 2023 amendments would give appraisal rights to stockholders in connection with a domestication, transfer or continuance of a Delaware corporation to a non-U.S. jurisdiction under Section 390 of the DGCL. As noted above, Section 390 of the DGCL is being amended to reduce the statutory voting requirement necessary to effect a domestication, transfer or continuance from a unanimous vote of all stockholders, voting and non-voting, to the holders of a majority in voting power of the outstanding stock. As any change in stock that may be effected through a merger, consolidation or conversion can likewise be effected through a domestication, transfer or continuance, it was deemed appropriate, in light of the reduction in the voting threshold, to provide objecting stockholders with appraisal rights. A domestication, transfer or continuance, however, will not give rise to appraisal rights where the current "market out" exception in Section 262(b)(2) applies. (In general, current Section 262(b)(2) provides that, where shares of stock are listed on a national securities exchange or held of record by more than 2,000 stockholders on the record date for determining stockholders entitled to notice of the meeting of stockholders to vote upon the merger or consolidation or conversion, those holders will not be entitled to appraisal rights in such merger or consolidation or conversion unless their shares are converted into anything other than shares of the surviving corporation, shares of stock of another corporation (or depository receipts in respect thereof) that are listed on a national securities exchange or held of record by more than 2,000 stockholders, cash in lieu of fractional shares or any combination of the foregoing.)

Next, in connection with the changes to Section 265, Section 262 is being amended to deny appraisal rights in connection with a merger, consolidation, conversion, transfer, domestication or continuance that is approved in connection with a plan adopted by an entity that has converted or domesticated to a Delaware corporation.

Finally, Section 262(k) is being amended to clarify that an appraisal demand may be withdrawn more than 60 days after the effective date of the transaction resulting in appraisal rights if the withdrawal is approved by the corporation. The amendment does not, however, change the existing rule that appraisal rights cease if a petition for appraisal is not filed under Section 262(e).

Section 272: Mortgages, Pledges and Foreclosures

The 2023 amendments revise Section 272 of the DGCL to add a new "safe harbor" provision for the sale, lease or exchange of collateral assets that secure a mortgage or pledge. Notably, this safe harbor under amended Section 272(b) is not intended to affect a secured

party's obligation to comply with Article 9 of the Uniform Commercial Code (as applicable), real property law or other applicable law.

Currently, Section 271 of the DGCL requires a vote of stockholders to authorize a sale, lease or exchange of all or substantially all of the assets of the corporation. Section 272 of the DGCL currently specifies that the authorization or consent of stockholders to the mortgage or pledge of a corporation's property or assets shall not be necessary, except to the extent provided in the certificate of incorporation. But current Section 272 of the DGCL does not, at least by its express terms, state that no stockholder vote is required to authorize a sale, lease or exchange of all or substantially all of a corporation's assets.

As amended, Section 272(b)(1) clarifies that stockholder approval of a sale, lease or exchange of collateral securing a mortgage or pledge is not required if such transaction is being effected through the secured party's exercise of its rights under the law governing the mortgage or pledge (or other applicable law, including under Article 9 of the Uniform Commercial Code, real property law or other law) without the corporation's consent. Alternatively, Section 272(b)(2) permits the secured party and the corporation, with the approval of its board of directors, to agree to an alternative transaction not prohibited by the law governing the mortgage or pledge (*e.g.*, a strict foreclosure or sale to a third party), without obtaining a vote of stockholders under Section 271, so long as the value of the assets sold, leased or exchanged is less than or equal to the amount of the liability or obligation being reduced or eliminated as a result of the transaction. The amended statute does not prescribe a specific method for valuing assets for this purpose. Section 272(b)(2) does, however, provide that there is not a presumption that a transaction fails this asset test because it involves consideration being paid to or received by the corporation or its stockholders. This could include, for example, transactions in which consideration is paid to those parties in the ordinary course of similar matters or paid as "nuisance value" to avoid claims in litigation.

New Section 272(c) expands on the effect of this asset test, providing that, after a transaction is completed, the transaction cannot be invalidated for failure to satisfy the asset value test if the transferee of the assets provided value therefor and acted in good faith (as defined in Section 1-201(b)(20) of Title 6 of the Delaware Code). Section 272(c) clarifies, however, that a transaction may be enjoined before consummation and that the statute does not preclude any claim for monetary damages (including a claim in the right of the corporation based on a breach of fiduciary duty by a director, officer or stockholder). New Section 272(c) does not alter the fiduciary duties of directors or officers (or, as applicable, stockholders) in connection with a sale, lease or exchange of assets, or the level of judicial scrutiny that will apply to the decision to enter into a sale, lease or exchange of assets, each of which will be determined based on the common law of fiduciary duty, including the duty of loyalty. Additionally, new Section 272(c) does not eliminate defenses otherwise available, including based on Section 141(e) of DGCL (providing directors with "full protection" for good faith reliance on the books and records of the corporation, officers, board committees and experts selected with reasonable care) or a provision in the corporation's certificate of incorporation adopted under Section 102(b)(7) that exculpates directors or officers against monetary damages for breach of fiduciary duty, subject to

specified limitations and exceptions. The adoption of Section 272(c) is also not intended to preclude application of a similar remedies scheme for a violation of Section 271.

Under new Section 272(d), a certificate of incorporation provision that requires stockholder authorization of a sale, lease or exchange of assets does not apply to a sale, lease or exchange permitted by Section 272(b) unless the certificate of incorporation expressly so provides. Nevertheless, a provision of a certificate of incorporation that extends to transactions beyond Section 271 and requires the vote or consent of stockholders for "dispositions" of assets may result in such transaction being denied the full benefit of Section 272(b)'s safe harbor. New Section 272(d) applies only to certificate of incorporation provisions that first become effective after August 1, 2023.

Notably, amended Section 272 does not create a general insolvency exception to Section 271 akin to that the Delaware Supreme Court declined to adopt in *Stream TV Networks, Inc. v. SeeCubic, Inc.*, 279 A.3d 323 (Del. 2022). The amendments to Section 272 instead establish specified safe harbors for when stockholder approval is not required under Section 271. In doing so, amended Section 272 does not preclude further case law developments on which transactions constitute a "sale, lease or exchange" of assets for purposes of Section 271, and is not intended to preclude further development of the quantitative and qualitative analyses used by the Delaware courts in interpreting and applying Section 271.

RE: *In re AMC Entertainment Holdings, Inc. Stockholder Litigation*, Consolidated C.A. No. 2023-0215-MTZ
Stockholder Kevin Barnes Letter of Support of Settlement Proposal

To Whom It May Concern:

As per Appendix A, I am an AMC Entertainment Holdings, Inc. stockholder of record for both the common shares ("$AMC") and the preferred equity shares ("$APE"), along with additional beneficial positions in the shares and associated derivatives held in street name at various DTC member brokerages. I am writing to express my **APPROVAL** of the proposed Settlement and humbly request the Court of Chancery **expeditiously** lifts the Status Quo Order entered on 02/27/23 for the following reasons.

First, on March 14, 2023, AMC held its well-noticed Special Meeting of Stockholders to consider, among other items, Proposal 1, the Share Increase Proposal, and Proposal 2, the Reverse Split Proposal, to allow the convertibility of $APE preferred equity shares into $AMC common shares. For $AMC common stock, both Proposals passed by a massive margin, including Proposal 1 votes of 132.1m For vs 47.4m Against (72.5% of $AMC cast votes Yes), and for Proposal 2 votes of 128.3m For vs 51.4m Against (70.4% of $AMC cast votes Yes).[1] For the record, I also voted all my $AMC/$APE direct and beneficial shares "For" these two Proposals at the Special Meeting. While some may advocate for greater retail stockholder participation in proxy matters for public policy reasons, it would be wildly inappropriate to make blanket assumptions regarding unvoted stockholder intent based on a handful of noisy conspiracists or, more significantly, further disenfranchise the preponderance in opinion of $AMC stockholders that undertook the effort to vote on these important proposals by blue penciling the underlying corporate documents.

Second, due to sustained shifts in AMC's customers entertainment viewing behavior and reduced movie studio output over three years since the COVID-19 pandemic onset, AMC is a highly distressed company that needs to promptly raise additional equity funding, as allowed under the Settlement Agreement, before a Chapter

11 bankruptcy is the only path forward. As of the first quarter ending 03/31/23, AMC's Free Cash Flow was NEGATIVE $237.3m, total Corporate Borrowings and Finance Lease Liabilities were $4,914.0m (versus only $4,733.4 prior to the COVID-19 pandemic onset), and only $495.6m cash remained on hand.[2] With this limited liquidity runway and significant cash burn rate, if the AMC Board of Directors does not have the business judgement flexibility to manage its balance sheet obligations with additional equity issuance as necessary for on-going operations, the continued employment of AMC's 33,694 dedicated employees will be in question during a potential Chapter 11 bankruptcy restructuring.

Third, the amendments to the Delaware General Corporation Law (DGCL) approved by Delaware Senate on 05/16/23, and currently under review by the Delaware House of Representatives for signature by Governor Carney promptly thereafter, for an 08/01/23 effective date, includes significant revisions to Section 242(d).[3] Notably, for a NYSE-traded Delaware corporation, like AMC, pursing an amendment to the certificate of incorporation to effectuate a reverse stock split and/or to increase the number of authorized shares of a class, the stockholder voting requirement would be decreased, from a majority of outstanding shares, to a majority of the votes cast (thus causing abstentions to have no effect on the vote outcome). Therefore, this clear legislative intent further favors deference to the expressed opinions of stockholders that actually cast proxy ballots in matters such as facing AMC Entertainment Holdings, Inc.

Fourth, because of the preponderance of stockholder preference for the consolidation of the $AMC/$APE share classes and severe downside risk to additional delay, any opt-out objectors to the Settlement or appeals to the Delaware Supreme Court which further delay the implementation of the share conversion should be required to immediately post a significant surety bond to the benefit all other class members. Specifically, bonding of no less than $1,592.7m, which is the current market capitalization of $APE preferred shares based on the NYSE closing share price today at $1.60/share, would be necessary considering the significant timing risks.

If the Court of Chancery or any parties in this matter have any additional questions or requests, my direct phone number is 1.646.265.9535 and my email address is KevinRBarnes@gmail.com.

RECITALS

WHEREAS:

Summary of the Action

A. On February 19, 2020, Churchill III, a special purpose acquisition company formed for the purpose of effecting a merger or other business combination, completed its initial public offering.

B. On July 12, 2020, Churchill III, Polaris Parent Corp., Polaris Investment Holdings, L.P., Music Merger Sub I, Inc., and Music Merger Sub II LLC entered into an Agreement and Plan of Merger (such merger agreement with any amendments thereto, the "Merger Agreement"), pursuant to which parent entities of MultiPlan, Inc. ("Legacy MultiPlan") would be acquired by Churchill III (the "Business Combination" or "Merger").

C. On September 18, 2020, Churchill III filed a definitive proxy statement pursuant to Section 14(a) of the Securities Exchange Act of 1934 with the United States Securities and Exchange Commission relating to the Business Combination (such proxy statement together with any preliminary proxy filings, as well as any

[1] Capitalized terms have the meanings set forth in the "Definitions" section below or as otherwise defined in this Stipulation.

amendments or supplements thereto, including, but not limited to, the supplement filed by Churchill III on September 28, 2020, the "Proxy").

D. On October 7, 2020, Churchill III stockholders voted to approve the Business Combination.

E. On October 8, 2020, the Business Combination closed.

F. On March 25, 2021, Kwame Amo commenced an action bearing the caption *Amo v. MultiPlan Corp., et al.*, C.A. No. 2021-0258-MTZ (the "Amo Action"), on behalf of himself and all other similarly situated current and former Company stockholders, against Defendants, Jay Taragin (the former Chief Financial Officer of Churchill III), and the Company, asserting claims for breach of fiduciary duty and aiding and abetting breach of fiduciary duty in connection with the Business Combination.

G. On April 9, 2021, Anthony Franchi commenced an action bearing the caption *Franchi v. MultiPlan Corp., et al.*, C.A. No. 2021-0300-MTZ (the "Franchi Action"), on behalf of himself and all other similarly situated current and former Company stockholders, against Defendants, Mr. Taragin, and the Company, also asserting claims for breach of fiduciary duty and aiding and abetting breach of fiduciary duty in connection with the Business Combination.

H. On April 14, 2021, the Court entered an Order, which consolidated the Amo Action and the Franchi Action for all purposes into the Action and, among

other things, appointed Kwame Amo as lead plaintiff in the Action, appointed Anthony Franchi as an additional plaintiff in the Action, appointed the law firm of Bernstein Litowitz Berger & Grossmann LLP as lead counsel in the Action ("Lead Counsel"), and designated the Verified Class Action Complaint filed in the Franchi Action as the operative complaint in the Action (the "Complaint").

I. On May 3, 2021, Defendants, Mr. Taragin, and the Company filed motions to dismiss the Complaint under Court of Chancery Rules 12(b)(6) and 23.1 (the "Motions to Dismiss"), which motions were fully briefed and submitted to the Court for decision following argument on September 10, 2022.

J. On January 3, 2022, the Court issued a Memorandum Opinion granting in part and denying in part the Motions to Dismiss, which resulted in the Company and Mr. Taragin being dismissed from the Action.

K. On February 18, 2022, Defendants filed an Answer to the Complaint.

L. On February 28, 2022, the Court entered a Stipulation and Order for the Production and Exchange of Confidential and Highly Confidential Information (the "Confidentiality Order").

M. On July 25, 2022, the Court entered an Order Granting Joint Unopposed Motion for Intervention or Joinder and Substitution of Lead Plaintiff, which, among other things, designated Edgar Vaynshteyn as lead plaintiff in, and withdrew Kwame Amo from, the Action.

N. Between February and October 2022, the Parties engaged in document and other written discovery: (i) Plaintiffs propounded 64 requests for the production of documents to Defendants, served 156 interrogatories directed to Defendants, and served subpoenas on 34 third-parties; (ii) Plaintiffs obtained over 734,000 pages of documents from their discovery requests propounded to Defendants and third-parties, as well as responses to interrogatories; (iii) Plaintiffs responded to over 60 document requests and 40 interrogatories propounded by Defendants and produced approximately 4,000 documents in response to Defendants' discovery requests; and (iv) Plaintiffs filed four motions to compel discovery against Defendants and third-parties.

O. Between February and October 2022, while discovery was proceeding, the Parties engaged in discussions concerning, among other things, the merits of the claims and defenses asserted in the Action.

P. On October 27, 2022, following extensive arm's-length negotiations, the Parties and the Company entered into a Memorandum of Understanding ("MOU") that reflected the Parties' and the Company's agreement in principle to settle the Action.

Q. This Stipulation (together with the exhibits hereto) reflects the final and binding agreement among the Parties and the Company, and supersedes the MOU.

Plaintiffs' Claims and the Benefits of the Settlement

R. Plaintiffs believe that the claims asserted in the Action have merit, but also believe that the Settlement set forth herein provides substantial and immediate benefits for the Class. In addition to these substantial benefits, Plaintiffs and Lead Counsel have considered: (i) the attendant risks of continued litigation and the uncertainty of the outcome of the Action; (ii) the probability of success on the merits; (iii) the inherent problems of proof associated with, and possible defenses to, the claims asserted in the Action; (iv) the desirability of permitting the Settlement to be consummated according to its terms; (v) the expense and length of continued proceedings necessary to prosecute the Action through trial and appeals; and (vi) the conclusion of Plaintiffs and Lead Counsel that the terms and conditions of the Settlement and this Stipulation are fair, reasonable, and adequate, and that it is in the best interests of the Class to settle the claims asserted in the Action on the terms set forth herein.

S. Based on Lead Counsel's thorough review and analysis of the relevant facts, allegations, defenses, and controlling legal principles, Lead Counsel believe that the Settlement set forth in this Stipulation is fair, reasonable, and adequate, and confers substantial benefits upon the Class. Based upon Lead Counsel's evaluation, as well as their own evaluations, Plaintiffs have determined that the Settlement is in

the best interests of the Class, and have agreed to the terms and conditions set forth in this Stipulation.

Defendants' Denial of Wrongdoing and Liability

T. Defendants deny any and all allegations of wrongdoing, fault, liability, or damages with respect to Plaintiffs' Released Claims, including, but not limited to, any allegations that Defendants have committed any violations of law or breach of any duty owed to Churchill III stockholders, that the Business Combination was not entirely fair to, or in the best interests of, Churchill III stockholders, that Defendants have acted improperly in any way, that Defendants have any liability or owe any damages of any kind to Plaintiffs and/or the Class, and/or that Defendants were unjustly enriched in the Business Combination. Defendants maintain that their conduct was at all times proper, in the best interests of Churchill III and its stockholders, and in compliance with applicable law. Defendants also deny that the Company's stockholders were harmed by any conduct of Defendants that was alleged, or that could have been alleged, in the Action. Each of the Defendants asserts that, at all relevant times, such Defendant acted in good faith and in a manner believed to be in the best interests of Churchill III and all of its stockholders. Furthermore, as set forth in the Answer, Defendants deny the allegations published by the self-interested short seller, Muddy Waters, which Defendants contend form the basis for Plaintiffs' claims in the Action, because Muddy Waters' allegations

never were (and still are not) true and could be, and would have been, disproven at trial by, among other things, evidence of the Company's robust, ongoing financial performance and continued strong relationships with key customers, and contemporaneous evidence of Defendants' due diligence, with the assistance of numerous expert advisors, into Legacy MultiPlan's business, including its key customer relationships, in connection with the Business Combination.

U. Nevertheless, Defendants and the Company have determined to enter into the Settlement on the terms and conditions set forth in this Stipulation solely to put Plaintiffs' Released Claims to rest, finally and forever, without in any way acknowledging any wrongdoing, fault, liability, or damages. For the avoidance of doubt, nothing in this Stipulation or the Settlement shall be construed as an admission by Defendants or the Company of any wrongdoing, fault, liability, or damages whatsoever.

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED, subject to the approval of the Court pursuant to Court of Chancery Rule 23, that the Action shall be fully and finally compromised, settled, and dismissed with prejudice, and that (i) all Plaintiffs' Released Claims shall be completely, fully, finally, and forever compromised, settled, released, discharged, extinguished, and dismissed with prejudice and without costs (except as provided herein) as against all Defendants' Released Parties, and (ii) all Defendants' Released Claims shall be

completely, fully, finally, and forever compromised, settled, released, discharged, extinguished, and dismissed with prejudice and without costs (except as provided herein) as against all Plaintiffs' Released Parties, upon and subject to the following terms and conditions of the Settlement:

oo. "Settlement Fund" means the Settlement Amount plus all interest earned thereon.

pp. "Settlement Hearing" means the hearing to be held by the Court to, among other things: (i) determine whether to finally certify the Class for settlement purposes only, pursuant to Court of Chancery Rules 23(a), 23(b)(1), and 23(b)(2); (ii) determine whether Plaintiffs and Lead Counsel have adequately

represented the Class, and whether Plaintiffs should be finally appointed as Class representatives for the Class and Lead Counsel should be finally appointed as Class counsel for the Class; (iii) determine whether the proposed Settlement should be approved as fair, reasonable, and adequate to the Class and in the best interests of the Class; (iv) determine whether the Action should be dismissed with prejudice and the Releases provided under this Stipulation should be granted; (v) determine whether the Order and Final Judgment approving the Settlement should be entered; (vi) determine whether the proposed Plan of Allocation of the Net Settlement Fund is fair and reasonable, and should therefore be approved; (vii) determine whether and in what amount any Fee and Expense Award should be paid to Class Counsel out of the Settlement Fund; (viii) hear and rule on any objections to the Settlement, the proposed Plan of Allocation, and/or Class Counsel's application for a Fee and Expense Award; and (ix) consider any other matters that may properly be brought before the Court in connection with the Settlement.

qq. "Summary Notice" means the Summary Notice of Pendency and Proposed Settlement of Stockholder Class Action, Settlement Hearing, and Right to Appear substantially in the form attached hereto as Exhibit C.

rr. "Taxes" means any taxes (including any estimated taxes, interest, penalties, or additional amounts) arising with respect to income earned by the Settlement Fund, including with respect to (i) any income earned by the Settlement

Fund for any period during which the Settlement Fund on deposit in the Escrow Account is not treated, or does not qualify, as a "qualified settlement fund" for federal or state income tax purposes, and (ii) the payment or reimbursement by the Settlement Fund of any amounts described in clause (i).

ss. "Tax Expenses" means expenses and costs incurred in connection with determining the amount of, and paying, any Taxes owed by the Settlement Fund (including, without limitation, expenses of tax attorneys and/or accountants and mailing and distribution costs and expenses relating to filing (or failing to file) any tax returns).

tt. "Termination Notice" means written notice of a Party's election of their right to terminate the Settlement and this Stipulation.

uu. "Unknown Claims" means (i) any Plaintiffs' Released Claims that any Plaintiff or any other Class Member does not know or suspect to exist in his, her, or its favor at the time of the release of Defendants' Released Parties, and (ii) any Defendants' Released Claims that any Defendant or the Company does not know or suspect to exist in his, her, or its favor at the time of the release of Plaintiffs' Released Parties, including, without limitation, those which, if known, might have affected the decision to enter into the Settlement or to object or not to object to the Settlement. With respect to the Released Claims, the Parties and the Company stipulate and agree that, upon the occurrence of the Effective Date, the Parties and

the Company shall expressly, and by operation of the Order and Final Judgment, each Class Member shall be deemed to have, and shall have, expressly waived, relinquished, and released any and all provisions, rights, and benefits conferred by or under Cal. Civ. Code § 1542 or any law of the United States or any state of the United States or territory of the United States, or principle of common law, that is similar, comparable, or equivalent to Cal. Civ. Code § 1542, which provides:

> A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

The Parties and the Company acknowledge, and Class Members by operation of law shall be deemed to have acknowledged, that they may discover facts in addition to or different from those now known or believed to be true with respect to the Released Claims, but that it is the intention of the Parties and the Company, and Class Members (by operation of law), to completely, fully, finally, and forever extinguish any and all Released Claims, known or unknown, suspected or unsuspected, which now exist, heretofore existed, or may hereafter exist, and without regard to the subsequent discovery of additional or different facts. The Parties and the Company acknowledge, and Class Members by operation of law shall be deemed to have acknowledged, that the inclusion of "Unknown Claims" in the definition of "Plaintiffs' Released Claims" and "Defendants' Released Claims" was separately

bargained for and was a material element of the Settlement and was relied upon by each and all of Plaintiffs, Defendants, and the Company in entering into this Stipulation.

B. Settlement Consideration

2. In consideration for the full and final release, settlement, dismissal, and discharge of any and all of the Released Claims against the Released Parties, the Parties and the Company have agreed to the following:

a. The Settlement Payments:

i. Within five (5) business days after the date of entry of the Scheduling Order, Class Counsel shall provide complete wire transfer information and instructions, as well as a completed Form W-9, to the Company.

ii. Within ten (10) business days after the date of entry of the Scheduling Order, the Company shall pay the Initial Settlement Amount Payment into the Escrow Account, provided that Lead Counsel has provided complete wire transfer information and instructions as well as a completed Form W-9 to the Company no later than five (5) business days after entry of the Scheduling Order.

iii. No later than five (5) business days prior to the Settlement Hearing, the Company shall pay or cause its designee to pay the Remaining Settlement Amount Payment into the Escrow Account.

iv. Payment of the Settlement Amount shall be made by wire transfer into the Escrow Account; payment shall not be made by check.

b. Defendants' Released Parties (except for the Company and/or the Insurance Carriers or their successors-in-interest) shall bear no personal responsibility for any payment in connection with this Stipulation or the Settlement.

c. If the Settlement Amount is not paid in a timely manner in accordance with Paragraph 2(a) above, Plaintiffs may exercise their right to terminate the Settlement under Paragraph 38 below.

C. Scope of the Settlement

3. Upon entry of the Order and Final Judgment, the Action shall be dismissed in its entirety and with prejudice. Plaintiffs, Defendants, and the Company shall each bear his, her, or its own fees, costs, and expenses, except as expressly provided in this Stipulation; provided, however, that nothing herein shall affect Defendants' rights to, and claims for, advancement or indemnity of their legal fees, costs, and expenses in connection with the Action, the Settlement, or any of Plaintiffs' Released Claims, nor any claims that the Company or Defendants may have against their respective insurers, co-insurers, or reinsurers.

4. Upon the Effective Date, Plaintiffs and each and every Class Member, on behalf of themselves and any and all of their respective successors-in-interest, successors, predecessors-in-interest, predecessors, representatives, trustees,

executors, administrators, estates, heirs, assigns, and transferees, immediate and remote, and any Person acting for or on behalf of, or claiming under, any of them, and each of them, together with their predecessors-in-interest, predecessors, successors-in-interest, successors, and assigns, each of the foregoing in their capacities as such only, shall have fully, finally, and forever released, settled, and discharged Defendants' Released Parties from and with respect to every one of Plaintiffs' Released Claims, and shall thereupon be forever barred and enjoined from commencing, instituting, prosecuting, or continuing to prosecute any of Plaintiffs' Released Claims against any of Defendants' Released Parties.

5. Upon the Effective Date, Defendants and the Company, on behalf of themselves and any and all of their respective successors-in-interest, successors, predecessors-in-interest, predecessors, representatives, trustees, executors, administrators, estates, heirs, assigns, and transferees, immediate and remote, and any Person acting for or on behalf of, or claiming under, any of them, and each of them, together with their predecessors-in-interest, predecessors, successors-in-interest, successors, and assigns, each of the foregoing in their capacities as such only, shall have fully, finally, and forever released, settled, and discharged Plaintiffs' Released Parties from and with respect to every one of Defendants' Released Claims, and shall thereupon be forever barred and enjoined from commencing, instituting,

prosecuting, or continuing to prosecute any of Defendants' Released Claims against any of Plaintiffs' Released Parties.

D. Class Certification

6. Solely for the purposes of the Settlement and for no other purpose, the Parties and the Company agree to: (a) certification of the Action as a non-opt-out class action pursuant to Court of Chancery Rules 23(a) and 23(b)(1) and (b)(2) on behalf of the Class; (b) appointment of Plaintiffs as Class representatives for the Class; and (c) appointment of Lead Counsel as Class counsel for the Class.

7. The certification of the Class shall be binding only with respect to the Settlement and this Stipulation. In the event that the Settlement or this Stipulation is terminated pursuant to its terms or the Effective Date fails to occur, the certification of the Class shall be deemed vacated and the Action shall proceed as though the Class had never been certified.

E. Submission of the Settlement to the Court for Approval

8. As soon as practicable after this Stipulation has been executed, the Parties shall jointly submit this Stipulation, together with its Exhibits, to the Court, and shall jointly apply to the Court for entry of the Scheduling Order.

9. In accordance with the Scheduling Order, the Settlement Administrator shall mail, or cause to be mailed, by first class U.S. mail or other mail service if mailed outside the U.S., postage prepaid, the Notice to each Class Member at their

last known address appearing in the Securities Transfer Records. The Company shall provide to the Settlement Administrator or Lead Counsel, at no cost to the Settlement Fund, Class Counsel, or the Settlement Administrator, the Securities Transfer Records, in an electronically-searchable form, such as Microsoft Excel, as promptly as practicable after the execution of this Stipulation and in no event later than ten (10) business days after execution of this Stipulation. All record holders of stock or warrants who hold such stock or warrants on behalf of beneficial owners and who receive the Notice shall be requested to forward the Notice promptly to such beneficial owners. Lead Counsel shall use reasonable efforts to provide notice to such beneficial owners by making additional copies of the Notice available to any record holder who, prior to the Settlement Hearing, requests the same for distribution to beneficial owners. In accordance with the Scheduling Order, Lead Counsel or the Settlement Administrator shall also cause the Summary Notice to be published in the *Investor's Business Daily* and over the PR Newswire. Any and all Notice Costs shall be paid from the Settlement Fund, regardless of the form or manner of notice approved or directed by the Court and regardless of whether the Court declines to approve the Settlement or the Effective Date otherwise fails to occur. In no event shall Plaintiffs, Defendants' Released Parties, or any of their attorneys have any liability or responsibility for the Notice Costs. In the event that the Settlement is terminated pursuant to the terms of this Stipulation, all Notice Costs and/or

Administration Costs actually paid or incurred shall not be returned or repaid to the Company or the Insurance Carriers.

10. The Parties, the Company, and their respective attorneys agree to use their individual and collective best efforts to obtain Court approval of the Settlement as soon as practicable and to effect, take, or cause to be taken all actions, and to do, or cause to be done, all things reasonably necessary, proper, or advisable under applicable laws, regulations, and agreements to consummate and make effective, as promptly as practicable, the Settlement provided for in this Stipulation and the dismissal of the Action with prejudice. The Parties, the Company, and their respective attorneys agree to cooperate fully with one another in seeking the Court's approval of the Settlement and this Stipulation and to use their best efforts to effect the consummation of the Settlement.

11. If the Settlement embodied in this Stipulation is approved by the Court, the Parties shall request that the Court enter the Order and Final Judgment.

F. Stay Pending Court Approval

12. The Parties and the Company hereby agree to stay the proceedings in the Action, to file no further actions against the Released Parties asserting any Released Claims, and to stay and not to initiate any and all other proceedings other than those incident to the Settlement itself, pending the occurrence of the Effective Date. The Parties' (and any third-parties') respective deadlines to respond to any

filed or served pleadings, motions, or discovery requests are extended indefinitely. Any Party may inform the recipient of any subpoenas issued in connection with the Action (regardless of which Party issued the subpoena) that the proceedings in the Action are stayed pending approval of the Settlement and entry of the Order and Final Judgment.

13. The Parties and the Company agree to use their best efforts to seek the stay and dismissal of, and to oppose entry of any interim or final relief in favor of, any Class Member, in any other proceedings against any of Defendants, the Company, or any other of Defendants' Released Parties that challenge the Settlement or otherwise assert or involve, directly or indirectly, a Plaintiffs' Released Claim against any of Defendants' Released Parties.

14. Notwithstanding Paragraphs 12 and 13 above, nothing herein shall in any way impair or restrict the rights of any Party or the Company to defend this Stipulation or the Settlement or to otherwise respond in the event any Person objects to this Stipulation, the Settlement, the Order and Final Judgment, the Fee and Expense Award, or the Plan of Allocation.

G. Conditions of Settlement

15. The Effective Date of the Settlement shall be deemed to occur on the occurrence or written waiver of all of the following events, which events the Parties and the Company shall use their best efforts to achieve:

a. the payment in full of the Settlement Amount into the Escrow Account in accordance with Paragraph 2(a) above;

b. the Court's certification of the Class as a non-opt-out settlement class;

c. the Court's entry of the Order and Final Judgment, including the Releases substantially in the form set out in this Stipulation and the dismissal with prejudice of the Action without the award of any damages, costs, or fees and expenses, except as provided for in this Stipulation; and

d. the Order and Final Judgment becoming Final.

16. Upon the occurrence of the Effective Date, any and all remaining interest or right in the Settlement Fund of Defendants, the Company, or any other of Defendants' Released Parties, including, but not limited to, the Insurance Carriers, shall be absolutely and forever extinguished, and the Releases provided under this Stipulation shall be effective.

H. Attorneys' Fees and Expenses

17. Lead Counsel intends to petition the Court for a Fee and Expense Award, which application will be wholly inclusive of any request for attorneys' fees and expenses on behalf of any Class Member or his, her, or its counsel in connection with the Settlement. The Parties and the Company acknowledge and agree that any Fee and Expense Award in connection with the Settlement shall be paid from the

Settlement Fund and shall reduce the Settlement consideration paid to the Class accordingly. Class Counsel's application for a Fee and Expense Award is not the subject of any agreement among the Parties and the Company, except as set forth in this Stipulation.

18. The Fee and Expense Award shall be paid from the Settlement Fund to Class Counsel immediately upon award by the Court, notwithstanding the existence of any timey filed objections to the Fee and Expense Award or any appeal or potential for appeal therefrom, or collateral attack on the Fee and Expense Award, the Settlement, or any part thereof, subject to Class Counsel's obligation to make refunds or repayments to the Settlement Fund, plus accrued interest at the same net rate as is earned by the Settlement Fund, if the Settlement is terminated pursuant to the terms of this Stipulation or if, as a result of any appeal or further proceedings on remand, or successful collateral attack, the Fee and Expense Award is reduced or reversed and such order reducing or reversing the award has become Final. Class Counsel shall make the appropriate refund or repayment in full no later than twenty (20) business days after: (a) receiving from Defendants or the Company a notice of termination of the Settlement pursuant to the terms of this Stipulation; or (b) any order disapproving, reducing, reversing, or otherwise modifying the Fee and Expense Award has become Final.

19. This Stipulation, the Settlement, the Order and Final Judgment, and whether the Order and Final Judgment becomes Final, are not conditioned upon the approval of any Fee and Expense Award, either at all or in any particular amount, by the Court. The Fee and Expense Award may be considered separately from this Stipulation and the proposed Settlement. Any disapproval or modification of the Fee and Expense Award by the Court or on appeal shall not (a) affect or delay the enforceability of this Stipulation or the Settlement, (b) provide any Party the right to terminate the Settlement, (c) affect or delay the binding effect or finality of the Order and Final Judgment or the release of the Released Claims against the Released Parties, or (d) prevent the occurrence of the Effective Date.

20. Lead Counsel warrants that no portion of any Fee and Expense Award shall be paid to Plaintiffs or any Class Member, except as may be approved by the Court.

21. Lead Counsel shall be responsible for allocating and paying any portion of the Fee and Expense Award to any other counsel or any Class Member. Defendants' Released Parties shall not have any liability to any counsel for any Class Member for any claimed attorneys' fees and expenses in connection with the Action or the Settlement.

I. The Settlement Fund

22. The Settlement Fund shall be used to pay: (a) any Taxes or Tax Expenses; (b) any Administration Costs or Notice Costs; (c) any Fee and Expense Award awarded by the Court; and (d) any other costs or fees approved by the Court. The Net Settlement Fund shall be distributed pursuant to the Plan of Allocation proposed by Plaintiffs and Lead Counsel or such other plan of allocation approved by the Court.

23. Except as provided herein or pursuant to orders of the Court, the Net Settlement Fund shall remain in the Escrow Account prior to the Effective Date. All funds held by the Escrow Agent shall be deemed to be in the custody of the Court and shall remain subject to the jurisdiction of the Court until such time as the funds shall be distributed or returned to the Company and/or the Insurance Carriers pursuant to the terms of this Stipulation and/or further order of the Court.

24. The Escrow Agent shall invest any funds in the Escrow Account exclusively in United States Treasury Bills (or a mutual fund invested solely in such instruments) and shall collect and reinvest all interest accrued thereon, except that any residual cash balances up to the amount that is insured by the FDIC may be deposited in any account that is fully insured by the FDIC. In the event that the yield on United States Treasury Bills is negative, in lieu of purchasing such Treasury Bills, all or any portion of the funds held by the Escrow Agent may be deposited in any

account that is fully insured by the FDIC or backed by the full faith and credit of the United States. Additionally, if short-term placement of the funds is necessary, all or any portion of the funds held by the Escrow Agent may be deposited in any account that is fully insured by the FDIC or backed by the full faith and credit of the United States.

25. The Settlement Fund is intended to be a "qualified settlement fund" within the meaning of Treasury Regulation § 1.468B-1, and Lead Counsel, as administrator of the Settlement Fund within the meaning of Treasury Regulation § 1.468B-2(k)(3), shall be solely responsible for timely and properly filing or causing to be filed all informational and other tax returns as may be necessary or appropriate (including, without limitation, the returns described in Treasury Regulation § 1.468B-2(k)) for the Settlement Fund. Lead Counsel shall also be responsible for causing payment to be made from the Settlement Fund of any Taxes owed with respect to the Settlement Fund. Upon written request, the Company shall provide to Lead Counsel the statement described in Treasury Regulation § 1.468B-3(e). Lead Counsel, as administrator of the Settlement Fund within the meaning of Treasury Regulation § 1.468B-2(k)(3), shall timely make such elections as are necessary or advisable to carry out this Paragraph, including, as necessary, making a "relation back election," as described in Treasury Regulation § 1.468B-1(j), to cause the qualified settlement fund to come into existence at the earliest allowable

date, and shall take or cause to be taken all actions as may be necessary or appropriate in connection therewith.

26. All Taxes and Tax Expenses shall be paid out of the Settlement Fund, and shall be timely paid, or caused to be paid, by Lead Counsel and without further order of the Court. Any tax returns prepared for the Settlement Fund (as well as the election set forth therein) shall be consistent with the previous Paragraph and in all events shall reflect that all Taxes on the income earned by the Settlement Fund shall be paid out of the Settlement Fund as provided herein. Defendants' Released Parties shall have no responsibility or liability for any such Taxes or Tax Expenses or the acts or omissions of Lead Counsel or its agents with respect to the payment of Taxes or Tax Expenses, as described herein.

27. The Settlement is not a claims-made settlement. Upon the occurrence of the Effective Date, none of Defendants, the Company, the Insurance Carriers, any other Defendants' Released Parties, or any other Person who or which paid any portion of the Settlement Amount, shall have any right to the return of the Settlement Fund or any portion thereof for any reason whatsoever.

28. Notwithstanding the fact that the Effective Date of the Settlement has not yet occurred, Lead Counsel may pay from the Settlement Fund, without further approval from Defendants or the Company or further order of the Court, all Notice Costs or Administration Costs actually incurred and paid or payable. Such costs and

expenses shall include, without limitation, the actual costs of printing and mailing the Notice, publishing the Summary Notice, reimbursements to nominee owners for forwarding the Notice to their beneficial owners, the administrative expenses incurred and fees charged by the Settlement Administrator in connection with providing notice and administering the Settlement, and the fees, if any, of the Escrow Agent. In the event that the Settlement is terminated pursuant to the terms of this Stipulation, all Notice Costs, Administration Costs, Taxes, or Tax Expenses actually paid or incurred, including any related fees, shall not be returned or repaid to the Company and/or the Insurance Carriers.

J. Settlement Administration

29. Plaintiffs and/or Class Counsel shall retain the Settlement Administrator to provide notice of the Settlement to the Class and for the disbursement of the Net Settlement Fund to eligible Class Members. Defendants' Released Parties shall not have any involvement in or any responsibility, authority, or liability whatsoever for the selection of the Settlement Administrator, the giving of Notice to the Class, or the disbursement of the Net Settlement Fund to eligible Class Members.

30. Defendants and the Company shall cooperate with Lead Counsel in providing notice of the Settlement to the Class and administering the Settlement, which cooperation shall include, but not be limited to, the Company providing to the

extent available the Merger Records in accordance with Paragraph 31 below and Defendants and the Company making reasonable efforts to identify all Excluded Persons.

31. For purposes of distributing the Net Settlement Fund to eligible Class Members, the Company, at no cost to the Settlement Fund, Class Counsel, or the Settlement Administrator, shall: (i) within ten (10) business days after the Court's entry of the Scheduling Order, provide, or cause to be provided, to Lead Counsel or the Settlement Administrator in an electronically-searchable form, such as Microsoft Excel, the Merger Records for the Merger Record Holders and the Allocation Report; and (ii) within twenty (20) business days after the Court's entry of the Scheduling Order, provide, or cause to be provided, to Lead Counsel or the Settlement Administrator in an electronically-searchable form, such as Microsoft Excel, the Merger Records for Excluded Persons and Redeeming Stockholders.

32. In addition to the information to be provided under Paragraph 31 above, Defendants and the Company, at the request of Plaintiffs and/or Class Counsel, and at no cost to the Settlement Fund, Plaintiffs, Class Counsel, or the Settlement Administrator, shall make reasonable efforts to provide such additional information as may be required to distribute the Net Settlement Fund to eligible Class Members and to ensure that the Net Settlement Fund is paid only to eligible Class Members and not to Excluded Persons, including, without limitation, using reasonable efforts

to obtain suppression letters from Excluded Persons and/or Excluded Persons' brokers if requested to do so by the DTC.

33. Excluded Persons shall not have any right to receive any part of the Settlement Fund for his, her, or its own account(s) (*i.e.*, accounts in which he, she, or it holds a proprietary interest), or any additional amount based on any claim relating to the fact that Settlement proceeds are being received by any other stockholder, in each case under any theory, including, but not limited to, contract, application of statutory or judicial law, or equity.

34. Plaintiffs and Class Counsel shall propose the Plan of Allocation, subject to Court approval. The Net Settlement Fund shall be distributed to eligible Class Members in accordance with the Plan of Allocation stated in the Notice or such other plan of allocation as may be approved by the Court. Notwithstanding anything to the contrary in this Stipulation, the Plan of Allocation is not a necessary term of the Settlement or this Stipulation, and it is not a condition of the Settlement or this Stipulation that any particular plan of allocation be approved by the Court. Plaintiffs and Class Counsel may not cancel or terminate the Settlement (or this Stipulation) based on the Court's or any appellate court's ruling with respect to the Plan of Allocation or any other plan of allocation in connection with the Settlement. Defendants and the Company shall not object in any way to the Plan of Allocation

or any other plan of allocation, and shall not have any involvement with executing, or liability for, any Court-approved plan of allocation.

35. The Net Settlement Fund shall be distributed to eligible Class Members only after the Effective Date of the Settlement and after: (a) all Notice Costs, all Administration Costs, all Taxes, and any Fee and Expense Award have been paid from the Settlement Fund or reserved; and (b) the Court has entered the Class Distribution Order. At such time that Lead Counsel, in its sole discretion, deems it appropriate to move forward with the distribution of the Net Settlement Fund to the Class, Lead Counsel will apply to the Court, on notice to Defendants' Counsel and Company Counsel, for the Class Distribution Order.

36. Payment pursuant to the Class Distribution Order shall be final and conclusive against all Class Members. Plaintiffs, Defendants, the Company, and the other Defendants' Released Parties, and each of their respective counsel, shall have no liability whatsoever for the investment or distribution of the Settlement Fund or the Net Settlement Fund, the determination, administration, or calculation of any payment from the Net Settlement Fund, the nonperformance of the Settlement Administrator or a nominee holding shares or warrants on behalf of a Class Member, the payment or withholding of Taxes (including interest and penalties) owed by the Settlement Fund, or any losses incurred in connection therewith.

37. All proceedings with respect to the administration of the Settlement and distribution pursuant to the Class Distribution Order shall be subject to the exclusive jurisdiction of the Court.

K. Termination of Settlement; Effect of Termination

38. Plaintiffs and Defendants (as a Defendant group that unanimously agrees amongst themselves) shall each have the right to terminate the Settlement and this Stipulation by providing a Termination Notice to the other parties to this Stipulation within thirty (30) calendar days of: (a) the Court's final refusal to enter the Scheduling Order in any material respect and such final refusal decision has become Final; (b) the Court's refusal to approve this Stipulation, the Settlement, or any part of it that materially affects any Party's or the Company's rights or obligations hereunder and such final refusal decision has become Final; (c) the Court's declining to enter the Order and Final Judgment in any material respect and such final refusal decision has become Final; or (d) the date upon which the Order and Final Judgment is modified or reversed in any material respect by an appellate court and such order modifying or reversing the Order and Final Judgment becomes Final. In addition to the foregoing, Plaintiffs shall have the unilateral right to terminate the Settlement and this Stipulation, by providing a Termination Notice within thirty (30) calendar days of any failure of the full payment of the Settlement Amount into the Escrow Account in a timely manner in accordance with Paragraph

2(a) of this Stipulation. For the avoidance of doubt, the Parties stipulate and agree that any change to the scope or substance of the Releases provided for in this Stipulation and the Settlement would constitute a material change that gives rise to each of the Parties' rights to terminate this Stipulation and the Settlement. Neither a modification nor a reversal on appeal of any Fee and Expense Award awarded by the Court or any order modifying or rejecting the Plan of Allocation shall be deemed a material modification of the Order and Final Judgment or this Stipulation.

39. In the event that the Settlement is terminated pursuant to the terms of Paragraph 38 of this Stipulation or the Effective Date otherwise fails to occur for any other reason, then (a) the Settlement and this Stipulation (other than this Paragraph 39 and Paragraphs 7, 9, 18, 23, 26, 36, 40, 42, 43, 59, and 60 of this Stipulation) shall be canceled and terminated; (b) any judgment entered in the Action and any related orders entered by the Court shall in all events be treated as vacated, *nunc pro tunc*; (c) the Releases provided under the Settlement shall be null and void; (d) the fact of, and negotiations and other discussions leading to, the Settlement shall not be admissible in any proceeding before any court or tribunal; (e) all proceedings in the Action shall revert to their status as of immediately prior to the execution of the MOU on October 27, 2022, and no materials created by or received from any Party or the Company that were used in, obtained during, or related to the Settlement discussions shall be admissible for any purpose in any court or tribunal, or used,

absent consent from the disclosing party, for any other purpose or in any other capacity, except to the extent that such materials are otherwise required to be produced during discovery in the Action or in any other litigation; (f) the Parties shall jointly petition the Court for a revised schedule for trial; (g) the Parties and the Company shall proceed in all respects as if the Settlement and this Stipulation (other than this Paragraph) had not been entered into by the Parties and the Company; and (h) within thirty (30) calendar days after joint written notification of termination is sent by the Parties' counsel to the Escrow Agent, the Settlement Fund (including accrued interest thereon, and any other change in value as a result of the investment of all or any portion of the Settlement Fund, and any funds received by Class Counsel consistent with Paragraph 18 of this Stipulation), less any Notice Costs and Administration Costs actually incurred, paid, or payable, and less any Taxes and Tax Expenses paid, due, or owing, shall be refunded by the Escrow Agent directly to the Persons who made payments pursuant to Paragraph 2(a) above in such amounts as directed by Defendants' Counsel and/or Company Counsel. In the event that the funds received by Class Counsel consistent with Paragraph 18 of this Stipulation above have not been refunded to the Settlement Fund within the thirty (30) calendar days specified in this Paragraph, those funds shall be refunded by the Escrow Agent immediately upon their deposit into the Escrow Account directly to the Persons who made payment pursuant to Paragraph 2(a) above in such amounts as directed by

Defendants' Counsel and/or Company Counsel consistent with Paragraph 18 of this Stipulation.

L. No Admission of Liability

40. It is expressly understood and agreed that neither the Settlement nor any act or omission in connection therewith is intended or shall be deemed or argued to be evidence of or to constitute an admission or concession by: (a) Defendants, the Company, or any of Defendants' Released Parties as to (i) the truth of any fact alleged by Plaintiffs, (ii) the validity of any claims or other issues raised, or which might be or might have been raised, in the Action or in any other litigation, (iii) the deficiency of any defense that has been or could have been asserted in the Action or in any other litigation, or (iv) any wrongdoing, fault, or liability of any kind by any of them, which each of them expressly denies; or (b) Plaintiffs that any of their claims are without merit, that any of Defendants had meritorious defenses, or that damages recoverable from Defendants under the Complaint would not have exceeded the Settlement Amount.

41. The Released Parties may file this Stipulation and/or the Order and Final Judgment in any action that has been or may be brought against them in order to support a claim or defense based on principles of res judicata, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of

claim preclusion or issue preclusion or similar defense or counterclaim or in connection with any insurance litigation.

M. Miscellaneous Provisions

42. The Company warrants that, as to the payments made or to be made on behalf of the Company or Defendants pursuant to the Settlement and this Stipulation, at the time of entering into this Stipulation and at the time of such payment, to the best of its knowledge, neither the Company nor the Insurance Carriers are insolvent, nor will the payment required to be made on behalf of the Company or Defendants render the Company or the Insurance Carriers insolvent, within the meaning of and/or for the purposes of the United States Bankruptcy Code, including §§ 101 and 547 thereof.

43. In the event of the entry of a Final order of a court of competent jurisdiction determining the transfer of money to the Settlement Fund or any portion thereof on behalf of the Company or Defendants to be a preference, voidable transfer, fraudulent transfer, or similar transaction and any portion thereof is required to be returned, and such amount is not promptly deposited into the Settlement Fund by others, then, at the election of Plaintiffs, the Parties shall jointly move the Court to vacate and set aside the Releases given and the Order and Final Judgment entered pursuant to this Stipulation, in which event (i) the Releases and the Order and Final Judgment shall be null and void; (ii) the Parties shall be restored to their respective

positions in the litigation as provided in Paragraph 39 of this Stipulation; (iii) Class Counsel shall refund the Fee and Expense Award consistent with Paragraph 18 of this Stipulation; and (iv) any cash amounts in the Settlement Fund (less any Taxes paid, due, or owing with respect to the Settlement Fund, and less any Notice and Administration Costs actually incurred, paid, or payable) shall be returned to the Company and/or the Insurance Carriers as provided in Paragraph 39 of this Stipulation.

44. The Parties, the Company, and their respective counsel agree to cooperate fully with one another to obtain (and, if necessary, defend on appeal) all necessary approvals of the Court required of this Stipulation, and to use best efforts to promptly agree upon and execute all such other documentation as may be reasonably required to obtain final approval by the Court of the Settlement.

45. This Stipulation shall be deemed to have been mutually prepared by the Parties and the Company and shall not be construed against any of them by reason of authorship.

46. The Parties and the Company agree that in the event of any breach of this Stipulation, all of the Parties' and the Company's rights and remedies at law, equity, or otherwise, are expressly reserved.

47. This Stipulation may be executed in one or more counterparts, each of which shall be deemed to be an original and all of which shall constitute one and the

same document. Any signature to this Stipulation by means of facsimile or other electronic means shall be treated in all manner and respects as an original signature and shall be considered to have the same binding legal effect as if it were the original signed version thereof and without any necessity for delivery of the original signed signature pages in order for this to constitute a binding agreement.

48. The headings herein are used for the purpose of convenience only and are not meant to have legal effect.

49. If any deadline set forth in this Stipulation or the Exhibits thereto falls on a Saturday, Sunday, or legal holiday, that deadline will be continued to the next business day.

50. Each counsel or other person executing this Stipulation on behalf of any Party or the Company warrants that he or she has the full authority to bind his or her principal to this Stipulation.

51. Plaintiffs represent and warrant that none of Plaintiffs' Released Claims have been assigned, encumbered, or in any manner transferred, in whole or in part.

52. This Stipulation shall not be modified or amended, nor shall any provision of this Stipulation be deemed waived, unless such modification, amendment, or waiver is in writing and executed by or on behalf of all of the Parties and the Company (or their successors-in-interest).

53. Any failure by any Party or the Company to insist upon the strict performance by any other Party or the Company of any of the provisions of this Stipulation shall not be deemed a waiver of any of the provisions hereof, and such Party or the Company, notwithstanding such failure, shall have the right thereafter to insist upon the strict performance of any and all of the provisions of this Stipulation to be performed by such other Party or the Company. Waiver by any Party or the Company of any breach of this Stipulation by any other Party or the Company shall not be deemed a waiver of any other prior or subsequent breach of this Stipulation, and failure by any Party or the Company to assert any claim for breach of this Stipulation shall not be deemed to be a waiver as to that or any other breach and will not preclude any Party or the Company from seeking to remedy a breach and enforce the terms of this Stipulation.

54. This Stipulation is and shall be binding upon, and shall inure to the benefit of, the Parties and the Company (and, in the case of the Releases, all Released Parties as third-party beneficiaries), and their respective legal representatives, heirs, executors, administrators, predecessors, successors, predecessors-in-interest, successors-in-interest, and assigns, including, without limitation, any corporation or other entity with which any party hereto may merge, reorganize, or otherwise consolidate.

55. Notwithstanding the entry of the Order and Final Judgment, the Court shall retain jurisdiction with respect to the implementation, enforcement, and interpretation of the terms of this Stipulation and the Settlement, and all of the Parties and the Company submit to the jurisdiction of the Court for all matters relating to the administration, enforcement, and consummation of the Settlement and the implementation, enforcement, and interpretation of this Stipulation. Each of the Parties and the Company (i) consents to personal jurisdiction in any such action (but no other action) brought in the Court, (ii) consents to service of process on such Party or the Company by email to its undersigned counsel, and (iii) waives any objection to venue in the Court and any claim that the Court is an inconvenient forum.

56. The construction and interpretation of this Stipulation, and any and all disputes arising out of or relating in any way to this Stipulation, shall be governed by and construed in accordance with the laws of the State of Delaware and without regard to the laws that might otherwise govern under principles of conflicts of law applicable hereto. Any action arising under or to enforce this Stipulation or any portion thereof, shall be commenced and maintained only in this Court.

57. Without further order of the Court, the Parties may agree to reasonable extensions of time to carry out any of the provisions of this Stipulation.

58. Except as otherwise provided herein, each Party and the Company shall bear its own costs.

59. Whether or not this Stipulation is approved by the Court and whether or not the Settlement is consummated, or the Effective Date occurs, the Parties, the Company, and their respective counsel shall use their best efforts to keep all negotiations, discussions, acts performed, agreements, drafts, documents signed, and proceedings in connection with this Stipulation confidential.

60. All agreements made and orders entered during the course of this Action relating to the confidentiality of information, including, without limitation, the Confidentiality Order, shall survive the Settlement and entry of the Order and Final Judgment.

61. This Stipulation and the Exhibits (Exhibit A: [Proposed] Scheduling Order With Respect to Notice and Settlement Hearing; Exhibit B: Notice of Pendency and Proposed Settlement of Stockholder Class Action, Settlement Hearing, and Right to Appear; Exhibit C: Summary Notice of Pendency and Proposed Settlement of Stockholder Class Action, Settlement Hearing, and Right to Appear; and Exhibit D: [Proposed] Order and Final Judgment) constitute the entire agreement among the Parties and the Company with respect to the subject matter hereof. The Exhibits are incorporated by reference as if set forth herein verbatim, and the terms of all Exhibits are expressly made part of this Stipulation, provided,

however, that if there exists a conflict or inconsistency between the terms of this Stipulation and the terms of any Exhibit, the terms of the Stipulation shall prevail. No representations, warranties, or inducements have been made to or relied upon by any Party or the Company concerning this Stipulation or its Exhibits, other than the representations, warranties, and covenants expressly set forth in this Stipulation or the Exhibits.

62. The Parties and the Company intend this Stipulation and the Settlement to be a final and complete resolution of all disputes asserted or which could be asserted by Plaintiffs and any other Class Members against Defendants' Released Parties with respect to Plaintiffs' Released Claims. Accordingly, Plaintiffs, Defendants, the Company, and their respective counsel agree not to assert in any forum that this Action was brought by Plaintiffs or defended by Defendants or the Company in bad faith or without a reasonable basis. Plaintiffs, Defendants, and the Company represent and agree that the terms of the Settlement reached between Plaintiffs, Defendants, and the Company were negotiated at arm's-length and in good faith by Plaintiffs, Defendants, and the Company, and reflect a settlement that was reached voluntarily based upon adequate information and sufficient discovery and after consultation with experienced legal counsel.

63. While retaining their right to deny that the claims asserted in the Action were meritorious, Defendants, the Company, and their respective counsel, in any

statement made to any media representative (whether or not for attribution) will not assert that the Action was commenced or prosecuted in bad faith, nor will they deny that the Action was commenced and prosecuted in good faith and is being settled voluntarily after consultation with competent legal counsel. In all events, the Parties, the Company, and their respective counsel shall not make any accusations of wrongful or actionable conduct by any Party or the Company concerning the prosecution, defense, and resolution of the Action, and shall not otherwise suggest that the Settlement constitutes an admission of any claim or defense alleged.

64. No opinion or advice concerning the tax consequences of the proposed Settlement to individual Class Members is being given or will be given by Plaintiffs, Defendants, the Company, or their respective counsel; nor is any representation or warranty in this regard made by virtue of this Stipulation. Each Class Member's tax obligations, and the determination thereof, are the sole responsibility of the Class Member, and it is understood that the tax consequences may vary depending on the particular circumstances of each individual Class Member.

IN WITNESS WHEREOF, the Parties and the Company, through their undersigned counsel, have executed this Stipulation effective as of the date first set forth above.

Jonas for $12,500,000 in cash, subject to Court approval. The Settling Parties' agreement-in-principle was memorialized in the Settlement Term Sheet with Defendant Davidi Jonas and Non-Party Verizon Communications Inc. executed on June 20, 2022 (the "**Term Sheet**"). This Stipulation (together with the Exhibits hereto), which has been duly executed by the undersigned signatories on behalf of their respective clients, reflects the final and binding agreement among the Settling Parties and supersedes the Term Sheet.

XX. On June 21, 2022, Lead Plaintiff filed a motion to sever and stay her claims against D. Jonas (the "**Motion to Sever and Stay**"). The Motion to Sever

and Stay informed the Court of Lead Plaintiff's agreement-in-principle with D. Jonas and his indemnitor, Verizon, to settle the claims against D. Jonas, subject to Court approval. The Motion to Sever and Stay also requested that the Court enter an order severing Lead Plaintiff's claims against D. Jonas from her claims against Non-Settling Defendants and staying Lead Plaintiff's claims against D. Jonas pending the Court's consideration and approval of the proposed Settlement.

YY. Lead Plaintiff, through Lead Counsel, has conducted an investigation and pursued extensive discovery relating to the claims and the underlying events and transactions alleged in the Action. Lead Counsel has analyzed the evidence adduced during their investigation and fact discovery as described above, and has also researched the applicable law with respect to the claims asserted in the Action and the potential defenses thereto. This investigation and the settlement negotiations among the Settling Parties, as well as the Court's February 17, 2022 Memorandum Opinion denying Defendants' Motions for Summary Judgment, Lead Counsel's discussions with Verizon's representatives and independent analysis of Verizon's indemnification obligation for D. Jonas, and the status of negotiations with the Non-Settling Defendants, have provided Lead Plaintiff with a detailed basis upon which to assess the relative strengths and weaknesses of Lead Plaintiff's position and Settling Defendant's position in this litigation, as well as the benefits of reaching this Settlement in advance of trial.

ZZ. Based upon their investigation and prosecution of the Action, Lead Plaintiff and Lead Counsel have concluded that the terms and conditions of the Settlement and this Stipulation are fair, reasonable, and adequate to Lead Plaintiff and the other members of the Class and in their best interests. Based on her direct oversight of the prosecution of this matter, along with the input of Lead Counsel, Plaintiff has agreed to settle the claims asserted in the Action against Settling Defendant pursuant to the terms and provisions of this Stipulation, after considering: (i) the substantial benefits that Lead Plaintiff and the other members of the Class will receive from the Settlement; (ii) the attendant risks of litigation of the claims asserted against Setting Defendant; and (iii) the desirability of permitting the Settlement to be consummated as provided by the terms of this Stipulation. The Settlement and this Stipulation shall in no event be construed as, or deemed to be, evidence of a concession by Lead Plaintiff of any infirmity in the claims asserted in the Action.

AAA. Settling Defendant denies all allegations of wrongdoing, fault, liability, or damage to Lead Plaintiff and as well as each and every other member of the Class, and further denies that Lead Plaintiff has asserted a valid claim against him. Settling Defendant further denies that he engaged in any wrongdoing or committed any violation of law or breach of duty and believes that he acted properly, in good faith, and in a manner consistent with his legal duties and is entering into the Settlement and this Stipulation in cooperation with Verizon, solely to avoid the burden and

expense of continued litigation and to resolve each of the Released Plaintiff's Claims as against the Released Settling Defendant's Persons. The Settlement and this Stipulation shall in no event be construed as, or deemed to be, evidence of or an admission or concession on the part of Settling Defendant with respect to any claim or factual allegation or of any fault or liability or wrongdoing or damage whatsoever or any infirmity in the defenses that Settling Defendant has or could have asserted.

BBB. The Settling Parties recognize that the Action has been filed and prosecuted by Lead Plaintiff in good faith and defended by Settling Defendant in good faith and further that the Settlement Amount to be paid, and the other terms of the Settlement as set forth herein, were negotiated at arms'-length, in good faith, and reflect an agreement that was reached voluntarily after consultation with experienced legal counsel.

NOW THEREFORE, it is **STIPULATED AND AGREED**, by and among Lead Plaintiff (individually and on behalf of the Class), D. Jonas, and Verizon that, subject to the approval of the Court under Court of Chancery Rule 23, for good and valuable consideration set forth herein and conferred on Lead Plaintiff and the Class, the sufficiency of which is acknowledged, the claims asserted in the Action against Settling Defendant shall be finally and fully settled, compromised, and dismissed with prejudice, and that the Released Plaintiff's Claims shall be finally and fully compromised, resolved, discharged, settled, and dismissed with prejudice against

the Released Settling Defendant's Persons, and that the Released Settling Defendant's Claims shall be finally and fully compromised, resolved, discharged, settled, and dismissed with prejudice against the Released Plaintiff's Persons, in the manner set forth herein.

2. The obligations incurred pursuant to this Stipulation are in consideration of: (i) the full and final disposition of the Action as against Settling Defendant only; and (ii) the Releases provided for herein.

3. Pursuant to the Judgment, without further action by anyone, upon the Effective Date of the Settlement, Lead Plaintiff and each and every other member of the Class (including JDS1 and TAF), on behalf of themselves and any and all of their respective successors-in-interest, successors, predecessors-in-interest, predecessors, representatives, trustees, executors, administrators, estates, heirs, assigns, and transferees, immediate and remote, and any person or entity acting for or on behalf of, or claiming under, any of them, and each of them, together with their predecessors-in-interest, predecessors, successors-in-interest, successors, and assigns, each of the foregoing in their capacities as such only, shall be deemed to have, and by operation of law and of the Judgment shall have, fully, finally, and forever compromised, settled, released, resolved, relinquished, waived, and discharged any and all Released Plaintiff's Claims against Settling Defendant and the other Released Settling Defendant's Persons, and shall forever be barred and enjoined from prosecuting any and all Released Plaintiff's Claims against any of the Released Settling Defendant's Persons. This Release shall not apply to any of the Excluded Plaintiff's Claims. Pursuant to 10 *Del. C.* § 6304(b) and any similar laws or statutes, the Parties hereby agree that damages recoverable for any injury arising out of or relating to the claims asserted in the Action, or the subject matter of the Action, against the Non-Settling Defendants or any alleged tortfeasor other than the Released Defendant's Persons will be reduced by the greater of (i) the Settlement

Amount or (ii) the *pro rata* share of the liability or responsibility for such damages, if any, of the Settling Defendant or any other Released Defendant's Persons, should it be determined that the Settling Defendant or any other Released Defendant's Persons are joint tortfeasors. This language is intended to comply with 10 *Del. C.* § 6304(b) and any similar laws or statutes so as to preclude liability of the Settling Defendant or any other Released Defendant's Persons to any other alleged tortfeasors for contribution, whether denominated as contribution, indemnification, or otherwise.

4. Pursuant to the Judgment, without further action by anyone, upon the Effective Date of the Settlement, D. Jonas and Verizon, on behalf of themselves and any and all of their respective successors-in-interest, successors, predecessors-in-interest, predecessors, representatives, trustees, executors, administrators, estates, heirs, assigns, and transferees, immediate and remote, and any person or entity acting for or on behalf of, or claiming under, any of them, and each of them, together with their predecessors-in-interest, predecessors, successors-in-interest, successors, and assigns, each of the foregoing in their capacities as such only, shall be deemed to have, and by operation of law and of the Judgment shall have, fully, finally, and forever compromised, settled, released, resolved, relinquished, waived, and discharged any and all Released Settling Defendant's Claims against Lead Plaintiff and the other Released Plaintiff's Persons, and shall forever be barred and enjoined

from prosecuting any and all Released Settling Defendant's Claims against any of the Released Plaintiff's Persons. This Release shall not apply to any of the Excluded Settling Defendant's Claims.

5. Notwithstanding Paragraphs 3-4 above, nothing in the Judgment shall bar any action by any of the Settling Parties to enforce or effectuate the terms of this Stipulation or the Judgment.

III. SETTLEMENT CONSIDERATION

6. In consideration of the settlement of the Released Plaintiff's Claims against the Released Settling Defendant's Persons, Verizon shall pay or caused to be paid the full amount of the $12,500,000 Settlement Amount into the Escrow Account by wire transfer as follows: (i) $1,000,000 shall be paid into the Escrow Account no later than ten (10) business days after the later of (a) Verizon's Counsel's receipt via email to jack.minnear@verizon.com and michael.holden@verizon.com of notice of entry of the Scheduling Order or (b) Verizon's Counsel's receipt via email to jack.minnear@verizon.com and michael.holden@verizon.com of satisfactory payment instructions, including wiring instructions that include the bank name, ABA routing number, account name, and account number, and a satisfactory signed W-9 reflecting a valid Settlement Fund name, Settlement Fund address, and Settlement Fund taxpayer identification number for the qualified settlement fund in which the Settlement Amount is to be deposited, and any other W-9s reasonably

required by Verizon; and (ii) $11,500,000 shall be paid into the Escrow Account no later than ten (10) business days prior to the date of the Settlement Hearing. If Verizon fails to cause the full payment of the Settlement Amount in a timely manner, Lead Plaintiff may seek an executable judgment compelling payment of the Settlement Amount or exercise her right under Paragraph 33 below to terminate the Settlement. Payment of the Settlement Amount shall be made by wire transfer into the Escrow Account; payment shall not be made by check. For the avoidance of doubt, D. Jonas is not and shall in no way be responsible for payment of the Settlement Amount.

IV. USE OF SETTLEMENT FUND

7. The Settlement Fund shall be used to pay: (i) any Taxes; (ii) any Notice and Administration Costs; (iii) any attorneys' fees and/or Litigation Expenses awarded by the Court from the Settlement Fund, including any incentive award to Lead Plaintiff to be deducted solely from any award of attorneys' fees and Litigation Expenses; and (iv) any other costs and fees approved by the Court. The balance remaining in the Settlement Fund, that is, the Net Settlement Fund, shall be distributed to Class Members pursuant to the proposed Plan of Allocation or such other plan of allocation approved by the Court.

8. Except as provided herein or pursuant to orders of the Court, the Net Settlement Fund shall remain in the Escrow Account prior to the Effective Date. All

funds held by the Escrow Agent shall be deemed to be in the custody of the Court and shall remain subject to the jurisdiction of the Court until such time as the funds shall be distributed or returned pursuant to the terms of this Stipulation and/or further order of the Court. The Escrow Agent shall invest any funds in the Escrow Account exclusively in United States Treasury Bills (or a mutual fund invested solely in such instruments) and shall collect and reinvest all interest accrued thereon, except that any residual cash balances up to the amount that is insured by the FDIC may be deposited in any account that is fully insured by the FDIC. In the event that the yield on United States Treasury Bills is negative, in lieu of purchasing such Treasury Bills, all or any portion of the funds held by the Escrow Agent may be deposited in any account that is fully insured by the FDIC or backed by the full faith and credit of the United States. Additionally, if short-term placement of the funds is necessary, all or any portion of the funds held by the Escrow Agent may be deposited in any account that is fully insured by the FDIC or backed by the full faith and credit of the United States.

9. The Settling Parties agree that the Settlement Fund is intended to be a Qualified Settlement Fund within the meaning of Treasury Regulation § 1.468B-1 and that BLB&G, as administrator of the Settlement Fund within the meaning of Treasury Regulation §1.468B-2(k)(3), shall be solely responsible for filing or causing to be filed all informational and other tax returns as may be necessary or

appropriate (including, without limitation, the returns described in Treasury Regulation §1.468B-2(k)) for the Settlement Fund. BLB&G shall also be responsible for causing payment to be made from the Settlement Fund of any Taxes owed with respect to the Settlement Fund. The Released Settling Defendant's Persons shall not have any liability or responsibility for any such Taxes. As required by Treasury Regulation §1.468B-3(e), Verizon will timely provide to BLB&G the statement described in such Treasury Regulation and will attach a copy of such statement to its federal income tax return. BLB&G, as administrator of the Settlement Fund within the meaning of Treasury Regulation §1.468B-2(k)(3), shall timely make such elections as are necessary or advisable to carry out this Paragraph, including, as necessary, making a "relation back election," as described in Treasury Regulation §1.468B-1(j), to cause the Qualified Settlement Fund to come into existence at the earliest allowable date, and shall take or cause to be taken all actions as may be necessary or appropriate in connection therewith.

10. All Taxes shall be paid out of the Settlement Fund, and shall be timely paid, or caused to be paid, by BLB&G and without further order of the Court. Any tax returns prepared for the Settlement Fund (as well as the election set forth therein) shall be consistent with the previous Paragraph and in all events shall reflect that all Taxes on the income earned by the Settlement Fund shall be paid out of the Settlement Fund as provided herein.

11. The Settlement is not a claims-made settlement. Upon the occurrence of the Effective Date, neither Verizon, Settling Defendant, their insurance carriers, the other Released Settling Defendant's Persons, or any other person or entity who or which paid any portion of the Settlement Amount shall have any right to the return of the Settlement Fund or any portion thereof for any reason whatsoever.

12. Notwithstanding the fact that the Effective Date of the Settlement has not yet occurred, Lead Counsel may pay from the Settlement Fund, without further approval from Verizon or Settling Defendant, or further order of the Court, all Notice and Administration Costs actually incurred and paid or payable, up to $250,000. ("Notice and Administration Costs Cap"). Following the Effective Date, Lead Counsel may pay from the Escrow Account, without further approval from Verizon or Settling Defendant or further of the Court, all Notice and Administration Costs exceeding the Notice and Administration Costs Cap. Such costs and expenses shall include, without limitation, the actual costs of printing and mailing the Notice, publishing the Summary Notice, reimbursements to nominee owners for forwarding the Notice to their beneficial owners, the administrative expenses incurred, and fees charged by the Settlement Administrator in connection with providing notice and administering the Settlement, and the fees, if any, of the Escrow Agent. If the Settlement is terminated pursuant to the terms of this Stipulation, all Notice and Administration Costs paid or incurred, including any related fees, shall not be

returned or repaid to Verizon, Settling Defendant, their insurance carriers, or any of the other Released Settling Defendant's Persons, or any other person or entity who or which paid any portion of the Settlement Amount.

V. ATTORNEYS' FEES AND LITIGATION EXPENSES

13. In connection with the Settlement, Lead Counsel will apply to the Court for a collective award of attorneys' fees and payment of Litigation Expenses to Class Counsel (the "**Fee and Expense Award**") to be paid solely from (and out of) the Settlement Fund. In connection with Lead Counsel's application for a Fee and Expense Award, Lead Plaintiff may petition the Court for an incentive award to be paid solely from any Fee and Expense Award to Class Counsel. Lead Counsel's application for a Fee and Expense Award is not the subject of any agreement among the Settling Parties other than what is set forth in this Stipulation.

14. The Fee and Expense Award shall be paid to Lead Counsel from the Settlement Fund immediately upon award, notwithstanding the existence of any timely filed objections thereto, or potential for appeal therefrom, or collateral attack on the Settlement or any part thereof, subject to Class Counsel's obligation to make appropriate refunds or repayments to the Settlement Fund, plus accrued interest at the same net rate as is earned by the Settlement Fund, if the Settlement is terminated pursuant to the terms of this Stipulation or if, as a result of any appeal or further proceedings on remand, or successful collateral attack, the Fee and Expense Award

is reduced or reversed and such order reducing or reversing the award has become Final. Class Counsel shall make the appropriate refund or repayment in full no later than thirty (30) calendar days after: (i) receiving from Verizon's Counsel notice of the termination of the Settlement; or (ii) any order disapproving, reducing, reversing, or otherwise modifying the Fee and Expense Award has become Final. Any Fee and Expense Award is not a necessary term of this Stipulation and is not a condition of the Settlement embodied herein. Neither Lead Plaintiff nor Class Counsel may cancel or terminate the Settlement based on this Court's or any appellate court's ruling with respect to any Fee and Expense Award.

15. Lead Counsel shall allocate the attorneys' fees awarded amongst Class Counsel in a manner which they, in good faith, believe reflects the contributions of such counsel to the institution, prosecution, and settlement of the Action. The Released Settling Defendant's Persons shall have no responsibility for or liability whatsoever with respect to the allocation or award of any Fee and Expense Award to Class Counsel. The Fee and Expense Award shall be payable solely from the Settlement Fund.

VI. SUBMISSION OF THE SETTLEMENT TO THE COURT FOR APPROVAL

16. As soon as practicable after execution of this Stipulation, Lead Plaintiff shall apply to the Court for entry of the Scheduling Order, substantially in the form attached hereto as **Exhibit A**, providing for, among other things: (i) the

dissemination by mail (or email) of the Notice; (ii) the publication of the Summary Notice; and (iii) the scheduling of the Settlement Hearing to consider: (a) final approval of the proposed Settlement, (b) the request that the Judgment, substantially in the form attached hereto as **Exhibit D**, be entered by the Court, (c) Lead Counsel's application for an award of attorneys' fees and Litigation Expenses and approval of the proposed Plan of Allocation, and (d) any objections to any of the foregoing. The Settling Parties shall take all reasonable and appropriate steps to seek and obtain entry of the Scheduling Order.

17. The Settling Parties shall request at the Settlement Hearing that the Court approve the Settlement and enter the Judgment, substantially in the form attached hereto as **Exhibit D**. The Settling Parties shall take all reasonable and appropriate steps to obtain entry of the Judgment.

18. The Judgment shall contain a bar order ("**Bar Order**") that will, upon the Effective Date of the Settlement, bar any claims (i) against D. Jonas and the other Released Settling Defendant's Persons or (ii) by D. Jonas and the other Released Settling Defendant's Persons, against any other person or entity, in which the injury claimed is the claimant's actual or threatened liability to Lead Plaintiff or any member of the Class, arising out of or relating to the claims asserted in, or arising out of or relating to the subject matter of, the Action, including without limitation

any third-party claims for contribution in accordance with 10 Del. C. § 6304(b) and any similar laws and statutes.

VII. SETTLEMENT ADMINISTRATION

19. Lead Plaintiff shall retain a Settlement Administrator to provide notice of the Settlement and for the disbursement of the Net Settlement Fund to eligible Class Members. D. Jonas, Verizon, and the other Released Settling Defendant's Persons shall not have any involvement in or any responsibility, authority, or liability whatsoever for the selection of the Settlement Administrator.

20. Verizon shall cooperate with Lead Plaintiff in providing notice of the Settlement and administering the Settlement, by providing the Class Member Records in accordance with Paragraph 21 below, the Acquisition Records in accordance with Paragraph 22 below, and the information concerning Excluded Stockholders in accordance with Paragraph 23 below. To assist Verizon's identification of Excluded Stockholders in accordance with Paragraph 23 below, D. Jonas will use good faith efforts to identify Excluded Stockholders who are related to him.

21. For purposes of providing notice of the Settlement to potential Class Members, Verizon, at no cost to the Settlement Fund, Class Counsel, or the Settlement Administrator, has provided Lead Counsel with securities records (the "**Class Member Records**") consisting of names and mailing addresses of all record

owners of Straight Path Class B Common Stock ("**Record Owners**") who held shares of Straight Path Class B Common Stock at the Closing and received the Acquisition Consideration ("**Acquisition Record Owners**").

22. For purposes of distributing the Net Settlement Fund to Class Members, within ten (10) business days following entry of the Judgment by the Court, Verizon, at no cost to the Settlement Fund, Class Counsel, or the Settlement Administrator, shall use reasonable efforts to provide or cause to be provided to the Settlement Administrator or Lead Counsel in an electronically searchable form, such as Excel, if available, the following information (the "**Acquisition Records**"):

(a) the names, mailing addresses and, if available, email addresses of all Acquisition Records Owners and the number of shares of Straight Path Class B Common Stock held by those persons and entities at the Closing and for which they received the Acquisition Consideration; and

(b) the most recent pre-Acquisition Securities Position Report for Straight Path Class B Common Stock from DTC, which shall include, for each DTC participant, the participant's "DTC number," the number of shares of Straight Path Class B Common Stock held by each DTC participant, and the correct address or other contact information used to communicate with the appropriate representatives of each such DTC participant.

23. Attached hereto as Schedule 1 is a list of persons and entities identified by the Settling Defendant as Excluded Stockholders or identified as former officers and directors of Straight Path. For the avoidance of doubt, Schedule 1 hereto does not include all potential Excluded Stockholders, including the named Defendants Howard Jonas, The Patrick Henry Trust, and IDT Corporation. For each of the Excluded Stockholders listed on Schedule 1, Verizon shall, within ten (10) business days following entry of the Judgment by the Court, at no cost to the Settlement Fund, Class Counsel, or the Settlement Administrator, provide the Settlement Administrator or Lead Counsel with the following information to the extent available to Verizon:

(a) an indication of whether information available to Verizon shows that the Excluded Stockholder was, at the Closing, either (i) a Record Owner of shares of Straight Path Class B Common Stock or (ii) a beneficial owner of shares of Straight Path Class B Common Stock whose shares were held via a financial institution on behalf of the Excluded Stockholder ("Beneficial Owner");

(b) the number of shares of Straight Path Class B Common Stock beneficially owned by the Excluded Stockholder at the Closing and for which the Excluded Stockholder received the Acquisition Consideration ("Excluded Shares"); and

(c) for each Excluded Stockholder that is a Beneficial Owner, the name and "DTC Number" of the financial institution where their Excluded Shares were held and the Excluded Stockholder's account number at such financial institution.

24. Verizon shall cooperate with reasonable requests from Lead Counsel to obtain from the DTC and provide to the Settlement Administrator or Lead Counsel additional information as may be required to distribute the Net Settlement Fund to Class Members and not to Excluded Parties, including, without limitation, requesting from DTC information sufficient to identify all DTC participants who received the Acquisition Consideration in connection with the Acquisition and the number of shares as to which each DTC participant received payment (and/or the amount of consideration each DTC participant received). Verizon shall also use reasonable efforts to obtain suppression letters from Excluded Stockholders and/or Excluded Stockholders' brokers if requested to do so by DTC.

25. Defendants and other Excluded Stockholders shall not have any right to receive any part of the Settlement Fund for his, her, or its own account(s) (*i.e.*, accounts in which he, she, or it holds a proprietary interest, but not including accounts managed on behalf of others), or any additional amount based on any claim relating to the fact that Settlement proceeds are being received by any other

stockholder, in each case under any theory, including but not limited to contract, application of statutory or judicial law, or equity.

26. Any person or entity listed on Schedule 1 as an Excluded Shareholder may object to the designation by advising Class Counsel or the Settlement Administrator in writing of his, her, or its objection no later than fourteen (14) calendar days prior to the Settlement Hearing. Any such objection must be resolved before any funds from the Net Settlement Fund are distributed to Class Members. If a dispute concerning the designation of a person or entity as an Excluded Stockholder cannot otherwise be resolved, Class Counsel shall present the dispute to the Court for final determination of whether such person or entity is an Excluded Stockholder. Under no circumstances shall D. Jonas, Verizon, Lead Plaintiff, or Class Counsel be liable for designating a person or entity as an Excluded Stockholder, or for the failure to designate any person or entity as an Excluded Stockholder.

27. The Net Settlement Fund shall be distributed to Class Members in the accordance with the proposed Plan of Allocation set forth in the Notice or such other plan of allocation as may be approved by the Court. The Plan of Allocation proposed in the Notice is not a necessary term of the Settlement or of this Stipulation and it is not a condition of the Settlement or of this Stipulation that any particular plan of allocation be approved by the Court. Lead Plaintiff and Lead Counsel may not

cancel or terminate the Settlement (or this Stipulation) based on this Court's or any appellate court's ruling with respect to the Plan of Allocation or any other plan of allocation in this Action. D. Jonas, Verizon, and the other Released Settling Defendant's Persons shall not object in any way to the Plan of Allocation or any other plan of allocation in this Action and shall not have any involvement with the application of the Court-approved plan of allocation.

28. The Net Settlement Fund shall be distributed to Class Members only after the Effective Date of the Settlement and after: (i) all Notice and Administration Costs, all Taxes, and any Fee and Expense Award have been paid from the Settlement Fund or reserved; and (ii) the Court has entered an order authorizing the specific distribution of the Net Settlement Fund (the "**Class Distribution Order**"). At such time that Lead Counsel, in their sole discretion, deems it appropriate to move forward with the distribution of the Net Settlement Fund to the Class, Lead Counsel will apply to the Court, on notice to counsel for Settling Defendant and Verizon, for the Class Distribution Order.

29. Payment pursuant to the Class Distribution Order shall be final and conclusive against all Class Members. Lead Plaintiff, Settling Defendant, Verizon, and the other Released Settling Defendant's Persons and their respective counsel, shall have no liability whatsoever for the investment or distribution of the Settlement Fund or the Net Settlement Fund, the determination, administration, or calculation

of any payment from the Net Settlement Fund, the nonperformance of the Settlement Administrator or a nominee holding shares on behalf of a Class Member, the payment or withholding of Taxes (including interest and penalties) owed by the Settlement Fund, or any losses incurred in connection therewith.

30. All proceedings with respect to the administration of the Settlement and distribution pursuant to the Class Distribution Order shall be subject to the exclusive jurisdiction of the Court.

VIII. CONDITIONS OF SETTLEMENT

31. The Effective Date of the Settlement shall be deemed to occur on the occurrence or waiver of all of the following events, which the Settling Parties shall use their best efforts to achieve:

(a) the full amount of the $12,500,000 Settlement Amount has been paid into the Escrow Account accordance with Paragraph 6 above;

(b) the Court has entered the Scheduling Order, substantially in the form attached hereto as **Exhibit A**;

(c) the Court has entered the Judgment, substantially in the form attached hereto as **Exhibit D**;

(d) dismissal with prejudice of the Action as to the Settling Defendant pursuant to Court of Chancery Rule 54(b) without the award of any damages, costs, or fees, except as provided for in this Stipulation; and

(e) the Judgment has become Final.

32. Upon the occurrence of the Effective Date, any and all remaining interest or right of Verizon, Settling Defendant, or their insurance carriers in or to the Settlement Fund, if any, shall be absolutely and forever extinguished and the Releases herein shall be effective.

IX. TERMINATION OF SETTLEMENT; EFFECT OF TERMINATION

33. Lead Plaintiff, D. Jonas, and Verizon shall each have the right to terminate the Settlement and this Stipulation, by providing written notice of her, his, or its election to do so ("Termination Notice") to the other Settling Parties within thirty (30) calendar days of: (i) the Court's final refusal to enter the Scheduling Order in any material respect; (ii) the Court's final refusal to approve the Settlement or any material part thereof; (iii) the Court's final refusal to enter the Judgment in any material respect as to the Settlement; or (iv) the date upon which an order vacating, modifying, revising, or reversing the Judgment in any material respect becomes Final. In addition to the foregoing, Lead Plaintiff shall have the unilateral right to terminate the Settlement and this Stipulation, by providing written notice of her election to do so to Verizon and D. Jonas within thirty (30) calendar days of any failure of Verizon to cause the full payment of the Settlement Amount into the Escrow Account in a timely manner in accordance with Paragraph 6 above. However, any decision or proceeding, whether in this Court or any appellate court,

with respect to an application by Lead Counsel for attorneys' fees and Litigation Expenses, or with respect to any plan of allocation, shall not be considered material to the Settlement, shall not affect the finality of the Judgment, and shall not be grounds for termination of the Settlement.

34. If (i) Lead Plaintiff exercises her right to terminate the Settlement as provided in this Stipulation; or (ii) either D. Jonas or Verizon exercises his or its right to terminate the Settlement as provided in this Stipulation, then:

(a) The Settlement and the relevant portions of this Stipulation shall be canceled and terminated;

(b) The Settling Parties shall revert to their respective positions in the Action as of immediately prior to the execution of the Term Sheet on June 20, 2022;

(c) The terms and provisions of this Stipulation, with the exception of this Paragraph 34 and Paragraphs 12, 14, 36, and 59 of this Stipulation, shall have no further force and effect with respect to the Settling Parties and shall not be used in the Action or in any other proceeding for any purpose, and any Judgment or order entered by the Court in accordance with the terms of this Stipulation shall be treated as vacated, *nunc pro tunc*; and

(d) Within thirty (30) calendar days after joint written notification of termination is sent by Verizon's Counsel and Lead Counsel to the Escrow Agent,

the Settlement Fund (including accrued interest thereon, and change in value as a result of the investment of the Settlement Fund, and any funds received by Class Counsel consistent with Paragraph 14 above), less any Notice and Administration Costs actually incurred, paid, or payable and less any Taxes paid, due, or owing shall be refunded by the Escrow Agent to Verizon (in such manner as Verizon may direct). If the funds received by Class Counsel consistent with Paragraph 14 above have not been refunded to the Settlement Fund within the thirty (30) calendar days specified in this Paragraph, Class Counsel shall cause those funds to be refunded by the Escrow Agent to Verizon (in such manner as Verizon may direct) immediately upon their deposit into the Escrow Account consistent with Paragraph 14 above.

X. COOPERATION AGREEMENT

35. To the extent the Action continues despite this Settlement, D. Jonas agrees that he will be available to appear at trial or at any evidentiary hearings in the Action, if requested by the Court or any of the parties to the Action, as if he were a named party. Accordingly, for the avoidance of doubt, D. Jonas agrees that, at the request of Lead Plaintiff or the Non-Settling Defendants, he will participate as a witness in any trial in the Action and will not use the terms of this Settlement as a basis to avoid his participation as a witness at any trial in the Action. Except as provided in the preceding sentences of this Paragraph 35, it is expected that D. Jonas

shall not continue to participate in the Action except to the extent necessary to facilitate the Court's approval of this Settlement.

XI. NO ADMISSION OF WRONGDOING

36. Neither the Term Sheet, this Stipulation (whether or not consummated), including the Exhibits hereto and the Plan of Allocation contained therein (or any other plan of allocation that may be approved by the Court), the negotiations leading to the execution of the Term Sheet and this Stipulation, nor any proceedings taken pursuant to or in connection with the Term Sheet, this Stipulation, and/or approval of the Settlement (including any arguments proffered in connection therewith):

(a) shall be offered against any of the Released Settling Defendant's Persons as evidence of, or construed as, or deemed to be evidence of any presumption, concession, or admission by any of the Released Settling Defendant's Persons with respect to the truth of any fact alleged by Lead Plaintiff or the validity of any claim that was or could have been asserted or the deficiency of any defense that has been or could have been asserted in this Action or in any other litigation, or of any liability, negligence, fault, or other wrongdoing of any kind of any of the Released Settling Defendant's Persons, or in any way referred to for any other reason as against any of the Released Settling Defendant's Persons, in any arbitration proceeding or other civil, criminal, or administrative action or proceeding, other than such proceedings as may be necessary to effectuate the provisions of this Stipulation;

(b) shall be offered against any of the Released Plaintiff's Persons, as evidence of, or construed as, or deemed to be evidence of any presumption, concession, or admission by any of the Released Plaintiff's Persons that any of their claims are without merit, that any of the Released Settling Defendant's Persons had meritorious defenses, or that damages recoverable under the Complaint would not have exceeded the Settlement Amount or with respect to any liability, negligence, fault, or wrongdoing of any kind, or in any way referred to for any other reason as against any of the Released Plaintiff's Persons, in any arbitration proceeding or other civil, criminal, or administrative action or proceeding, other than such proceedings as may be necessary to effectuate the provisions of this Stipulation; or

(c) shall be construed against any of the Released Persons as an admission, concession, or presumption that the consideration to be given hereunder represents the amount which could be or would have been recovered after trial; *provided, however*, that if this Stipulation is approved by the Court, the Settling Parties and the Released Persons and their respective counsel may refer to it to effectuate the protections from liability granted under this Stipulation or otherwise to enforce the terms of the Settlement. The Released Persons may file this Stipulation and/or the Judgment in any action that has been or may be brought against them in order to support a claim or defense of the Released Persons based on principles of *res judicata*, collateral estoppel, release, good faith settlement,

judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

XII. MISCELLANEOUS PROVISIONS

37. All of the Exhibits attached hereto are incorporated by reference as though fully set forth herein. Notwithstanding the foregoing, if there exists a conflict or inconsistency between the terms of this Stipulation and the terms of any Exhibit attached hereto, the terms of the Stipulation shall prevail.

38. Verizon warrants that, as to the payments made or to be made by Verizon, at the time of entering into this Stipulation and at the time of such payment it, or to the best of its knowledge any persons or entities contributing to the payment of the Settlement Amount, were not insolvent, nor will the payment required to be made by it or on its behalf render it or them insolvent, within the meaning of and/or for the purposes of the United States Bankruptcy Code, including §§ 101 and 547 thereof. This representation is made by Verizon and not its counsel.

39. In the event of the entry of a final order of a court of competent jurisdiction determining the transfer of money to the Settlement Fund or any portion thereof by or on behalf of Settling Defendant or Verizon to be a preference, voidable transfer, fraudulent transfer, or similar transaction and any portion thereof is required to be returned, then Verizon shall have thirty (30) days to deposit such amount into the Settlement Fund. If such amount is not promptly deposited into the Settlement

Fund by Verizon or others within thirty (30) days, then, at the election of Lead Plaintiff, the Settling Parties shall jointly move the Court to vacate and set aside the Releases given and the Judgment entered in favor of Settling Defendant, Verizon, and the other Released Persons pursuant to this Stipulation, in which event the Releases and Judgment shall be null and void, and Lead Plaintiff and Settling Defendant shall be restored to their respective positions in the litigation as provided in Paragraph 34 above and any cash amounts in the Settlement Fund (less any Taxes paid, due, or owing with respect to the Settlement Fund and less any Notice and Administration Costs actually incurred, paid, or payable) shall be returned as provided in Paragraph 34 above.

40. The Settling Parties intend this Stipulation and the Settlement to be a final and complete resolution of all disputes asserted or which could be asserted by Lead Plaintiff and any other Class Members against D. Jonas or Verizon with respect to the Released Plaintiff's Claims. Accordingly, the Settling Parties and their respective counsel agree not to assert in any forum that this Action was brought by Lead Plaintiff or defended by D. Jonas in bad faith or without a reasonable basis. The Settling Parties agree that the amounts paid, and the other terms of the Settlement, were negotiated at arm's length and in good faith by the Settling Parties and reflect the Settlement that was reached voluntarily after extensive negotiations

and consultation with experienced legal counsel, who were fully competent to assess the strengths and weaknesses of their respective clients' claims or defenses.

41. The Settling Parties and their respective counsel shall not make any accusations of wrongful or actionable conduct by any Settling Party concerning the prosecution, defense, and resolution of the Action, and shall not otherwise suggest that the Settlement constitutes an admission of any claim or defense alleged. For avoidance of doubt, the foregoing is not intended to, and shall not, limit D. Jonas's ability to testify fully and truthfully at any hearing or trial in this Action, should he be called upon to testify.

42. The terms of the Settlement, as reflected in this Stipulation, may not be modified or amended, nor may any of its provisions be waived except by a writing signed on behalf of each of the Settling Parties (or their successors-in-interest).

43. The headings herein are used for the purpose of convenience only and are not meant to have legal effect.

44. If any deadline set forth in this Stipulation or the Exhibits thereto falls on a Saturday, Sunday, or legal holiday, that deadline will be continued to the next business day.

45. Without further Order of the Court, the Settling Parties may agree to reasonable extensions of time to carry out any of the provisions of this Stipulation.

46. The administration and consummation of the Settlement as embodied in this Stipulation shall be under the authority of the Court, and the Court shall retain jurisdiction for the purpose of entering orders providing for awards of attorneys' fees and Litigation Expenses to Class Counsel, and enforcing the terms of this Stipulation, including the Plan of Allocation (or such other plan of allocation as may be approved by the Court) and the distribution of the Net Settlement Fund to eligible Class Members.

47. The waiver by one Settling Party of any breach of this Stipulation by any other Settling Party shall not be deemed a waiver of any other prior or subsequent breach of this Stipulation.

48. Verizon shall have no liability under this Stipulation for any breach by D. Jonas, and D. Jonas shall have no liability under this Stipulation for any breach by Verizon.

49. This Stipulation and its Exhibits constitute the entire agreement among the Settling Parties concerning the Settlement and this Stipulation and its Exhibits. Each Settling Party acknowledges that no other agreements, representations, warranties, or inducements have been made by any Settling Party concerning this

Stipulation or its Exhibits other than those contained and memorialized in such documents.

50. This Stipulation may be executed in one or more counterparts, including by signature transmitted via facsimile, or by a .pdf/.tif image of the signature transmitted via email. All executed counterparts and each of them shall be deemed to be one and the same instrument.

51. This Stipulation shall be binding upon and inure to the benefit of the successors and assigns of the Settling Parties, and the Released Persons, and any corporation, partnership, or other entity into or with which any Settling Party may merge, consolidate, or reorganize. The Settling Parties acknowledge and agree, for the avoidance of doubt, that the Released Settling Defendant's Persons and the Released Plaintiff's Persons are intended beneficiaries of this Stipulation and are entitled to enforce the releases contemplated by the Settlement.

52. The Stipulation, the Settlement, and any and all disputes arising out of or relating in any way to any of them, whether in contract, tort or otherwise, shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to conflict of laws principles.

53. Any action arising under or to enforce this Stipulation or any portion thereof, shall be commenced and maintained only in the Court.

54. This Stipulation shall not be construed more strictly against one Settling Party than another merely by virtue of the fact that it, or any part of it, may have been prepared by counsel for one of the Settling Parties, it being recognized that it is the result of arm's-length negotiations between the Settling Parties and that all Settling Parties have contributed substantially and materially to the preparation of this Stipulation.

55. All counsel and all other persons executing this Stipulation and any of the Exhibits hereto, or any related Settlement documents, warrant and represent that they have the full authority to do so and that they have the authority to take appropriate action required or permitted to be taken pursuant to the Stipulation to effectuate its terms.

56. Lead Counsel, Settling Defendant's Counsel, and Verizon's Counsel agree to cooperate fully with one another to obtain (and, if necessary, defend on appeal) all necessary approvals of the Court required of this Stipulation (including, but not limited to, using their best efforts to resolve any objections raised to the Settlement), and to use best efforts to promptly agree upon and execute all such other

documentation as may be reasonably required to obtain final approval by the Court of the Settlement.

57. If any Settling Party is required to give notice to another Settling Party under this Stipulation, such notice shall be in writing and shall be deemed to have been duly given upon receipt of hand delivery or email transmission, with confirmation of receipt. Notice shall be provided as follows:

59. Whether or not the Stipulation is approved by the Court and whether or not the Stipulation is consummated, or the Effective Date occurs, the Settling Parties and their counsel shall use their best efforts to keep all negotiations, discussions, acts performed, agreements, drafts, documents signed, and proceedings in connection with the Stipulation confidential.

60. All agreements made and orders entered during the course of this Action relating to the confidentiality of documents or information shall survive this Settlement.

61. No opinion or advice concerning the tax consequences of the proposed Settlement to individual Class Members is being given or will be given by the

Case No. 2020-0440-KSJM

IN THE COURT OF CHANCERY OF THE STATE OF DELAWARE

IN RE: PIVOTAL SOFTWARE, INC. STOCKHOLDERS' LITIGATION	C.A. No. 2020-0440-KSJM

STIPULATION AND AGREEMENT OF SETTLEMENT, COMPROMISE, AND RELEASE

This Stipulation and Agreement of Settlement, Compromise, and Release, dated June 2, 2022 (together with the exhibits hereto, the "**Stipulation**"), is entered into by and among: (i) plaintiff Kenia Lopez ("**Plaintiff**"), on behalf of herself and the other members of the Court-certified stockholder class (the "Class," as defined in Paragraph 1(c) below), with the exception of those stockholders who (a) are listed on the June 1, 2020 verified list of stockholders demanding payment for their shares in *HBK Master Fund L.P. v. Pivotal Software Inc.*, Civil Action No. 2020-0165-KSJM (Del. Ch.), and (b) have not withdrawn their demands for appraisal, or otherwise been deemed ineligible, *i.e.*, HBK Master Fund L.P. and HBK Merger Strategies Master Fund L.P. (collectively, the "**Appraisal Stockholders**"); (ii) defendants VMware, Inc. ("**VMware**"), Dell Technologies Inc. ("**Dell**"), Michael S. Dell ("**M. Dell**"), and Robert C. Mee ("**Mee**") (together, "**Defendants**"); and (iii) Cynthia Gaylor (the "**Former Defendant**") (Plaintiff, Defendants, and the

Former Defendant, together, the "**Parties**").[1] Subject to the terms and conditions set forth herein and the approval of the Court of Chancery of the State of Delaware (the "**Court**") under Delaware Court of Chancery Rule 23, the Settlement embodied in this Stipulation is intended to be a full and final disposition of the claims asserted against Defendants and the Former Defendant in the above-captioned stockholder class action (the "**Action**"). This Stipulation does not release, resolve, compromise, settle, or discharge any claims or dissenter rights (including appraisal under Section 262 of the DGCL) of the Appraisal Stockholders, who are not party to or included in the Settlement, and have no right to join in the Settlement.

WHEREAS:

A. On June 4, 2020, Plaintiff filed the Complaint against Dell, Michael Dell, VMware, Robert Mee, and Cynthia Gaylor, alleging, among other things, that Defendants and the Former Defendant breached fiduciary duties to the public stockholders of Pivotal Software, Inc. ("**Pivotal**" or, the "**Company**"), and, in the alternative, that VMware aided and abetted those breaches of fiduciary duties, in connection with the Acquisition and that, as a consequence thereof, the Company's public stockholders suffered damages.

[1] All terms herein with initial capitalization shall, unless defined elsewhere in this Stipulation, have the meanings given to them in Paragraph 1 below.

B. On June 16 and 17, 2020, Plaintiff served her First Requests for the Production of Discovery Materials, and on June 23, 2020, her First Sets of Interrogatories on Defendants and the Former Defendant.

C. On July 1 and 6, 2020, Defendants and the Former Defendant filed Motions to Dismiss Plaintiff's Verified Class Action Complaint (the "**Motions to Dismiss**"), and the Parties completed briefing on the Motions to Dismiss on January 29, 2021.

D. On July 20, 2020, Defendant VMware objected and responded to Plaintiff's First Request for the Production of Discovery Materials.

E. On August 13, 2020, Defendants Dell, M. Dell, and Mee, and Former Defendant Gaylor objected and responded to Plaintiff's First Requests for Production of Discovery Materials.

F. On August 14, 2020, the Court granted the Parties' Stipulation and Order for Consolidation, Appointment of Lead Plaintiff and Lead Counsel, and Coordination, consolidating this Action with *Howarth v. Dell Technologies Inc. et al*, C.A. No. 2020-0583-KSJM, appointing Plaintiff as lead plaintiff and Co-Lead Counsel as lead counsel, and coordinating this Action with *HBK Master Fund L.P. et al. v. Pivotal Software, Inc.*, C.A. No. 2020-0165-KSJM.

G. On December 29, 2020, Defendants and the Former Defendant served their First Requests for Production of Documents and First Set of Interrogatories on Plaintiff.

H. On January 28, 2021 and August 4, 2021, Plaintiff responded to Defendants' and the Former Defendant's First Request for Production of Documents and First Set of Interrogatories, respectively.

I. On March 23, 2021, the Court entered the Order Governing the Case Schedule setting a trial to commence on July 6, 2022 in Wilmington, Delaware.

J. On April 27, 2021, the Court held a hearing on the Defendants' and the Former Defendant's Motions to Dismiss.

K. On April 30, June 3, and August 4, 2021, Defendants and the Former Defendant responded to Plaintiff's First Set of Interrogatories.

L. On June 29, 2021, the Court entered its ruling denying Defendants' Motions to Dismiss with respect to Defendants VMware, Dell, M. Dell, and Mee, while granting Former Defendant Gaylor's Motion to Dismiss.

M. Over the next ten months, the Parties conducted extensive fact and expert discovery, in which the Parties produced over 55,500 documents, consisting of over 471,000 pages; conducted 21 depositions (including of the Parties' respective expert witnesses); and exchanged opening and rebuttal expert reports. Plaintiff obtained fact discovery from 15 third parties, who produced roughly 48,000

additional documents, consisting of nearly 311,000 pages. In all, more than 103,000 documents were produced in the litigation.

N. On November 4, 2021, the Court entered the Stipulation and Order Regarding Class Certification, certifying the Class, appointing Plaintiff as the representative for the Class, and appointing Bernstein Litowitz Berger & Grossmann LLP and Block & Leviton LLP as Co-Lead Counsel for the Class.

O. On January 24, 2022, the parties to the Action participated in a full-day mediation conducted by Robert A. Meyer of JAMS, Inc. However, the parties were unable to agree to settlement terms at that time.

P. Immediately following the mediation and through early May 2022, the parties to the Action conducted additional extensive arm's-length negotiations facilitated by Mr. Meyer while they continued to litigate the case and prepare for trial. Just two months before trial was set to begin, the parties reached an agreement in principle to settle the claims asserted against Defendants in the Action for $42,500,000.00 (the "**Settlement Amount**") in cash, subject to Court approval. The settlement in principle was memorialized in a term sheet executed on May 2, 2022 (the "Term Sheet").

Q. On May 4, 2022, the parties to the Action informed the Court of the settlement in principle of the Action.

R. On May 17, 2022, the Court entered the Stipulation and Order Granting Stay, staying the Action until further order of the Court and vacating as to the Action all dates and provisions in the Amended Stipulation and Order Governing the Case Schedule dated October 26, 2021.

S. This Stipulation (together with the Exhibits hereto), which has been duly executed by the undersigned signatories on behalf of their respective clients, reflects the final and binding agreement among the Parties and supersedes the Term Sheet.

T. Plaintiff, through Co-Lead Counsel, has investigated and pursued extensive discovery relating to the claims and the underlying events and transactions alleged in the Action. Co-Lead Counsel have analyzed the evidence adduced during the investigation and fact and expert discovery as described above, and have also researched the applicable law with respect to the claims asserted in the Action and the potential defenses thereto. This investigation and the settlement negotiation between the Parties have provided Plaintiff with a detailed basis upon which to assess the relative strengths and weaknesses of Plaintiff's and Defendants' respective positions in this litigation.

U. Based upon their investigation and prosecution of the Action, Plaintiff and Co-Lead Counsel have concluded that the terms and conditions of the Settlement and this Stipulation are fair, reasonable, and adequate to Plaintiff and the other Class

Members and in their best interests. Based on her direct oversight of the prosecution of this matter, along with the input of Co-Lead Counsel, Plaintiff has agreed to settle the claims raised in the Action pursuant to the terms and provisions of this Stipulation, after considering: (i) the substantial benefits that Plaintiff and the other Class Members will receive from the resolution of the Action; (ii) the attendant risks of litigation; and (iii) the desirability of permitting the Settlement to be consummated as provided by the terms of this Stipulation. The Settlement and this Stipulation shall in no event be construed as, or deemed to be, evidence of a concession by Plaintiff of any infirmity in the claims asserted in the Action.

V. Defendants have defended this action in good faith and deny all allegations of wrongdoing, fault, liability, or damage to Plaintiff, as well as to each and every other Class Member, and further deny that Plaintiff has asserted a valid claim as to any of them. Defendants also deny that they engaged in any wrongdoing or committed, or aided or abetted, any violation of law or breach of duty and believe that they acted at all times properly, in good faith, and in a manner consistent with their legal duties. Defendants are entering into the Settlement and this Stipulation solely to avoid the substantial burden, expense, inconvenience, disruption, and distraction of continued litigation and to resolve each of Plaintiff's claims against Defendants. The Settlement and this Stipulation shall not be construed as, or deemed to be, evidence of or an admission or concession on the part of any of the Defendants

with respect to any claim or factual allegation in the Action, or of any fault or liability or wrongdoing or damage whatsoever or any infirmity in the defenses that any of the Defendants have or could have asserted.

W. The Parties recognize that the Action has been filed and prosecuted by Plaintiff in good faith and defended by Defendants in good faith and further that the Settlement Amount to be paid, and the other terms of the Settlement as set forth herein, were negotiated at arm's-length and in good faith, and reflect an agreement that was reached voluntarily after consultation with experienced legal counsel.

NOW THEREFORE, it is **STIPULATED AND AGREED**, by and among Plaintiff (individually and on behalf of the Class), Defendants, and the Former Defendant that, by and through their respective undersigned counsel, and subject to the approval of the Court under Court of Chancery Rule 23, for good and valuable consideration set forth herein and conferred on Plaintiff and the Class, the sufficiency of which is acknowledged, the claims asserted in the Action on behalf of the Class against Defendants and the Former Defendant shall be finally and fully settled, compromised, released, resolved, discharged, settled, and dismissed with prejudice, and that the Released Plaintiff's Claims shall be finally and fully compromised, resolved, discharged, settled, and dismissed with prejudice against the Released Defendants' Persons, and that the Released Defendants' Claims shall be finally and fully settled, compromised, released, resolved, discharged, settled, and

dismissed with prejudice against the Released Plaintiff's Persons, in the manner set forth herein.

With respect to any and all Released Claims, the Parties stipulate and agree that, upon the Effective Date of the Settlement, Plaintiff, Defendants, and the Former Defendant shall expressly waive, and each of the other Class Members shall be deemed to have waived, and by operation of the Judgment shall have expressly waived, any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law or foreign law, which is similar, comparable, or equivalent to California Civil Code §1542, which provides:

> A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Plaintiff, Defendants, and the Former Defendant acknowledge, and each of the other Class Members shall be deemed by operation of law to have acknowledged, that the foregoing waiver was separately bargained for and a key element of the Settlement.

II. RELEASE OF CLAIMS

2. The obligations incurred pursuant to this Stipulation are in consideration of: (i) the full and final disposition of the Action; and (ii) the Releases provided for herein.

3. Pursuant to the Judgment, without further action by anyone, upon the Effective Date of the Settlement, Plaintiff and each of the other Class Members, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns in their capacities as such, shall be deemed to have, and by operation of law and of the Judgment shall have, fully, finally, and forever compromised, settled, released, resolved, relinquished, waived, and discharged any and all Released Plaintiff's Claims against Defendants, the Former Defendant, and the other Released Defendants' Persons, and shall forever be barred and enjoined from prosecuting any and all Released Plaintiff's Claims against any of the Released Defendants' Persons. This Release shall not apply to any of the Excluded Parties' Claims.

4. Pursuant to the Judgment, without further action by anyone, upon the Effective Date of the Settlement, Defendants and the Former Defendant, on behalf

of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns in their capacities as such, shall be deemed to have, and by operation of law and of the Judgment shall have, fully, finally, and forever compromised, settled, released, resolved, relinquished, waived, and discharged any and all Released Defendants' Claims against Plaintiff and the other Released Plaintiff's Persons, and shall forever be barred and enjoined from prosecuting any and all Released Defendants' Claims against any of the Released Plaintiff's Persons.

5. Notwithstanding Paragraphs 3–4 above, nothing in the Judgment shall bar any action by any of the Parties or the Former Defendant to enforce or effectuate the terms of this Stipulation or the Judgment.

III. SETTLEMENT CONSIDERATION

6. Defendants shall pay or cause their insurers to pay the Settlement Amount into the Escrow Account no later than twenty (20) business days after the later of: (i) the date of entry of the Scheduling Order; or (ii) the date of Defendants' Counsel's receipt from Co-Lead Counsel of the information necessary to effectuate a transfer of funds to the Escrow Account, including wiring instructions that include the bank name and ABA routing number, account name and number, and a signed W-9 reflecting a valid taxpayer identification number for the qualified settlement fund in which the Settlement Amount is to be deposited. If Defendants fail to cause the full payment of the Settlement Amount in a timely manner, Plaintiff may apply

for an order compelling Defendants' compliance with the provisions of this Stipulation regarding payment of the Settlement Amount or exercise her right under Paragraph 32 below to terminate the Settlement.

IV. USE OF SETTLEMENT FUND

7. The Settlement Fund shall be used to pay: (i) any Taxes; (ii) any Notice and Administration Costs; (iii) any attorneys' fees and/or Litigation Expenses awarded by the Court from the Settlement Fund; and (iv) any other costs and fees approved by the Court. The balance remaining in the Settlement Fund (that is, the Net Settlement Fund) shall be distributed to Class Members pursuant to the proposed Plan of Allocation or such other plan of allocation approved by the Court.

8. Except as provided herein or pursuant to orders of the Court, the Net Settlement Fund shall remain in the Escrow Account prior to the Effective Date. All funds held by the escrow agent ("**Escrow Agent**") shall be deemed to be in the custody of the Court and shall remain subject to the jurisdiction of the Court until such time as the funds shall be distributed or returned pursuant to the terms of this Stipulation and/or further order of the Court. The Escrow Agent shall invest any funds in the Escrow Account exclusively in United States Treasury Bills (or a mutual fund invested solely in such instruments) and shall collect and reinvest all interest accrued thereon, except that any residual cash balances up to the amount that is insured by the FDIC may be deposited in any account that is fully insured by the

FDIC. In the event that the yield on United States Treasury Bills is negative, in lieu of purchasing such Treasury Bills, all or any portion of the funds held by the Escrow Agent may be deposited in any account that is fully insured by the FDIC or backed by the full faith and credit of the United States. Additionally, if short-term placement of the funds is necessary, all or any portion of the funds held by the Escrow Agent may be deposited in any account that is fully insured by the FDIC or backed by the full faith and credit of the United States.

9. The Parties agree that the Settlement Fund is intended to be a Qualified Settlement Fund within the meaning of Treasury Regulation § 1.468B-1 and that Bernstein Litowitz Berger & Grossmann LLP, as administrator of the Settlement Fund within the meaning of Treasury Regulation § 1.468B-2(k)(3), shall be solely responsible for filing or causing to be filed all informational and other tax returns as may be necessary or appropriate (including, without limitation, the returns described in Treasury Regulation § 1.468B-2(k)) for the Settlement Fund. Bernstein Litowitz Berger & Grossmann LLP shall also be responsible for causing payment to be made from the Settlement Fund of any Taxes owed with respect to the Settlement Fund. The Released Defendants' Persons shall not have any liability or responsibility for any such Taxes. Upon written request, Defendants will provide to Bernstein Litowitz Berger & Grossmann LLP the statement described in Treasury Regulation § 1.468B-3(e). Bernstein Litowitz Berger & Grossmann LLP, as administrator of

the Settlement Fund within the meaning of Treasury Regulation § 1.468B-2(k)(3), shall timely make such elections as are necessary or advisable to carry out this Paragraph, including, as necessary, making a "relation back election," as described in Treasury Regulation § 1.468B-1(j), to cause the Qualified Settlement Fund to come into existence at the earliest allowable date, and shall take or cause to be taken all actions as may be necessary or appropriate in connection therewith.

10. All Taxes shall be paid out of the Settlement Fund, and shall be timely paid, or caused to be paid, by Bernstein Litowitz Berger & Grossmann LLP and without further order of the Court. Any tax returns prepared for the Settlement Fund (as well as the election set forth therein) shall be consistent with Paragraph 9 above and in all events shall reflect that all Taxes on the income earned by the Settlement Fund shall be paid out of the Settlement Fund as provided herein.

11. The Settlement is not a claims-made settlement. Upon the occurrence of the Effective Date, Defendants, their insurance carriers, the other Released Defendants' Persons, and any other person or entity who or which paid any portion of the Settlement Amount shall not have any right to the return of the Settlement Fund or any portion thereof for any reason whatsoever.

12. Notwithstanding the fact that the Effective Date of the Settlement has not yet occurred, Co-Lead Counsel may pay from the Settlement Fund, without further approval from Defendants or further order of the Court, all Notice and

Administration Costs actually incurred and paid or payable. Such costs and expenses shall include, without limitation, the actual costs of printing and mailing the Notice, publishing the Summary Notice, reimbursements to nominee owners for forwarding the Notice to their beneficial owners, the administrative expenses incurred and fees charged by the Settlement Administrator in connection with providing notice and administering the Settlement, and the fees, if any, of the Escrow Agent. In the event that the Settlement is terminated pursuant to the terms of this Stipulation, all Notice and Administration Costs paid or incurred, including any related fees, shall not be returned or repaid to Defendants, their insurance carriers, or any of the other Released Defendants' Persons, or any other person or entity who or which paid any portion of the Settlement Amount.

V. ATTORNEYS' FEES AND LITIGATION EXPENSES

13. In connection with the Settlement, Co-Lead Counsel will apply to the Court for a collective award of attorneys' fees and payment of Litigation Expenses to Plaintiff's Counsel (the "Fee and Expense Award") to be paid solely from (and out of) the Settlement Fund. Co-Lead Counsel's application for a Fee and Expense Award is not the subject of any agreement among Plaintiff and Defendants other than what is set forth in this Stipulation.

14. It is not a condition of this Stipulation or the Settlement embodied herein that the Court award any attorneys' fees or expenses to Plaintiff's Counsel.

Defendants reserve the right to oppose any part or all of any application for a Fee and Expense Award materially in excess of the fee and expense amounts stated in the Notice attached hereto as Exhibit B. In the event that the Court does not award attorneys' fees or expenses, or in the event that the Court makes a Fee and Expense Award in an amount that is less than the amount requested by Plaintiff's Counsel or is otherwise unsatisfactory to Plaintiff's Counsel, or in the event that any such award is vacated or reduced on appeal, this Stipulation nevertheless shall remain in full force and effect. Neither Plaintiff nor Plaintiff's Counsel may cancel or terminate the Settlement based on the Court's or any appellate court's ruling with respect to any Fee and Expense Award.

15. The Fee and Expense Award shall be paid to Co-Lead Counsel from the Settlement Fund immediately upon award, notwithstanding the existence of any timely filed objections thereto, potential for appeal therefrom, or collateral attack on the Settlement or any part thereof, subject to Plaintiff's Counsel's obligation to make appropriate refunds or repayments to the Settlement Fund, plus accrued interest at the same net rate as is earned by the Settlement Fund, if the Settlement is terminated pursuant to the terms of this Stipulation or if, as a result of any appeal or further proceedings on remand, or successful collateral attack, the Fee and Expense Award is reduced or reversed and such order reducing or reversing the award has become Final. Plaintiff's Counsel shall make the appropriate refund or repayment in full no

later than twenty (20) business days after: (i) receiving from Defendants' Counsel notice of the termination of the Settlement; or (ii) any order reducing or reversing the Fee and Expense Award has become Final.

16. Co-Lead Counsel shall allocate the attorneys' fees awarded amongst Plaintiff's Counsel in a manner which they, in good faith, believe reflects the contributions of such counsel to the institution, prosecution and settlement of the Action. The Released Defendants' Persons shall have no responsibility for or liability whatsoever with respect to the allocation or award of any Fee and Expense Award to Plaintiff's Counsel. The Fee and Expense Award shall be payable solely from the Settlement Fund.

VI. SUBMISSION OF THE SETTLEMENT TO THE COURT FOR APPROVAL

17. As soon as practicable after execution of this Stipulation, Plaintiff shall apply to the Court for entry of the Scheduling Order, substantially in the form attached hereto as **Exhibit A**, providing for, among other things: (i) the dissemination by mail (or email) of the Notice, substantially in the form attached hereto as **Exhibit B**; (ii) the publication of the Summary Notice, substantially in the form attached hereto as **Exhibit C**; and (iii) the scheduling of the Settlement Hearing to consider: (a) final approval of the proposed Settlement, (b) the request that the Judgment, substantially in the form attached hereto as **Exhibit D**, be entered by the

Court, (c) Co-Lead Counsel's application for an award of attorneys' fees and Litigation Expenses and approval of the proposed Plan of Allocation, and (d) any objections to any of the foregoing. The Parties shall take all reasonable and appropriate steps to seek and obtain entry of the Scheduling Order.

18. The Parties shall request at the Settlement Hearing that the Court approve the Settlement and enter the Judgment, substantially in the form attached hereto as **Exhibit D**. The Parties shall take all reasonable and appropriate steps to obtain entry of the Judgment.

VII. SETTLEMENT ADMINISTRATION

19. Plaintiff shall retain a Settlement Administrator to provide notice of the Settlement and for the disbursement of the Net Settlement Fund to eligible Class Members. Defendants and the other Released Defendants' Persons shall not have any involvement in or any responsibility, authority, or liability whatsoever for the selection of the Settlement Administrator.

20. Defendants shall cooperate with Plaintiff in providing notice of the Settlement and administering the Settlement, including, but not limited to, providing the Class Member Records in accordance with Paragraph 21 below and the Acquisition Records in accordance with Paragraph 22 below.

21. For purposes of providing notice of the Settlement to potential Class Members, within ten (10) business days following entry of the Scheduling Order by

the Court, VMware, at no cost to the Settlement Fund, Co-Lead Counsel, or the Settlement Administrator, shall cause to be provided to the Settlement Administrator or Co-Lead Counsel in an electronically searchable form, such as Excel, the stockholder register from Pivotal's transfer agent containing the names, mailing addresses and, if available, email addresses for all record holders of Pivotal Class A common stock at the Closing of the Acquisition ("**Class Member Records**").

22. For purposes of distributing the Net Settlement Fund to eligible Class Members, within ten (10) business days following entry of the Judgment by the Court, VMware, at no cost to the Settlement Fund, Co-Lead Counsel, or the Settlement Administrator, shall cause to be provided to the Settlement Administrator or Co-Lead Counsel in an electronically searchable form, such as Excel, the following information (the "**Acquisition Records**"):

(a) the names, mailing addresses and, if available, email addresses of all record holders of Pivotal Class A common stock listed on Pivotal's stockholder register ("**Record Holders**") who received the Acquisition Consideration in exchange for their shares of Pivotal Class A common stock in connection with the Acquisition ("**Acquisition Record Holders**"), and the number of shares of Pivotal Class A common stock held by each Acquisition Record Holder that were exchanged for the Acquisition Consideration;

(b) the names, mailing addresses and, if available, email addresses of all Excluded Parties, and for each Excluded Party, (i) an indication of whether the Excluded Party was, at the Closing, either (x) a Record Holder of Pivotal Class A common stock listed or (y) a beneficial holder of Pivotal Class A common stock whose shares were held via a financial institution on behalf of the Excluded Party ("**Beneficial Holder**"); (ii) the number of shares of Pivotal Class A common stock owned by the Excluded Party, as either a Record Holder or Beneficial Holder, and for which the Excluded Party received the Acquisition Consideration ("**Excluded Shares**"); and (iii) for each Excluded Party that is a Beneficial Holder, the name and "DTCC Number" of the financial institution where their Excluded Shares were held and the Excluded Party's account number at such financial institution; and

(c) the allocation or "chill" report generated by the DTCC, in anticipation of the Acquisition to facilitate the allocation of the Acquisition Consideration to eligible Class Members (the "**Allocation Report**"), which shall include, for each DTCC participant, the participant's "DTCC number" and the number of shares of Pivotal Class A common stock reflected on the Allocation Report used by DTCC to distribute the Acquisition Consideration.

23. Defendants will use their commercially reasonable best efforts to obtain from the DTCC and provide to the Settlement Administrator or Co-Lead Counsel any additional information as may be required to distribute the Net Settlement Fund

to eligible Class Members and not to Excluded Parties, including, without limitation, information sufficient to identify all DTCC participants who received the Acquisition Consideration in connection with the Acquisition, the number of shares as to which each DTCC participant received payment (and/or the amount of consideration each DTCC participant received), and the correct address or other contact information used to communicate with the appropriate representatives of each DTCC participant that received Acquisition Consideration. Defendants shall also use their commercially reasonable best efforts to obtain suppression letters from Excluded Parties and/or Excluded Parties' brokers if requested to do so by the DTCC.

24. Defendants and other Excluded Parties shall not have any right to receive any part of the Settlement Fund for his, her, or its own account(s) (*i.e.*, accounts in which he, she, or it holds a proprietary interest, but not including accounts managed on behalf of others), or any additional amount based on any claim relating to the fact that Settlement proceeds are being received by any other stockholder, in each case under any theory, including but not limited to contract, application of statutory or judicial law, or equity.

25. The Net Settlement Fund shall be distributed to eligible Class Members in the accordance with the proposed Plan of Allocation set forth in the Notice or such other plan of allocation as may be approved by the Court. The Plan of Allocation

proposed in the Notice is not a necessary term of the Settlement or of this Stipulation and it is not a condition of the Settlement or of this Stipulation that any particular plan of allocation be approved by the Court. Plaintiff and Co-Lead Counsel may not cancel or terminate the Settlement (or this Stipulation) based on this Court's or any appellate court's ruling with respect to the Plan of Allocation or any other plan of allocation in the Action. Defendants and the other Released Defendants' Persons shall not object in any way to the Plan of Allocation or any other plan of allocation in the Action and shall not have any involvement with the application of the Court-approved plan of allocation.

26. The Net Settlement Fund shall be distributed to eligible Class Members only after the Effective Date of the Settlement and after: (i) all Notice and Administration Costs, all Taxes, and any Fee and Expense Award have been paid from the Settlement Fund or reserved; and (ii) the Court has entered an order authorizing the specific distribution of the Net Settlement Fund (the "**Class Distribution Order**"). At such time that Co-Lead Counsel, in their sole discretion, deems it appropriate to move forward with the distribution of the Net Settlement Fund to the Class, Co-Lead Counsel will apply to the Court, on notice to Defendants' Counsel, for the Class Distribution Order.

27. Payment pursuant to the Class Distribution Order shall be final and conclusive against all Class Members. Plaintiff, Defendants, and the other Released

Defendants' Persons and their respective counsel, shall have no liability whatsoever for the investment or distribution of the Settlement Fund or the Net Settlement Fund, the determination, administration, or calculation of any payment from the Net Settlement Fund, the nonperformance of the Settlement Administrator or a nominee holding shares on behalf of a Class Member, the payment or withholding of Taxes (including interest and penalties) owed by the Settlement Fund, or any losses incurred in connection therewith.

28. All proceedings with respect to the administration of the Settlement and distribution pursuant to the Class Distribution Order shall be subject to the exclusive jurisdiction of the Court.

VIII. CONDITIONS OF SETTLEMENT

29. The Effective Date of the Settlement shall be deemed to occur on the occurrence or waiver of all of the following events, which the Parties shall use their commercially reasonable best efforts to achieve:

(a) the full Settlement Amount has been paid into the Escrow Account accordance with Paragraph 6 above;

(b) the Court has entered the Scheduling Order, substantially in the form attached hereto as **Exhibit A**;

(c) the Court has entered the Judgment, substantially in the form attached hereto as **Exhibit D**; and

(d) the Judgment has become Final.

30. Upon the occurrence of the Effective Date, any and all remaining interest or right of Defendants or their insurance carriers in or to the Settlement Fund, if any, shall be absolutely and forever extinguished and the Releases herein shall be effective.

IX. TERMINATION OF SETTLEMENT; EFFECT OF TERMINATION

31. Plaintiff and Defendants (provided Defendants unanimously agree amongst themselves) shall each have the right to terminate the Settlement and this Stipulation, by providing written notice of their election to do so ("Termination Notice") to the other Parties within thirty (30) calendar days of: (i) the Court's final refusal to enter the Scheduling Order in any material respect; (ii) the Court's final refusal to approve the Settlement or any material part thereof; (iii) the Court's final refusal to enter the Judgment in any material respect as to the Settlement; or (iv) the date upon which an order vacating, modifying, revising, or reversing the Judgment in any material respect becomes Final. In addition to the foregoing, Plaintiff shall have the unilateral right to terminate the Settlement and this Stipulation, by providing written notice of their election to do so to Defendants within thirty (30) calendar days of any failure of Defendants to cause the full payment of the Settlement Amount into the Escrow Account in a timely manner in accordance with Paragraph 6 above. However, any decision or proceeding, whether in this Court or

any appellate court, with respect to an application by Co-Lead Counsel for any Fee and Expense Award, or with respect to any plan of allocation, shall not be considered material to the Settlement, shall not affect the finality of the Judgment, and shall not be grounds for termination of the Settlement.

32. If (i) Plaintiff exercises her right to terminate the Settlement as provided in this Stipulation; or (ii) Defendants exercise their right to terminate the Settlement as provided in this Stipulation, then:

(a) The Settlement and the relevant portions of this Stipulation shall be canceled and terminated;

(b) Plaintiff and Defendants shall revert to their respective positions in the Action as of immediately prior to the execution of the Term Sheet on May 2, 2022 and the Parties shall promptly negotiate a new schedule to bring the Action to trial;

(c) The terms and provisions of this Stipulation, with the exception of this Paragraph 32 and Paragraphs 12, 15, 33, and 55 of this Stipulation, shall have no further force and effect with respect to the Parties and shall not be used in the Action or in any other proceeding for any purpose, and any Judgment or order entered by the Court in accordance with the terms of this Stipulation shall be treated as vacated, *nunc pro tunc*; and

(d) Within fifteen (15) business days after joint written notification of termination is sent by Defendants' Counsel and Co-Lead Counsel to the Escrow Agent, the Settlement Fund (including accrued interest thereon, and change in value as a result of the investment of the Settlement Fund, and any funds received by Plaintiff's Counsel consistent with Paragraph 15 above), less any Notice and Administration Costs actually incurred, paid, or payable and less any Taxes paid, due, or owing shall be refunded by the Escrow Agent to Defendants and/or Defendants' insurers, with the refund allocated according to the respective contributions to the Settlement Fund on behalf of Defendants (according to instructions to be provided by Defendants to Co-Lead Counsel). In the event that the funds received by Plaintiff's Counsel consistent with Paragraph 15 above have not been refunded to the Settlement Fund within the fifteen (15) business days specified in this Paragraph, those funds shall be refunded by the Escrow Agent to Defendants and/or Defendants' insurers, with the refund allocated according to the respective contributions to the Settlement Fund on behalf of Defendants (according to instructions to be provided by Defendants to Co-Lead Counsel) immediately upon their deposit into the Escrow Account consistent with Paragraph 15 above.

X. NO ADMISSION OF WRONGDOING

33. Neither the Term Sheet, this Stipulation (whether or not consummated), including the Exhibits hereto and the Plan of Allocation contained therein (or any

other plan of allocation that may be approved by the Court), the negotiations leading to the execution of the Term Sheet and this Stipulation, nor any proceedings taken pursuant to or in connection with the Term Sheet, this Stipulation, and/or approval of the Settlement (including any arguments proffered in connection therewith):

(a) shall be offered against any of the Released Defendants' Persons as evidence of, or construed as, or deemed to be evidence of any presumption, concession, or admission by any of the Released Defendants' Persons with respect to the truth of any fact alleged by Plaintiff or the validity of any claim that was or could have been asserted or the deficiency of any defense that has been or could have been asserted in this Action or in any other litigation, or of any liability, negligence, fault, or other wrongdoing of any kind of any of the Released Defendants' Persons or in any way referred to for any other reason as against any of the Released Defendants' Persons, in any arbitration proceeding or other civil, criminal, or administrative action or proceeding, other than such proceedings as may be necessary to effectuate the provisions of this Stipulation;

(b) shall be offered against any of the Released Plaintiff's Persons, as evidence of, or construed as, or deemed to be evidence of any presumption, concession, or admission by any of the Released Plaintiff's Persons that any of their claims are without merit, that any of the Released Defendants' Persons had meritorious defenses, or that damages recoverable under the Complaint would not

have exceeded the Settlement Amount or with respect to any liability, negligence, fault, or wrongdoing of any kind, or in any way referred to for any other reason as against any of the Released Plaintiff's Persons, in any arbitration proceeding or other civil, criminal, or administrative action or proceeding, other than such proceedings as may be necessary to effectuate the provisions of this Stipulation; or

(c) shall be construed against any of the Released Persons as an admission, concession, or presumption that the consideration to be given hereunder represents the amount which could be or would have been recovered after trial;

provided, however, that if this Stipulation is approved by the Court, the Parties and the Released Persons and their respective counsel may refer to it to effectuate the protections from liability granted under this Stipulation or otherwise to enforce the terms of the Settlement.

XI. MISCELLANEOUS PROVISIONS

34. All of the Exhibits attached hereto are incorporated by reference as though fully set forth herein. Notwithstanding the foregoing, if there exists a conflict or inconsistency between the terms of this Stipulation and the terms of any Exhibit attached hereto, the terms of the Stipulation shall prevail.

35. Each of the Defendants warrants that, as to the payments made or to be made on behalf of him, her, or it, at the time of entering into this Stipulation and at the time of such payment he, she, or it, or to the best of his, her, or its knowledge

any persons or entities contributing to the payment of the Settlement Amount, were not insolvent, nor will the payment required to be made by or on behalf of them render them insolvent, within the meaning of and/or for the purposes of the United States Bankruptcy Code, including §§ 101 and 547 thereof. This representation is made by each of the Defendants and not by their counsel.

36. In the event of the entry of a Final order of a court of competent jurisdiction determining the transfer of money to the Settlement Fund or any portion thereof by or on behalf of Defendants to be a preference, voidable transfer, fraudulent transfer, or similar transaction and any portion thereof is required to be returned, and such amount is not promptly deposited into the Settlement Fund by others, then, at the election of Plaintiff, Plaintiff and Defendants shall jointly move the Court to vacate and set aside the Releases given and the Judgment entered in favor of Defendants and the other Released Persons pursuant to this Stipulation, in which event the Releases and Judgment shall be null and void, and Plaintiff and Defendants shall be restored to their respective positions in the litigation as provided in Paragraph 33 above, and any cash amounts in the Settlement Fund (less any Taxes paid, due, or owing with respect to the Settlement Fund and less any Notice and

Administration Costs actually incurred, paid, or payable) shall be returned as provided in Paragraph 33 above.

37. The Parties intend this Stipulation and the Settlement to be a final and complete resolution of all disputes asserted or which could be asserted by Plaintiff and any other Class Members against Defendants or the Former Defendant with respect to the Released Plaintiff's Claims. Accordingly, Plaintiff and her counsel and Defendants (and the Former Defendant) and their counsel agree not to assert in any forum that this Action was brought by Plaintiff or defended by Defendants (or the Former Defendant) in bad faith or without a reasonable basis. The Parties agree that the amounts paid and the other terms of the Settlement were negotiated at arm's-length and in good faith by the Parties, including through a mediation process supervised and conducted by Robert A. Meyer of JAMS, Inc., and reflect the Settlement that was reached voluntarily after extensive negotiations and consultation with experienced legal counsel, who were fully competent to assess the strengths and weaknesses of their respective clients' claims or defenses.

38. While retaining their right to deny that the claims asserted in the Action were meritorious, Defendants (and the Former Defendant) and their counsel, in any statement made to any media representative (whether or not for attribution) will not assert that the Action was commenced or prosecuted in bad faith, nor will they deny that the Action was commenced and prosecuted in good faith and is being settled

voluntarily after consultation with competent legal counsel. In all events, Plaintiff and her counsel and Defendants (and the Former Defendant) and their counsel shall not make any accusations of wrongful or actionable conduct by any Party concerning the prosecution, defense, and resolution of the Action, and shall not otherwise suggest that the Settlement constitutes an admission of any claim or defense alleged.

39. The terms of the Settlement, as reflected in this Stipulation, may not be modified or amended, nor may any of its provisions be waived except by a writing signed on behalf of each of the Parties (or their successors-in-interest).

40. The headings herein are used for the purpose of convenience only and are not meant to have legal effect.

41. If any deadline set forth in this Stipulation or the Exhibits thereto falls on a Saturday, Sunday, or legal holiday, that deadline will be continued to the next business day.

42. Without further Order of the Court, the Parties may agree to reasonable extensions of time to carry out any of the provisions of this Stipulation.

43. The administration and consummation of the Settlement as embodied in this Stipulation shall be under the authority of the Court, and the Court shall retain jurisdiction for the purpose of entering orders providing for an award of any Fee and Expense Award to Plaintiff's Counsel, and enforcing the terms of this Stipulation, including the Plan of Allocation (or such other plan of allocation as may be approved

by the Court) and the distribution of the Net Settlement Fund to eligible Class Members.

44. The waiver by one Party of any breach of this Stipulation by any other Party shall not be deemed a waiver of any other prior or subsequent breach of this Stipulation.

45. This Stipulation and its Exhibits constitute the entire agreement among the Parties concerning the Settlement and this Stipulation and its Exhibits. Each Party acknowledges that no other agreements, representations, warranties, or inducements have been made by any Party concerning this Stipulation or its Exhibits other than those contained and memorialized in such documents.

46. This Stipulation may be executed in one or more counterparts, including by signature transmitted via facsimile, or by a .pdf/.tif image of the signature transmitted via email. All executed counterparts and each of them shall be deemed to be one and the same instrument.

47. This Stipulation shall be binding upon and inure to the benefit of the successors and assigns of the Parties, and the Released Persons, and any corporation, partnership, or other entity into or with which any Party may merge, consolidate, or reorganize. The Parties acknowledge and agree, for the avoidance of doubt, that the Released Defendants' Persons and the Released Plaintiff's Persons are intended

beneficiaries of this Stipulation and are entitled to enforce the releases contemplated by the Settlement.

48. The Stipulation, the Settlement, and any and all disputes arising out of or relating in any way to any of them, whether in contract, tort or otherwise, shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to conflict of laws principles.

49. Any action arising under or to enforce this Stipulation or any portion thereof, shall be commenced and maintained only in the Court.

50. This Stipulation shall not be construed more strictly against one Party than another merely by virtue of the fact that it, or any part of it, may have been prepared by counsel for one of the Parties, it being recognized that it is the result of arm's-length negotiations between the Parties and that all Parties have contributed substantially and materially to the preparation of this Stipulation.

51. All counsel and all other persons executing this Stipulation and any of the Exhibits hereto, or any related Settlement documents, warrant and represent that they have the full authority to do so and that they have the authority to take appropriate action required or permitted to be taken pursuant to the Stipulation to effectuate its terms.

52. Co-Lead Counsel and Defendants' Counsel agree to cooperate fully with one another to obtain (and, if necessary, defend on appeal) all necessary

approvals of the Court required of this Stipulation (including, but not limited to, using their commercially reasonable best efforts to resolve any objections raised to the Settlement), and to use commercially reasonable best efforts to promptly agree upon and execute all such other documentation as may be reasonably required to obtain final approval by the Court of the Settlement.

53. If any Party is required to give notice to another Party under this Stipulation, such notice shall be in writing and shall be deemed to have been duly given upon receipt of hand delivery or email transmission, with confirmation of receipt. Notice shall be provided as follows:

BRETT HAWKES, Plaintiff, v. THE TORONTO-DOMINION BANK, TD GROUP US HOLDINGS LLC, TD BANK USA, NATIONAL ASSOCIATION, TD BANK, NATIONAL ASSOCIATION, STEPHEN BOYLE, TIM HOCKEY, BRIAN LEVITT, KAREN MAIDMENT, BHARAT MASRANI, IRENE MILLER, JOSEPH MOGLIA, WILBUR PREZZANO, and THE CHARLES SCHWAB CORPORATION, Defendants.	C.A. No. 2020-0360-PAF

STIPULATION AND AGREEMENT
OF COMPROMISE, SETTLEMENT, AND RELEASE

This Stipulation and Agreement of Compromise, Settlement, and Release ("**Stipulation**") is made and entered into as of March 25, 2022, and is intended to fully, finally, and forever resolve, discharge, and settle the Released Claims as set forth and defined in Paragraphs 1.28, 1.29, and 1.31 below.[1] The parties to this Stipulation are: (a) plaintiff Brett Hawkes ("Plaintiff"), on behalf of himself and the

[1] All terms herein with initial capitalization shall, unless defined elsewhere in this Stipulation, have the meanings given to them in Paragraph 1 below.

Settlement Class (defined below); and (b) defendants (i) The Toronto-Dominion Bank and its affiliates TD Group US Holdings LLC ("TD Group US"), TD Bank USA, National Association ("TD Bank USA"), and TD Bank, National Association ("TD Bank N.A.") (collectively, "**TD Bank**"); (ii) Tim Hockey, Brian Levitt, Karen Maidment, Bharat Masrani, Irene Miller, Joseph Moglia, Wilbur Prezzano, and Stephen Boyle (collectively, the "**Individual Defendants**"); and (iii) The Charles Schwab Corporation ("**CSC**," and together with TD Bank and the Individual Defendants, "**Defendants**") (collectively with Plaintiff, the "**Parties**"). This Stipulation sets forth the terms and conditions of the settlement of the above-captioned action (the "**Action**") reached by the Parties (the "**Settlement**"), subject to the approval of the Court of Chancery of the State of Delaware (the "**Court**").

I. PROCEDURAL BACKGROUND

WHEREAS:

A. On November 25, 2019, TD Ameritrade Holding Corporation ("**Ameritrade**") and CSC entered into a definitive merger agreement (the "**Merger Agreement**") for CSC to acquire Ameritrade in an all-stock transaction pursuant to which Ameritrade stockholders would receive 1.0837 shares of CSC common stock for each Ameritrade share (the "**Merger**").

B. On April 9, 2020, Plaintiff served Ameritrade with a corporate books and records demand pursuant to 8 *Del. C.* § 220 ("**Section 220**") to investigate,

among other things, alleged breaches of fiduciary duty in connection with the Merger. Following negotiations, Ameritrade produced to Plaintiff its nonpublic Board-level, and senior officer-level corporate books and records regarding the Merger.

C. On May 12, 2020, Plaintiff filed his complaint (the "**Initial Complaint**") initiating the Action. The Initial Complaint asserted that the Merger violated 8 *Del C.* § 203 ("**Section 203**"), that TD Bank and the Individual Defendants breached their fiduciary duties, and that CSC aided and abetted such breaches. Concurrently with filing the Initial Complaint, Plaintiff moved for expedited proceedings and a prompt injunction hearing (the "**Expedition Motion**").

D. On May 15, 2020, following briefing and oral argument, the Court granted in part and denied in part Plaintiff's Expedition Motion.

E. On May 26, 2020, Ameritrade filed a Form 8-K with the U.S. Securities and Exchange Commission providing Ameritrade stockholders with certain Section 203-related disclosures and asking stockholders to approve the Merger by the affirmative vote of at least 66 2/3% of the outstanding shares of Ameritrade common stock not owned by TD Bank or CSC (the "**Section 203 Vote**").

F. That same day, the parties entered a stipulation (the "**May 26 Stipulation**") memorializing that, if the Merger received the Section 203 Vote, Plaintiff's Section 203 claim would be moot. The May 26

Stipulation also documented the parties' agreement regarding the parameters of certain expedited discovery. The May 26 Stipulation further stated that Defendants disputed the allegations asserted by Plaintiff in the Action, and believed that Plaintiff's Section 203 Claim was without merit. Plaintiff believed (and continues to believe) that Plaintiff's Section 203 Claim was meritorious when filed.

G. On June 4, 2020, Ameritrade convened a special meeting of its stockholders to vote on the Merger. Approximately 76.9% of Ameritrade's outstanding shares (excluding any shares held by TD Bank and CSC) approved the Merger.

H. On June 11, 2020, the Parties filed a stipulation wherein Plaintiff dismissed his Section 203 claim as moot and withdrew his motion for preliminary injunction.

I. Between June 2020 and November 2020, Defendants and certain third parties, including the merging parties' financial advisors, produced 53,029 pages of documents in accordance with the May 26 Stipulation.

J. On October 6, 2020, the Merger closed.

K. On November 23, 2020, Plaintiff filed a motion for an interim award of attorneys' fees and expenses for the benefits conferred by the Section 203 Vote and Section 203-related disclosures (the "**Interim Award Motion**").

L. On February 5, 2021, Plaintiff filed his Verified Amended Class Action

Complaint (the "**Amended Complaint**"), which asserted, in connection with the Merger: (a) breach of fiduciary duty claims against (i) The Toronto-Dominion Bank, and its affiliates TD Group US, TD Bank USA, and TD Bank N.A., as Ameritrade's alleged controlling stockholder; (ii) Tim Hockey, Brian Levitt, Karen Maidment, Bharat Masrani, Irene Miller, Joseph Moglia, and Wilbur Prezzano as members of Ameritrade's board of directors (the "**Board**"); (iii) Ameritrade's Chief Executive Officer Stephen Boyle; and (b) a claim against CSC for aiding and abetting the foregoing breaches.

M. In particular, the Amended Complaint alleged that TD Bank breached its fiduciary duties as Ameritrade's controlling stockholder by conditioning its support for the Merger on receiving a nonratable benefit from the acquirer, CSC, through an amended "insured deposit account agreement" (the "**Amended IDA Agreement**") between the post-Merger company and TD Bank.

N. The Amended Complaint further alleged that the Merger's process and price were unfair because TD Bank allegedly usurped, and Ameritrade's special committee (the "**Committee**") allegedly ceded, responsibility for negotiating a critical component of the Merger (the Amended IDA Agreement), which allegedly was traded off for potential additional consideration that could have been received by all Ameritrade stockholders.

O. Furthermore, the Amended Complaint alleged that CSC aided and

abetted breaches of fiduciary duty by allegedly using the Amended IDA Agreement as a bargaining chip to secure TD Bank's support for a lower exchange ratio in the all-stock Merger. Defendants vigorously disputed each of the claims in the Amended Complaint, including in their Motions to Dismiss, discussed below.

P. On April 1, 2021, the Court heard oral argument on the Interim Award Motion and granted Plaintiff's counsel an interim fee award of $3,850,000.

Q. On April 29, 2021, Defendants filed motions to dismiss the Amended Complaint (the "**Motions to Dismiss**"). Defendants' Motions to Dismiss disputed Plaintiff's claims and allegations in the Amended Complaint.

R. Among other things, the Motions to Dismiss argued that the Amended Complaint failed to state a claim as a matter of law because (1) Toronto-Dominion Bank was not a controlling stockholder of Ameritrade and did not owe (or breach) any fiduciary duties to Ameritrade's stockholders; (2) no viable claim for breach of fiduciary duty was made against TD Group US, TD Bank USA and TD Bank N.A. because the Amended Complaint did not allege that these entities owned any Ameritrade stock or had any control over the Ameritrade Board but sought to impose fiduciary duties on these entities by defining them "collectively" as TD Bank; and (3) the Merger was protected by the business judgment rule under *Kahn v. M&F Worldwide Corp.*, 88 A.3d 635 (Del. 2014). Specifically, the Motions to Dismiss argued that the Merger had been conditioned from the outset of negotiations on

approval by an independent committee of Ameritrade's outside directors and a majority of Ameritrade's stockholders not affiliated with TD Bank, and those conditions were satisfied by the Committee's approval and the stockholder vote on June 4, 2020. The Motions to Dismiss also argued that the aiding and abetting claim against CSC failed because there was no viable primary claim for breach of fiduciary duty or any facts alleged that show that CSC knowingly participated in any such alleged breach. Plaintiff vigorously disputed each of these claims, including in his answering brief opposing the Motions to Dismiss.

S. On November 18, 2021, the Court heard oral argument on the Motions to Dismiss.

T. Following arm's-length negotiations between the Parties, on January 19, 2022, the Parties reached an agreement-in-principle to settle the claims asserted in the Action against Defendants for $31,500,000, subject to the execution of the Stipulation and related papers and Court approval.

U. On January 20, 2022, the Parties informed the Court that the Parties had reached an agreement-in-principle to fully resolve the Action.

V. This Stipulation (together with the Exhibits hereto), which has been duly executed by the undersigned signatories on behalf of their respective clients, reflects the final and binding agreement among the Parties concerning the Settlement.

II. CLAIMS OF THE STOCKHOLDER AND BENEFITS OF SETTLEMENT

W. Plaintiff, through Plaintiff's Co-Lead Counsel, has conducted an investigation and pursued documentary discovery relating to the claims and the underlying events and transactions alleged in the Action. Plaintiff's Co-Lead Counsel have analyzed the evidence adduced during their investigation, and have also researched the applicable law with respect to the claims asserted in the Action and the potential defenses thereto. This investigation and the settlement negotiations between the parties have provided Plaintiff with a sufficient basis upon which to assess the relative strengths and weaknesses of Plaintiff's position and Defendants' position in this litigation.

X. Plaintiff maintains that the claims asserted in the Action have merit, but also believes that the Settlement provides substantial and immediate benefits for the Settlement Class. In addition to these substantial benefits, Plaintiff and his counsel have considered: (i) the attendant risks of continued litigation and the uncertainty of the outcome of the Action; (ii) the probability of success on the merits; (iii) possible defenses to the claims asserted in the Action; (iv) the desirability of permitting the Settlement to be consummated according to its terms; (v) the expense and length of continued proceedings necessary to prosecute the Action through trial and appeal; (vi) the likelihood of monetary recovery to the extent Plaintiff was able to secure a monetary judgment against one or more of the Defendants; and (vii) the conclusion

by Plaintiff and Plaintiff's Co-Lead Counsel that the terms and conditions of the Settlement are fair, reasonable, and adequate, and that it is in the best interests of Plaintiff and the Settlement Class to settle the Action on the terms set forth in this Stipulation.

Y. Plaintiff and Plaintiff's Co-Lead Counsel have determined that the proposed Settlement is fair, reasonable, adequate, and in the best interests of Settlement Class. The Settlement provides substantial immediate benefits to the Settlement Class without the risk that continued litigation could result in obtaining similar or lesser relief for the Settlement Class after continued extensive and expensive litigation, including trial and appeal. The Settlement and this Stipulation shall in no event be construed as, or deemed to be, evidence of a concession by Plaintiff of any infirmity in the claims asserted in the Action.

III. DEFENDANTS' DENIAL OF WRONGDOING AND LIABILITY

Z. Defendants maintain that their conduct was at all times proper and in compliance with applicable law and they have denied, and continue to deny, that they have committed or intended to commit any breaches of their obligations or violations of law arising out of any of the conduct, statements, acts, or omissions alleged in the Action or otherwise. TD Bank specifically denies that it was a controlling stockholder of Ameritrade and owed any fiduciary duties to Plaintiff or the Settlement Class. TD Bank and the Individual Defendants further deny that they

breached any fiduciary or other legal duties owed to Plaintiff or the Settlement Class, and CSC specifically denies that it aided and abetted any such alleged breach. Defendants also deny that Plaintiff or the Settlement Class were harmed by any conduct of Defendants alleged in the Action. Defendants assert that, at all relevant times, they acted in good faith and in a manner consistent with any fiduciary and/or legal duties owed to Plaintiff and the Settlement Class in connection with the Merger.

AA. Defendants, however, recognize the uncertainty and the risks inherent in any litigation, and the difficulties and substantial burdens, expense, and time that may be necessary to defend this proceeding. Defendants wish to eliminate the uncertainty, risk, burden, and expense of further litigation. Defendants have therefore decided to settle the Action on the terms and conditions set forth in this Stipulation, without in any way acknowledging any wrongdoing, fault, liability, or damages.

BB. Defendants deny all allegations of wrongdoing, fault, liability, or damage to Plaintiff as well as each and every other member of the Class, and further deny that Plaintiff has asserted a valid claim against any of them. Defendants further deny that they engaged in any wrongdoing, committed any violation of law or breach of duty, or aided and abetted any such violation or breach, and Defendants believe that they acted properly, in good faith, and in a manner consistent with their legal

duties. Defendants are entering into the Settlement and this Stipulation solely to avoid the substantial burden, expense, inconvenience, and distraction of continued litigation and to resolve each of the Released Plaintiff's Claims as against the Released Defendants' Persons. The Settlement and this Stipulation shall in no event be construed as, or deemed to be, evidence of or an admission or concession on the part of any of Defendants with respect to any claim or factual allegation or of any fault or liability or wrongdoing or damage whatsoever or any infirmity in the defenses that any of Defendants have or could have asserted.

CC. The Parties recognize that the Action has been filed and prosecuted by Plaintiff in good faith and defended by Defendants in good faith and further that the Settlement Amount to be paid, and the other terms of the Settlement set forth herein, were negotiated at arm's-length, in good faith, and reflect an agreement that was reached voluntarily after consultation with experienced legal counsel.

IV. TERMS OF THE STIPULATION AND AGREEMENT OF SETTLEMENT

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED, BY AND AMONG THE PARTIES TO THIS STIPULATION, subject to the approval of the Court pursuant to Court of Chancery Rule 23, for good and valuable consideration set forth herein and conferred on Plaintiff and the Class, the sufficiency of which is acknowledged, the claims asserted in the Action against Defendants shall be finally and fully settled, compromised, and dismissed with

prejudice, and that the Released Plaintiff's Claims shall be finally and fully compromised, resolved, discharged, settled, and dismissed with prejudice against the Released Defendants' Persons, and that the Released Defendants' Claims shall be finally and fully compromised, resolved, discharged, settled, and dismissed with prejudice against the Released Plaintiff's Persons, in the manner set forth in this Stipulation.

C. Releases

2.2. The obligations incurred pursuant to this Stipulation shall be in full and final disposition of the Action and the Releases provided for under this Stipulation.

2.3. Upon the Effective Date, Plaintiff and each and every other member of the Settlement Class shall have—and by operation of the Judgment shall be deemed to have—fully, finally, and forever released, relinquished, and discharged the

Released Plaintiff's Claims against the Released Defendants' Persons. Each and every Settlement Class Member will be bound by this release of the Released Plaintiff's Claims against the Released Defendants' Persons.

2.4. Upon the Effective Date, Defendants shall have—and by operation of the Judgment shall be deemed to have—fully, finally, and forever released, relinquished, and discharged the Released Defendants' Claims against the Released Plaintiff's Persons.

2.5. Plaintiff, in his individual capacity, and on behalf of the Settlement Class, acknowledges that he may discover facts in addition to or different from those now known or believed to be true with respect to the subject matter of the Released Plaintiff's Claims, but that it is his intention to fully, finally, and forever settle and release with prejudice the Released Plaintiff's Claims. With respect to any and all Released Plaintiff's Claims, Plaintiff and the Settlement Class shall be deemed to have waived and relinquished, to the fullest extent permitted by law, the provisions, rights, and benefits of California Civil Code § 1542 (and equivalent, comparable, or analogous provisions of the laws of the United States or any state or territory thereof, or of the common law). California Civil Code § 1542 provides that:

> A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

2.6. Defendants acknowledge that they may discover facts in addition to or different from those now known or believed to be true with respect to the subject matter of the Released Defendants' Claims, but that it is their intention to fully, finally, and forever settle and release with prejudice the Released Defendants' Claims. With respect to any and all Released Defendants' Claims, Defendants shall be deemed to have waived and relinquished, to the fullest extent permitted by law, the provisions, rights, and benefits of California Civil Code § 1542 (and equivalent, comparable, or analogous provisions of the laws of the United States or any state or territory thereof, or of the common law).

2.7. Notwithstanding the Release described in Paragraph 2.3 above, nothing herein is intended to or shall affect any rights or release any claim with respect to (i) past or future indemnification or advancement or payment of past or future legal fees and defense costs arising under and pursuant to any Released Defendants' Person's respective advancement or indemnification agreements; Ameritrade's certificate of incorporation or by-laws; any insurance policy covering Ameritrade or its current or former officers and directors; applicable law, equity or other contract; or applicable insurance; (ii) the rights of any Defendant or any of their insurers in connection with the allocation of the payment of the Settlement Amount; or (iii) any past or future claims between any Defendant and any insurer.

2.8. Nothing herein shall in any way impair or restrict the rights of the

Parties to enforce the terms of the Settlement pursuant to this Stipulation.

V. USE OF SETTLEMENT FUND

3.1. The Settlement Fund shall be used to pay: (a) any Taxes; (b) any Notice and Administration Costs; (c) any attorneys' fees and/or expenses awarded by the Court to Plaintiff's Counsel from the Settlement Fund; (d) any incentive award to Plaintiff paid solely from any attorneys' fees and expenses awarded by the Court; and (e) any other costs and fees approved by the Court. The balance remaining in the Settlement Fund (*i.e.*, the "**Net Settlement Fund**") shall be distributed to Eligible Closing Date Stockholders pursuant to the proposed Plan of Allocation or such other plan of allocation approved by the Court.

3.2. Except as provided herein or pursuant to orders of the Court, the Net Settlement Fund shall remain in the Escrow Account prior to the Effective Date. All funds held by the escrow agent ("**Escrow Agent**") shall be deemed to be in the custody of the Court and shall remain subject to the jurisdiction of the Court until such time as the funds shall be distributed or returned pursuant to the terms of this Stipulation and/or further order of the Court. The Escrow Agent shall invest any funds in the Escrow Account exclusively in United States Treasury Bills (or a mutual fund invested solely in such instruments) and shall collect and reinvest all interest accrued thereon, except that any residual cash balances up to the amount that is insured by the FDIC may be deposited in any account that is fully insured by the

FDIC. In the event that the yield on United States Treasury Bills is negative, in lieu of purchasing such Treasury Bills, all or any portion of the funds held by the Escrow Agent may be deposited in any account that is fully insured by the FDIC or backed by the full faith and credit of the United States. Additionally, if short-term placement of the funds is necessary, all or any portion of the funds held by the Escrow Agent may be deposited in any account that is fully insured by the FDIC or backed by the full faith and credit of the United States.

3.3. The Parties agree that the Settlement Fund is intended to be a Qualified Settlement Fund within the meaning of Treasury Regulation § 1.468B-1 and that Plaintiff's Co-Lead Counsel, as administrators of the Settlement Fund within the meaning of Treasury Regulation § 1.468B-2(k)(3), shall be solely responsible for filing or causing to be filed all informational and other tax returns as may be necessary or appropriate (including, without limitation, the returns described in Treasury Regulation § 1.468B-2(k)) for the Settlement Fund. Plaintiff's Co-Lead Counsel shall also be responsible for causing payment to be made from the Settlement Fund of any Taxes owed with respect to the Settlement Fund. The Released Defendants' Persons shall not have any liability or responsibility for any such Taxes. Upon written request, Defendants will provide to Plaintiff's Co-Lead Counsel the statement described in Treasury Regulation § 1.468B-3(e). Plaintiff's Co-Lead Counsel, as administrators of the Settlement Fund within the meaning of

Treasury Regulation § 1.468B-2(k)(3), shall timely make such elections as are necessary or advisable to carry out this Paragraph, including, as necessary, making a "relation back election," as described in Treasury Regulation § 1.468B-1(j), to cause the Qualified Settlement Fund to come into existence at the earliest allowable date, and shall take or cause to be taken all actions as may be necessary or appropriate in connection therewith.

3.4. All Taxes shall be paid out of the Settlement Fund, and shall be timely paid, or caused to be paid, by Plaintiff's Co-Lead Counsel and without further order of the Court. Any tax returns prepared for the Settlement Fund (as well as the election set forth therein) shall be consistent with the previous Paragraph and in all events shall reflect that all Taxes on the income earned by the Settlement Fund shall be paid out of the Settlement Fund as provided herein. The Released Defendants' Persons shall have no liability whatsoever for any Taxes with respect to income earned by the Settlement Fund while on deposit in the Escrow Account.

3.5. The Settlement is not a claims-made settlement. Upon the occurrence of the Effective Date, Defendants, their insurers, the other Released Defendants' Persons, and any other Person who or which paid any portion of the Settlement Amount shall not have any right to the return of the Settlement Fund or any portion thereof for any reason whatsoever.

3.6. Notwithstanding the fact that the Effective Date of the Settlement has

not yet occurred, Plaintiff's Co-Lead Counsel may pay from the Settlement Fund, without further approval from Defendants or further order of the Court, all Notice and Administration Costs actually incurred and paid or payable. Such costs and expenses shall include, without limitation, the actual costs of printing and mailing the Notice, publishing the Summary Notice, reimbursements to nominee owners for forwarding the Notice to their beneficial owners, the administrative expenses incurred and fees charged by the Settlement Administrator in connection with providing notice and administering the Settlement, and the fees, if any, of the Escrow Agent. In the event that the Settlement is terminated pursuant to the terms of this Stipulation, all Notice and Administration Costs paid or incurred, including any related fees, shall not be returned or repaid to Defendants, any insurers, or any of the other Released Defendants' Persons, or any other Person who or which paid any portion of the Settlement Amount.

VI. ATTORNEYS' FEES AND EXPENSES

4.1. Plaintiff's Co-Lead Counsel intend to petition the Court for an all-in award of attorneys' fees and expenses to Plaintiff's Counsel for the financial recovery obtained for the Settlement Class under the Settlement, to be paid solely from the Settlement Fund, and from no other source, in an aggregate amount not to exceed 20% of the Settlement Fund (the "**Fee and Expense Application**").

4.2. In connection with Plaintiff's Co-Lead Counsel's Fee and Expense

Application, Plaintiff also intends to petition the Court for an incentive award of up to $5,000 to be paid to Plaintiff solely from any attorneys' fees and expenses awarded by the Court (the "**Incentive Award**").

4.3. Plaintiff's Co-Lead Counsel's Fee and Expense Application is not the subject of any agreement among Plaintiff and Defendants other than what is set forth in this Stipulation. Defendants agree that they will not object to or otherwise take any position on the Fee and Expense Application or the Incentive Fee Award so long as the Fee and Expense Application seeks an award no greater than 20% of the Settlement Fund and the Incentive Award seeks no greater than $5,000 of the Fee and Expense Award as defined below.

4.4. Plaintiff's Counsel's attorneys' fees and expenses that are awarded by the Court, including any Incentive Award to Plaintiff (the "**Fee and Expense Award**") will be paid to Plaintiff's Counsel and Plaintiff by the Escrow Agent from the Settlement Fund. The Fee and Expense Award shall be paid to Plaintiff's Co-Lead Counsel within ten (10) business days after award by the Court, notwithstanding the existence of any timely filed objections thereto, or potential for appeal therefrom, or collateral attack on the Settlement or any part thereof.

4.5. If, after payment of the Fee and Expense Award, the Fee and Expense Award is reversed, vacated, or reduced and such order reversing, vacating, or reducing the award has become Final, or the Settlement is terminated in accordance

with the terms of this Stipulation, Plaintiff's Counsel and Plaintiff shall, within ten (10) business days after receiving from Defendants' Counsel or from a court of appropriate jurisdiction notice of the termination of the Settlement or notice of any reduction of the Fee and Expense Award by Final order, make appropriate refunds or repayments to the Settlement Fund.

4.6. Court approval of this Stipulation is not in any way conditioned on Court approval of Plaintiff's Co-Lead Counsel's Fee and Expense Application and/or the Incentive Award. Disallowance by the Court of any application for fees and expenses, or any portion thereof, any appeal from any order relating thereto, or any modification or reversal on appeal of any such order, shall not operate to terminate or cancel this Stipulation or affect its other terms, including the Releases set forth herein, or to affect or delay the finality of the Judgment approving this Stipulation and the Settlement.

4.7. Payment of the amount or amounts the Court awards to Plaintiff's Counsel or Plaintiff pursuant to the Fee and Expense Award and Incentive Award shall constitute full satisfaction of any obligation to pay any amounts to any person, attorney, or law firm for attorneys' fees, expenses, or costs incurred by any attorney on behalf of Plaintiff with respect to the claims asserted in the Action against Defendants, and shall relieve Defendants of any other claims or liability to any other attorney or law firm for any attorneys' fees, expenses, and/or costs to which any of

them may claim to be entitled on behalf of Plaintiff.

4.8. Plaintiff's Co-Lead Counsel shall allocate the attorneys' fees awarded amongst Plaintiff's Counsel in a manner which they, in good faith, believe reflects the contributions of such counsel to the institution, prosecution, and settlement of the Action. The Released Defendants' Persons shall have no responsibility for or liability whatsoever with respect to the allocation or award of any Fee and Expense Award to Plaintiff's Counsel.

VII. SCHEDULING ORDER AND SETTLEMENT HEARING

5.1. Immediately after execution of this Stipulation, the Parties shall jointly submit this Stipulation and Exhibits to the Court, and shall apply to the Court for entry of the Scheduling Order, substantially in the form attached hereto as **Exhibit A,** providing for, among other things: (a) the dissemination by mail (or email) of the Notice; (b) the publication of the Summary Notice; and (c) the scheduling of the Settlement Hearing to consider: (i) final approval of the proposed Settlement, (ii) the request that the Judgment, substantially in the form attached hereto as **Exhibit D**, be entered by the Court, (iii) approval of Co-Lead Counsel's Fee and Expense Application and Plaintiff's Incentive Award; (iv) approval of the proposed Plan of Allocation, and (v) any objections to any of the foregoing.

5.2. The Parties and their attorneys agree to use their individual and collective best efforts to obtain Court approval of this Stipulation and the Settlement.

The Parties and their attorneys further agree to use their individual and collective best efforts to effect, take, or cause to be taken all actions, and to do, or cause to be done, all things reasonably necessary to consummate and make effective, as promptly as practicable, this Stipulation, the Settlement provided for hereunder, and the dismissal of the Action.

VIII. STANDSTILL AGREEMENT

6.1. Pending Court approval of this Stipulation, the Parties agree to stay any and all proceedings in the Action other than those incident to this Stipulation.

6.2. Pending final determination of whether this Stipulation should be approved, the Parties agree not to institute, commence, prosecute, continue, or in any way participate in any action or other proceeding asserting any Released Plaintiff's Claims against any Released Defendants' Persons or any Released Defendants' Claims against any Released Plaintiff's Persons.

6.3. Notwithstanding Paragraph 6.2 above, nothing herein shall in any way impair or restrict the rights or obligations of any Party to defend this Stipulation or to otherwise respond in the event any Person objects to this Stipulation, the Judgment to be entered, the Fee and Expense Application, or the Incentive Award.

IX. DISMISSAL OF ACTION

7.1. If the Court approves this Stipulation, the Parties shall promptly request the Court to enter the Judgment, substantially in the form annexed hereto as **Exhibit**

D. The Judgment shall dismiss the Action with prejudice and permanently restrain and enjoin Plaintiff and the Settlement Class from instituting, asserting, or prosecuting any of the Released Plaintiffs' Claims against any of the Released Defendants' Persons in any court or other forum, except to enforce the terms of the Settlement. The Parties shall take all reasonable and appropriate steps to obtain entry of the Judgment.

X. SETTLEMENT ADMINISTRATION

8.1. Plaintiff shall retain a Settlement Administrator to provide notice of the Settlement and for the disbursement of the Net Settlement Fund to Eligible Closing Date Stockholders. Defendants and the other Released Defendants' Persons shall not have any involvement in or any responsibility, authority, or liability whatsoever for the selection of the Settlement Administrator.

8.2. Defendants shall cooperate with Plaintiff in providing notice of the Settlement and administering the Settlement, including, but not limited to, obtaining the Class Member Records in accordance with Paragraph 8.3 below and the Merger Records in accordance with Paragraph 8.4 below.

8.3. For purposes of providing notice of the Settlement to potential Settlement Class Members, within ten (10) business days following entry of the Scheduling Order by the Court, CSC, at no cost to the Settlement Fund, Plaintiff's Counsel, or the Settlement Administrator, shall provide to the Settlement

Administrator or Plaintiff's Co-Lead Counsel in an electronically searchable form, such as Excel, the stockholder register from Ameritrade's transfer agent containing the names, mailing addresses and, if readily available, email addresses for all registered holders of Ameritrade common stock during the Class Period ("**Class Member Records**").

8.4. For purposes of distributing the Net Settlement Fund to Eligible Closing Date Stockholders, within twenty (20) business days following entry of the Judgment by the Court, CSC, at no cost to the Settlement Fund, Plaintiff's Counsel, or the Settlement Administrator, shall make all reasonable efforts to provide to the Settlement Administrator or Plaintiff's Co-Lead Counsel in an electronically searchable form, such as Excel, the following information (the "**Merger Records**"):

(a) the names, mailing addresses and, if readily available, email addresses of all registered holders of Ameritrade common stock listed on Ameritrade's stockholder register ("**Registered Holders**") who held shares of Ameritrade common stock at the time such shares were converted into the right to receive the Merger Consideration in connection with the Closing of the Merger, other than the Excluded Parties ("**Merger Record Holders**"), and the number of shares of Ameritrade common stock held by the Merger Record Holders at the Closing and for which the Merger Record Holders received or were entitled to receive the Merger Consideration;

(b) a list of the Excluded Parties which shall include the following information: (i) the name of the Excluded Party; (ii) an indication of whether the Excluded Party was, at the Closing, either (a) a Registered Holder of Ameritrade common stock listed or (b) a beneficial holder of Ameritrade common stock whose shares were held via a financial institution on behalf of the Excluded Party ("**Beneficial Holder**"); (iii) the number of shares of Ameritrade common stock beneficially owned by the Excluded Party at the Closing and for which the Excluded Party received or was entitled to receive the Merger Consideration in connection with the Closing of the Merger ("**Excluded Shares**"); and (iv) for each Excluded Party that is a Beneficial Holder, the name and, if reasonably available, "DTCC Number" of the financial institution where their Excluded Shares were held.

(c) The allocation or "chill" report generated by the Depository Trust & Clearing Corporation, including its subsidiary DTCC, in anticipation of the Merger to facilitate the allocation of the Merger Consideration to Ameritrade stockholders (the "**DTCC Allocation Report**"), which shall include, for each DTCC Participant to which DTCC distributed the Merger Consideration, the DTCC Participant's "DTCC Number" and the number of shares of Ameritrade common stock reflected on the DTCC Allocation Report used by DTCC to distribute the Merger Consideration.

8.5. In addition to the information to be provided under Paragraph 8.4

above, CSC, at the request of Plaintiff, and at no cost to the Settlement Fund, Plaintiff, Plaintiff's Counsel, or the Settlement Administrator, shall make reasonable efforts to provide such additional information from any Excluded Party, Ameritrade, Ameritrade's transfer agent, or DTCC (or its nominee, Cede) as may be required to distribute the Net Settlement Fund to Eligible Closing Date Stockholders and to ensure that the Net Settlement Fund is paid only to Eligible Closing Date Stockholders and not to any Excluded Party. Furthermore, to facilitate the distribution of the Net Settlement Fund to Eligible Closing Date Stockholders, Defendants shall make all reasonable efforts to obtain all required "suppression letters" from DTCC Participants concerning any Excluded Shares, which suppression letters shall instruct DTCC to withhold payment on those Excluded Shares and contain any other terms as DTCC may reasonably require.

8.6. Defendants and any other Excluded Party shall not have any right to receive any part of the Settlement Fund for their own account(s) (*i.e.*, accounts in which they hold a proprietary interest, but not including accounts managed on behalf of others), or any additional amount based on any claim relating to the fact that Settlement proceeds are being received by any other stockholder, in each case under any theory, including but not limited to contract, application of statutory or judicial law, or equity.

8.7. The Net Settlement Fund shall be distributed to Eligible Closing Date

Stockholders in accordance with the proposed Plan of Allocation set forth in the Notice or such other plan of allocation as may be approved by the Court. The Plan of Allocation proposed in the Notice is not a necessary term of the Settlement or of this Stipulation and it is not a condition of the Settlement or of this Stipulation that any particular plan of allocation be approved by the Court. Plaintiff and Plaintiff's Co-Lead Counsel may not cancel or terminate the Settlement (or this Stipulation) based on this Court's or the Delaware Supreme Court's ruling with respect to the Plan of Allocation or any other plan of allocation in this Action. Defendants and the other Released Defendants' Persons shall not object in any way to the Plan of Allocation or any other plan of allocation in this Action and shall not have any involvement with the application of the Court-approved plan of allocation.

8.8. The Net Settlement Fund shall be distributed to Eligible Closing Date Stockholders only after the Effective Date of the Settlement and after: (a) all Notice and Administration Costs, all Taxes, and any Fee and Expense Award have been paid from the Settlement Fund or reserved; and (b) the Court has entered an order authorizing the specific distribution of the Net Settlement Fund (the "**Class Distribution Order**"). At such time that Plaintiff's Co-Lead Counsel, in their sole discretion, deem it appropriate to move forward with the distribution of the Net Settlement Fund to the Settlement Class, Plaintiff's Co-Lead Counsel will apply to the Court, on notice to Defendants' Counsel, for the Class Distribution Order.

8.9. Payment pursuant to the Class Distribution Order shall be final and conclusive against all Settlement Class Members. Plaintiff, Defendants, and the other Released Defendants' Persons and their respective counsel, shall have no liability whatsoever for the investment or distribution of the Settlement Fund or the Net Settlement Fund, the determination, administration, or calculation of any payment from the Net Settlement Fund, the nonperformance of the Settlement Administrator or a nominee holding shares on behalf of a Settlement Class Member, the payment or withholding of Taxes (including interest and penalties) owed by the Settlement Fund, or any losses incurred in connection therewith.

8.10. All proceedings with respect to the administration of the Settlement and distribution pursuant to the Class Distribution Order shall be subject to the exclusive jurisdiction of the Court.

XI. CONDITIONS OF SETTLEMENT

9.1. The Effective Date of the Settlement shall be deemed to occur on the occurrence or waiver of all of the following events, which the Parties shall use their best efforts to achieve:

(a) the full amount of the $31,500,000 Settlement Amount has been paid into the Escrow Account in accordance with Paragraph 2.1 above;

(b) the Court has entered the Scheduling Order, substantially in the form attached hereto as **Exhibit A**;

(c) the Court has entered the Judgment, substantially in the form attached hereto as **Exhibit D**; and

(d) the Judgment has become Final.

9.2. Upon the occurrence of the Effective Date, any and all remaining interest or right of Defendants or any insurer in or to the Settlement Fund, if any, shall be absolutely and forever extinguished and the Releases herein shall be effective.

XII. TERMINATION OF SETTLEMENT; EFFECT OF TERMINATION

10.1. Plaintiff and Defendants shall each have the right to terminate the Settlement and this Stipulation, by providing written notice of their election to do so ("**Termination Notice**") to the other Parties within thirty (30) calendar days of: (a) the Court's final refusal to enter the Scheduling Order in any material respect; (b) the Court's final refusal to approve the Settlement or any material part thereof; (c) the Court's final refusal to enter the Judgment in any material respect as to the Settlement; or (d) the date upon which an order vacating, modifying, revising, or reversing the Judgment in any material respect becomes Final. In addition to the foregoing, Plaintiff shall have the unilateral right to terminate the Settlement and this Stipulation, by providing written notice of his election to do so to Defendants within thirty (30) calendar days of any failure of Defendants to cause the full payment of the Settlement Amount into the Escrow Account in a timely manner in accordance

with Paragraph 2.1 above. However, any decision or proceeding, whether in this Court or the Delaware Supreme Court, with respect to Plaintiff's Co-Lead Counsel's Fee and Expense Application or the Incentive Award, or with respect to any plan of allocation, shall not be considered material to the Settlement, shall not affect the finality of the Judgment, and shall not be grounds for termination of the Settlement.

10.2. If Plaintiff exercises his right to terminate the Settlement as provided in this Stipulation, or Defendants exercise their right to terminate the Settlement as provided in this Stipulation, then:

(a) The Settlement and the relevant portions of this Stipulation shall be canceled and terminated;

(b) Plaintiff and Defendants shall revert to their respective positions in the Action as of immediately prior to the execution of this Stipulation on March 25, 2022;

(c) The terms and provisions of this Stipulation, with the exception of this Paragraph 10.2 and Paragraphs 3.6, 4.5, and 11.25, shall have no further force and effect with respect to the Parties and shall not be used in the Action or in any other proceeding for any purpose, and any Judgment or order entered by the Court in accordance with the terms of this Stipulation shall be treated as vacated, *nunc pro tunc*; and

(d) Within thirty (30) calendar days after joint written notification of

termination is sent by Defendants' Counsel and Plaintiff's Counsel to the Escrow Agent, the Settlement Fund (including accrued interest thereon, and change in value as a result of the investment of the Settlement Fund, and any funds received by Plaintiff's Counsel consistent with Paragraph 4.4 above), less any Notice and Administration Costs actually incurred, paid, or payable and less any Taxes paid, due, or owing shall be refunded by the Escrow Agent to Defendants and/or Defendants' insurers (or such other Persons as Defendants may direct and in such manner as Defendants may direct). In the event that the funds received by Plaintiff's Counsel consistent with Paragraph 4.4 above have not been refunded to the Settlement Fund within the thirty (30) calendar days specified in this Paragraph, those funds shall be refunded by the Escrow Agent to Defendants and/or Defendants' insurers (or such other Persons as Defendants may direct and in such manner as Defendants may direct) immediately upon their deposit into the Escrow Account consistent with Paragraph 4.5 above.

XIII. MISCELLANEOUS PROVISIONS

11.1. All of the exhibits attached hereto are incorporated by reference as though fully set forth herein. Notwithstanding the foregoing, if there exists a conflict or inconsistency between the terms of this Stipulation and the terms of any exhibit attached hereto, the terms of the Stipulation shall prevail.

11.2. Each of the Defendants warrants that, as to the payments made or to be

made on behalf of them, at the time of entering into this Stipulation and at the time of such payment they, or to the best of their knowledge any Persons contributing to the payment of the Settlement Amount, were not insolvent, nor will the payment required to be made by or on behalf of them render them insolvent, within the meaning of and/or for the purposes of the United States Bankruptcy Code, including §§ 101 and 547 thereof. This representation is made by each of the Defendants and not by their counsel.

11.3. In the event of the entry of a final order of a court of competent jurisdiction determining that the transfer of money to the Settlement Fund or any portion thereof by or on behalf of Defendants was a preference, voidable transfer, fraudulent transfer, or similar transaction and any portion thereof is required to be returned, and such amount is not promptly deposited into the Settlement Fund by others, then, at the election of Plaintiff, Plaintiff and Defendants shall jointly move the Court to vacate and set aside the Releases given and the Judgment entered in favor of Defendants and the other Released Persons pursuant to this Stipulation, in which event the Releases and Judgment shall be null and void, and Plaintiff and Defendants shall be restored to their respective positions in the litigation as provided in Paragraph 10.2 above and any cash amounts in the Settlement Fund (less any Taxes paid, due, or owing with respect to the Settlement Fund and less any Notice and Administration Costs actually incurred, paid, or payable) shall be returned as

provided in Paragraph 10.2 above.

11.4. This Stipulation reflects, among other things, the compromise and settlement of disputed claims among the Parties and neither this Stipulation nor the Releases provided for under this Stipulation, nor the Settlement consideration, nor any actions taken to carry out this Stipulation are intended to be, nor may they be deemed or construed to be, an admission or concession of liability (or lack thereof) or of the validity of any claim, defense, or of any point of fact or law on the part of any Party regarding those facts that have been, might have been, or might be alleged in the Action or in any other proceeding. The Released Persons may file this Stipulation and/or the Judgment in any action that has been or may be brought against them in order to support a claim or defense of the Released Persons based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

11.5. The Parties intend this Stipulation and the Settlement to be a final and complete resolution of all disputes asserted or which could be asserted by Plaintiff and any other Settlement Class Members against the Released Defendants' Persons with respect to the Released Plaintiff's Claims. The Parties agree that the amounts paid and the other terms of the Settlement were negotiated at arm's length and in good faith by the Parties and reflect the Settlement that was reached voluntarily after

extensive negotiations and consultation with experienced legal counsel, who were fully competent to assess the strengths and weaknesses of their respective clients' claims or defenses.

11.6. While retaining their right to deny that the claims asserted in the Action were meritorious, Defendants and their counsel, in any statement made to any media representative (whether or not for attribution) will not assert that the Action was commenced or prosecuted in bad faith, nor will they deny that the Action was commenced and prosecuted in good faith and is being settled voluntarily after consultation with competent legal counsel. In all events, Plaintiff and his counsel and Defendants and their counsel shall not make any accusations of wrongful or actionable conduct by any Party concerning the prosecution, defense, and resolution of the Action, and shall not otherwise suggest that the Settlement constitutes an admission of any claim or defense alleged.

11.7. This Stipulation shall be deemed to have been mutually prepared by each of the Parties and shall not be construed against any of them by reason of authorship.

11.8. This Stipulation may be executed in one or more counterparts, each of which shall be deemed to be an original and all of which shall constitute one and the same document. Any signature to this Stipulation by means of facsimile or .pdf shall be treated in all manner and respects as an original signature and shall be considered

to have the same binding legal effect as if it were the original signed version thereof.

11.9. Plaintiff and Plaintiff's Counsel represent and warrant that none of the claims referred to in this Stipulation or that could have been alleged in the Action have been assigned, encumbered, or in any manner transferred in whole or in part.

11.10. Defendants and Defendants' Counsel represent that they are not aware of any threatened or pending securities cases, derivative claims, or government investigations or actions concerning the Merger.

11.11. This Stipulation and its exhibits embody and represent the full agreement between Plaintiff and Defendants and supersede any and all prior agreements and understandings relating to the subject matter hereof between Plaintiff and Defendants. All Parties acknowledge that no other agreements, representations, warranties, or inducements have been made by any Party hereto concerning this Stipulation or its exhibits other than those contained and memorialized in such documents

11.12. This Stipulation shall not be modified or amended, nor shall any provision of this Stipulation be deemed waived, unless such modification, amendment, or waiver is in writing and executed by or on behalf of each of the Parties. The waiver by any Party of any provision or breach of this Stipulation shall not be deemed a waiver of any other provision or breach of this Stipulation.

11.13. This Stipulation shall be binding upon, and inure to the benefit of, the

successors and assigns of the Parties, including any and all Released Persons and any corporation, partnership, or other entity into or with which any Party may merge, consolidate, or reorganize. The Parties acknowledge and agree, for the avoidance of doubt, that the Released Defendants' Persons and the Released Plaintiff's Persons are intended beneficiaries of this Stipulation and are entitled to enforce the Releases contemplated by the Settlement.

11.14. The construction and interpretation of this Stipulation shall be governed by and construed in accordance with the laws of the State of Delaware and without regard to the laws that might otherwise govern under principles of conflicts of law applicable hereto.

11.15. All Parties agree to submit to the jurisdiction of the Court for the purposes of enforcing this Stipulation and the Judgment.

11.16. Without further order of the Court, the Parties may agree to reasonable extensions of time to carry out any of the provisions of this Stipulation

11.17. The headings herein are used for the purpose of convenience only and are not meant to have legal effect.

11.18. The administration and consummation of the Settlement as embodied in this Stipulation shall be under the authority of the Court, and the Court shall retain jurisdiction for the purpose of entering orders providing for awards of attorneys' fees and expenses to Plaintiff's Counsel and enforcing the terms of this Stipulation,

including the Plan of Allocation (or such other plan of allocation as may be approved by the Court) and the distribution of the Net Settlement Fund to Eligible Closing Date Stockholders.

11.19. Any action arising under or to enforce this Stipulation or any portion thereof shall be commenced and maintained only in the Court.

11.20. If any deadline set forth in this Stipulation or the exhibits hereto falls on a Saturday, Sunday, or legal holiday, that deadline will be continued to the next business day.

11.21. All counsel and all other persons executing this Stipulation and any of the Exhibits hereto, or any related Settlement documents, warrant and represent that they have the full authority to do so and that they have the authority to take appropriate action required or permitted to be taken pursuant to the Stipulation to effectuate its terms.

11.22. Plaintiff's Co-Lead Counsel and Defendants' Counsel agree to cooperate fully with one another to obtain (and, if necessary, defend on appeal) all necessary approvals of the Court required of this Stipulation (including, but not limited to, using their best efforts to resolve any objections raised to the Settlement), and to use their best efforts to promptly agree upon and execute all such other documentation as may be reasonably required to obtain final approval by the Court of the Settlement.

11.23. If any Party is required to give notice to another Party under this Stipulation, such notice shall be in writing and shall be deemed to have been duly given upon receipt of hand delivery or email transmission, with confirmation of receipt. Notice shall be provided as follows:

Case No. 2020-0111-SG

IN THE COURT OF CHANCERY OF THE STATE OF DELAWAR

IN RE CBS CORPORATION STOCKHOLDER CLASS ACTION AND DERIVATIVE LITIGATION	Consolidated C.A. No. 2020-0111-SG

STIPULATION AND AGREEMENT OF SETTLEMENT, COMPROMISE, AND RELEASE

This Stipulation and Agreement of Settlement, Compromise, and Release (with the Exhibits hereto, the "**Stipulation**"), in the above-captioned action (the "**Action**") is made and entered into as of May 26, 2023 by and between: (i) Co-Lead Plaintiff Cleveland Bakers and Teamsters Pension Fund ("**Cleveland Bakers**"), on behalf of itself and the Settlement Class (defined below); (ii) Co-Lead Plaintiff International Union of Operating Engineers of Eastern Pennsylvania and Delaware ("**IUOE**," and together with Cleveland Bakers, "**Plaintiffs**" or "**Co-Lead Plaintiffs**"), on behalf of itself and the Settlement Class (defined below); (iii) defendants National Amusements, Inc., the Sumner M. Redstone National Amusements Trust, Shari E. Redstone, Candace K. Beinecke, Barbara M. Byrne, Gary L. Countryman, Linda M. Griego, Robert N. Klieger, Martha L. Minow, Susan Schuman, Frederick O. Terrell, Strauss Zelnick, and Joseph Ianniello (collectively, "**Defendants**"); and (iv) nominal defendant Paramount Global (formerly known as ViacomCBS Inc.) ("**Paramount**," and together with Plaintiffs and Defendants, the

"**Parties**"). This Stipulation is submitted pursuant to Court of Chancery Rules 23 and 23.1.

Subject to the terms and conditions set forth herein and the approval of the Court, the Settlement embodied in this Stipulation is intended to: (i) be a full and final disposition of the Action; (ii) state all of the terms of the Settlement and the resolution of the Action; (iii) fully and finally compromise, resolve, dismiss, discharge and settle each and every one of the Plaintiffs' Released Claims against each and every one of the Released Defendants Persons; and (iv) fully and finally compromise, resolve, dismiss, discharge and settle each and every one of the Defendants' Released Claims against each and every one of the Released Parties.[1]

WHEREAS:

A. On August 13, 2019, Viacom Inc. ("**Viacom**") and CBS Corporation ("**CBS**") announced that they had entered into an agreement pursuant to which Viacom would merge with CBS in a stock-for-stock merger transaction (the "**Merger**"). The Merger closed on December 4, 2019.

B. Between February 20, 2020 and February 25, 2020, three related actions were filed in the Delaware Court of Chancery by certain former CBS stockholders, challenging the Merger and certain employment contracts entered into

[1] All terms herein with initial capitalization shall, unless defined elsewhere in this Stipulation, have the meanings given to them in Paragraph I.1.

between CBS and/or Paramount and Joseph Ianniello and alleging that the Defendants breached their fiduciary duties and committed waste and that Mr. Ianniello was unjustly enriched in connection therewith: (i) *Bucks County Employees Retirement Fund v. Shari Redstone, et al.,* C.A. No. 2020-0111 (Del. Ch. Feb. 20, 2020); (ii) *Stewart Simon v. Leslie Moonves, et al.,* C.A. No. 2020-0127 (Del. Ch. Feb. 25, 2020); and (iii) *International Union of Operating Engineers of Eastern Pennsylvania and Delaware on behalf of ViacomCBS Inc., v. Shari E. Redstone, et al.,* C.A. No. 2020-0128 (Del. Ch. Feb. 25, 2020) (collectively, the "**Related Actions**").

C. On March 31, 2020, the Court entered an Order Consolidating the Related Actions into the Action and appointing (i) Bucks County Employees Retirement Fund ("Bucks County") and IUOE as Co-Lead Plaintiffs; and (ii) the law firms of Prickett, Jones & Elliott, P.A., Kessler Topaz Meltzer & Check, LLP, and Grant & Eisenhofer P.A. as Co-Lead Counsel (Trans. I.D. 65548911).

D. On April 14, 2020, Bucks County and IUOE filed a Verified Consolidated Class Action and Derivative Complaint in the Action against Defendants (the "**Consolidated Complaint**") (Trans. I.D. 65557370).

E. On June 5, 2020, Defendants and Paramount moved to dismiss the Consolidated Complaint under Court of Chancery Rules 23.1 and 12(b)(6) (Trans. I.D. 65679677, 65679347, 65679417, 65679281, 65679745).

F. In a Memorandum Opinion issued on January 27, 2021, the Court granted Defendants' and Paramount's motions to dismiss with respect to a disclosure claim asserted in Count IV of the Consolidated Complaint, and otherwise denied Defendants' and Paramount's motions to dismiss (Trans. I.D. 66289146).

G. On July 21, 2021, the Court entered an Order Governing Discovery Coordination and Management in the Action and in the action captioned *In re Viacom Inc. Stockholders Litigation*, Consol. C.A. No. 2019-0948-SG (Del. Ch.) (the "**Viacom Action**"), which Order allowed for the coordination of discovery efforts in the two actions (Trans. I.D. 66784724).

H. On August 17, 2021, counsel for Bucks County informed the Court that as of December 9, 2020, Bucks County had sold all of its shares of ViacomCBS and, as a result, Bucks County had not maintained continuous ownership of ViacomCBS stock and could no longer pursue derivative claims as pled in the Consolidated Complaint. Counsel for Bucks County further indicated that Cleveland Bakers held shares of ViacomCBS stock continuously at all relevant times and therefore had

standing to assert the derivative claims pled in the Consolidated Complaint (Trans. I.D. 66852967).

I. On August 25, 2021, the Court entered an order for permissive joinder of Cleveland Bakers as an additional plaintiff in the Action (Trans. I.D. 66880309).

J. On January 7, 2022, the Court entered an order permitting Bucks County to withdraw as Co-Lead Plaintiff and allowing Cleveland Bakers and IUOE to continue to prosecute the Action as Co-Lead Plaintiffs (Trans. I.D. 67216893).

K. In a Letter Order dated December 20, 2022, the Court dismissed the claims asserted in Count IV of the Consolidated Complaint against Defendant Robert Klieger (Trans. I.D. 6866336).

L. The Parties conducted extensive fact discovery in 2021 and 2022, including the production of more than 500,000 documents and depositions of more than 50 witnesses.

M. Expert discovery took place in late 2022 and through April 18, 2023, and included the exchange of nine opening expert reports, nine rebuttal expert reports, and two expert depositions.

N. Trial was scheduled to take place on June 26-30 and July 5, 2023.

O. Beginning in late 2021, counsel for the Parties engaged in settlement discussions, including participating in several formal mediation sessions before, and submitting comprehensive mediation statements to, the Honorable Daniel Weinstein and Jed Melnick, Esq. (together, the "**Mediators**").

P. After extensive arm's-length negotiations facilitated by the Mediators, and in response to a mediators' proposal, the Parties reached an agreement in principle to settle the Action on the terms set forth in a binding term sheet executed by the Parties on April 18, 2023 (the "**Term Sheet**").

Q. On April 19, 2023, the Parties informed the Court of the Term Sheet and agreed to suspend the upcoming deadlines reflected in the Amended Stipulation and Order Governing Case Schedules entered on March 17, 2023 in the Action (the "**Amended Scheduling Stipulation**") (Trans. I.D. 69574355).

R. This Stipulation (together with the Exhibits hereto) has been duly executed by the undersigned signatories on behalf of their respective clients, reflects the final and binding agreement between the Parties, and supersedes the Term Sheet.

S. Co-Lead Plaintiffs, through Co-Lead Counsel, have conducted an investigation and pursued extensive discovery relating to the claims asserted in the Action and the relevant underlying events. Co-Lead Counsel have analyzed the evidence adduced during the investigation and through the extensive discovery in

the Action and have also researched the applicable law with respect to the claims asserted in the Action and the potential defenses thereto. Additionally, the expert reports submitted by Co-Lead Plaintiffs and Defendants in the Action have provided Co-Lead Plaintiffs with a detailed basis upon which to assess the relative strengths and weaknesses of their position, and Defendants' positions and defenses, concerning potential damages should any liability be proven in this Action.

T. Based upon their investigation and prosecution of the Action, Co-Lead Plaintiffs and Co-Lead Counsel have concluded that the terms and conditions of the Settlement and this Stipulation are fair, reasonable, adequate and in the best interests of the Settlement Class, Paramount, and its stockholders.

U. Defendants deny all allegations of wrongdoing, fault, liability, or damage to Plaintiffs, any other member of the Settlement Class, or Paramount, and further deny that Plaintiffs have asserted a valid claim as to any of them. Defendants further deny that they engaged in any wrongdoing or committed any violation of law or breach of duty and believe that they acted properly, in good faith, and in a manner consistent with their legal duties and are entering into this Settlement and Stipulation solely to avoid the substantial burden, expense, inconvenience, and distraction of continued litigation and to resolve each of the Released Claims as against the Released Parties. The Settlement and this Stipulation shall in no event be construed

as, or deemed to be, evidence of or an admission or concession on the part of any of the Defendants with respect to any claim or factual allegation or of any fault, liability, wrongdoing, or damage whatsoever, or any infirmity in the defenses that any of the Defendants have or could have asserted. In addition, Defendants further deny that Plaintiffs could have maintained any direct or class claim as to any of them, or that there is any potential liability for any such claim.

V. The Parties recognize that the litigation has been filed and prosecuted by Co-Lead Plaintiffs in good faith and defended by Defendants in good faith and further that the Settlement Amount paid, and the other terms of the Settlement as set forth herein, were negotiated at arm's length, in good faith, and reflect an agreement that was reached voluntarily after consultation with experienced legal counsel.

NOW THEREFORE, it is **STIPULATED AND AGREED**, by and among Co-Lead Plaintiffs (individually and on behalf of the Settlement Class), Defendants, and Paramount that, subject to the approval of the Court under Court of Chancery Rules 23 and 23.1 and the other conditions set forth in this Stipulation, for good and valuable consideration set forth herein and conferred on Co-Lead Plaintiffs, the Settlement Class, and Paramount, the sufficiency of which is acknowledged, the Action against the Defendants shall be finally and fully settled, compromised, and dismissed, on the merits and with prejudice, and that the Released Claims shall be

finally and fully compromised, settled, released, discharged, and dismissed with prejudice against the Released Parties, in the manner set forth herein.

II. SETTLEMENT CONSIDERATION

1. In consideration for the full and final release, settlement, and discharge of all Released Claims against the Released Parties, the Parties have agreed to the following consideration:

a. <u>Settlement Amount:</u>

i. The Settlement Fund shall be used to pay (a) all Notice and Administration Costs; (b) all Taxes; and (c) any Fee and Expense Award; and, following the payment of (a)–(c) herein, for subsequent disbursement of the Settlement Fund to Paramount as provided in this Stipulation.

1. Within five business days after the execution of this Stipulation, Co-Lead Counsel shall provide complete Wire Transfer Instructions to Defendants' Counsel and Paramount's Counsel.

2. Provided that Co-Lead Counsel have provided complete Wire Transfer Instructions to Defendants' Counsel and Paramount's Counsel pursuant to Paragraph II.1.a.i.1, within thirty days after the execution of this Stipulation, Defendants shall deposit or cause to be deposited the First Settlement Amount into the Escrow Account.

3. No later than thirty days prior to the Settlement Hearing, Defendants shall deposit or cause to be deposited the Remaining Settlement Amount into the Escrow Account.

4. Payment of the First Settlement Amount and the Remaining Settlement Amount shall be made by wire transfer into the Escrow Account; payment shall not be made by check.

5. The First Settlement Amount shall be funded by Side ABC insurers of CBS. All such funds that have not been disbursed to fund Notice and Administration Costs and all funds deposited into the Escrow Account pursuant to Paragraph II.1.a.i.3 shall remain in the Escrow Account until the Final Order and Judgment has been entered.

6. If Defendants fail to cause the full payment of the Settlement Amount in accordance with this Paragraph II.1.a, Co-Lead Plaintiffs shall have the right to terminate the Settlement, but only if (i) Co-Lead Plaintiffs have provided written notice of the election to terminate to Defendants' Counsel and Paramount's Counsel; and (ii) the entire Settlement Amount is not deposited into the Escrow Account within five business days after Co-Lead Counsel provide such written notice.

7. Apart from the payment of the Settlement Amount in accordance with Paragraph II.1.a. and any and all costs associated with providing the Stockholder Information to Co-Lead Counsel as stated in Paragraph V.2. below, Defendants and Paramount shall have no further or other monetary obligation in connection with the Settlement to Co-Lead Plaintiffs, the other Class Members, Co-Lead Counsel, or counsel for any other current or former Company stockholder.

8. The Settlement is not a claims-made settlement. Upon the occurrence of the Effective Date, Defendants, their insurance carriers, the other Released Defendants Persons, and any other person or entity who or which paid any portion of the Settlement Amount shall not have any right to the return of the Settlement Fund or any portion thereof for any reason whatsoever.

b. <u>Distribution of the Settlement Fund:</u>

i. Within ten business days after the Effective Date, Kessler Topaz Meltzer & Check, LLP shall cause the Escrow Account to distribute the Net Settlement Fund to Paramount.

ii. If the Effective Date does not occur for any reason, any and all funds deposited into the Escrow Account (except for the Notice and Administration Costs) shall be returned promptly in the full amount deposited by each party depositing funds into the Escrow Account (except that any CBS Side

ABC insurer that deposited Notice and Administration Costs shall receive the amount it deposited into the Escrow Account less the amount it paid in Notice and Administration Costs), with all interest earned on those funds being returned on a pro rata basis. For the avoidance of doubt, funds deposited into the Escrow Account pursuant to Paragraph II.1.a.i.2 and that have actually been disbursed to fund Notice and Administration Costs shall not be returned by Co-Lead Plaintiffs or Co-Lead Counsel and neither Co-Lead Plaintiffs nor Co-Lead Counsel shall have any obligation to repay those costs and expenses. For the further avoidance of doubt, any funds paid into the Settlement Fund by Side-A insurers of CBS will be paid solely in connection with the settlement of the derivative claims asserted in the Action, including any associated award of fees and costs.

c. <u>Investment and Disbursement of the Settlement Fund:</u>

i. All funds deposited in the Escrow Account shall be invested exclusively in instruments or accounts backed by the full faith and credit of the United States Government or fully insured by the United States Government or an agency thereof, including a U.S. Treasury Fund or a bank account that is either (a) fully insured by the Federal Deposit Insurance Corporation ("FDIC") or (b) secured by instruments backed by the full faith and credit of the United States Government. Defendants shall not bear any responsibility for or liability related to

the investment of the Settlement Fund. The Settlement Fund shall bear all risks related to investment of the Settlement Fund.

ii. The Settlement Fund shall not be disbursed except as provided in the Stipulation or by an order of the Court.

iii. The Settlement Fund shall be deemed and considered to be in *custodia legis* of the Court, and shall remain subject to the exclusive jurisdiction of the Court, until such time as such funds shall be distributed in accordance with the Stipulation and/or further order(s) of the Court.

III. RELEASE OF CLAIMS

1. Upon entry of the Final Order and Judgment, and subject to the occurrence of the Effective Date, Defendants shall be dismissed with prejudice from the Action without the award of any damages, costs, or fees or the grant of further relief except for the payments provided in this Stipulation.

2. This Stipulation is intended to extinguish all of the Released Claims and, consistent with such intention, upon final approval of this Stipulation, the Releasing Parties shall waive and relinquish, to the fullest extent permitted by law, the provisions, rights, and benefits of any state, federal, or foreign law or principle of common law, which may have the effect of limiting the release of the Released Claims. This shall include a waiver of any rights pursuant to California Civil Code

§ 1542 (and equivalent, comparable, or analogous provisions of the laws of the United States or any state or territory thereof, or of the common law), which provides:

> **A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.**

Co-Lead Plaintiffs, Defendants, and Paramount acknowledge, and each of the other Plaintiffs Releasing Persons shall be deemed by operation of the entry of the Final Order and Judgment approving this Stipulation to have acknowledged, that the foregoing waiver was expressly bargained for, is an integral element of this Stipulation, and was relied upon by each and all of the Parties in entering into this Stipulation.

3. Effective upon the Effective Date, each of the Plaintiffs Releasing Persons, by operation of the Stipulation and to the fullest extent permitted by law, each hereby completely, fully, finally and forever release, remise, relinquish, settle and discharge each and all of the Released Defendants Persons from any and all of Plaintiffs' Released Claims, and shall forever be barred and enjoined from commencing, instigating, or prosecuting, or supporting or assisting, directly or

indirectly, the commencing, instigating, or prosecuting of, any of Plaintiffs' Released Claims against any of the Released Defendants Persons.

4. Effective upon the Effective Date, each of the Defendants Releasing Persons, by operation of the Stipulation and to the fullest extent permitted by law, each hereby completely, fully, finally and forever release, remise, relinquish, settle and discharge each and all of the Released Parties from any and all of Released Claims, and shall forever be barred and enjoined from commencing, instituting, or prosecuting, or supporting or assisting, directly or indirectly, the commencing, instituting, or prosecuting of, any of Released Claims against any of the Released Parties.

5. Effective upon the Effective Date, the Parties shall be deemed bound by this Stipulation and the Final Order and Judgment. The Final Order and Judgment, including, without limitation, the release of all Released Claims against the Released Parties, shall have *res judicata*, collateral estoppel, and all other preclusive effects in all pending and future lawsuits, arbitrations, or other suits, actions, or proceedings asserting any of the Released Claims against any of the Released Parties.

IV. CLASS CERTIFICATION

1. Solely for the purposes of the Settlement and for no other purpose, the Parties stipulate to: (i) certification of the Settlement Class as a non-opt-out class pursuant to Court of Chancery Rules 23(a) and 23(b)(1) and (b)(2); (ii) appointment

of Co-Lead Plaintiffs as Class Representatives on behalf of the Settlement Class; and (iii) appointment of Co-Lead Counsel as Class Counsel.

2. The certification of the Settlement Class shall be binding only with respect to the Settlement and this Stipulation. In the event that the Settlement or this Stipulation is terminated pursuant to its terms or the Effective Date fails to occur, the certification of the Settlement Class shall be deemed vacated and the Action shall proceed as though the Settlement Class had never been certified.

V. SUBMISSION OF THE SETTLEMENT TO THE COURT FOR APPROVAL

1. As soon as practicable after execution of this Stipulation, Plaintiffs shall (i) apply to the Court for entry of an Order in the form attached hereto as **Exhibit A** (the "**Scheduling Order**"), providing for, among other things: (a) the dissemination of the Long-Form Notice, substantially in the form attached hereto as **Exhibit B**; (b) dissemination of the Publication Notice, substantially in the form attached hereto as **Exhibit C**; and (c) the scheduling of the Settlement Hearing to consider: (1) the proposed Settlement, (2) the request that the Final Order and Judgment be entered in all material respects in the form attached hereto as **Exhibit D**, (3) Co-Lead Counsel's application for a Fee and Expense Award, and (4) any objections to any

of the foregoing; and (ii) take all reasonable and appropriate steps to obtain entry of the Scheduling Order.

2. For purposes of providing notice of the Settlement, Paramount, within ten (10) business days of executing this Stipulation and at no cost to the Settlement Fund, Co-Lead Counsel, or the Settlement Administrator, shall provide to Co-Lead Counsel the stockholder register from CBS's transfer agent containing the names, mailing addresses, and email addresses (if available) for all registered holders of CBS common stock (i) during the Class Period; and (ii) as of the date of this Stipulation (the "**Stockholder Information**").

3. Co-Lead Plaintiffs and Defendants shall request at the Settlement Hearing that the Court approve the Settlement and enter the Final Order and Judgment.

4. The Parties shall take all reasonable and appropriate steps to obtain final entry of the Final Order and Judgment in all material respects in the form attached hereto as **Exhibit D**.

5. Notice shall be provided in accordance with the Scheduling Order. Co-Lead Plaintiffs shall retain a Settlement Administrator. Defendants and the other Released Defendants Persons shall not have any involvement in or any responsibility, authority, or liability whatsoever for the selection of the Settlement

Administrator. Paramount shall provide reasonable cooperation to Co-Lead Plaintiffs in providing Notice.

6. Notwithstanding the fact that the Effective Date has not yet occurred, Co-Lead Counsel may pay from the First Settlement Amount, without further approval from Defendants, or further order of the Court, all Notice and Administration Costs actually incurred and paid or payable. Such costs and expenses shall include, without limitation, the actual costs of printing and mailing the Long-Form Notice, publishing the Publication Notice, reimbursements to nominee owners for forwarding the Long-Form Notice to their beneficial owners, the administrative costs and expenses incurred and fees charged by the Settlement Administrator, and any fees, costs, and expenses incurred in connection with the Escrow Account. In the event that the Settlement is terminated pursuant to the terms of this Stipulation, all Notice and Administration Costs paid or incurred shall not be returned or repaid to Defendants, any of the other Released Defendants Persons, or any other person or entity who or which paid any portion of the Settlement Amount.

VI. ATTORNEYS' FEES AND EXPENSES

1. Plaintiffs' Co-Lead Counsel intend to petition the Court for an award of attorneys' fees and litigation expenses (the "Fee and Expense Application") to be paid from (and out of) the Settlement Amount. Plaintiffs' Co-Lead Counsel's Fee and Expense Application will seek payment of litigation expenses in a total amount

not to exceed $2,500,000 (the "Litigation Expenses"). Plaintiffs' Co-Lead Counsel's Fee and Expense Application will also seek an award of attorneys' fees in a total amount not to exceed 27.5% of the difference between the Settlement Amount and the Litigation Expenses. Paramount agrees that it will not oppose the Fee and Expense Application. No other fees or expenses shall be payable or paid to or for the benefit of Co-Lead Counsel or any Plaintiffs' counsel.

2. An amount equal to the Fee and Expense Award shall be payable to Co-Lead Counsel from the Settlement Fund within three business days of the Final Order and Judgment from the Court approving the Fee and Expense Award, notwithstanding the existence of any potential for appeal therefrom, or collateral attack on the Settlement or any part thereof. Co-Lead Counsel acknowledge and agree that any payment of the Fee and Expense Award is subject to the obligation of Co-Lead Counsel to make a full refund into the Escrow Account, within thirty calendar days, of their share of the Fee and Expense Award granted if for any reason the Settlement is terminated and to refund the portion of any such payment as to which, as a result of any appeal or further proceedings on remand or successful collateral attack (which order reducing or reversing the award has become final and no longer subject to appeal), the amount by which the Fee and Expense Award is reduced or reversed.

3. The disposition of Co-Lead Counsel's Fee and Expense Application is not a material term of this Stipulation, and it is not a condition of this Stipulation

that such application be granted. The Fee and Expense Application may be considered separately from the proposed Stipulation. Any disapproval or modification of the Fee and Expense Application by the Court or on appeal shall not affect or delay the enforceability of this Stipulation, provide any of the Parties with the right to terminate the Settlement, or affect or delay the binding effect or finality of the Final Order and Judgment and the release of the Plaintiffs' Released Claims. Final resolution of the Fee and Expense Application shall not be a condition to the dismissal, with prejudice, of the Action as to Defendants or effectiveness of the releases of the Plaintiffs' Released Claims.

VII. STAY PENDING COURT APPROVAL

1. The Parties agree to suspend all proceedings in the Action, including, without limitation, all deadlines reflected in the Amended Scheduling Stipulation. Co-Lead Plaintiffs agree not to initiate any other proceedings or demands against Defendants or Paramount other than those incident to the Settlement itself pending the occurrence of the Effective Date. The Parties also agree to use their reasonable best efforts to seek the stay and dismissal of any other proceedings that challenge the Settlement, assert any Plaintiffs' Released Claim, or otherwise involve the commencement or prosecution of any Plaintiffs' Released Claim against any Released

Defendants Person, and to oppose entry of any interim or final relief in any such proceeding.

2. Pending final determination of whether the Settlement should be approved, Plaintiffs and all Class Members are barred and enjoined from commencing, prosecuting, instigating, or in any way participating in the commencement or prosecution of any Plaintiffs' Released Claim against any Released Defendants Person.

VIII. TAXES

1. The Parties agree that the Settlement Fund is intended to be a "qualified settlement fund" within the meaning of Treas. Reg. § 1.468B-l and that Co-Lead Counsel, as administrator of the Settlement Fund within the meaning of Treas. Reg. § 1.468B-2(k)(3), shall be solely responsible for filing or causing to be filed all informational and other tax returns as may be necessary or appropriate (including, without limitation, the returns described in Treas. Reg. § 1.468B-2(k)) for the Settlement Fund. Co-Lead Counsel shall also be responsible for causing payment to be made from the Settlement Fund of any Taxes owed with respect to the Settlement Fund. The Released Defendants Persons shall not have any liability or responsibility for any such Taxes. Upon written request, Defendants will provide to Co-Lead Counsel the statement described in Treas. Reg. § 1.468B-3(e). Co-Lead Counsel, as administrator of the Settlement Fund within the meaning of Treas. Reg. § 1.468B-

2(k)(3), shall timely make such elections as are necessary or advisable to carry out this Paragraph, including, as necessary, making a "relation back election," as described in Treas. Reg. § 1.468B-1(j), to cause the qualified settlement fund to come into existence at the earliest allowable date, and shall take or cause to be taken all actions as may be necessary or appropriate in connection therewith.

2. All Taxes (including, without limitation, any costs for the preparation of applicable tax returns) shall be paid out of the Settlement Fund, and shall be timely paid, or caused to be paid, by Co-Lead Counsel and without further order of the Court. Co-Lead Counsel shall timely and properly file all informational and other tax returns necessary or advisable with respect to the Settlement Fund (including, without limitation, the returns described in Treas. Reg. § 1.468B-2(k)). Such returns (as well as the election described in Paragraph VIII.1 above) shall be consistent with this Paragraph VIII and in all events shall reflect that all Taxes (including any estimated taxes, interest, or penalties) on the income earned by the Settlement Fund shall be paid out of the Settlement Fund as provided in this Paragraph VIII. Paramount and Released Defendants' Persons shall not bear any tax liability in connection with the Settlement Fund.

3. Paramount, Defendants, and their counsel agree to cooperate with Co-Lead Counsel, as administrators of the Settlement Fund, and their tax attorneys and

accountants to the extent reasonably necessary to carry out the provisions of this Paragraph VIII.

IX. TERMINATION OF SETTLEMENT; EFFECT OF TERMINATION; EFFECT OF PARTIAL APPROVAL OF SETTLEMENT

1. Subject to Paragraph IX.2 below, if either (i) the Court refuses to finally enter the Final Order and Judgment in any material respect or alters the Final Order and Judgment in any material respect prior to entry; or (ii) the Court enters the Final Order and Judgment but on or following appellate review, the Final Order and Judgment is modified or reversed in any material respect, the Settlement and this Stipulation shall be canceled and terminated unless each of the Parties to this Stipulation, within ten business days from receipt of any such ruling, agrees in writing with the other Parties hereto to proceed with this Stipulation and Settlement, including only with such modifications, if any, as to which all other Parties in their sole judgment and discretion may agree. For purposes of this Paragraph, an intent to proceed shall not be valid unless it is expressed in a signed writing. Neither a modification nor a reversal on appeal of the Fee and Expense Award shall be deemed a material modification of the Final Order and Judgment or this Stipulation.

2. If this Stipulation is disapproved, canceled, or terminated pursuant to its terms, or the Effective Date of the Settlement otherwise fails to occur, (i) the Parties shall be deemed to have reverted to their respective litigation status immediately before April 18, 2023, they shall negotiate a new trial schedule in good faith, and

they shall proceed as if the Stipulation had not been executed and the related orders had not been entered; (ii) all of their respective claims and defenses as to any issue in the Action (as they stood on April 18, 2023) shall be preserved without prejudice in any way; and (iii) statements made in connection with the negotiations of this Stipulation shall not be deemed to prejudice in any way the positions of any of the Parties with respect to the Action, or to constitute an admission of facts or wrongdoing by any Party, and shall not be used or entitle any Party to recover any fees, costs, or expenses incurred in connection with the Action. Neither the existence of this Stipulation nor its contents, nor any statements made in connection with its negotiation or any settlement communications shall be admissible in evidence or shall be referred to for any purpose in the Action, or in any other litigation, arbitration, or proceeding.

X. NO ADMISSION OF LIABILITY

1. It is expressly understood and agreed that neither the Settlement nor any act or omission in connection therewith is intended or shall be deemed or argued to be evidence of or to constitute an admission or concession by: (a) Defendants, Paramount, or any of Released Defendants Persons as to (i) the truth of any fact alleged by Plaintiffs, (ii) the validity of any claims or other issues raised, or which might be or might have been raised, in the Action or in any other litigation, (iii) the deficiency of any defense that has been or could have been asserted in the Action or

in any other litigation, or (iv) any wrongdoing, fault, or liability of any kind by any of them, which each of them expressly denies; or (b) Plaintiffs that any of their claims are without merit, that any of Defendants had meritorious defenses, or that damages recoverable from Defendants under the Consolidated Complaint would not have exceeded the Settlement Amount. The provisions in this Paragraph X.1 shall remain in force even in the event that the Stipulation or Settlement is terminated for any reason whatsoever.

2. The Released Parties may file this Stipulation and/or the Final Order and Judgment in any action that has been or may be brought against them in order to support a claim or defense based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

XI. MISCELLANEOUS PROVISIONS

1. All of the Exhibits attached hereto are incorporated by reference as though fully set forth herein. Notwithstanding the foregoing, if there exists a conflict or inconsistency between the terms of this Stipulation and the terms of any Exhibit attached hereto, the terms of the Stipulation shall prevail.

2. The Parties intend this Stipulation and the Settlement to be a final and complete resolution of all disputes asserted or which could be asserted by Co-Lead Plaintiffs and any other Class Members against Defendants with respect to the

Plaintiffs' Released Claims. Accordingly, Co-Lead Plaintiffs and their counsel and Defendants and their respective counsel agree not to assert in any forum that this Action was brought by Co-Lead Plaintiffs, or defended by Defendants, in bad faith or without a reasonable basis. The Parties agree that the amounts paid and the other terms of the Settlement were negotiated at arm's length and in good faith by the Parties, including through a mediation process supervised and conducted by the Mediators, and reflect the Settlement that was reached voluntarily after extensive negotiations and consultation with experienced legal counsel, who were fully competent to assess the strengths and weaknesses of their respective clients' claims or defenses.

3. While retaining their right to state that the claims asserted in the Action were not meritorious, Defendants, and their respective counsel, in any statement made to any media representative (whether or not for attribution) will not assert that the Action was commenced or prosecuted in bad faith, nor will they deny that the Action was commenced and prosecuted in good faith and is being settled voluntarily after consultation with competent legal counsel. While retaining their right to state that the claims asserted in the Action were meritorious, Co-Lead Plaintiffs, and their respective counsel, will not assert that the Action was defended or litigated in bad faith, nor will they deny that the Action was defended in good faith and is being settled voluntarily after consultation with competent legal counsel.

4. The terms of the Settlement, as reflected in this Stipulation, may not be modified or amended, nor may any of its provisions be waived except by a writing signed on behalf of Co-Lead Plaintiffs, Defendants and Paramount (or their successors-in-interest).

5. The headings herein are used for the purpose of convenience only and are not meant to have legal effect.

6. The construction, interpretation, operation, effect, and validity of this Stipulation and all documents necessary to effectuate it shall be governed by the internal laws of the State of Delaware without regard to conflict of laws principles.

7. All proceedings with respect to the enforcement of this Stipulation, the administration of the Settlement, and the distribution of the Net Settlement Fund to Paramount shall be subject to the exclusive jurisdiction of the Court. Without affecting the finality of the Settlement, each of the Parties (a) irrevocably submits to the personal jurisdiction of the Court in any suit, action, or proceeding arising out of or relating to this Stipulation and/or the Settlement; (b) agrees that it shall not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from such Court; (c) expressly waives and agrees not to plead or to make any claim that any such suit, action, or proceeding is subject (in whole or in part) to a jury trial; (d) waives any defense of inconvenient forum to the maintenance of any suit, action, or proceeding brought in the Court in accordance with this Paragraph; and

(e) consents to service of process by registered mail upon such Party and/or such Party's agent.

8. The waiver by one Party of any breach of this Stipulation by any other Party shall not be deemed a waiver of any other prior or subsequent breach of this Stipulation.

9. This Stipulation and its Exhibits constitute the entire agreement among the Parties concerning the Settlement.

10. This Stipulation may be executed in one or more counterparts, including by signature transmitted via facsimile, or by a .pdf/.tif image of the signature transmitted via email. All executed counterparts and each of them shall be deemed to be one and the same instrument.

11. This Stipulation shall be binding upon and inure to the benefit of the successors and assigns of the Parties, including Released Plaintiffs Persons and Released Defendants Persons, and any corporation, partnership, or other entity into or with which any Party hereto may merge, consolidate, or reorganize. For the avoidance of doubt, the Parties acknowledge and agree that the Released Defendants Persons and the Released Plaintiffs Persons are intended beneficiaries of the Releases in this Stipulation and are entitled to enforce the Releases contemplated by the Settlement.

12. This Stipulation shall not be construed more strictly against one Party than another merely by virtue of the fact that it, or any part of it, may have been prepared by counsel for one of the Parties, it being recognized that this Stipulation is the result of arm's-length negotiations between the Parties and that all Parties have contributed substantially and materially to the preparation of this Stipulation.

13. Co-Lead Plaintiffs and Co-Lead Counsel represent and warrant that Co-Lead Plaintiffs are members of the Settlement Class and that none of the Co-Lead Plaintiffs' claims or causes of action covered by this Stipulation have been assigned, encumbered, or otherwise transferred in any manner in whole or in part.

14. All counsel and all other persons executing this Stipulation and any of the Exhibits hereto, or any related Settlement documents, warrant and represent that they have the full authority to do so and that they have the authority to take appropriate action required or permitted to be taken pursuant to the Stipulation to effectuate its terms.

15. Co-Lead Counsel, Defendants' Counsel and Paramount's Counsel agree to cooperate fully with one another in seeking Court approval of the Scheduling Order and the Settlement, as embodied in this Stipulation, and to use best efforts to promptly agree upon and execute all such other documentation as may be reasonably required to obtain final approval by the Court of the Settlement, including to take all actions, and to do, or cause to be done, all things reasonably

necessary, proper, or advisable under applicable laws, regulations, and agreements to consummate and make effective, as promptly as practicable, this Stipulation and the Settlement.

16. If any Party is required to give notice to another Party under this Stipulation, such notice shall be in writing and shall be deemed to have been duly given upon receipt of hand delivery or email transmission, with confirmation of receipt. Notice shall be provided as follows:

Case No. 2019-0948-SG

IN THE COURT OF CHANCERY OF THE STATE OF DELAWAR

IN RE VIACOM INC. STOCKHOLDERS LITIGATION	Consolidated C.A. No. 2019-0948-SG

STIPULATION AND AGREEMENT OF SETTLEMENT, COMPROMISE, AND RELEASE

This Stipulation and Agreement of Settlement, Compromise, and Release (with the Exhibits hereto, the "**Stipulation**"), in the above-captioned action (the "**Action**") is made and entered into as of March 28, 2023 by and between: (i) Lead Plaintiff California Public Employees' Retirement System ("**CalPERS**" or "**Lead Plaintiff**"), on behalf of itself and the Settlement Class (defined below) and Additional Plaintiffs Park Employees' and Retirement Board Employees' Annuity and Benefit Fund of Chicago ("**Chicago Park**") and Louis Wilen; (ii) defendants Shari E. Redstone, National Amusements, Inc., NAI Entertainment Holdings LLC, Thomas J. May, Judith A. McHale, Ronald Nelson, and Nicole Seligman (collectively, "**Defendants**"); and (iii) Paramount Global ("**Paramount**," and together with Lead Plaintiff and Defendants, the "**Parties**"). This Stipulation is submitted pursuant to Court of Chancery Rule 23.

Subject to the terms and conditions set forth herein and the approval of the Court, the Settlement embodied in this Stipulation is intended: (i) to be a full and final disposition of the Action; (ii) to state all of the terms of the Settlement and the

resolution of the Action; (iii) to fully and finally compromise, resolve, dismiss, discharge, and settle each and every one of the Plaintiffs' Released Claims against each and every one of the Released Defendants' Persons; and (iv) to fully and finally compromise, resolve, dismiss, discharge, and settle each and every one of the Defendants' Released Claims against each and every one of the Released Plaintiffs' Persons.[1]

WHEREAS:

A. On August 13, 2019, Viacom Inc. ("**Viacom**") and CBS Corporation ("**CBS**") announced that they had entered into an agreement pursuant to which Viacom would merge with and into CBS in a stock-for-stock merger transaction (the "**Merger**"). The Merger closed on December 4, 2019.

B. Between November 25, 2019 and January 14, 2020, four related actions were filed in the Delaware Court of Chancery by certain Viacom stockholders, challenging the Merger and alleging that Defendants breached their fiduciary duties in connection therewith: (i) *Wilen v. Redstone, et al.*, C.A. No. 2019-0948 (Del. Ch. Nov. 25, 2019); (ii) *Employees' Retirement System of the City of Kansas City, et al. v. National Amusements, Inc., et al.*, C.A. No. 2019-1017 (Del. Ch. Dec. 18, 2019); (iii) *Employees' Retirement System of the State of R.I. v. National Amusements, Inc.,*

[1] All terms herein with initial capitalization shall, unless defined elsewhere in this Stipulation, have the meanings given to them in Paragraph I.1.

et al., C.A. No. 2020-0003 (Del. Ch. Jan. 3, 2020); and (iv) *California Public Employees' Retirement System v. Redstone, et al.*, C.A. No. 2020-0025 (Del. Ch. Jan. 14, 2020) (together, the "**Related Actions**").

C. On January 23, 2020, the Court entered an Order consolidating the Related Actions into the Action (Trans. I.D. 64649982).

D. On February 7, 2020, the Court granted the Motion for Appointment of Lead Plaintiff and Lead Counsel filed by CalPERS and entered an Order appointing (i) CalPERS as Lead Plaintiff; (ii) Chicago Park and Louis Wilen as Additional Plaintiffs; and (iii) the law firm of Bernstein Litowitz Berger & Grossmann LLP as Lead Counsel (Trans. I.D. 64691296).

E. On February 28, 2020, CalPERS, Chicago Park, and Louis Wilen (together, "**Plaintiffs**") filed a First Amended Verified Class Action Complaint in the Action against Defendants and Robert Bakish (the "**Consolidated Complaint**") (Trans. I.D. 64733961).

F. On March 13, 2020, Defendants and Mr. Bakish moved to dismiss the Consolidated Complaint under Court of Chancery Rule 12(b)(6) (Trans. I.D. 64825261, 64828008, 64828426).

G. In a Memorandum Opinion issued on December 29, 2020, which opinion was corrected on December 30, 2020, the Court granted Mr. Bakish's

motion to dismiss and denied Defendants' motions to dismiss (Trans. I.D. 66217185).

H. On July 21, 2021, the Court entered an Order Governing Discovery Coordination and Management in the Action and in the action captioned *In re CBS Corporation Stockholder Class Action and Derivative Litigation*, Consol. C.A. No. 2020-0111-SG (Del. Ch.) (the "**CBS Action**"), which Order allowed for the coordination of discovery efforts in the two actions (Trans. I.D. 66784724).

I. The Parties conducted extensive fact discovery in 2021 and 2022, including the production of more than 500,000 documents and depositions of more than 40 witnesses.

J. Expert discovery took place in late 2022 and into 2023, which included the exchange of seven opening expert reports.

K. Trial was scheduled to take place on July 6–13, 2023.

L. Beginning in late 2021, counsel for the Parties engaged in settlement discussions, including participating in several formal mediation sessions before, and submitting comprehensive mediation statements to, the Honorable Daniel Weinstein and Jed Melnick, Esq. (together, the "**Mediators**").

M. After extensive arm's-length negotiations facilitated by the Mediators, and in response to a Mediators' proposal, the Parties reached an agreement in

principle to settle the Action on the terms set forth in a binding term sheet executed by the Parties on February 27, 2023 (the "**Term Sheet**").

N. On February 28, 2023, the Parties informed the Court of the Term Sheet and agreed to suspend the upcoming deadlines reflected in the Amended Stipulation and [Proposed] Order Governing Case Schedules filed on February 1, 2023 in the Action (the "**Amended Scheduling Stipulation**") (Trans. I.D. 69053752).

O. This Stipulation (together with the Exhibits hereto) has been duly executed by the undersigned signatories on behalf of their respective clients, reflects the final and binding agreement between the Parties, and supersedes the Term Sheet.

P. Lead Plaintiff, through Lead Counsel, has conducted an investigation and pursued extensive discovery relating to the claims and the underlying events alleged in the Action. Lead Counsel has analyzed the evidence adduced during the investigation and through the extensive discovery in the Action, and has also researched the applicable law with respect to the claims asserted in the Action and the potential defenses thereto. Additionally, the expert reports submitted by Lead Plaintiff and Defendants in the Action have provided Lead Plaintiff with a detailed basis upon which to assess the relative strengths and weaknesses of its position, and Defendants' positions and defenses, concerning potential damages should any liability be proven in this litigation.

Q. Based upon their investigation and prosecution of the Action, Lead Plaintiff and Lead Counsel have concluded that the terms and conditions of the Settlement and this Stipulation are fair, reasonable, and adequate to Lead Plaintiff and the other members of the Settlement Class (including the Additional Plaintiffs) and in their best interests. Based on their direct oversight of the prosecution of this matter, along with the input of Lead Counsel, Lead Plaintiff has agreed to finally and fully settle all claims raised, and that could have been raised, in the Action pursuant to the terms and provisions of this Stipulation, after considering: (i) the substantial benefits that Lead Plaintiff and the other members of the Settlement Class (including the Additional Plaintiffs) will receive from the resolution of the Action; (ii) the attendant risks of litigation; and (iii) the desirability of permitting the Settlement to be consummated as provided by the terms of this Stipulation. The Settlement and this Stipulation shall in no event be construed as, or deemed to be evidence of, a concession by Plaintiffs of any infirmity in the claims asserted in the Action.

R. Defendants deny all allegations of wrongdoing, fault, liability, or damage to Plaintiffs and as well as to each and every other member of the Settlement Class, and further deny that Plaintiffs have asserted a valid claim as to any of them. Defendants further deny that they engaged in any wrongdoing or committed any violation of law or breach of duty and believe that they acted properly, in good faith, and in a manner consistent with their legal duties and are entering into this Settlement

and Stipulation solely to avoid the substantial burden, expense, inconvenience, and distraction of continued litigation and to resolve each of the Plaintiffs' Released Claims as against the Released Defendants' Persons. The Settlement and this Stipulation shall in no event be construed as, or deemed to be, evidence of or an admission or concession on the part of any of the Defendants with respect to any claim or factual allegation or of any fault, liability, wrongdoing, or damage whatsoever, or any infirmity in the defenses that any of the Defendants have or could have asserted.

S. The Parties recognize that the litigation has been filed and prosecuted by Lead Plaintiff and the Additional Plaintiffs in good faith and defended by Defendants in good faith and further that the Settlement Amount paid, and the other terms of the Settlement as set forth herein, were negotiated at arm's length, in good faith, and reflect an agreement that was reached voluntarily after consultation with experienced legal counsel.

NOW THEREFORE, it is **STIPULATED AND AGREED**, by and among Lead Plaintiff (individually and on behalf of the Settlement Class (including the Additional Plaintiffs)), Defendants, and Paramount that, subject to the approval of the Court under Court of Chancery Rule 23 and the other conditions set forth in this Stipulation, for good and valuable consideration set forth herein and conferred on Lead Plaintiff and the Settlement Class, the sufficiency of which is acknowledged, the Action against the Defendants shall be finally and fully settled, compromised,

and dismissed, on the merits and with prejudice, and that the Plaintiffs' Released Claims shall be finally and fully compromised, settled, released, discharged, and dismissed with prejudice against the Released Defendants' Persons, and that the Defendants' Released Claims shall be finally and fully compromised, settled, released, discharged, and dismissed with prejudice against the Released Plaintiffs' Persons, in the manner set forth herein.

5. Payment of the First Settlement Amount, the Second Settlement Amount, and the Remaining Settlement Amount shall be made by wire transfer into the Account; payment shall not be made by check.

6. If Defendants fail to cause the full payment of the Settlement Amount in accordance with this Paragraph II.1.a, Lead Plaintiff shall have the right to terminate the Settlement, but only if (i) Lead Plaintiff has provided written notice of the election to terminate to Defendants' Counsel and Paramount's

Counsel, and (ii) the entire Settlement Amount is not deposited in the Account within five (5) business days after Lead Counsel provides such written notice.

ii. Apart from the payment of the Settlement Amount in accordance with this Paragraph II.1.a. and any and all costs associated with providing stockholder information (including, without limitation, the Merger Records) pursuant to Paragraph II.1.b below and the Stockholder Register already provided to Lead Counsel as stated in Paragraph V.2. below, Defendants and Paramount shall have no further or other monetary obligation to Lead Plaintiff, the Additional Plaintiffs, the other Class Members, Lead Counsel, or counsel for any Additional Plaintiff or Class Member under the Settlement.

iii. The Settlement is not a claims-made settlement. Upon the occurrence of the Effective Date, Defendants, Paramount, their insurance carriers, the other Released Defendants' Persons, and any other person or entity who or which paid any portion of the Settlement Amount shall not have any right to the return of the Settlement Fund or any portion thereof for any reason whatsoever.

iv. The Settlement Fund—less all Notice and Administration Costs paid, incurred, or due consistent with this Stipulation and less any Taxes paid, incurred, or due with respect to the Settlement Fund consistent with this Stipulation—shall be returned to the payor(s) within ten (10) business days of the termination of the Settlement in accordance with the terms of this Stipulation.

b. **Distribution of the Settlement Fund**:

i. Within ten (10) business days after the Court's entry of a judgment finally approving the Settlement, Paramount, at no cost to the Settlement Fund, Lead Counsel, or the Settlement Administrator, shall cause to be provided to Lead Counsel or the Settlement Administrator in an electronically searchable form, such as Excel: (i) the names, mailing addresses and, if available, email addresses of all registered owners of Viacom common stock who held shares of Viacom common stock at the Closing and therefore received or were entitled to receive the Merger Consideration, and the number of shares of Viacom common stock held by those persons and entities at the Closing and for which they received or were entitled to receive the Merger Consideration; (ii) the allocation or "chill" report generated by DTC in anticipation of the Merger to facilitate the allocation of the Merger Consideration to Viacom stockholders (the "**Allocation Report**"), which shall include, for each DTC Participant, the number of shares of Viacom common stock reflected on the Allocation Report used by DTC to distribute the Merger Consideration. Paramount, at no cost to the Settlement Fund, Lead Counsel, or the Settlement Administrator, will use reasonable efforts to cause to be provided to Lead Counsel or the Settlement Administrator in an electronically searchable form, such as Excel, a list of the Excluded Stockholders, and for each of the Excluded Stockholders, the following information: (a) the name of the Excluded Stockholder;

(b) an indication of whether the Excluded Stockholder was, at the Closing, either (x) a registered holder of Viacom common stock or (y) a beneficial holder of Viacom common stock whose shares were held via a financial institution on behalf of the Excluded Stockholder ("**Beneficial Holder**"); (c) the number of Excluded Shares beneficially owned by the Excluded Stockholder; and (d) for each of the Excluded Stockholders that is a Beneficial Holder, the name and "DTC Number" of the financial institution where their Excluded Shares were held and the Excluded Person's account number at such financial institution. At the request of Lead Counsel, Paramount will use reasonable efforts to cause to be provided such additional information as may be required to distribute the Net Settlement Fund to eligible Class Members and not to Excluded Stockholders. The information to be provided to the Settlement Administrator and Lead Counsel pursuant to this Paragraph II.1.b.i is referred to herein as the "**Merger Records**."

ii. Lead Counsel will use the Merger Records solely for the purpose of administering the Settlement as set forth in this Stipulation, and not for any other purpose, and will not disclose any Merger Records to any other party except as necessary to administer the Settlement or as required by law.

iii. Lead Plaintiff and Lead Counsel shall propose the Plan of Allocation, subject to Court approval. The Net Settlement Fund shall be distributed to eligible Class Members in accordance with the Plan of Allocation or such other

plan or allocation as may be approved by the Court. Notwithstanding anything to the contrary in this Stipulation, the Plan of Allocation is not a necessary term of the Settlement or this Stipulation, and it is not a condition of the Settlement or this Stipulation that any particular plan of allocation be approved by the Court. Lead Plaintiff and Lead Counsel may not cancel or terminate the Settlement (or this Stipulation) based on the Court's or any appellate court's ruling with respect to the Plan of Allocation or any other plan of allocation in connection with the Settlement. Defendants and Paramount shall not object in any way to the Plan of Allocation or any other plan of allocation, and shall not have any involvement with executing, or liability for, any Court-approved plan of allocation.

iv. The Excluded Stockholders shall not have any right to receive any part of the Settlement Fund for his, her, or its own account(s) (i.e., accounts in which he, she, or it holds a proprietary interest, but not including accounts managed on behalf of others), or any additional amount based on any claim relating to the fact that Settlement proceeds are being received by any other stockholder, in each case under any theory, including but not limited to contract, application of statutory or judicial law, or equity.

v. The Net Settlement Fund shall be distributed to eligible Class Members only after the Effective Date of the Settlement and after: (a) all Notice and Administration Costs, Taxes, and any Fee and Expense Award, including

any incentive awards to Lead Plaintiff and Additional Plaintiff Chicago Park to be deducted solely from any Fee and Expense Award, have been paid from the Settlement Fund or reserved; and (b) the Court has entered an order authorizing the specific distribution of the Net Settlement Fund (the "**Class Distribution Order**"). Lead Counsel will apply to the Court, on notice to Defendants' Counsel and Paramount's Counsel, for the Class Distribution Order.

vi. Payment pursuant to the Class Distribution Order shall be final and conclusive against all Class Members. Plaintiffs and Defendants, and their respective counsel, shall have no liability whatsoever for the investment or distribution of the Settlement Fund or the Net Settlement Fund, the determination, administration, or calculation of any payment from the Net Settlement Fund, the nonperformance of the Settlement Administrator or a nominee holding shares on behalf of an eligible Class Member, the payment or withholding of Taxes (including interest and penalties) owed by the Settlement Fund, or any losses incurred in connection therewith.

vii. All proceedings with respect to the administration of the Settlement and distribution pursuant to the Class Distribution Order shall be subject to the exclusive jurisdiction of the Court.

c. **Investment and Disbursement of the Settlement Fund**:

i. All funds deposited in the Account shall be invested exclusively in United States Treasury Bills (or a mutual fund invested solely in such instruments) and shall collect and reinvest all interest accrued thereon, except that any residual cash balances up to the amount that is insured by the FDIC may be deposited in any account that is fully insured by the FDIC. In the event that the yield on United States Treasury Bills is negative, in lieu of purchasing such Treasury Bills, all or any portion of the funds held in the Account may be deposited in any account that is fully insured by the FDIC or invested in instruments backed by the full faith and credit of the United States. Additionally, if short-term placement of the funds is necessary, all or any portion of the funds held in the Account may be deposited in any account that is fully insured by the FDIC or invested in instruments backed by the full faith and credit of the United States. The Settlement Fund shall bear all risks related to investment of the Settlement Fund.

ii. The Settlement Fund shall not be disbursed except as provided in the Stipulation or by an order of the Court.

iii. The Settlement Fund shall be deemed and considered to be in *custodia legis* of the Court, and shall remain subject to the exclusive jurisdiction of the Court, until such time as such funds shall be distributed in accordance with the Stipulation and/or further order(s) of the Court.

III. RELEASE OF CLAIMS

1. Upon entry of the Judgment, and subject to the occurrence of the Effective Date, Defendants shall be dismissed with prejudice from the Action by all Class Members (including Plaintiffs) without the award of any damages, costs, or fees or the grant of further relief except for the payments provided in this Stipulation.

2. This Stipulation is intended to extinguish all of the Released Claims and, consistent with such intention, upon final approval of this Stipulation, the releasing Parties shall waive and relinquish, to the fullest extent permitted by law, the provisions, rights, and benefits of any state, federal, or foreign law or principle of common law, which may have the effect of limiting the release of the Released Claims. This shall include a waiver of any rights pursuant to California Civil Code § 1542 (and equivalent, comparable, or analogous provisions of the laws of the United States or any state or territory thereof, or of the common law), which provides:

> **A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.**

Lead Plaintiff and Defendants acknowledge, and each of the other Class Members shall be deemed by operation of the entry of a final order and judgment approving this Stipulation to have acknowledged, that the foregoing waiver was expressly bargained for, is an integral element of this Stipulation, and was relied upon by each and all of the Parties in entering into this Stipulation.

3. As of the Effective Date, Lead Plaintiff, the Additional Plaintiffs, and each of the other Class Members, on behalf of themselves and their respective heirs, executors, administrators, predecessors, successors, and assigns in their capacities as such, and any other person or entity purporting to claim through or on behalf of them in such capacity only, by operation of this Stipulation and to the fullest extent permitted by law, hereby completely, fully, finally and forever release, relinquish, settle, and discharge each and all of the Released Defendants' Persons from any and all of Plaintiffs' Released Claims, and shall forever be barred and enjoined from commencing, instigating, or prosecuting, or assisting the commencing, instigating, or prosecuting of, any of Plaintiffs' Released Claims against any of the Released Defendants' Persons.

4. As of the Effective Date, each of Defendants and Paramount, on behalf of themselves and their respective heirs, executors, administrators, predecessors, successors, and assigns, in their capacities as such, and any other person or entity purporting to claim through or on behalf of them in such capacity only, by operation

of this Stipulation and to the fullest extent permitted by law, shall completely, fully, finally, and forever release, relinquish, settle, and discharge each and all of the Released Plaintiffs' Persons from any and all of Defendants' Released Claims, and shall forever be barred and enjoined from commencing, instituting, or prosecuting, or assisting the commencing, instituting, or prosecuting of, any of Defendants' Released Claims against any of the Released Plaintiffs' Persons.

5. As of the Effective Date, the Parties shall be deemed bound by this Stipulation and the Judgment. The Judgment, including, without limitation, the release of all Plaintiffs' Released Claims against the Released Defendants' Persons, and the release of all Defendants' Released Claims against the Released Plaintiffs' Persons, shall have *res judicata*, collateral estoppel, and all other preclusive effects in all pending and future lawsuits, arbitrations, or other suits, actions, or proceedings asserting any of the Plaintiffs' Released Claims against any of the Released Defendants' Persons or asserting any of the Defendants' Released Claims against any of the Released Plaintiffs' Persons.

IV. CLASS CERTIFICATION

1. Solely for the purposes of the Settlement and for no other purpose, the Parties agree to: (a) certification of the Settlement Class as a non-opt-out class pursuant to Court of Chancery Rules 23(a) and 23(b)(1) and (b)(2); (b) appointment

of CalPERS as class representative on behalf of the Settlement Class; and (c) appointment of Lead Counsel as class counsel.

2. The certification of the Settlement Class shall be binding only with respect to the Settlement and this Stipulation. In the event that the Settlement or this Stipulation is terminated pursuant to its terms or the Effective Date fails to occur, the certification of the Settlement Class shall be deemed vacated and the Action shall proceed as though the Settlement Class had never been certified.

V. SUBMISSION OF THE SETTLEMENT TO THE COURT FOR APPROVAL

1. As soon as practicable after execution of this Stipulation, Plaintiffs shall (i) apply to the Court for entry of an Order in the form attached hereto as **Exhibit A** (the "**Scheduling Order**"), providing for, among other things: (a) the dissemination by mail of the Long-Form Notice, substantially in the form attached hereto as **Exhibit B**; (b) dissemination of the Publication Notice, substantially in the form attached hereto as **Exhibit C**; and (c) the scheduling of the Settlement Hearing to consider: (1) the proposed Settlement, (2) the request that the Judgment be entered in all material respects in the form attached hereto as **Exhibit D**, (3) Lead Counsel's application for a Fee and Expense Award, including Lead Plaintiff's and Additional Plaintiff Chicago Park's application for incentive awards, and (4) any objections to

any of the foregoing; and (ii) take all reasonable and appropriate steps to seek and obtain entry of the Scheduling Order.

2. For purposes of providing notice of the Settlement to potential Class Members, prior to execution of this Stipulation, Paramount, at no cost to the Settlement Fund, Lead Counsel, or the Settlement Administrator, provided to Lead Counsel the stockholder register from Viacom's transfer agent containing the names, mailing addresses, and, as available, email addresses for all registered holders of Viacom common stock during the Class Period (the "**Stockholder Register**").

3. Lead Plaintiff shall request at the Settlement Hearing that the Court approve the Settlement and enter the Judgment.

4. The Parties shall take all reasonable and appropriate steps to obtain final entry of the Judgment in all material respects in the form attached hereto as **Exhibit D**.

5. Notice shall be provided in accordance with the Scheduling Order. Lead Plaintiff shall retain a Settlement Administrator to disseminate Notice and for the disbursement of the Net Settlement Fund to eligible Class Members. Defendants, Paramount, and the other Released Defendants' Persons shall not have any involvement in or any responsibility, authority, or liability whatsoever for the selection of the Settlement Administrator. Paramount shall cooperate with Lead

Plaintiff in providing Notice, including, but not limited to, providing the Merger Records to the Settlement Administrator in accordance with Paragraph II.1.b above.

6. Notwithstanding the fact that the Effective Date of the Settlement has not yet occurred, Lead Counsel may pay from the First Settlement Amount, without further approval from Paramount or Defendants, or further order of the Court, all Notice and Administration Costs actually incurred and paid or payable. Such costs and expenses shall include, without limitation, the actual costs of printing and mailing the Notice, publishing the Publication Notice, reimbursements to nominee owners for forwarding the Notice to their beneficial owners, the administrative costs and expenses incurred and fees charged by the Settlement Administrator in connection with providing notice and administering the Settlement, and any fees, costs, and expenses incurred in connection with the Account. In the event that the Settlement is terminated pursuant to the terms of this Stipulation, all Notice and Administration Costs paid or incurred, including any related fees, shall not be returned or repaid to Defendants, any of the other Released Defendants' Persons, or any other person or entity who or which paid any portion of the Settlement Amount.

VI. ATTORNEYS' FEES AND EXPENSES

1. Lead Counsel will apply to the Court for a Fee and Expense Award to be paid solely from the Settlement Fund (the "**Fee and Expense Application**"), which may include an application by Lead Plaintiff and Additional Plaintiff Chicago

Park for incentive awards (the "**Incentive Awards**") to be paid solely from any Fee and Expense Award ordered by the Court. Lead Counsel's Fee and Expense Application, including any application by Lead Plaintiff and Additional Plaintiff Chicago Park for Incentive Awards, is not the subject of any agreement between Defendants, Paramount, and Lead Plaintiff other than what is set forth in this Stipulation. The Fee and Expense Application will be the sole application by any counsel to Lead Plaintiff or the Additional Plaintiffs, or by Lead Plaintiff or Additional Plaintiff Chicago Park, for an award of fees or expenses in connection with the Action.

2. An amount equal to the Fee and Expense Award shall be payable to Lead Counsel from the Settlement Fund, an amount equal to the Incentive Award to Lead Plaintiff shall be payable to Lead Plaintiff, and an amount equal to the Incentive Award to Additional Plaintiff Chicago Park shall be payable to Additional Plaintiff Chicago Park immediately upon award by the Court, notwithstanding the existence of any timely filed objections thereto, or potential for appeal therefrom, or collateral attack on the Settlement or any part thereof. In the event that (i) this Stipulation is disapproved, canceled, or terminated pursuant to its terms or the Effective Date otherwise fails to occur for any reason, or (ii) the Fee and Expense Award is disapproved, reduced, reversed, or otherwise modified by final court order, then Lead Counsel shall, within thirty (30) calendar days after Lead Counsel receives notice of any such event in (i)

or (ii) above, return to the Account, as applicable, either the entirety of the Fee and Expense Award or the difference between the attorneys' fees and expenses awarded by the Court in the Fee and Expense Award on the one hand, and any attorneys' fees and expenses ultimately and finally awarded on appeal, further proceedings on remand, or otherwise on the other hand.

3. The disposition of the Fee and Expense Application is not a material term of this Stipulation, and it is not a condition of this Stipulation that such application be granted. The Fee and Expense Application may be considered separately from the proposed Stipulation. Any disapproval or modification of the Fee and Expense Application by the Court or on appeal shall not affect or delay the enforceability of this Stipulation, provide any of the Parties with the right to terminate the Settlement, or affect or delay the binding effect or finality of the Judgment and the release of the Plaintiffs' Released Claims. Final resolution of the Fee and Expense Application shall not be a condition to the dismissal, with prejudice, of the Action as to Defendants or effectiveness of the releases of the Plaintiffs' Released Claims.

4. Lead Counsel shall allocate the attorneys' fees awarded with counsel for the Additional Plaintiffs in a manner which it, in good faith, believes reflects the contributions of such counsel to the institution, prosecution, and settlement of the Action.

VII. STAY PENDING COURT APPROVAL

1. The Parties agree to suspend all proceedings in the Action, including, without limitation, all deadlines reflected in the Amended Scheduling Stipulation. Lead Plaintiff agrees not to initiate any other proceedings against Defendants other than those incident to the Settlement itself pending the occurrence of the Effective Date. The Parties also agree to use their reasonable best efforts to seek the stay and dismissal of, and to oppose entry of, any interim or final relief in favor of any Class Member in any other proceedings that challenge the Settlement or otherwise assert or involve the commencement or prosecution of any Plaintiffs' Released Claim against any Released Defendants' Person.

2. Pending final determination of whether the Settlement should be approved, Plaintiffs and all Class Members are barred and enjoined from commencing, prosecuting, instigating, or in any way participating in the commencement or prosecution of any Plaintiffs' Released Claim against any Released Defendants' Person.

VIII. TAXES

1. The Parties agree that the Settlement Fund is intended to be a "qualified settlement fund" within the meaning of Treas. Reg. § 1.468B-l and that Lead Counsel, as administrator of the Settlement Fund within the meaning of Treas. Reg. § 1.468B-2(k)(3), shall be solely responsible for filing or causing to be filed all

informational and other tax returns as may be necessary or appropriate (including, without limitation, the returns described in Treas. Reg. § 1.468B-2(k)) for the Settlement Fund. Lead Counsel shall also be responsible for causing payment to be made from the Settlement Fund of any Taxes owed with respect to the Settlement Fund. The Released Defendants' Persons shall not have any liability or responsibility for any such Taxes. Upon written request, Defendants will provide to Lead Counsel the statement described in Treas. Reg. § 1.468B-3(e). Lead Counsel, as administrator of the Settlement Fund within the meaning of Treas. Reg. § 1.468B-2(k)(3), shall timely make such elections as are necessary or advisable to carry out this Paragraph, including, as necessary, making a "relation back election," as described in Treas. Reg. § 1.468B-1(j), to cause the qualified settlement fund to come into existence at the earliest allowable date, and shall take or cause to be taken all actions as may be necessary or appropriate in connection therewith

2. All Taxes (including, without limitation, any costs for the preparation of applicable tax returns) shall be paid out of the Settlement Fund, and shall be timely paid, or caused to be paid, by Lead Counsel and without further order of the Court. Lead Counsel shall timely and properly file all informational and other tax returns necessary or advisable with respect to the Settlement Fund (including, without limitation, the returns described in Treas. Reg. § 1.468B-2(k)). Such returns (as well as the election described in Paragraph VIII.1 above) shall be consistent with this

Paragraph VIII and in all events shall reflect that all Taxes (including any estimated taxes, interest, or penalties) on the income earned by the Settlement Fund shall be paid out of the Settlement Fund as provided in this Paragraph VIII. Paramount and Released Defendants' Persons shall not bear any tax liability in connection with the Settlement Fund, including any liability for income taxes owed by any Class Member by virtue of their receipt of payment from the Settlement Fund.

3. Paramount, Defendants, and their counsel agree to cooperate with Lead Counsel, as administrators of the Settlement Fund, and their tax attorneys and accountants to the extent reasonably necessary to carry out the provisions of this Paragraph VIII.

IX. TERMINATION OF SETTLEMENT; EFFECT OF TERMINATION; EFFECT OF PARTIAL APPROVAL OF SETTLEMENT

1. Subject to Paragraph IX.2 below, if either (i) the Court refuses to finally enter the Judgment in any material respect or alters the Judgment in any material respect prior to entry, or (ii) the Court enters the Judgment but on or following appellate review, the Judgment is modified or reversed in any material respect, the Settlement and this Stipulation shall be canceled and terminated unless each of the Parties to this Stipulation, within ten (10) business days from receipt of any such ruling, agrees in writing with the other Parties hereto to proceed with this Stipulation and Settlement, including only with such modifications, if any, as to which all other Parties in their sole judgment and discretion may agree. For purposes of this Paragraph, an intent to

proceed shall not be valid unless it is expressed in a signed writing. Neither a modification nor a reversal on appeal of the amount of fees, costs, and expenses awarded by the Court to Lead Counsel, or of the Plan of Allocation, shall be deemed a material modification of the Judgment or this Stipulation.

2. If this Stipulation is disapproved, canceled, or terminated pursuant to its terms, or the Effective Date of the Settlement otherwise fails to occur, (i) the Parties shall be deemed to have reverted to their respective litigation status immediately before February 27, 2023, they shall negotiate a new trial schedule in good faith, and they shall proceed as if the Stipulation had not been executed and the related orders had not been entered; (ii) all of their respective claims and defenses as to any issue in the Action shall be preserved without prejudice in any way; and (iii) the statements made in connection with the negotiations of this Stipulation shall not be deemed to prejudice in any way the positions of any of the Parties with respect to the Action, or to constitute an admission of fact of wrongdoing by any Party, shall not be used or entitle any Party to recover any fees, costs, or expenses incurred in connection with the Action, and neither the existence of this Stipulation nor its contents nor any statements made in connection with its negotiation or any settlement communications shall be admissible in evidence or shall be referred to for any purpose in the Action, or in any other litigation, arbitration, or proceeding.

X. NO ADMISSION OF LIABILITY

1. It is expressly understood and agreed that neither the Settlement nor any act or omission in connection therewith is intended or shall be deemed or argued to be evidence of or to constitute an admission or concession by: (a) Defendants, Paramount, or any of Defendants' Released Persons as to (i) the truth of any fact alleged by Plaintiffs, (ii) the validity of any claims or other issues raised, or which might be or might have been raised, in the Action or in any other litigation, (iii) the deficiency of any defense that has been or could have been asserted in the Action or in any other litigation, or (iv) any wrongdoing, fault, or liability of any kind by any of them, which each of them expressly denies; or (b) Plaintiffs that any of their claims are without merit, that any of Defendants had meritorious defenses, or that damages recoverable from Defendants under the Consolidated Complaint would not have exceeded the Settlement Amount. The provisions in this Paragraph X.1 shall remain in force in the event that the Stipulation or Settlement is terminated for any reason whatsoever.

2. The Released Parties may file this Stipulation and/or the Judgment in any action that has been or may be brought against them in order to support a claim or defense based on principles of res judicata, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

XI. MISCELLANEOUS PROVISIONS

1. All of the Exhibits attached hereto are incorporated by reference as though fully set forth herein. Notwithstanding the foregoing, if there exists a conflict or inconsistency between the terms of this Stipulation and the terms of any Exhibit attached hereto, the terms of the Stipulation shall prevail.

2. Paramount and Defendants warrant that, as to the payments made or to be made on behalf of them, at the time of entering into this Stipulation and at the time of such payment they, or to the best of their knowledge any persons or entities contributing to the payment of the Settlement Amount, were not insolvent, nor will the payment required to be made by or on behalf of them render them insolvent, within the meaning of and/or for the purposes of the United States Bankruptcy Code, including §§ 101 and 547 thereof. This representation is made by each of Paramount and Defendants and not by their counsel.

3. In the event of the entry of a final order of a court of competent jurisdiction determining the transfer of money to the Settlement Fund or any portion thereof by or on behalf of Paramount or Defendants to be a preference, voidable transfer, fraudulent transfer, or similar transaction and any portion thereof is required to be returned, and such amount is not promptly deposited into the Settlement Fund by others, then, at the election of Lead Plaintiff, Lead Plaintiff, Paramount, and Defendants shall jointly move the Court to vacate and set aside the releases given in

this Stipulation and the Judgment entered in favor of Defendants, in which event the releases and Judgment shall be null and void, and the Parties shall be restored to their respective positions in the litigation as provided above and any cash amounts in the Settlement Fund (less any Taxes paid, due, or owing with respect to the Settlement Fund and less all Notice and Administration Costs actually incurred, paid, or payable) shall be returned.

4. The Parties intend this Stipulation and the Settlement to be a final and complete resolution of all disputes asserted or which could be asserted by Lead Plaintiff and any other Class Members against Defendants with respect to the Plaintiffs' Released Claims. Accordingly, Lead Plaintiff and its counsel and Defendants, Paramount, and their respective counsel agree not to assert in any forum that this Action was brought by Lead Plaintiff or the Additional Plaintiffs, or defended by Defendants, in bad faith or without a reasonable basis. The Parties agree that the amounts paid and the other terms of the Settlement were negotiated at arm's length and in good faith by the Parties, including through a mediation process supervised and conducted by the Mediators, and reflect the Settlement that was reached voluntarily after extensive negotiations and consultation with experienced legal counsel, who were fully competent to assess the strengths and weaknesses of their respective clients' claims or defenses.

5. While retaining their right to deny that the claims asserted in the Action were meritorious, Defendants, Paramount, and their respective counsel, in any statement made to any media representative (whether or not for attribution) will not assert that the Action was commenced or prosecuted in bad faith, nor will they deny that the Action was commenced and prosecuted in good faith and is being settled voluntarily after consultation with competent legal counsel. In all events, Lead Plaintiff and its counsel and Defendants, Paramount, and their respective counsel shall not make any accusations of wrongful or actionable conduct by any Party concerning the prosecution, defense, and resolution of the Action, and shall not otherwise suggest that the Settlement constitutes an admission of any claim or defense alleged.

6. The terms of the Settlement, as reflected in this Stipulation, may not be modified or amended, nor may any of its provisions be waived except by a writing signed on behalf of Lead Plaintiff, Defendants, and Paramount (or their successors-in-interest).

7. The headings herein are used for the purpose of convenience only and are not meant to have legal effect.

8. The construction, interpretation, operation, effect, and validity of this Stipulation and all documents necessary to effectuate it shall be governed by the internal laws of the State of Delaware without regard to conflict of laws principles.

9. All proceedings with respect to the enforcement of this Stipulation, the administration of the Settlement, and the distribution of the Net Settlement Fund to Class Members pursuant to the Class Distribution Order shall be subject to the exclusive jurisdiction of the Court. Without affecting the finality of the Settlement, each of the Parties (a) irrevocably submits to the personal jurisdiction of the Court in any suit, action, or proceeding arising out of or relating to this Stipulation and/or the Settlement; (b) agrees that it shall not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from such Court; (c) expressly waives and agrees not to plead or to make any claim that any such suit, action, or proceeding is subject (in whole or in part) to a jury trial; (d) waives any defense of inconvenient forum to the maintenance of any suit, action, or proceeding brought in the Court in accordance with this Paragraph; and (e) consents to service of process by registered mail upon such Party and/or such Party's agent.

10. The waiver by one Party of any breach of this Stipulation by any other Party shall not be deemed a waiver of any other prior or subsequent breach of this Stipulation.

11. This Stipulation and its Exhibits constitute the entire agreement among the Parties concerning the Settlement and this Stipulation and its Exhibits. All Parties acknowledge that no other agreements, representations, warranties, or inducements have been made, and they are not relying upon any other agreements,

representations, warranties, or inducements (or the accuracy or completeness thereof), by any Party hereto concerning this Stipulation or its Exhibits other than those contained and memorialized in such documents.

12. This Stipulation may be executed in one or more counterparts, including by signature transmitted via facsimile, or by a .pdf/.tif image of the signature transmitted via email. All executed counterparts and each of them shall be deemed to be one and the same instrument.

13. This Stipulation shall be binding upon and inure to the benefit of the successors and assigns of the Parties, including Released Plaintiffs' Persons and Released Defendants' Persons, and any corporation, partnership, or other entity into or with which any Party hereto may merge, consolidate, or reorganize. For the avoidance of doubt, the Parties acknowledge and agree that the Released Defendants' Persons and the Released Plaintiffs' Persons are intended beneficiaries of the Releases in this Stipulation and are entitled to enforce the Releases contemplated by the Settlement.

14. This Stipulation shall not be construed more strictly against one Party than another merely by virtue of the fact that it, or any part of it, may have been prepared by counsel for one of the Parties, it being recognized that it is the result of arm's-length negotiations between the Parties and that all Parties have contributed substantially and materially to the preparation of this Stipulation.

15. All counsel and all other persons executing this Stipulation and any of the Exhibits hereto, or any related Settlement documents, warrant and represent that they have the full authority to do so and that they have the authority to take appropriate action required or permitted to be taken pursuant to the Stipulation to effectuate its terms.

16. Lead Counsel and Defendants' Counsel agree to cooperate fully with one another in seeking Court approval of the Scheduling Order and the Settlement, as embodied in this Stipulation, and to use best efforts to promptly agree upon and execute all such other documentation as may be reasonably required to obtain final approval by the Court of the Settlement, including to take all actions, and to do, or cause to be done, all things reasonably necessary, proper, or advisable under applicable laws, regulations, and agreements to consummate and make effective, as promptly as practicable, this Stipulation and the Settlement.

17. If any Party is required to give notice to another Party under this Stipulation, such notice shall be in writing and shall be deemed to have been duly given upon receipt of hand delivery or facsimile or email transmission, with confirmation of receipt. Notice shall be provided as follows:

18. Except as otherwise provided herein, each Party shall bear its own costs.

19. Whether or not the Stipulation is approved by the Court and whether or not the Stipulation is consummated, or the Effective Date occurs, the Parties and their counsel shall use their best efforts to keep all negotiations, discussions, acts performed, agreements, drafts, documents signed, and proceedings in connection with the Stipulation confidential.

20. All agreements made and orders entered during the course of this Action relating to the confidentiality of information shall survive this Settlement.

21. No opinion or advice concerning the tax consequences of the proposed Settlement to individual Class Members is being given or will be given by the Parties or their counsel; nor is any representation or warranty in this regard made by virtue of this Stipulation. Each Class Member's tax obligations, and the determination thereof, are the sole responsibility of the Class Member, and it is understood that the tax consequences may vary depending on the particular circumstances of each individual Class Member.

ORDER AND FINAL JUDGMENT[1]

A Hearing having been held before this Court on May 23, 2006, pursuant to this Court's Order dated April 18, 2006 (the "Scheduling Order"), upon a Stipulation of Set-

1 Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to such terms in the Stipulation of Settlement dated April 12, 2006, as filed with the Delaware Court of Chancery.

tlement (the "Stipulation") filed in the above action (the "Action"), which is incorporated herein by reference; it appearing that due notice of said hearing has been given in accordance with the aforesaid Scheduling Order; the respective parties having appeared by their attorneys of record; the Court having heard and considered evidence in support of the proposed settlement (the "Settlement") set forth in the Stipulation; the attorneys for the respective parties having been heard; an opportunity to be heard having been given to all other persons requesting to be heard in accordance with the Scheduling Order; the Court having determined that notice to the Class was adequate and sufficient; and the entire matter of the proposed Settlement having been heard and considered by the Court:

IT IS ORDERED, ADJUDGED AND DECREED THIS 1st **DAY OF** June**, 2006, AS FOLLOWS**:

1. In full compliance with Court of Chancery Rule 23 and the requirements of due process, New Corp. provided notice of the Settlement to the members of the Class by means of (1) a press release, which together with the Stipulation of Settlement was made available on News Corp.'s website, and (2) a Form 8-K filing with the Securities & Exchange Commission. (collectively, the "Notice").

2. Each of the provisions of Court of Chancery Rule 23(a) has been satisfied and the Action has been properly maintained according to the provisions of Court of Chancery Rule 23(b) with respect to the claims asserted on behalf of the Class. Specifically, based on the record of the Action, this Court expressly and conclusively finds and orders that: (a) the Class, as defined in the Scheduling Order, was so numerous that joinder of all members was impracticable; (b) there were questions of law or fact common to the Class; (c) the claims or defenses of the representative plaintiffs in the Action were typical of the claims or defenses

of the Class; (d) the representative plaintiffs in the Action and their counsel have fairly and adequately protected and represented the interests of the Class; and (e) the requirements of Court of Chancery Rule 23(b)(1) and (2) have been satisfied. The Action is certified as a class action, pursuant to Court of Chancery Rules 23(a), 23(b)(1) and 23(b)(2), without opt-out rights on behalf of the Class, which is a class consisting of all persons or entities who owned shares of any class of News Corp. common stock at any time, as well as all persons or entities who owned shares of stock in TNCL (including ordinary shares and/or preferred limited voting shares) at any time from September 30, 2004 to November 12, 2004, either of record or beneficially, including any and all of their respective successors-in-interest, predecessors, representatives, trustees, executors, administrators, heirs, assigns or transferees, immediate and remote, and any person or entity acting for or on behalf of, or claiming under, any of them, and each of them.

3. Due and adequate notice of the proceedings having been provided to the members of the Class, and a full opportunity having been offered to them to participate in this Hearing, it is hereby determined that they are bound by this Order and Final Judgment.

4. The Stipulation and the terms of the Settlement as described in the Stipulation and the Notice are hereby approved and confirmed as being fair, reasonable, adequate, and in the best interests of the Class; the parties to the Stipulation are directed hereby to consummate the Settlement in accordance with the terms and conditions set forth in the Stipulation; and the Register in Chancery is directed to enter and docket this Order and Final Judgment in the Action.

5. The following shall become effective as of (a) the date of the October 2006 Annual Meeting, if holders of a majority of the shares actually voting (excluding from the

denominator, as well as the numerator, abstentions and broker non-votes) approve the October 2006 Rights Plan, or (b) the eleventh business day after the October 2006 Annual Meeting, if the shareholders do not approve the October 2006 Rights Plan and if the Defendants do not exercise their right to treat the vote as advisory in accordance with paragraph 21(e) of the Stipulation:

(a) All claims asserted in the Action against the Defendants are dismissed on the merits with prejudice against Plaintiffs and all members of the Class, without costs, except as provided herein;

(b) In addition to the foregoing, any and all claims, causes of action, or disputes -- whether known or unknown, apparent or unapparent, contingent or absolute, liquidated or unliquidated, accrued or unaccrued -- that have been, could have been or in the future might be asserted in this Court or in any other tribunal under the laws of any jurisdiction (including, but not limited to, the federal securities laws), by Plaintiffs or any other member of the Class (whether directly, representatively or in any other capacity), against Defendants or any other Released Persons,[2] which arise out of or relate in any manner to any facts, events, actions, transactions, representations, omissions or any other issues that were asserted, alleged, or in any way referenced in the Action (including, but not limited to, the adoption of the Rights Plan in November 2004 and the extension of the Rights Plan in August 2005; but excluding

2 "Released Persons" means any of the Defendants or any of their respective family members; parent entities; controlling persons; associates; affiliates or subsidiaries, and each and all of their past, present or future officers, directors, agents, employees, attorneys, consultants, accountants, shareholders, insurers, co-insurers, advisors (including financial or investment), investment bankers, commercial bankers, general or limited partners and partnerships, limited liability companies, members, joint ventures, heirs, executors, personal or legal representatives, estates, administrators, trustees, predecessors, successors and assigns, whether or not served with process and whether or not such person appeared in the Action.

any claims to enforce the terms of the Settlement) (collectively, the "Settled Claims"), are fully, finally and forever compromised, settled, released, extinguished and dismissed with prejudice, subject to the terms and conditions set forth herein;

(c) For clarification purposes, claims challenging the merits of future conduct by Defendants or any other Released Persons, including fiduciary duty claims challenging any future decision relating to the adoption or redemption of any rights plan, are not included within the definition of "Settled Claims" in subparagraph (b) above;

(d) The Settled Claims are deemed to be released without regard to the subsequent discovery of facts in addition to or different from those which Plaintiffs and the members of the Class now know or believe to be true with respect to the subject matter of the Settled Claims, even if such facts might have affected the decision by Plaintiffs and members of the Class not to object to the Settlement. With respect to any and all Settled Claims, Plaintiffs and the members of the Class are deemed to have, and by operation of this Order and Final Judgment shall have, expressly waived, to the extent permissible by law, the provisions, rights and benefits of California Civil Code § 1542, which provides:

> A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

With respect to any and all Settled Claims, Plaintiffs and the members of the Class are likewise deemed to have waived, and by operation of this Order and Final Judgment shall have waived, to the extent permissible by law, any and all provisions, rights and benefits conferred by any law of any state or territory of the United States, or principle of common law or international or foreign law, which is similar, comparable or equivalent to California Code § 1542. The parties acknowledge, and the members of the Class shall be deemed by

operation of this Order and Final Judgment to have acknowledged, that the foregoing waiver was separately bargained for and a material element of the Settlement.

(e) Any and all claims, causes of action, or disputes -- whether known or unknown, apparent or unapparent, contingent or absolute, liquidated or unliquidated, accrued or unaccrued -- that have been, could have been or in the future might be asserted in this Court or in any other tribunal under the laws of any jurisdiction, by Defendants (whether directly, representatively, or in any other capacity), against any of the Plaintiffs,[3] which arise out of or relate in any manner to Plaintiffs' filing or pursuit of this Action (but excluding any claims to enforce the terms of the Settlement), are fully, finally and forever compromised, settled, released, extinguished and dismissed with prejudice, subject to the terms and conditions set forth herein.

6. Upon the effective date of the dismissal as set forth in paragraph 5, the Plaintiffs and the members of the Class are hereby, individually and severally, permanently barred and enjoined from instituting, commencing, prosecuting, participating in or continuing any action or other proceeding in any court or tribunal of this or any other jurisdiction, either directly, representatively, derivatively or in any other capacity, against any of the Released Persons, based upon, arising out of, or in any way related to or for the purpose of enforcing any Settled Claim, all of which Settled Claims are hereby declared to be compromised,

---

3 For purposes of this subparagraph (e), the term "Plaintiffs" means any of the Plaintiffs or any of their respective parent entities; controlling persons; associates; affiliates or subsidiaries, and each and all of their past, present or future officers, directors, agents, employees, attorneys, consultants, accountants, shareholders, insurers, co-insurers, advisors (including financial or investment), investment bankers, commercial bankers, general or limited partners and partnerships, limited liability companies, members, joint ventures, heirs, executors, personal or legal representatives, estates, administrators, trustees, predecessors, successors and assigns, whether or not served with process and whether or not such person appeared in the Action.

settled, released, dismissed with prejudice and extinguished upon the effective date of the dismissal, by virtue of the proceedings in the Action and this Order and Final Judgment.

7. The attorneys for the Plaintiffs are awarded attorneys' fees and expenses in the amount of $ 1,650,000.00 , which sum the Court finds to be fair and reasonable, to be paid solely by News Corp. or one of its wholly-owned subsidiaries in accordance with the terms of the Stipulation.

8. This Order and Final Judgment shall not constitute any evidence or admission by any of the Defendants hereto or any other person that any acts of negligence or wrong-doing of any nature have been committed and shall not be deemed to create any inference that there is any liability therefore.

9. The effectiveness of the provisions of this Order and Final Judgment and the obligations of the Plaintiffs and the Defendants under the Settlement shall not be conditioned upon or subject to the resolution of any appeal from this Order and Final Judgment that relates solely to the issue of Plaintiffs' counsel's application for an award of attorneys' fees and expenses.

10. Without affecting the finality of this Order and Final Judgment, jurisdiction is hereby retained by this Court for the purpose of protecting and implementing the Stipulation and the terms of this Order and Final Judgment, including the resolution of any disputes that may arise with respect to the effectuation of any of the provisions of the Stipulation, and for the entry of such further orders as may be necessary or appropriate in administering and implementing the terms and provisions of the Settlement and this Order and Final Judgment.

Holding Your Securities - Get the Facts

March 4, 2003

As an individual investor, you have up to three choices when it comes to holding your securities:

Physical Certificate — The security is registered in your name on the issuer's books, and you receive an actual, hard copy stock or bond certificate representing your ownership of the security.

"Street Name" Registration — The security is registered in the name of your brokerage firm on the issuer's books, and your brokerage firm holds the security for you in "book-entry" form. "Book-entry" simply means that you do not receive a certificate. Instead, your broker keeps a record in its books that you own that particular security.

"Direct" Registration — The security is registered in your name on the issuer's books, and either the company or its transfer agent holds the security for you in book-entry form. The "Direct Registration System" (also known as "DRS") allows investors to transfer securities held this way. For more information about DRS, please see our Frequently Asked Questions below.

This publication explains these choices in greater detail, by laying out the advantages and disadvantages of each and by answering frequently asked questions. Depending on the type of security and where you purchase it, you may or may not have all these choices about how your securities are held. For example, not all companies offer direct registration, and some no longer issue physical certificates. You should ask your broker or the company what options you have.

Physical Certificate

When you buy a security, whether through your broker or from the company itself, you can ask to have the actual stock or bond certificates sent to you. You may have to pay a nominal fee for the added expense of issuing a paper certificate. It's important that you safeguard your certificates until you sell or transfer your

securities. It can be difficult to prove that you once owned a certificate that has been lost, stolen, or destroyed. Your broker — or the company or its transfer agent — will generally charge a fee to replace a lost or stolen stock certificate. For more information on safeguarding your securities, please read our "Fast Answer" on Lost or Stolen Stock Certificates.

The advantages of holding a physical certificate include:

- The company knows how to reach you and will send all company reports and other information to you directly.
- You may find it easier to pledge your securities as collateral for a loan if you hold the certificates yourself in physical certificate form.

The disadvantages include:

- When you want to sell your stock, you will have to send the certificate to your broker or the company's transfer agent to execute the sale. This may make it harder for you to sell quickly.
- If you lose your certificate, you may be charged a fee for a replacement certificate.
- If you move, you will have to contact the company with your change of address so that you do not miss any important mailings.

Street Name Registration

You may have your security registered in street name and held in your account at your broker-dealer. Many brokerage firms will automatically put your securities into street name unless you give them specific instructions to the contrary. Under street name registration, your firm will keep records showing you as the real or "beneficial" owner, but you will not be listed directly on the issuer's books. Instead, your brokerage firm (or some other nominee) will appear as the owner on the issuer's books.

While you will not receive a certificate, your firm will send to you, at least four times a year, an account statement that lists all your securities at the broker-dealer. Your broker-dealer will also credit your account with your dividend and interest payments and will provide you with consolidated tax information. Your broker-dealer will send you issuer mailings such as annual reports and proxies.

The advantages of letting your brokerage firm hold your securities in "street name" include:

- Because your securities are already with your broker, you can place limit orders that direct your broker to sell a security at a specific price.
- Your brokerage firm is responsible for safeguarding your securities certificates so you don't have to worry about your securities certificates being lost or stolen.
- Your brokerage firm may keep you informed of important developments, such as tender offers or when bonds are called.
- It is easier to set up a margin account.

The disadvantages include:

- You may experience a slight delay in receiving your dividend and interest payments from your brokerage firm. For example, some firms only pass along these payments to investors on a weekly, bi-weekly, or monthly basis.

- Since your name is not on the books of the company, the company will not mail important corporate communications directly to you.

Direct Registration

If a company offers direct registration for its securities, you can choose to be registered directly on the books of the company regardless of whether you bought your securities through your broker or directly from the company or its transfer agent through a direct investment plan. Direct registration allows you to have your security registered in your name on the books of the issuer without the need for a physical certificate to serve as evidence of your ownership. While you will not receive a certificate, you will receive a statement of ownership and periodic account statements, dividends, annual reports, proxies, and other mailings directly from the issuer.

The advantages of direct registration include:

- Since you are "registered" on the books of the company as the shareholder, you will receive annual and other reports, dividends, proxies, and other communications directly from the company.

- If you want to sell your securities through your broker, you can instruct your broker to electronically move your securities via DRS from the books of the company and then to sell your securities. Your broker should be able to do this quickly without the need for you filling out complicated and time-consuming forms.

- You do not have to worry about safekeeping or losing certificates, or having them stolen.

The disadvantages include:

- If you choose to buy or sell registered securities through a company's direct investment plan, you usually will not be able to buy or sell at a specific market price or at a specific time. Instead, the company will purchase or sell shares for the plan at established times — for example, on a daily, weekly, or monthly basis — and at an average market price.

While it is solely your decision how to hold your securities, you should carefully review each of the alternative forms of security registration and should consult with your financial advisor or broker-dealer to determine which form is best for you.

Frequently Asked Questions

Q: What is the Direct Registration System?

A: The Direct Registration System, or DRS, is a system that enables an investor to electronically move his or her security position held in direct registration book-entry form back and forth between the issuer and the investor's broker-dealer.

Q: After I make my decision on how I want to hold my security, what do I do?

A: You should check with the issuer or your broker-dealer to find out if the issuer offers direct registration. If you are purchasing a security, tell your broker-dealer you want to hold your securities in direct registration. If you currently hold a certificate, you can mail or take your certificate either to the issuer or to your broker-dealer with instructions to change to direct registration. If you currently hold your security in street name registration, you can instruct your broker-dealer or the issuer to move your security position to the issuer for direct registration. In any situation, you will receive a statement of ownership from the issuer acknowledging your DRS book-entry position once the change has been made.

If you want a certificate or if you want to use street name registration, tell your broker-dealer your choice at the time of purchase. If you elect a certificate, one will be sent to you. If you choose street name registration, your broker-dealer will send you a confirmation and periodic account statements acknowledging your ownership. If you currently hold a certificate, you can deliver the certificate to your broker-dealer with instructions to change your registration to street name registration. If you currently hold in street name registration, you can tell your broker-dealer to obtain a certificate for you.

Q: What do I have to do to sell my security?

A: To sell a security held in **direct registration**, you can:

1. instruct the issuer to sell your security (many issuers have programs in place to accommodate sale requests); or

2. instruct your broker-dealer or the issuer to electronically move your security to your broker-dealer for your broker-dealer to sell; or

3. request a physical certificate and deliver it to your broker-dealer to sell.

To sell a security held in **street name registration**, you can:

1. instruct your broker-dealer to sell your security; or

2. request a physical certificate and deliver it to another broker-dealer to sell; or

3. instruct your broker-dealer or the issuer to electronically move your security to the issuer for the issuer to sell (many issuers have programs in place to accommodate sale requests) or to electronically move to another broker-dealer to sell.

To sell a security for which you hold a **physical certificate**, you can:

1. deliver the certificate to your broker-dealer with your instructions to sell or

2. deliver the certificate to the issuer with your instructions (a) to change the registration to DRS and move the position to your broker-dealer to sell if your security is eligible for direct registration or (b) for the issuer to sell if the issuer has a program in place to accommodate sale requests.

When selling a security through the issuer, the issuer will sell your security under the terms and conditions in place for that issue. For example, some sell orders will be executed on the day the issuer receives them, and some orders are aggregated for frequent, but not daily, execution. (Note: you should ask the issuer if it offers a selling service and what the terms and conditions are.) Proceeds from the sale will be mailed to you three business days after the date of sale.

When selling through your broker-dealer, your instructions will be acted on immediately and in accordance with the guidelines it provides to you. Proceeds from the sale will be made available to you or credited to your

account three business days after the date of sale.

Q: Can I place a limit order? Market order? Stop order?

A: Only a broker-dealer can execute a limit, market, or stop order. As a result, you can place any of these types of orders only if you use a broker-dealer to execute a transaction for securities held in direct registration, street-name, or in certificate form.

Q: What about my relationship with my broker-dealer if I use direct registration?

A: You can maintain your relationship with your broker-dealer regardless of your choice of registration.

- When you purchase a security to hold in direct registration, you can tell either your broker-dealer or the issuer to include pertinent broker-dealer information in the issuer's records.

- If you do not have your broker-dealer information included in the issuer's records at the time of purchase and later want to or if you want to change the broker-dealer information in the issuer's records, you may do so. You should contact either your broker-dealer or the issuer to obtain information on the procedures and the documents required for such actions.

Q: If I hold certificates and there is a stock distribution, will I get a certificate for my additional shares?

A: If the issue is eligible for direct registration, you will probably receive a statement of ownership instead of an additional certificate.

Q: What are the fees associated with direct registration? With street name registration? With a certificate?

A: There are no fees charged by an issuer for direct registration. However, because broker-dealers offer differing services and plans, you should contact your broker-dealer to learn what, if any, fees it charges.

Q: If I opt for direct registration, what happens if I lose my statement of ownership?

A: If you ever need a duplicate statement of ownership, you should contact the issuer. The issuer will mail you a new statement of ownership.

Q: What happens if my physical certificate is lost or stolen?

A: Brokerage firms, banks, transfer agents, and corporations have procedures in place to help investors replace lost or stolen certificates. If your securities certificate is lost, accidentally destroyed, or stolen, you should immediately contact the transfer agent and request that a "stop transfer" be placed against the missing securities. Your broker may be able to assist you with this process.

The "stop transfer" helps to prevent someone from transferring ownership from your name to another's. The transfer agent or broker-dealer will report the certificates missing to the SEC's lost and stolen securities program. For more information please read our "Fast Answer" on Lost or Stolen Stock Certificates.

Q: How are my securities protected if I choose street name ownership?

A: Nearly all broker-dealers are members of Securities Investor Protection Corporation ("SIPC"). As a result your securities and money held at your broker-dealer are protected up to $500,000 with a $100,000 limit for cash. Many broker-dealers also carry insurance in excess of SIPC's coverage. However, SIPC does not protect you against losses caused by a decline in the market value of your securities. For more information about SIPC coverage, please read our "Fast Answer" on the Securities Investors Protection Corporation.

We have provided this information as a service to investors. It is neither a legal interpretation nor a statement of SEC policy. If you have questions concerning the meaning or application of a particular law or rule, please consult with an attorney who specializes in securities law.

OF SETTLEMENT, COMPROMISE, AND RELEASE

This Stipulation and Agreement of Settlement, Compromise and Release (together with the exhibits hereto, the "Stipulation"), dated August 26, 2021, is entered into by and among the following parties in the above-captioned action: (i) plaintiff Sandra Searles ("Plaintiff"), on behalf of herself and the other members of the Settlement Class (as defined in paragraph 1(ee) below); and (ii) defendants Richard M. DeMartini, Christopher G. Marshall, R. Eugene Taylor, Crestview Partners, L.P., Crestview-NAFH, LLC, and Crestview Advisors, L.L.C. (collectively, "Defendants"). Plaintiff and Defendants are the "Parties" and are each individually a "Party."

This Stipulation states the terms for the settlement and resolution of this matter as between Plaintiff and Defendants to fully and finally release, resolve, remise, compromise, settle, and discharge the Released Plaintiff's Claims against the Defendants' Releasees, subject to the approval of the Court of Chancery of the State of Delaware (the "Court"). All capitalized terms herein shall have the meanings ascribed to them in Paragraph 1 below, unless defined elsewhere in this Stipulation.

WHEREAS:

A. On May 3, 2017, Capital Bank Financial Corporation ("Capital Bank"), a Delaware corporation, entered into an Agreement and Plan of Merger (the "Merger Agreement") with First Horizon, a Tennessee corporation.

B. Pursuant to the Merger Agreement, each share of Capital Bank common stock (the "Common Stock") was converted into the right to receive either $40.573 in cash or 2.1732 shares of First Horizon common stock (the "Merger Consideration"), subject to procedures applicable to oversubscription and undersubscription set forth in the Merger Agreement.

C. On July 31, 2017, Capital Bank and First Horizon filed the Definitive Proxy Statement.

D. On September 7, 2017, Capital Bank's stockholders voted in favor of the Merger Agreement with the holders of nearly 82 percent of the outstanding stock approving the Merger Agreement.

E. On November 30, 2017, pursuant to the Merger Agreement, Capital Bank merged with and into First Horizon (the "Merger"), with First Horizon surviving the Merger.

F. On March 28, 2018, two Capital Bank stockholders filed an appraisal action in the Court captioned *GKC Strategic Value Master Fund, LP v. Capital Bank Financial Corp.*, C.A. No. 2018-0226-KSJM (the "Appraisal Action") for an appraisal of their stock in connection with the Merger. Plaintiff was not a party to the Appraisal Action.

G. On October 16, 2019, the Appraisal Action was voluntarily dismissed with prejudice.

H. On November 4, 2019, Plaintiff filed a Notice of Challenge to Confidential Treatment in the Appraisal Action pursuant to Court of Chancery Rule 5.1(f).

I. On November 18 and 19, 2019, Defendants unsealed the challenged documents.

J. On February 26, 2020, Plaintiff, on behalf of herself and the other members of the Settlement Class, filed a Verified Class Action Complaint (the "Complaint") captioned *Searles v. DeMartini, et al.*, C.A. No. 2020-0136-KSJM (the "Action"), in the Court against Defendants. The Complaint asserted claims against Defendants for purported breaches of fiduciary duty and aiding and abetting

such breaches of fiduciary duty arising from Defendants' (i) decision to cause Capital Bank to enter into the Merger Agreement, (ii) recommendation that Capital Bank's stockholders approve the Merger, and (iii) purported failure to disclose all material information in the Definitive Proxy Statement.

K. On March 24, 2020, Defendants moved to dismiss the Complaint.

L. On May 8, 2020, Defendants filed opening briefs in support of their motions to dismiss the Complaint.

M. On June 22, 2020, Plaintiff filed her omnibus answering brief in opposition to Defendants' motions to dismiss.

N. On July 16, 2020, Defendants filed their reply briefs in further support of their motions to dismiss.

O. On September 24, 2020, the Court held oral argument on the motions to dismiss.

P. On January 20, 2021, the Court issued a telephonic bench ruling denying Defendants' motions to dismiss as to all three counts of the Complaint.

Q. On February 19, 2021, Defendants each filed an Answer and Affirmative Defenses to Complaint.

R. On February 26, 2021, the Parties entered into a Stipulation and Order Governing the Production and Exchange of Confidential and Highly Confidential Information.

S. On March 10 and 11, 2021, Plaintiff served subpoenas on Barclays Capital Inc. and Morgan Stanley & Co. LLC.

T. Between March 2021 and April 2021, Defendants produced to Plaintiff all the discovery responses and documents that were exchanged in the Appraisal Action. In total, Plaintiff received more than 40,000 documents from Defendants totaling nearly 280,000 pages and more than 80,000 documents from third parties totaling more than 350,000 pages. Defendants and third parties also produced 15 deposition transcripts from the Appraisal Action and expert reports from the Appraisal Action. Throughout March and April 2021, Plaintiff's Lead Counsel reviewed the deposition transcripts from the Appraisal Action, the expert reports from the Appraisal Action, and tens of thousands of documents totaling hundreds of thousands of pages.

U. On April 29, 2021, the Parties entered into a Stipulation and [Proposed] Order Regarding Case Schedule that contemplated that trial would commence on May 16, 2022.

V. On April 30, 2021, both Plaintiff and Defendants submitted confidential mediation statements. Plaintiff and Defendants participated in a full day of mediation on May 14, 2021 in front of Phillips ADR Enterprises, P.C. mediator Greg Danilow in an attempt to resolve the Action. The Parties did not reach a resolution on May 14.

W. Settlement discussions continued over the next couple of weeks and, on June 4, 2021, Mr. Danilow made a mediator's proposal to resolve the matter. Thereafter, Plaintiff and Defendants continued to negotiate other aspects of a possible resolution, while separately considering the mediator's proposal.

X. On June 18, 2021, the parties agreed to a settlement in which Plaintiff agreed to fully and finally settle the claims asserted against Defendants in the Action in exchange for a cash payment of $23,000,000.00 (the "Settlement Amount"). This settlement was reflected in a settlement term sheet executed by Plaintiff and Defendants on July 19, 2021 (the "Term Sheet").

Y. This Stipulation is intended fully, finally, and forever to resolve, discharge and settle the Released Claims with prejudice. Plaintiff and Defendants intend that the Settlement will release all Released Plaintiff's Claims that were asserted by Plaintiff in the Action or could have been asserted by Plaintiff that concern the allegations, transactions, or matters alleged or involved in the Action.

Z. The entry by Plaintiff and Defendants into this Stipulation is not, and shall not be construed as or deemed to be evidence of, an admission as to the merit or lack of merit of any claims or defenses asserted in the Action. The Parties acknowledge that this Stipulation in no way constitutes an admission of any wrongdoing on the part of Defendants, nor an admission of liability or obligation by any of the Parties, nor a waiver by Defendants of any applicable defense and is solely

for the purpose of compromising disputed claims and avoiding further litigation. Defendants expressly deny all assertions of wrongdoing, fault, liability, or damage arising out of any of the conduct, acts, or omissions alleged against Defendants and otherwise deny that they engaged in any wrongdoing or committed any violation of law or breach of duty, but wish to settle and resolve all Released Plaintiff's Claims on the terms and conditions stated in this Stipulation in order to eliminate the burden and expense of further litigation and to put the Released Plaintiff's Claims to rest finally and forever.

AA. Plaintiff's Lead Counsel have conducted an investigation and pursued discovery relating to the claims and the underlying events and transactions alleged in the Action. Plaintiff's Lead Counsel have analyzed the evidence adduced during their investigation and through discovery, and have researched the applicable law with respect to Plaintiff and the Settlement Class. In negotiating and evaluating the terms of this Stipulation, Plaintiff's Lead Counsel considered the significant legal and factual defenses to Plaintiff's claims. Plaintiff's Lead Counsel have received sufficient information to evaluate the merits of this Settlement. Based upon their evaluation, Plaintiff's Lead Counsel have determined that the Settlement set forth in this Stipulation is fair, reasonable, and adequate and in the best interests of all Settlement Class Members, and that it confers substantial benefits upon the Settlement Class.

NOW, THEREFORE, IT IS HEREBY STIPULATED, CONSENTED TO, AND AGREED, by Plaintiff, on behalf of herself and on behalf of the Settlement Class, and Defendants that, subject to the approval of the Court and pursuant to Court of Chancery Rule 23 and the other conditions set forth in Section B, for the good and valuable consideration set forth herein and conferred on Plaintiff and the Settlement Class, the sufficiency of which is hereby acknowledged, the Action against Defendants shall be finally and fully settled, compromised, and dismissed, on the merits and with prejudice, and that the Released Plaintiff's Claims shall be finally and fully compromised, settled, released, discharged, and dismissed with prejudice as against the Defendants' Releasees.

B. Settlement Consideration

2. In consideration for the full and final release, settlement, and discharge of any and all Released Plaintiff's Claims against the Defendants' Releasees, the Parties have agreed to the following consideration:

(a) *Settlement Payment*:

(i) Within twenty (20) business days following the filing of this Stipulation with the Court and the issuance of the Scheduling Order by the Court, as well as the receipt by the Defendants' insurers of adequate payment instructions and a form W-9 for the payee, Defendants shall cause the Settlement Amount to be deposited into the Account.

(ii) The Settlement Fund shall be used (i) to pay any Fee and Expense Award, (ii) to pay all Notice and Administration Costs, (iii) to pay any Taxes, and (iv) to pay any other costs or fees approved by the Court, and following the payment of (i)-(iv) above, for subsequent disbursement of the Net Settlement Fund to the eligible Settlement Class Members in accordance with the proposed Plan of Allocation or such other plan of allocation approved by the Court.

(iii) In the event this Stipulation is disapproved by the Court or on appeal, the Settlement Fund (including accrued interest thereon, and change in value as a result of the investment of the Settlement Fund), less any Notice and Administration Costs actually incurred, paid, or payable and less any Taxes paid, due, or owing, shall be returned to the persons or entities that paid their respective parts of the Settlement Amount within twenty (20) business days of the disapproval decision becoming final and no longer subject to appeal, with the refund allocated according to the respective contributions to the Settlement Fund.

(b) *Distribution of the Settlement Fund*:

(i) Following the Effective Date, the Net Settlement Fund will be disbursed to the eligible Settlement Class Members by the Settlement Administrator as ordered by the Court pursuant to the proposed Plan of Allocation set forth in the Notice or such other plan of allocation approved by the Court. The Plan of Allocation proposed in the Notice is not a necessary term of the Settlement or of this Stipulation and it is not a condition of the Settlement or of this Stipulation that any particular plan of allocation be approved by the Court. Plaintiff and Plaintiff's Lead Counsel may not cancel or terminate the Settlement (or this Stipulation) based on this Court's or any appellate court's ruling with respect to the Plan of Allocation or any other plan of allocation in this Action. Defendants shall not object to the Plan of Allocation or any other plan of allocation in this Action and

shall not have any involvement with the application of the Court-approved plan of allocation.

(ii) The Settlement is not a claims-made settlement. Upon the occurrence of the Effective Date, Defendants, their insurance carriers, the other Defendants' Releasees, and any other person or entity who or which paid any portion of the Settlement Amount shall not have any right to the return of the Settlement Fund or any portion thereof for any reason whatsoever.

(c) *Costs of Notice and Settlement Administration*:

(i) Notwithstanding the fact that the Effective Date of the Settlement has not yet occurred, Plaintiff's Lead Counsel may pay from the Settlement Fund any and all Notice and Administration Costs without further order of the Court or further approval from Defendants. In the event that the Settlement is not consummated, all Notice and Administration Costs paid or incurred shall not be returned or repaid to Defendants, their insurance carriers, or any other person or entity who or which funded any portion of the Settlement Amount.

(d) *Investment and Disbursement of the Settlement Fund*:

(i) The Settlement Fund deposited pursuant to Paragraph 2(a) above shall be invested by the Escrow Agent exclusively in United States Treasury Bills (or a mutual fund invested solely in such instruments) and the Escrow Agent shall collect and reinvest all interest accrued on the Settlement Fund, except that any

residual cash balances up to the amount that is insured by the FDIC may be deposited in any account that is fully insured by the FDIC. In the event that the yield on United States Treasury Bills is negative, in lieu of purchasing such Treasury Bills, all or any portion of the funds held by the Escrow Agent may be deposited in any account that is fully insured by the FDIC or backed by the full faith and credit of the United States. Additionally, if short-term placement of the funds is necessary, all or any portion of the funds held by the Escrow Agent may be deposited in any account that is fully insured by the FDIC or backed by the full faith and credit of the United States. The Settlement Fund shall bear all risks related to investment of the Settlement Fund.

(ii) The Settlement Fund shall not be disbursed except as provided in this Stipulation or by an order of the Court.

(iii) The Settlement Fund shall be deemed and considered to be in *custodia legis* of the Court, and shall remain subject to the jurisdiction of the Court, until such time as such funds shall be distributed pursuant to the Stipulation and/or further order(s) of the Court.

3. The obligations incurred pursuant to this Stipulation are in consideration of the full and final disposition of the Action as against Defendants and the Releases provided for herein.

4. 5. Pursuant to the Judgment, without further action by anyone, upon the Effective Date of the Settlement, Defendants, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns in their capacities as such, shall be deemed to have, and by operation of law and of the Judgment shall have, fully, finally and forever compromised, settled, released, resolved, relinquished, waived, and discharged each and every Released Defendants' Claim against Plaintiff and the other Plaintiff's Releasees, and shall forever be enjoined from prosecuting any or all of the Released Defendants' Claims against the Plaintiff's Releasees.

6. Notwithstanding ¶¶ 4-5 above, nothing in the Judgment shall bar any action by any of the Parties to enforce or effectuate the terms of this Stipulation or the Judgment.

D. Class Certification

7. Solely for purposes of the Settlement and for no other purpose, Defendants stipulate and agree to: (a) certification of the Action as a non-opt out class action pursuant to Delaware Court of Chancery Rules 23(a), 23(b)(1), and 23(b)(2) on behalf of the Settlement Class; (b) appointment of Plaintiff as Class Representative for the Settlement Class; and (c) appointment of Plaintiff's Lead Counsel as Class Counsel for the Settlement Class.

8. The certification of the Settlement Class shall be binding only with respect to this Stipulation. In the event that this Stipulation is terminated pursuant to its terms or the Effective Date of the Settlement otherwise fails to occur, the certification of the Settlement Class shall be deemed vacated and the Action shall proceed as though the Settlement Class had never been certified.

E. Submission of the Settlement to the Court for Approval

9. As soon as practicable after this Stipulation has been executed, Plaintiff shall (1) apply to the Court for entry of a Scheduling Order in the form attached hereto as Exhibit A, providing for, among other things: (a) the dissemination of the Notice, substantially in the form attached hereto as Exhibit B, which includes the

proposed Plan of Allocation; and (b) the scheduling of the Settlement Hearing to consider: (i) the proposed Settlement, (ii) the request that the Judgment be entered in all material respects in the form attached hereto as Exhibit D, (iii) Plaintiff's Lead Counsel's application for the Fee and Expense Award, and (iv) any objections to any of the foregoing; and (2) take all reasonable and appropriate steps to seek and obtain entry of the Scheduling Order.

10. Plaintiff shall request at the Settlement Hearing that:

(a) The Court approve the Settlement, certify the Settlement Class, approve the Fee and Expense Award; and

(b) The Judgment be entered.

11. The Parties shall take all reasonable and appropriate steps to obtain Final entry of the Judgment in all material respects in the form attached hereto as Exhibit D.

F. Settlement Notice and Administration

12. Notice of the Settlement shall be provided in accordance with the Scheduling Order. Plaintiff shall retain a Settlement Administrator to disseminate notice of the Settlement and for the disbursement of the Settlement Fund. Defendants and other Defendants' Releasees shall not have any involvement in or any responsibility, authority, or liability whatsoever for the selection of the Settlement Administrator.

13. Defendants shall cooperate with Plaintiff in providing notice of the Settlement and administering the Settlement, including, but not limited to, the Individual Defendants providing to the Settlement Administrator and Plaintiff's Lead Counsel, within five (5) business days following entry of the Scheduling Order by the Court, in an electronically-searchable form, such as Excel, the stockholder register from Capital Bank's transfer agent containing the names, mailing addresses and, if available, email addresses for all registered holders of Capital Bank common stock as of November 30, 2017.

14. For purposes of distributing the Net Settlement Fund to eligible Settlement Class Members, within fifteen (15) business days after the Court's entry of the Judgment, the Individual Defendants, at no cost to the Settlement Fund, Plaintiff's Lead Counsel, or the Settlement Administrator, will use reasonable best efforts to provide to Plaintiff's Lead Counsel or the Settlement Administrator in an electronically-searchable form, such as Excel, the following information:

(a) The names, mailing addresses and, if available, email addresses of all registered owners of Capital Bank common stock who held shares of Capital Bank common stock at the Closing and therefore received or were entitled to receive the Merger Consideration, other than the Excluded Stockholders (defined below) ("Merger Record Holders"), and the number of shares of Capital Bank common

stock held by those Merger Record Holders at the Closing and for which they received or were entitled to receive the Merger Consideration;

(b) For each of the persons and entities listed on Schedule 1 hereto, each of which has been identified by Defendants to be excluded from the Settlement Class, consistent with those stockholders excluded from the definition of the Settlement Class above (i.e., the Excluded Stockholders), the number of shares of Capital Bank common stock beneficially owned by each Excluded Stockholder at the Closing and for which the Excluded Stockholder received or were entitled to receive the Merger consideration ("Excluded Shares") and each Excluded Stockholder's account information, including his, her, or its financial institution and account number(s) where his, her, or its Excluded Shares were held.

(c) The allocation or "chill" report generated by the Depository Trust & Clearing Corporation, including its subsidiary the Depository Trust Company ("DTCC") in anticipation of the Merger to facilitate the allocation of the Merger Consideration to Capital Bank stockholders (the "DTCC Allocation Report"), which shall include, for each DTTC participants to which DTTC distributed the Merger Consideration (a "DTTC Participant"), the number of shares of Capital Bank stock reflected on the DTTC Allocation Report used by DTC to distribute the Merger Consideration.

15. In addition to the information to be provided under Paragraph 14 above, Defendants, at the request of Plaintiff, and at no cost to the Settlement Fund, Plaintiff, Plaintiff's Counsel, or the Settlement Administrator, shall make reasonable efforts to provide such additional information as may be required to distribute the Net Settlement Fund to eligible Settlement Class Members and to ensure that the Net Settlement Fund is paid only to eligible Settlement Class Members and not to Excluded Stockholders. Furthermore, to facilitate the distribution of the Net Settlement Fund to eligible Settlement Class Members, the information to be provided to DTCC may include, without limitation, "suppression letters" from DTCC Participants concerning the Excluded Shares, instructing DTCC to withhold payment on those Excluded Shares and containing other terms as DTCC may reasonably require.

16. Defendants and other Excluded Stockholders shall not have any right to receive any part of the Settlement Fund for his, her, or its own account(s) (i.e., accounts in which he, she, or it holds a proprietary interest, but not including accounts managed on behalf of others), or any additional amount based on any claim relating to the fact that Settlement proceeds are being received by any other stockholder, in each case under any theory, including but not limited to contract, application of statutory or judicial law, or equity.

17. The Net Settlement Fund shall be distributed to eligible Settlement Class Members only after the Effective Date of the Settlement and after: (a) all Notice and Administration Costs, all Taxes, and any Fee and Expense Award have been paid from the Settlement Fund or reserved; and (b) the Court has entered an order authorizing the specific distribution of the Net Settlement Fund (the "Class Distribution Order"). Plaintiff's Lead Counsel will apply to the Court, on notice to Defendants' Counsel, for the Class Distribution Order.

18. Payment pursuant to the Class Distribution Order shall be final and conclusive against all Settlement Class Members. Plaintiff, Defendants, the other Defendants' Releases, and their respective counsel, shall have no liability whatsoever for the investment or distribution of the Settlement Fund or the Net Settlement Fund, the determination, administration, or calculation of any payment from the Net Settlement Fund, the nonperformance of the Settlement Administrator or a nominee holding shares on behalf of a Settlement Class Member, the payment or withholding of Taxes (including interest and penalties) owed by the Settlement Fund, or any losses incurred in connection therewith.

19. All proceedings with respect to the administration of the Settlement and distribution pursuant to the Class Distribution Order shall be subject to the exclusive jurisdiction of the Court.

G. Conditions of Settlement

20. The Effective Date of the Settlement shall be deemed to occur on the occurrence or waiver of all of the following events, which the Parties shall use their best efforts to achieve:

(a) the full amount of the $23,000,000.00 Settlement Amount has been paid into the Account accordance with Paragraph 2(a)(i) above;

(b) the Court has entered the Scheduling Order in all material respects in the form attached hereto as Exhibit A;

(c) the Court enters in all material respects the Judgment in the form attached hereto as Exhibit D providing for the dismissal with prejudice of Defendants from the Action with respect to all Settlement Class Members (including Plaintiff) without the award of any damages, costs, or fees or the grant of further relief except for the payments contemplated by this Stipulation; and

(d) the Judgment has become Final.

H. Attorneys' Fees and Expenses

21. Plaintiff's Lead Counsel will apply for a Fee and Expense Award in an amount up to $4,600,000.00. The Parties acknowledge and agree that any Fee and Expense Award in connection with the Settlement shall be paid from the Settlement Fund and shall reduce the settlement consideration paid to the eligible Settlement Class Members accordingly. Plaintiff's Lead Counsel's application for a Fee and

Expense Award is not the subject of any agreement between Defendants and Plaintiff other than what is set forth in this Stipulation.

22. The Fee and Expense Award shall be payable to Plaintiff's Lead Counsel from the Settlement Fund immediately after entry of the Judgment, notwithstanding the existence of any timely filed objections thereto, or potential for appeal therefrom, or collateral attack on the Settlement or any part thereof. In the event that (i) this Stipulation is disapproved, canceled, or terminated pursuant to its terms or the Effective Date otherwise fails to occur, or (ii) the Fee and Expense Award is disapproved, reduced, reversed or otherwise modified by a final court order that is no longer subject to appeal or review, as a result of any further proceedings including any successful collateral attack, then Plaintiff's Lead Counsel shall, within twenty (20) business days after Plaintiff's Lead Counsel receives notice of any such event in (i) or (ii) above, return to the Account, as applicable, either the entirety of the Fee and Expense Award or the difference between the attorneys' fees and expenses awarded by the Court in the Fee and Expense Award on the one hand, and any attorneys' fees and expenses ultimately and finally awarded on appeal, further proceedings on remand, or otherwise on the other hand.

23. The disposition of the application for the Fee and Expense Award is not a material term of this Stipulation, and it is not a condition of this Stipulation that such application be granted. The Fee and Expense Award may be considered

separately from the proposed Stipulation. Any disapproval or modification of the Fee and Expense Award by the Court or on appeal shall not affect or delay the enforceability of this Stipulation, provide any of the Parties with the right to terminate the Settlement, or affect or delay the binding effect or finality of the Judgment and the release of the Released Claims. Final resolution of the Fee and Expense Award shall not be a condition to the dismissal, with prejudice, of the Action as to Defendants or effectiveness of the releases of the Released Claims.

24. Plaintiff's Lead Counsel warrant that no portion of any Fee and Expense Award shall be paid to anyone other than Plaintiff's Counsel, including but not limited to Plaintiff or any Settlement Class Member, except as approved by the Court.

25. Plaintiff's Lead Counsel shall allocate any Fee and Expense Award amongst Plaintiff's Counsel in a manner which it, in good faith, believes reflects the contributions of such counsel to the institution, prosecution, and settlement of the Action.

I. Stay Pending Court Approval

26. Plaintiff and Defendants agree to stay the proceedings in the Action and not to initiate any other proceedings against Defendants pending the occurrence of the Effective Date.

27. The Parties will request the Court to order (in the Scheduling Order) that, pending final determination of whether the Settlement should be approved, Plaintiff and all other Settlement Class Members are barred and enjoined from commencing, prosecuting, instigating, or in any way participating in the commencement or prosecution of any Released Plaintiff's Claim, either directly, representatively, derivatively, or in any other capacity, against any Defendants' Releasees.

J. Taxes

28. The Parties agree that the Settlement Fund is intended to be a "qualified settlement fund" within the meaning of Treas. Reg. § 1.468B-l. Plaintiff's Lead Counsel, as administrator for the Settlement Fund within the meaning of Treasury Regulation § 1.468B-2(k)(3), shall timely make such elections as necessary or advisable to carry out the provisions of this Section J, including, if necessary, the "relation-back election" (as defined in Treas. Reg. § 1.468B-1(j)(2)) back to the earliest permitted date. Such elections shall be made in compliance with the procedures and requirements contained in such Treasury regulations promulgated under § 1.468B of the Internal Revenue Code of 1986, as amended. It shall be the responsibility of Plaintiff's Lead Counsel to timely and properly prepare and deliver the necessary documentation for signature by all necessary parties, and thereafter to cause the appropriate filing to occur. Upon request, Defendants shall provide the

statement described in Treas. Reg. § 1.468B-3(e) to Plaintiff's Lead Counsel within the time period required thereunder.

29. Plaintiff's Lead Counsel shall timely and properly file all informational and other tax returns necessary or advisable with respect to the Settlement Fund (including, without limitation, the returns described in Treas. Reg. § 1.468B-2(k)). Such returns (as well as the election described in Paragraph 28 hereof) shall be consistent with this Section J and in all events shall reflect that all Taxes (including any estimated taxes, interest, or penalties) on the income earned by the Settlement Fund shall be paid out of the Settlement Fund as provided in Paragraph 30 hereof.

30. All Taxes shall be paid out of the Settlement Fund, and shall be timely paid, or caused to be paid, by Plaintiff's Lead Counsel without further order of the Court. Any tax returns prepared for the Settlement Fund (as well as the election set forth herein) shall be consistent with this Section J and in all events shall reflect that all taxes on the income earned by the Settlement Fund shall be paid out of the Settlement Fund, as provided herein. Any costs for the preparation of applicable tax returns shall be paid from the Settlement Fund. Defendants and Defendants' Releasees shall not bear any tax liability in connection with the Settlement Fund, including any liability for income taxes owed by any Class Member by virtue of their receipt of payment from the Settlement Fund.

31. The Parties hereto agree to cooperate with the administrators of the Settlement Fund, each other, and their tax attorneys and accountants to the extent reasonably necessary to carry out the provisions of this Section J.

K. Termination of Settlement; Effect of Termination

32. If either (i) the Court finally refuses to enter the Judgment in any material respect or the Court alters the Judgment in any material respect prior to entry, or (ii) the Court enters the Judgment but on or following appellate review, the Judgment is modified or reversed in any material respect, the Settlement and this Stipulation shall be canceled and terminated unless each of the Parties to this Stipulation, within ten (10) business days from receipt of such ruling, agrees in writing with the other Parties to proceed with this Stipulation and the Settlement, including only with such modifications, if any, as to which all other Parties in their sole judgment and discretion may agree. For purposes of this paragraph, an intent to proceed shall not be valid unless it is expressed in a signed writing. Neither a modification nor a reversal on appeal of the amount of fees, costs, and expenses awarded by the Court to Plaintiff's Lead Counsel shall be deemed a material modification of the Judgment or this Stipulation.

33. In addition to the foregoing, Plaintiff shall have the right to cancel and terminate the Settlement and this Stipulation in the event that the Settlement Amount is not timely paid in accordance with Paragraph 2(a)(i) above. Furthermore,

notwithstanding anything to the contrary set forth above, in the event that Defendants (and/or their respective insurers) fail to deposit their respective share of the Settlement Amount, nothing herein shall be construed to limit or prejudice in any way any of Plaintiff's rights to seek enforcement of the terms of the Settlement against any Defendant which fails to make the required deposit, including specifically, rights to sue for breach of contract and for specific performance and/or to seek appropriate legal and/or equitable relief from the Court to enforce the Settlement and for fees and expenses to enforce the Settlement against a party or parties who have breached their obligations under this Stipulation.

34. If this Stipulation is disapproved, canceled, or terminated pursuant to its terms or the Effective Date otherwise fails to occur for any reason, (i) the Parties shall be deemed to have reverted to their respective litigation status immediately prior to execution of the Term Sheet, they shall negotiate a new trial schedule in good faith, and they shall proceed as if the Term Sheet and Stipulation had not been executed and the related orders had not been entered; (ii) all of their respective claims and defenses as to any issue in the Action shall be preserved without prejudice in any way; and (iii) the statements made in connection with the negotiations of the Term Sheet and this Stipulation shall not be deemed to prejudice in any way the positions of any of the Parties with respect to the Action, or to constitute an admission of fact of wrongdoing by any Party, shall not be used or entitle any Party

to recover any fees, costs, or expenses incurred in connection with the Action, and neither the existence of the Term Sheet and this Stipulation nor their contents nor any statements made in connection with their negotiation or any settlement communications shall be admissible in evidence or shall be referred to for any purpose in the Action, or in any other litigation or judicial proceeding.

L. Miscellaneous Provisions

35. All of the Exhibits attached hereto are material and integral parts hereof and shall be incorporated by reference as though fully set forth herein. Notwithstanding the foregoing, in the event that there exists a conflict or inconsistency between the terms of this Stipulation and the terms of any Exhibit attached hereto, the terms of the Stipulation shall prevail.

36. Defendants warrant that, as to the payments made or to be made on behalf of them, at the time of entering into this Stipulation and at the time of such payment they, or to the best of their knowledge any persons or entities contributing to the payment of the Settlement Amount, were not insolvent, nor will the payment required to be made by or on behalf of them render them insolvent, within the meaning of and/or for the purposes of the United States Bankruptcy Code, including §§ 101 and 547 thereof. This representation is made by each of the Defendants and not by their counsel.

37. In the event of the entry of a final order of a court of competent jurisdiction determining the transfer of money to the Settlement Fund or any portion thereof by or on behalf of Defendants to be a preference, voidable transfer, fraudulent transfer or similar transaction and any portion thereof is required to be returned, and such amount is not promptly deposited into the Settlement Fund by others, then, at the election of Plaintiff, Plaintiff and Defendants shall jointly move the Court to vacate and set aside the Releases given and the entered in favor of Defendants and the other Releasees pursuant to this Stipulation, in which event the Releases and Judgment shall be null and void, and the Parties shall be restored to their respective positions in the litigation as provided above and any cash amounts in the Settlement Fund (less any Taxes paid, due, or owing with respect to the Settlement Fund and less any Notice and Administration Costs actually incurred, paid, or payable) shall be returned to the persons or entities that paid their respective parts of the Settlement Amount according to the respective contributions to the Settlement Fund.

38. This Stipulation may not be amended or modified, nor may any of its provisions be waived, except by a written instrument signed by counsel for Plaintiff and the Defendants or their successors-in-interest.

39. The headings herein are used for the purpose of convenience only and are not meant to have legal effect.

40. Plaintiff and Defendants represent and agree that the terms of the Settlement reached between Plaintiff and Defendants were negotiated at arm's-length and in good faith by Plaintiff and Defendants, including through a mediation process supervised and conducted by Greg Danilow of Phillips ADR, and reflect a settlement that was reached voluntarily based upon adequate information and sufficient discovery and after consultation with experienced legal counsel.

41. Plaintiff and Defendants covenant and agree that neither this Stipulation, nor the facts or any terms of the Settlement, or any communications relating thereto, is evidence, or an admission or concession by Plaintiff or Defendants or their counsel, any Settlement Class Member, or any other Defendants' Releasees, of any fault, liability, or wrongdoing whatsoever, as to any facts or claims alleged or asserted in the Action or otherwise, or any other actions or proceedings, or as to the validity or merit of any of the claims or defenses alleged or asserted in any such action or proceeding. This Stipulation is not a finding or evidence of the validity or invalidity of any claims or defenses in the Action, any wrongdoing by Plaintiff, Defendants, any Settlement Class Member, or other Defendants' Releasees, or any damages or injury to Plaintiff, Defendants, any Settlement Class Member, or other Defendants' Releasees. Neither this Stipulation, nor any of the terms and provisions of this Stipulation, nor any of the negotiations or proceedings in connection therewith, nor any of the documents or statements referred to herein

or therein, nor the Settlement, nor the fact of the Settlement, nor the Settlement proceedings, nor any statements in connection therewith, (i) shall (a) be argued to be, used or construed as, offered or received in evidence as, or otherwise constitute an admission, concession, presumption, proof, evidence, or a finding of any liability, fault, wrongdoing, injury, or damages, or of any wrongful conduct, acts or omissions on the part of any of the Defendants' Releasees, or of any infirmity of any defense, or of any damage to Plaintiff or any other Settlement Class Member, or (b) otherwise be used to create or give rise to any inference or presumption against any of the Defendants' Releasees concerning any fact or any purported liability, fault, or wrongdoing of the Defendants' Releasees or any injury or damages to any person or entity, or (ii) shall otherwise be admissible, referred to, or used in any proceeding of any nature, for any purpose whatsoever; provided, however, that the Stipulation and Judgment may be introduced in any proceeding subject to Rule 408 of the Federal Rules of Evidence and any and all other state law corollaries thereto, whether in the Court or otherwise, as may be necessary to argue and establish that the Stipulation and Judgment has res judicata, collateral estoppel, or other issue or claim preclusion effect or to otherwise consummate or enforce the Settlement and Judgment or to secure any insurance rights or proceeds of any of the Defendants' Releasees or as otherwise required by law.

42. The consummation of the Settlement as embodied in this Stipulation shall be under the authority of the Court, and the Court shall retain jurisdiction for the purpose of enforcing the terms of this Stipulation, including the Plan of Allocation (or such other plan of allocation as may be approved by the Court) and the distribution of the Net Settlement Fund to eligible Settlement Class Members.

43. While retaining their right to deny that the claims asserted in the Action were meritorious, Defendants and their counsel, in any statement made to any media representative (whether or not for attribution) will not assert that the Action was commenced or prosecuted in bad faith, nor will they deny that the Action was commenced and prosecuted in good faith and is being settled voluntarily after consultation with competent legal counsel. In all events, Lead Plaintiff and their counsel and Defendants and their counsel shall not make any accusations of wrongful or actionable conduct by any Party concerning the prosecution, defense, and resolution of the Action, and shall not otherwise suggest that the Settlement constitutes an admission of any claim or defense alleged.

44. Without further order of the Court, Plaintiff and Defendants may agree to reasonable extensions of time to carry out any of the provisions of this Stipulation.

45. The waiver by Plaintiff or Defendants of any breach of this Stipulation shall not be deemed a waiver of any other prior or subsequent breach of any provision of this Stipulation.

46. This Stipulation and the Exhibits constitute the entire agreement between Plaintiff and Defendants and supersede any prior agreements among Plaintiff and Defendants with respect to the Settlement, including the Term Sheet. No representations, warranties, or inducements have been made to or relied upon by any Party concerning this Stipulation or its Exhibits, other than the representations, warranties, and covenants expressly set forth in such documents.

47. This Stipulation may be executed in one or more counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same instrument, and may be delivered by facsimile or electronic mail.

48. The Parties and their respective counsel of record agree that they will use their reasonable best efforts to obtain all necessary approvals of the Court required by this Stipulation (including, but not limited to, using their reasonable best efforts to resolve any objections raised to the Settlement), and to promptly agree upon and execute all such other documentation as may be reasonably required to obtain final approval by the Court of the Settlement.

49. Plaintiff and Plaintiff's Lead Counsel represent and warrant that Plaintiff is a member of the Class and that none of Plaintiff's claims or causes of action referred to in this Stipulation has been assigned, encumbered, or otherwise transferred in any manner in whole or in part.

50. Each counsel signing this Stipulation represents and warrants that such counsel has been duly empowered and authorized to sign this Stipulation on behalf of his, her or its clients.

51. This Stipulation shall not be construed more strictly against one Party than another merely by virtue of the fact that it, or any part of it, may have been prepared by counsel for one of the Parties, it being recognized that it is the result of arm's-length negotiations between the Parties, and all Parties have contributed substantially and materially to the preparation of this Stipulation.

52. This Stipulation is and shall be binding upon and shall inure to the benefit of the Defendants' Releasees and the respective legal representatives, heirs, executors, administrators, transferees, successors, and assigns of all such foregoing persons and entities and upon any corporation, partnership, or other entity into or with which any party may merge, consolidate, or reorganize.

53. This Stipulation, the Settlement, and any and all disputes arising out of or relating in any way to this Stipulation or Settlement whether in contract, tort, or otherwise, shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to conflict of laws principles. Any action or proceeding to enforce any of the terms of the Stipulation or Settlement shall (i) be brought, heard, and determined exclusively in the Court (provided that, in the event that subject matter jurisdiction is unavailable in the Court, then any such action or

proceeding shall be brought, heard and determined exclusively in any other state or federal court located in the State of Delaware) and (ii) shall not be litigated or otherwise pursued in any forum or venue other than the Court (or, if subject matter jurisdiction is unavailable in the Court, then in any forum or venue other than any other state or federal court located in the State of Delaware). Each Party hereto (i) consents to personal jurisdiction in any such action (but in no other action) brought in Delaware; (ii) consents to service of process by registered mail upon such party and/or such party's agent (including, but not limited to, counsel representing the Parties in this Settlement) in any such action (but in no other action); and (iii) in any such action (but in no other action), waives any objection to venue in this Court or any other federal and state court located in the State of Delaware and any claim that Delaware or the Court is an inconvenient forum.

54. No opinion or advice concerning the tax consequences of the proposed Settlement to individual Settlement Class Members is being given or will be given by the Settling Parties or their counsel; nor is any representation or warranty in this regard made by virtue of this Stipulation. Each Settlement Class Member's tax obligations, and the determination thereof, are the sole responsibility of the Settlement Class Member, and it is understood that the tax consequences may vary depending on the particular circumstances of each individual Settlement Class Member.

IT IS SO STIPULATED THIS 26th DAY OF AUGUST, 2021.

[PROPOSED] SCHEDULING ORDER

Plaintiff Sandra Searles ("Plaintiff") and defendants Richard M. DeMartini, Christopher G. Marshall, R. Eugene Taylor, Crestview Partners, L.P., Crestview-NAFH, LLC, and Crestview Advisors, L.L.C. (collectively, "Defendants"), having applied pursuant to Court of Chancery Rule 23(e) for an order approving the proposed settlement ("Settlement") of the above-captioned class action (the "Action"), in accordance with the terms and conditions of the Stipulation of Settlement, Compromise, and Release entered into by the parties dated August 26, 2021 (the "Stipulation"),

NOW, THEREFORE, IT IS HEREBY ORDERED this _____ day of _____, 2021, that:

1. Except for terms defined herein, the Court adopts and incorporates the definitions in the Stipulation for purposes of this Order.

2. The Court has jurisdiction over the subject matter of the Action, and all matters relating to the Settlement, as well as personal jurisdiction over Plaintiff, Defendants, and each of the Settlement Class Members.

3. The Court hereby preliminarily certifies, solely for purposes of effectuating the proposed Settlement, the Action as a non-opt out class action pursuant to Court of Chancery Rules 23(a), 23(b)(1) and 23(b)(2), on behalf of a Settlement Class consisting of all holders of Capital Bank common stock as of November 30, 2017, the date of the Closing, excluding (i) Defendants, Capital Bank, and First Horizon; (ii) members of the Immediate Family of the Individual Defendants; (iii) the parents, subsidiaries, and affiliates of Crestview Partners, L.P., Crestview-NAFH, LLC, Crestview Advisors, L.L.C., Capital Bank, and First Horizon; (iv) any person who is, or was at the time of the Closing, an officer, director, or partner of Crestview Partners, L.P., Crestview-NAFH, LLC, Crestview Advisors, L.L.C., Capital Bank, or First Horizon, or any of their respective parents, subsidiaries, or affiliates, and members of the Immediate Family of such officers, directors, and partners; (v) Oak Hill Capital Partners III, L.P., Oak Hill Capital

Management Partners III, L.P., or any of their respective parents, subsidiaries, or affiliates; (vi) GKC Strategic Value Master Fund, LP, GKC SV SMA I, LLC, Merlin Partners, LP, AAMAF LP, and Ancora Merlin, LP, or any of their respective parents, subsidiaries, or affiliates; (vii) any entity in which any Defendants or any other excluded person or entity has, or had at the time of the Closing, a controlling interest; and (viii) the legal representatives, agents, affiliates, heirs, successors, and assigns of any of the foregoing excluded persons or entities.

4. Solely for purposes of the Settlement, Plaintiff Sandra Searles is preliminarily appointed as representative for the Settlement Class and Bernstein Litowitz Berger & Grossmann LLP ("Plaintiff's Lead Counsel") is preliminarily appointed as counsel for the Settlement Class.

5. A hearing (the "Settlement Hearing") shall be held on November 17, 2021 at 1:30 p.m., in the Leonard L. Williams Justice Center, 500 North King Street, Wilmington, Delaware 19801 (or by telephonic or video means as may be designated by the Court), to determine:

(a) whether the Action may be permanently maintained as a non-opt out class action and whether the Settlement Class should be certified permanently, for purposes of the Settlement, pursuant to Court of Chancery Rules 23(a), 23(b)(1), and 23(b)(2);

(b) whether Plaintiff may be permanently designated as representative for the Settlement Class and Plaintiff's Lead Counsel, Bernstein Litowitz Berger & Grossmann LLP, as counsel for the Settlement Class, and whether Plaintiff and Plaintiff's Lead Counsel have adequately represented the interests of the Settlement Class in the Action;

(c) whether the proposed Settlement on the terms and conditions provided for in the Stipulation is fair, reasonable, and adequate to the Settlement Class, and should be approved by the Court;

(d) whether a Judgment, substantially in the form attached as Exhibit D to the Stipulation, should be entered dismissing the Action with prejudice against Defendants;

(e) whether the proposed Plan of Allocation of the Net Settlement Fund is fair and reasonable, and should therefore be approved;

(f) whether the application by Plaintiff's Lead Counsel for an award of attorneys' fees and litigation expenses should be approved; and

(g) any other matters that may properly be brought before the Court in connection with the Settlement.

6. The Court reserves the right to adjourn the Settlement Hearing or any adjournment thereof, including the consideration of the proposed Plan of Allocation and Plaintiff's Lead Counsel's application for attorneys' fees and expenses, without

further notice of any kind other than oral announcement at the Settlement Hearing or any adjournment thereof, and retains jurisdiction over this Action to consider all further applications arising out of or connected with the proposed Settlement.

7. The Court reserves the right to approve the Settlement at or after the Settlement Hearing with such modification(s) to the Stipulation as may be consented to by the parties and without further notice to the Settlement Class.

8. The Court may decide to hold the Settlement Hearing by telephone or video conference without further notice to the Settlement Class. Any Settlement Class Member (or his, her, or its counsel) who wishes to appear at the Settlement Hearing should consult the Court's docket and/or the Settlement website for any change in date, time, or format of the hearing.

9. Plaintiff is authorized to retain A.B. Data, Ltd. as the settlement administrator (the "Settlement Administrator") to provide notice to the Settlement Class and administer the proposed Settlement, including the distribution of the Net Settlement Fund.

10. Within five (5) business days following entry of this Order by the Court, the Individual Defendants shall provide to the Settlement Administrator and Plaintiff's Lead Counsel in an electronically-searchable form, such as Excel, the stockholder register from Capital Bank's transfer agent containing the names, mailing addresses and, if available, email addresses for all registered holders of

Capital Bank common stock as of November 30, 2017, as set forth and defined in Paragraph 13 of the Stipulation.

11. Beginning not later than fifteen (15) business days after the date of entry of this Order (such date that is fifteen (15) business days after the date of entry of this Order, the "Notice Date"), the Settlement Administrator shall cause a notice of the Settlement Hearing, in substantially the form annexed as Exhibit B to the Stipulation (the "Notice"), to be mailed by first-class mail to potential Settlement Class Members at the addresses set forth in the records provided by the Individual Defendants or who otherwise may be identified through further reasonable effort.

12. Brokers and other nominees that held shares of Capital Bank common stock on November 30, 2017 as record holders for the benefit of another person or entity shall be requested to either: (i) within seven (7) calendar days of receipt of the Notice, request from the Settlement Administrator sufficient copies of the Notice to forward to all such beneficial owners and within seven (7) calendar days of receipt of those Notices forward them to all such beneficial owners; or (ii) within seven (7) calendar days of receipt of the Notice, provide a list of the names, addresses, and, if available, email addresses of all such beneficial owners to the Settlement Administrator, in which event the Settlement Administrator shall promptly mail the Notice to such beneficial owners. Upon full compliance with this Order, such nominees may seek reimbursement of their reasonable expenses

actually incurred in complying with this Order by providing the Settlement Administrator with proper documentation supporting the expenses for which reimbursement is sought.

13. Not later than ten (10) business days after the Notice Date, the Settlement Administrator shall cause a summary notice of the Settlement Hearing, in substantially the form annexed as Exhibit C to the Stipulation (the "Summary Notice"), to be published once in *Investor's Business Daily* and to be transmitted once over the PR Newswire.

14. The Court approves, in form and content, the Notice, attached to the Stipulation as Exhibit B, and the Summary Notice, attached to the Stipulation as Exhibit C, and finds that dissemination of the Notice and publication of the Summary Notice substantially in the manner and form set forth in this Order meet the requirements of Court of Chancery Rule 23 and due process, is the best notice practicable under the circumstances, and shall constitute due and sufficient notice to all persons entitled thereto.

15. Plaintiff's Lead Counsel shall, at least ten (10) business days before the Settlement Hearing, file with the Court of Chancery an appropriate affidavit with respect to the preparation and dissemination of the Notice to the Settlement Class and publication of the Summary Notice.

16. Unless otherwise ordered by the Court, until entry of the Judgment, all proceedings in the Action other than proceedings necessary to carry out or enforce the terms and conditions of the Stipulation shall be stayed and the Court bars and enjoins Plaintiff, and all other Settlement Class Members, from commencing, prosecuting, instigating, or in any way participating in the commencement or prosecution of any Released Plaintiff's Claim, either directly, representatively, derivatively, or in any other capacity, against any Defendants' Releasees.

17. Unless the Court orders otherwise, any Settlement Class Member may enter an appearance in the Action, at his, her, or its own expense, individually or through counsel of his, her, or its own choice, by filing with the Register in Chancery and delivering a notice of appearance to Plaintiff's Lead Counsel and Defendants' Counsel, at the addresses set forth in paragraph 18 below, such that it is received no later than 10 business days prior to the Settlement Hearing, or as the Court may otherwise direct. Any Settlement Class Member who does not enter an appearance will be represented by Plaintiff's Lead Counsel, and shall be deemed to have waived and forfeited any and all rights he, she, or it may otherwise have to appear separately at the Settlement Hearing.

18. Any Settlement Class Member may file a written objection to the proposed Settlement, Plan of Allocation, and/or Plaintiff's Lead Counsel's application for an award of attorneys' fees and expenses (such Settlement Class

Member, the "Objector"), if he, she, or it has any cause, why the proposed Settlement, Plan of Allocation, and/or the application for an award of attorneys' fees and expenses should not be approved; *provided, however,* that, unless otherwise directed by the Court for good cause shown, no Objector shall be heard or entitled to contest the approval of the terms and conditions of the proposed Settlement, Plan of Allocation, and/or the application for an award of attorneys' fees and expenses unless that person or entity has filed a written objection with the Register in Chancery and served copies of the objection (i) electronically by File & Serve*Xpress*, by hand, by First-Class U.S. Mail, or by express service and (ii) by email upon the following counsel such that they are received no later than 10 business days prior to the Settlement Hearing:

Documentation establishing that an Objector is a member of the Settlement Class must consist of copies of monthly brokerage account statements or an authorized statement from the Objector's broker containing the transactional and holding information found in an account statement.

20. Unless the Court orders otherwise, any Settlement Class Member who or which does not make his, her, or its objection in the manner provided herein shall: (i) be deemed to have waived and forfeited his, her, or its right to object to any aspect of the proposed Settlement, Plan of Allocation, or Plaintiff's Lead Counsel's application for an award of attorneys' fees and litigation expenses; (ii) be forever barred and foreclosed from objecting to the fairness, reasonableness, or adequacy of the Settlement, the Judgment to be entered approving the Settlement, the Plan of Allocation, or Plaintiff's Lead Counsel's application for an award of attorneys' fees and litigation expenses; and (iii) be deemed to have waived and forever barred and foreclosed from being heard, in this or any other proceeding, with respect to any

matters concerning the Settlement, the Plan of Allocation, or the requested or awarded attorneys' fees or litigation expenses.

21. The contents of the Settlement Fund that will be held in the Escrow Account shall be deemed and considered to be in custodia legis of the Court, and shall remain subject to the exclusive jurisdiction of the Court, until such time as they shall be distributed pursuant to the Stipulation and/or further order(s) of the Court.

22. All Notice and Administration Costs shall be paid or reimbursed out of the Settlement Fund in accordance with the terms of the Stipulation without further order of the Court.

Any objections to the application for attorneys' fees and expenses shall be filed and

served no later than 10 business days prior to the Settlement Hearing. If any objections to the Settlement are received or filed, Plaintiff and/or Defendants may file and serve a brief response to those objections no later than 5 business days prior to the Settlement Hearing.

25. If the Settlement is terminated as provided in the Stipulation or the Effective Date of the Settlement otherwise fails to occur, then the Stipulation, the Settlement proposed in the Stipulation (including any amendments thereof), the preliminary certification of the Settlement Class herein, any actions taken or to be taken with respect to the Settlement proposed in the Stipulation, and the Order and Final Judgment to be entered shall be of no further force or effect, shall be null and void, and shall be without prejudice to any of the parties, who shall be restored in all respects to their respective positions existing prior to the execution of the Term Sheet, except for the obligation of the Company to pay for any expenses incurred in connection with the notice and administration of the Settlement provided for by the Stipulation and this Scheduling Order. For purposes of this provision, a disallowance, modification, or reversal of the fees and/or expenses sought by Plaintiff's Lead Counsel or the Plan of Allocation shall not be deemed a disapproval, modification, or reversal of the Settlement or the Order and Final Judgment.

26. The Stipulation, and any negotiations, statements, or proceedings in connection therewith, shall not be construed or deemed evidence of, a presumption, concession, or admission by any Releasee or any other person of any fault, liability, or wrongdoing as to any facts or claims alleged or asserted in the Action or otherwise, or that Plaintiff or Plaintiff's Lead Counsel, the Settlement Class, or any other person, has suffered any damage attributable in any manner to any Releasee. The Stipulation, and any negotiations, statements, or proceedings in connection therewith, shall not be offered or admitted in evidence or referred to, interpreted, construed, invoked, or otherwise used by any person for any purpose in the Action or otherwise, except as may be necessary to enforce or obtain Court approval of the Settlement.

WHAT THIS NOTICE CONTAINS

WHAT IS THE PURPOSE OF THIS NOTICE?

1. The purpose of this Notice is to notify Class Members of the existence of the Action and the terms of the proposed Settlement of the Action. The Notice is also being sent to inform Class Members of a hearing that the Court has scheduled to consider the fairness, reasonableness, and adequacy of the Settlement,

the proposed Plan of Allocation for the Settlement proceeds, and the application by Plaintiff's Lead Counsel for a Fee and Expense Award in connection with the Settlement (the "Settlement Hearing"). *See* paragraphs 50-52 below for details about the Settlement Hearing, including the location, date, and time of the hearing.

2. The Court directed that this Notice be mailed to you because you may be a member of the Settlement Class. The Court has directed us to send you this Notice because, as a Class Member, you have a right to know about your options before the Court rules on the proposed Settlement. Additionally, you have the right to understand how the Action and the proposed Settlement generally affects your legal rights. Please Note: the Court may approve the proposed Settlement with such modifications as the Parties may agree to, if appropriate, without further notice to the Settlement Class.

3. The issuance of this Notice is not an expression by the Court of any findings of fact or any opinion concerning the merits of any claim in the Action, and the Court has not yet decided whether to approve the Settlement. If the Court approves the Settlement, then payments to Eligible Class Members will be made after any appeals are resolved.

PLEASE NOTE: Receipt of this Notice does not mean that you are a Class Member or an Eligible Class Member or that you will be entitled to receive a payment from the Settlement.

WHAT IS THIS CASE ABOUT?

THE FOLLOWING RECITATION DOES NOT CONSTITUTE FINDINGS OF THE COURT. THE COURT HAS MADE NO FINDINGS WITH RESPECT TO THE FOLLOWING MATTERS AND THESE RECITATIONS SHOULD NOT BE UNDERSTOOD AS AN EXPRESSION OF ANY OPINION OF THE COURT AS TO THE MERITS OF ANY OF THE CLAIMS OR DEFENSES RAISED BY ANY OF THE PARTIES.

4. On May 3, 2017, Capital Bank, a Delaware corporation, entered into an Agreement and Plan of Merger (the "Merger Agreement") with First Horizon, a Tennessee corporation.

5. Pursuant to the Merger Agreement, each share of Capital Bank common stock was converted into the right to receive either $40.573 in cash or 2.1732 shares of First Horizon common stock (the "Merger Consideration"), subject to procedures applicable to oversubscription and undersubscription set forth in the Merger Agreement.

6. On July 31, 2017, Capital Bank and First Horizon filed the Definitive Proxy Statement.

7. On September 7, 2017, Capital Bank's stockholders voted in favor of the Merger Agreement with the holders of nearly 82 percent of Capital Bank's outstanding stock approving the Merger Agreement.

8. On November 30, 2017, pursuant to the Merger Agreement, Capital Bank merged with and into First Horizon (the "Merger"), with First Horizon surviving the Merger.

9. On March 28, 2018, two Capital Bank stockholders filed an appraisal action in the Court captioned *GKC Strategic Value Master Fund, LP v. Capital Bank Financial Corp.*, C.A. No. 2018-0226-KSJM (the "Appraisal Action") for an appraisal of their stock in connection with the Merger. Plaintiff was not a party to the Appraisal Action.

10. On October 16, 2019, the Appraisal Action was settled and voluntarily dismissed with prejudice.

11. On November 4, 2019, Plaintiff filed a Notice of Challenge to Confidential Treatment in the Appraisal Action pursuant to Court of Chancery Rule 5.1(f). On November 18 and 19, 2019, Defendants unsealed the challenged documents.

12. On February 26, 2020, Plaintiff, on behalf of herself and the other members of the Settlement Class, filed a Verified Class Action Complaint (the "Complaint") captioned *Searles v. DeMartini, et al.*, C.A. No. 2020-0136-KSJM (the "Action"), in the Court against Defendants. The Complaint asserted claims against Defendants for purported breaches of fiduciary duty and aiding and abetting such breaches of fiduciary duty arising from Defendants' (i) decision to cause Capital Bank to enter into the Merger Agreement, (ii) recommendation that Capital Bank's stockholders approve the Merger, and (iii) purported failure to disclose all material information in the Definitive Proxy Statement.

13. On March 24, 2020, Defendants moved to dismiss the Complaint. On May 8, 2020, Defendants filed opening briefs in support of their motions to dismiss the Complaint; on June 22, 2020, Plaintiff filed her omnibus answering brief in opposition to Defendants' motions to dismiss; and on July 16, 2020, Defendants filed their reply briefs in further support of their motions to dismiss.

14. On September 24, 2020, the Court held oral argument on the motions to dismiss, and on January 20, 2021, the Court issued a telephonic bench ruling denying Defendants' motions to dismiss.

15. On February 19, 2021, Defendants each filed an Answer and Affirmative Defenses to Complaint.

16. On February 26, 2021, the Parties entered into a Stipulation and Order Governing the Production and Exchange of Confidential and Highly Confidential Information.

17. On March 10 and 11, 2021, Plaintiff served subpoenas on Barclays Capital Inc. and Morgan Stanley & Co. LLC.

18. Between March 2021 and April 2021, Defendants produced to Plaintiff all the discovery responses and documents that were exchanged in the Appraisal Action. In total, Plaintiff received more than 40,000 documents from Defendants totaling nearly 280,000 pages and more than 80,000 documents from third parties totaling more than 350,000 pages. Defendants and third parties also produced 15 deposition transcripts from the Appraisal Action and expert reports from the Appraisal Action. Throughout March and April 2021, Plaintiff's Lead Counsel reviewed the deposition transcripts from the Appraisal Action, the expert reports from the Appraisal Action, and tens of thousands of documents totaling hundreds of thousands of pages.

19. On April 29, 2021, the Parties entered into a Stipulation and [Proposed] Order Regarding Case Schedule that contemplated that trial in the Action would commence on May 16, 2022.

20. On April 30, 2021, both Plaintiff and Defendants submitted confidential mediation statements. Plaintiff and Defendants participated in a full day of mediation on May 14, 2021 in front of Phillips ADR Enterprises, P.C. mediator Greg Danilow in an attempt to resolve the Action. The Parties did not reach a resolution on May 14.

21. Settlement discussions continued over the next couple of weeks and, on June 4, 2021, Mr. Danilow made a mediator's proposal to resolve the matter. Thereafter, Plaintiff and Defendants continued to negotiate other aspects of a possible resolution, while separately considering the mediator's proposal.

22. On June 18, 2021, the parties agreed to a settlement in which Plaintiff agreed to fully and finally settle the claims asserted against Defendants in the

Action in exchange for a cash payment of $23,000,000 (the "Settlement Amount"). This settlement was reflected in a settlement term sheet executed by Plaintiff and Defendants on July 19, 2021 (the "Term Sheet").

23. On August 26, 2021, the Parties entered into the Stipulation of Settlement memorializing the final terms and conditions of the Settlement, and on _____, 2021, the Court entered a Scheduling Order directing that notice of the Settlement be provided to potential Class Members, and scheduling the Settlement Hearing to, among other things, consider whether to grant final approval to the Settlement.

HOW DO I KNOW IF I AM AFFECTED BY THE SETTLEMENT?

24. If you are a member of the Settlement Class, you are subject to the Settlement. The Settlement Class consists of:

> All holders of Capital Bank common stock as of November 30, 2017, the date of the Closing of the Merger.

Excluded from the Settlement Class are: (i) Defendants, Capital Bank, and First Horizon; (ii) members of the Immediate Family of the Individual Defendants; (iii) the parents, subsidiaries, and affiliates of Crestview Partners, L.P., Crestview-NAFH, LLC, Crestview Advisors, L.L.C., Capital Bank, and First Horizon; (iv) any person who is, or was at the time of the Closing, an officer, director, or partner of Crestview Partners, L.P., Crestview-NAFH, LLC, Crestview Advisors, L.L.C., Capital Bank, or First Horizon, or any of their respective parents, subsidiaries, or affiliates, and members of the Immediate Family of such officers, directors, and partners; (v) Oak Hill Capital Partners III, L.P., Oak Hill Capital Management Partners III, L.P., or any of their respective parents, subsidiaries, or affiliates; (vi) GKC Strategic Value Master Fund, LP, GKC SV SMA I, LLC, Merlin Partners, LP, AAMAF LP, and Ancora Merlin, LP, or any of their respective parents, subsidiaries, or affiliates; (vii) any entity in which any Defendants or any other excluded person or entity has, or had at the time of the Closing, a controlling interest; and (viii) the legal representatives, agents, affiliates, heirs, successors, and assigns of any of the foregoing excluded persons or entities (the "Excluded Stockholders").

PLEASE NOTE: The Settlement Class is a non-"opt-out" class pursuant to Delaware Court of Chancery Rules 23(a), 23(b)(1), and 23(b)(2). Accordingly, Class Members do not have the right to exclude themselves from the Settlement Class.

WHAT ARE THE TERMS OF THE SETTLEMENT?

25. In consideration of the settlement of the Released Plaintiff's Claims (defined in paragraph 37 below) against Defendants and the other Defendants' Releasees (defined in paragraph 37 below), Defendants will cause $23,000,000 in cash (the "Settlement Amount") to be deposited into an interest-bearing escrow account for the benefit of the Settlement Class. *See* paragraphs 29-36 below for details about the distribution of the Settlement proceeds to Eligible Class Members.

WHAT ARE THE PARTIES' REASONS FOR THE SETTLEMENT?

26. Plaintiff and Plaintiff's Lead Counsel thoroughly considered the facts and law underlying the claims asserted in the Action. Although Plaintiff and Plaintiff's Lead Counsel believe that the claims asserted have merit, the Court could have adopted Defendants' view of the applicable legal standards or of the underlying evidence, and could enter judgment for Defendants, either dismissing the Action prior to trial or after trial. Plaintiff and Plaintiff's Lead Counsel also considered the expense and length of continued proceedings necessary to pursue Plaintiff's claims against Defendants through trial, the uncertainty of appeals, and the collectability of any potential judgment.

27. In light of the monetary recovery achieved, and based upon their investigation and prosecution of the case, and the information available to them through discovery and the settlement negotiations conducted with Defendants, Plaintiff and Plaintiff's Lead Counsel have concluded that the terms and conditions of the Stipulation are fair, reasonable, and adequate to Plaintiff and the Settlement Class, and in their best interests. The Settlement provides an immediate benefit in the form of a $23 million cash payment without the risk that continued litigation could result in obtaining no recovery or a smaller recovery after continued extensive and expensive litigation, including trial and appeals.

28. Defendants deny all allegations of wrongdoing, fault, liability, or damage to Plaintiff as well as each and every other member of the Settlement Class, and further deny that Plaintiff has asserted a valid claim as to any of them. Defendants further deny that they engaged in any wrongdoing or committed, or aided or abetted, any violation of law or breach of duty and believe that they acted properly, in good faith, and in a manner consistent with their legal duties and have entered into the Settlement and the Stipulation solely to avoid the substantial burden, expense, inconvenience, and distraction of continued litigation and to resolve each of the Released Plaintiff's Claims (defined in paragraph 37 below) as

against the Defendants' Releasees (defined in paragraph 37 below). The Settlement and the Stipulation shall in no event be construed as, or deemed to be, evidence of or an admission or concession on the part of any of the Defendants with respect to any claim or factual allegation or of any fault or liability or wrongdoing or damage whatsoever or any infirmity in the defenses that any of the Defendants have or could have asserted.

HOW MUCH WILL MY PAYMENT FROM THE SETTLEMENT BE? HOW WILL I RECEIVE MY PAYMENT?

29. Please Note: If you are eligible to receive a payment from the Net Settlement Fund, you do not have to submit a claim form in order to receive your payment.

30. As stated above, the $23,000,000 Settlement Amount will be deposited into an interest-bearing escrow account for the benefit of the Settlement Class. If the Settlement is approved by the Court and the Effective Date of the Settlement occurs, the Net Settlement Fund (that is, the Settlement Amount plus any and all interest earned thereon (the "Settlement Fund") less: (i) any Fee and Expense Award; (ii) all Notice and Administration Costs; (iii) any Taxes; and (iv) any other costs or fees approved by the Court) will be distributed in accordance with the proposed Plan of Allocation stated below or such other plan of allocation as the Court may approve.

31. The Net Settlement Fund will not be distributed unless and until the Court has approved the Settlement and a plan of allocation, and the time for any petition for rehearing, appeal, or review, whether by certiorari or otherwise, has expired. Approval of the Settlement is independent from approval of a plan of allocation. Any determination with respect to a plan of allocation will not affect the Settlement, if approved.

32. The Court may approve the Plan of Allocation as proposed or it may modify the Plan of Allocation without further notice to the Settlement Class. Any Orders regarding any modification of the Plan of Allocation will be posted on the Settlement website, www.CapitalBankStockholderLitigation.com.

PROPOSED PLAN OF ALLOCATION

33. The Net Settlement Fund will be distributed on a *pro rata* basis to "Eligible Class Members." "Eligible Class Members" will consist of all Class Members who held shares of Capital Bank common stock at the Merger's Closing and therefore received or were entitled to receive the Merger Consideration for

their "Eligible Shares." "Eligible Shares" will be the number of shares of Capital Bank common stock held by Eligible Class Members at the Closing and for which Eligible Class Members received or were entitled to receive the Merger Consideration.[2]

34. Each Eligible Class Member will be eligible to receive a *pro rata* payment from the Net Settlement Fund equal to the product of (i) the number of Eligible Shares held by the Eligible Class Member and (ii) the "Per-Share Recovery" for the Settlement, which will be determined by dividing the total amount of the Net Settlement Fund by the total number of Eligible Shares.

35. Payments from the Net Settlement Fund to Eligible Class Members will be made in the same manner in which Eligible Class Members received the Merger Consideration. Accordingly, if your shares of Capital Bank common stock were held in "street name" and the Merger Consideration was deposited into your brokerage account, your broker will be responsible for depositing your Settlement payment into that same brokerage account.

36. Subject to Court approval in the Class Distribution Order, Plaintiff's Lead Counsel will direct the Settlement Administrator to conduct the distribution of the Net Settlement Fund to Eligible Class Members as follows:

(i) With respect to shares of Capital Bank common stock held of record at the Closing by the Depository Trust & Clearing Corporation, including its subsidiary the Depository Trust Company (collectively, "DTCC"), through its nominee Cede & Co., Inc. ("Cede"), the Settlement Administrator will cause that portion of the Net Settlement Fund to be allocated to Eligible Class Members who held their shares through DTCC Participants to be paid to DTCC. DTCC shall then distribute that portion of the Net Settlement Fund among the DTCC Participants by paying each the Per-Share Recovery times its respective Closing Security Position,[3] using the same mechanism that DTCC used to distribute the Merger Consideration and subject to payment suppression instructions with respect to Excluded Shares and any other shares ineligible for recovery from the

[2] "Eligible Class Members" do not include any of the "Excluded Stockholders" (as defined in the Stipulation) and "Eligible Shares" do not include any of the "Excluded Shares" (as defined in the Stipulation).

[3] For each DTCC Participant, the "Closing Security Position" is the number of shares of Capital Bank common stock reflected on the DTCC allocation report used by DTCC to distribute the Merger Consideration.

Settlement. The DTCC Participants and their respective customers, including any intermediaries, shall then ensure *pro rata* payment to each Eligible Class Member based on the number of Eligible Shares beneficially owned by such Eligible Class Members.

(ii) With respect to shares of Capital Bank common stock held of record at the Closing other than by Cede, as nominee for DTCC (a "Closing Non-Cede Record Position"), the payment with respect to each such Closing Non-Cede Record Position shall be made by the Settlement Administrator from the Net Settlement Fund directly to the record owner of each Closing Non-Cede Record Position in an amount equal to the Per-Share Recovery times the number of Eligible Shares comprising such Closing Non-Cede Record Position.

(iii) A person who purchased shares of Capital Bank common stock on or before November 30, 2017 but had not settled those shares at the Merger's Closing ("Non-Settled Shares") shall be treated as an Eligible Class Member (and their shares treated as Eligible Shares) with respect to those Non-Settled Shares, and a person who sold those Non-Settled Shares on or before November 30, 2017 shall not be treated as an Eligible Class Member with respect to those Non-Settled Shares.

(iv) In the event that any payment from the Net Settlement Fund is undeliverable or in the event a check is not cashed by the stale date (*i.e.*, more than six months from the check's issue date), the DTCC Participants or the holder of a Closing Non-Cede Record Position shall follow their respective policies with respect to further attempted distribution or escheatment.

WHAT WILL HAPPEN IF THE SETTLEMENT IS APPROVED? WHAT CLAIMS WILL THE SETTLEMENT RELEASE?

37. If the Settlement is approved, the Court will enter a judgment (the "Judgment"). Pursuant to the Judgment, the Action will be dismissed with prejudice and the following releases will occur:

(i) **Release of Claims by Plaintiff and the Settlement Class**: Upon the Effective Date of the Settlement, Plaintiff and each of the other Class Members, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns in their capacities as such, will have fully, finally, and forever compromised, settled, released, resolved, relinquished, waived, and discharged each and every Released Plaintiff's Claim (defined below) against Defendants and the other Defendants' Releasees (defined below), and will forever

be enjoined from prosecuting any or all of the Released Plaintiff's Claims against the Defendants' Releasees.

"Released Plaintiff's Claims" means any and all claims and causes of action of every nature and description, whether known claims or Unknown Claims (defined below), contingent or absolute, liquidated or not liquidated, accrued or unaccrued, suspected or unsuspected, disclosed or undisclosed, apparent or not apparent, foreseen or unforeseen, matured or not matured, which now exist, heretofore or previously existed, or may hereafter exist including, but not limited to, any claims arising under federal, state, common, or foreign law, that Plaintiff or any other member of the Settlement Class (i) asserted in the Complaint or (ii) could have asserted or could in the future assert in any forum that concern, arise out of, refer to, are based upon, or are related to the allegations, transactions, facts, matters, occurrences, representations, statements, or omissions alleged, involved, set forth, or referred to in the Action and relate in any way to the purchase, sale, ownership, and/or holding of Capital Bank securities. Released Plaintiff's Claims do not include any claims relating to the enforcement of the Settlement.

"Defendants' Releasees" means, whether or not each or all of the following persons or entities were named, served with process, or appeared in the Action, (i) Defendants, (ii) Capital Bank and First Horizon, and (iii) all current and former officers, directors, employees, agents, fiduciaries, partnerships, general or limited partners or partnerships, joint ventures, controlling persons, parents, subsidiaries, divisions, direct or indirect affiliates, associated entities, stockholders, principals, officers, managers, directors, managing directors, members, managing members, managing agents, predecessors, predecessors-in-interest, successors, successors-in-interest, assigns, advisors, financial or investment advisors, personal or legal representatives, heirs, estates, administrators, insurers, and attorneys (including Defendants' Counsel) of Defendants, Capital Bank, or First Horizon, any members of any Defendant's Immediate Family, or any trust of which any Defendant is the settlor or which is for the benefit of any Defendant and/or member(s) of any Defendant's Immediate Family.

(ii) **Release of Claims by Defendants:** Upon the Effective Date of the Settlement, Defendants, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns in their capacities as such, will have fully, finally, and forever compromised, settled, released, resolved, relinquished, waived, and discharged each and every Released Defendants' Claim (defined below) against Plaintiff and the other Plaintiff's

Releasees (defined below), and will forever be enjoined from prosecuting any or all of the Released Defendants' Claims against the Plaintiff's Releasees.

"Released Defendants' Claims" means any and all claims and causes of action of every nature and description, whether known claims or Unknown Claims, contingent or absolute, liquidated or not liquidated, accrued or unaccrued, suspected or unsuspected, disclosed or undisclosed, apparent or not apparent, foreseen or unforeseen, matured or not matured, which now exist, heretofore or previously existed, or may hereafter exist including, but not limited to, any claims arising under federal, state, common, or foreign law, that arise out of or relate to the institution, prosecution, or settlement of the claims asserted in the Action against the Defendants. Released Defendants' Claims do not include any claims relating to the enforcement of the Settlement.

"Plaintiff's Releasees" means (i) Plaintiff and all other Class Members, and (ii) all current and former officers, directors, employees, agents, fiduciaries, partnerships, general or limited partners or partnerships, joint ventures, controlling persons, parents, subsidiaries, divisions, direct or indirect affiliates, associated entities, stockholders, principals, officers, managers, directors, managing directors, members, managing members, managing agents, predecessors, predecessors-in-interest, successors, successors-in-interest, assigns, advisors, financial or investment advisors, personal or legal representatives, heirs, estates, administrators, insurers, and attorneys (including Plaintiff's Counsel) of Plaintiff or any other Class Member, any members of Plaintiff or any other Class Member's Immediate Family, or any trust of which Plaintiff or any other Class Member is the settlor or which is for the benefit of any Plaintiff or any other Class Member and/or member(s) of Plaintiff or any other Class Member's Immediate Family.

"Unknown Claims" means any Released Plaintiff's Claims which Plaintiff or any other Class Member does not know or suspect to exist in his, her, or its favor at the time of the release of such claims, and any Released Defendants' Claims which any Defendant does not know or suspect to exist in his, her, or its favor at the time of the release of such claims, which, if known by him, her, or it, might have affected his, her, or its decision(s) with respect to this Settlement. With respect to any and all Released Claims, the Parties stipulate and agree that, upon the Effective Date of the Settlement, Plaintiff and Defendants shall expressly waive, and each of the other Class Members shall be deemed to have waived, and by operation of the Judgment shall have expressly waived, any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law or foreign law, which is similar, comparable, or equivalent to California Civil Code §1542, which provides:

> A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

Plaintiff and Defendants acknowledge, and each of the other Class Members shall be deemed by operation of law to have acknowledged, that the foregoing waiver was separately bargained for and a key element of the Settlement.

By Order of the Court, until entry of the entry of the Judgment, all proceedings in the Action other than proceedings necessary to carry out or enforce the terms and conditions of the Stipulation have been stayed and Plaintiff, and all other Settlement Class Members, are barred and enjoined from commencing, prosecuting, instigating, or in any way participating in the commencement or prosecution of any Released Plaintiff's Claim, either directly, representatively, derivatively, or in any other capacity, against any Defendants' Releasees.

HOW WILL PLAINTIFF'S COUNSEL BE PAID?

38. Plaintiff's Counsel have not received any payment for their services in pursuing claims against Defendants on behalf of the Settlement Class, nor have Plaintiff's Counsel been paid for their litigation expenses incurred in connection with the Action. Before final approval of the Settlement, Plaintiff's Lead Counsel will apply to the Court for an award of attorneys' fees and litigation expenses to Plaintiff's Counsel in connection with achieving the creation of the Settlement Fund ("Fee and Expense Award") in an amount not to exceed $4,600,000. The Court will determine the amount of the Fee and Expense Award. The Fee and Expense Award will be paid solely from (and out of) the Settlement Fund in accordance with the terms of the Stipulation. Class Members are not personally liable for any such fees or expenses.

WHEN AND WHERE WILL THE SETTLEMENT HEARING BE HELD? DO I HAVE TO COME TO THE HEARING? MAY I SPEAK AT THE HEARING IF I DON'T LIKE THE SETTLEMENT?

39. **Class Members do not need to attend the Settlement Hearing. The Court will consider any submission made in accordance with the provisions below even if a Class Member does not attend the Settlement**

Hearing. Class Members can recover from the Settlement without attending the Settlement Hearing.

40. Please Note: The date and time of the Settlement Hearing may change without further written notice to Class Members. In addition, the ongoing COVID-19 health emergency is a fluid situation that creates the possibility that the Court may decide to conduct the Settlement Hearing by video or telephonic conference, or otherwise allow Class Members to appear at the hearing by phone or video, without further written notice to Class Members. **In order to determine whether the date and time of the Settlement Hearing have changed, or whether Class Members must or may participate by phone or video, it is important that you monitor the Court's docket and the Settlement website, www.CapitalBankStockholderLitigation.com, before making any plans to attend the Settlement Hearing. Any updates regarding the Settlement Hearing, including any changes to the date or time of the hearing or updates regarding in-person or telephonic appearances at the hearing, will be posted to the Settlement website, www.CapitalBankStockholderLitigation.com. Also, if the Court requires or allows Class Members to participate in the Settlement Hearing by telephone or video conference, the information needed to access the conference will be posted to the Settlement website, www.CapitalBankStockholderLitigation.com.**

41. The Settlement Hearing will be held on **November 17, 2021 at 1:30 p.m.**, before The Honorable Kathaleen St. J. McCormick, Chancellor, either in person at the Court of Chancery of the State of Delaware, New Castle County, Leonard L. Williams Justice Center, 500 North King Street, Wilmington, Delaware 19801, or by telephone or videoconference (in the discretion of the Court), to determine, among other things: (i) whether the Action may be permanently maintained as a non-opt out class action and whether the Settlement Class should be certified permanently, for purposes of the Settlement, pursuant to Court of Chancery Rules 23(a), 23(b)(1), and 23(b)(2); (ii) whether Plaintiff may be permanently designated as representative for the Settlement Class and Plaintiff's Lead Counsel, Bernstein Litowitz Berger & Grossmann LLP, as counsel for the Settlement Class, and whether Plaintiff and Plaintiff's Lead Counsel have adequately represented the interests of the Settlement Class in the Action; (iii) whether the proposed Settlement on the terms and conditions provided for in the Stipulation is fair, reasonable, and adequate to the Settlement Class, and should be approved by the Court; (iv) whether a Judgment, substantially in the form attached as Exhibit D to the Stipulation, should be entered dismissing the Action with prejudice against Defendants; (v) whether the proposed Plan of Allocation of

the Net Settlement Fund is fair and reasonable, and should therefore be approved; (vi) whether the application by Plaintiff's Lead Counsel for an award of attorneys' fees and litigation expenses should be approved; and (vii) any other matters that may properly be brought before the Court in connection with the Settlement.

42. Any Class Member may object to the Settlement, the proposed Plan of Allocation, or Plaintiff's Lead Counsel's application for an award of attorneys' fees and litigation expenses ("Objector"). SUMMARY NOTICE OF PENDENCY AND PROPOSED SETTLEMENT OF STOCKHOLDER CLASS ACTION, SETTLEMENT HEARING, AND RIGHT TO APPEAR

TO: All holders of Capital Bank Financial Corporation ("Capital Bank") common stock as of November 30, 2017, the date of the consummation of the merger of Capital Bank and First Horizon Bank (the "Merger") (the "Settlement Class").[1]

PLEASE READ THIS NOTICE CAREFULLY. YOUR RIGHTS WILL BE AFFECTED BY A CLASS ACTION LAWSUIT PENDING IN THIS COURT.

[1] Certain persons and entities are excluded from the Settlement Class by definition, as set forth in the full Notice of Pendency and Proposed Settlement of Stockholder Class Action, Settlement Hearing, and Right to Appear (the "Notice"), available at www.CapitalBankStockholderLitigation.com.

YOU ARE HEREBY NOTIFIED, pursuant to an Order of the Court of Chancery of the State of Delaware (the "Court"), that the above-captioned stockholder class action (the "Action") is pending in the Court.

YOU ARE ALSO NOTIFIED that Plaintiff in the Action, on behalf of herself and the Settlement Class, has reached a proposed settlement of the Action for $23,000,000 in cash (the "Settlement"). If approved by the Court, the Settlement will resolve all claims in the Action.

A hearing (the "Settlement Hearing") will be held on **November 17, 2021 at 1:30 p.m.**, before The Honorable Kathaleen St. J. McCormick, Chancellor, either in person at the Court of Chancery of the State of Delaware, New Castle County, Leonard L. Williams Justice Center, 500 North King Street, Wilmington, Delaware 19801, or by telephone or videoconference (in the discretion of the Court), to determine, among other things: (i) whether the Action may be permanently maintained as a non-opt out class action and whether the Settlement Class should be certified permanently, for purposes of the Settlement, pursuant to Court of Chancery Rules 23(a), 23(b)(1), and 23(b)(2); (ii) whether Plaintiff may be permanently designated as representative for the Settlement Class and Plaintiff's Lead Counsel, Bernstein Litowitz Berger & Grossmann LLP, as counsel for the Settlement Class, and whether Plaintiff and Plaintiff's Lead Counsel have adequately represented the interests of the Settlement Class in the Action; (iii) whether the proposed Settlement on the terms and conditions provided for in the Stipulation and Agreement of Settlement, Compromise, and Release dated August 26, 2021 (the "Stipulation") is fair, reasonable, and adequate to the Settlement Class, and should be approved by the Court; (iv) whether a Judgment, substantially in the form attached as Exhibit D to the Stipulation, should be entered dismissing the Action with prejudice against Defendants; (v) whether the proposed Plan of Allocation of the Net Settlement Fund is fair and reasonable, and should therefore be approved; (vi) whether the application by Plaintiff's Lead Counsel for an award of attorneys' fees and litigation expenses should be approved; and (vii) any other matters that may properly be brought before the Court in connection with the Settlement.

The ongoing COVID-19 health emergency is a fluid situation that creates the possibility that the Court may decide to conduct the Settlement Hearing by video or telephonic conference, or otherwise allow Class Members to appear at the hearing by phone or video, without further written notice to Class Members. In order to determine whether the date and time of the Settlement Hearing have changed, or whether Class Members must or may participate by phone or video, it is important that you monitor the Court's docket and the Settlement website,

www.CapitalBankStockholderLitigation.com, before making any plans to attend the Settlement Hearing. Any updates regarding the Settlement Hearing, including any changes to the date or time of the hearing or updates regarding in-person or telephonic appearances at the hearing, will be posted to the Settlement website, www.CapitalBankStockholderLitigation.com. Also, if the Court requires or allows Class Members to participate in the Settlement Hearing by telephone or video conference, the information needed to access the conference will be posted to the Settlement website, www.CapitalBankStockholderLitigation.com.

If you are a member of the Settlement Class, your rights will be affected by the pending Action and the Settlement, and you may be entitled to share in the Net Settlement Fund. If you have not yet received the Notice, you may obtain a copy of the Notice by contacting the Settlement Administrator at Capital Bank Stockholder Litigation, c/o A.B. Data, Ltd., P.O. Box 173067, Milwaukee, WI 53217, 1-877-888-8410, info@CapitalBankStockholderLitigation.com. A copy of the Notice can also be downloaded from the Settlement website, www.CapitalBankStockholderLitigation.com.

If the Settlement is approved by the Court and the Effective Date occurs, the Net Settlement Fund will be distributed on a *pro rata* basis to "Eligible Class Members" in accordance with the proposed Plan of Allocation stated in the Notice or such other plan of allocation as is approved by the Court. Under the proposed Plan of Allocation, "Eligible Class Members" consist of Class Members who held shares of Capital Bank common stock at the Merger's Closing and therefore received or were entitled to receive the Merger Consideration for their Eligible Shares. Pursuant to the proposed Plan of Allocation, each Eligible Class Member will be eligible to receive a *pro rata* payment from the Net Settlement Fund equal to the product of (i) the number of Eligible Shares held by the Eligible Class Member and (ii) the "Per-Share Recovery" for the Settlement, which will be determined by dividing the total amount of the Net Settlement Fund by the total number of Eligible Shares. As explained in further detail in the Notice, pursuant to the Plan of Allocation, payments from the Net Settlement Fund to Eligible Class Members will be made in the same manner in which Eligible Class Members received the Merger Consideration. Eligible Class Members do not have to submit a claim form to receive a payment from the Settlement.

Any objections to the proposed Settlement, the proposed Plan of Allocation, or Plaintiff's Lead Counsel's application for an award of attorneys' fees and litigation expenses in connection with the Settlement must be filed with the Register in Chancery in the Court of Chancery of the State of Delaware and delivered to Plaintiff's Lead Counsel and Defendants' Counsel such that they are

received **no later than November 2, 2021**, in accordance with the instructions set forth in the Notice.

Please do not contact the Court or the Office of the Register in Chancery regarding this notice. All questions about this notice, the proposed Settlement, or your eligibility to participate in the Settlement should be directed to the Settlement Administrator or Plaintiff's Lead Counsel.

EXHIBIT D

IN THE COURT OF CHANCERY OF THE STATE OF DELAWARE

SANDRA SEARLES, individually and on behalf of all others similarly situated, Plaintiff, v. RICHARD M. DEMARTINI, CHRISTOPHER G. MARSHALL, R. EUGENE TAYLOR, CRESTVIEW PARTNERS, L.P., CRESTVIEW-NAFH, LLC and CRESTVIEW ADVISORS, L.L.C. Defendants.	C.A. No. 2020-0136-KSJM

[PROPOSED] ORDER AND FINAL JUDGMENT

On this ___ day of _____, 2021, a hearing having been held before this Court to determine whether the terms and conditions of the Stipulation and Agreement of Settlement, Compromise, and Release dated August 26, 2021 (the "Stipulation"),[1] which is incorporated herein by reference, and the terms and conditions of the settlement proposed in the Stipulation (the "Settlement"), are fair, reasonable, and adequate for the settlement of all Released Claims in the above-captioned action (the "Action"), and whether an order and final judgment should be

[1] Capitalized terms (other than proper nouns) that are not defined herein shall have the same meanings set forth in the Stipulation.

entered in the Action; and the Court having considered all matters submitted to it at the hearing and otherwise for the reasons stated herein;

NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED, this ___ day of _____, 2021, as follows:

1. **Jurisdiction:** The Court has jurisdiction over the subject matter of the Action, and all matters relating to the Settlement, as well as personal jurisdiction over Plaintiffs, Defendants, and each of the Settlement Class Members.

2. **Notice**: The Court finds that the dissemination of the Notice and publication of the Summary Notice were implemented in accordance with the Scheduling Order entered on _____, 2021 (the "Scheduling Order") and constituted the best notice practicable under the circumstances and satisfied the requirements of Court of Chancery Rule 23, due process, and all other applicable law and rules.

3. **Class Certification**: The Court hereby finally certifies the Action as a non-opt out class action pursuant to Court of Chancery Rules 23(a), 23(b)(1), and 23(b)(2), on behalf of a Settlement Class consisting of all holders of Capital Bank common stock as of November 30, 2017, the date of the Closing, excluding (i) Defendants, Capital Bank, and First Horizon; (ii) members of the Immediate Family of the Individual Defendants; (iii) the parents, subsidiaries, and affiliates of Crestview Partners, L.P., Crestview-NAFH, LLC, Crestview Advisors, L.L.C.,

Capital Bank, and First Horizon; (iv) any person who is, or was at the time of the Closing, an officer, director, or partner of Crestview Partners, L.P., Crestview-NAFH, LLC, Crestview Advisors, L.L.C., Capital Bank, or First Horizon, or any of their respective parents, subsidiaries, or affiliates, and members of the Immediate Family of such officers, directors, and partners; (v) Oak Hill Capital Partners III, L.P., Oak Hill Capital Management Partners III, L.P., or any of their respective parents, subsidiaries, or affiliates; (vi) GKC Strategic Value Master Fund, LP, GKC SV SMA I, LLC, Merlin Partners, LP, AAMAF LP, and Ancora Merlin, LP, or any of their respective parents, subsidiaries, or affiliates; (vii) any entity in which any Defendants or any other excluded person or entity has, or had at the time of the Closing, a controlling interest; and (viii) the legal representatives, agents, affiliates, heirs, successors, and assigns of any of the foregoing excluded persons or entities.

4. The Court hereby appoints Plaintiff Sandra Searles as Class Representative for the Settlement Class and Bernstein Litowitz Berger & Grossmann LLP ("Plaintiff's Lead Counsel") as Class Counsel for the Settlement Class. Plaintiff and Plaintiff's Lead Counsel have fairly and adequately represented the Settlement Class both in terms of prosecuting the Action and for purposes of entering into and implementing the Settlement.

5. **Class Findings**: The Court confirms that each element required for certification of the Settlement Class pursuant to Court of Chancery Rules 23(a),

23(b)(1), and 23(b)(2) has been met in that: (a) the Settlement Class Members are so numerous that their joinder in the Action would be impracticable; (b) there are questions of law and fact common to the Settlement Class; (c) the claims of Plaintiff are typical of the claims of the Settlement Class; (d) in connection with both the prosecution of the Action as well as the Settlement, Plaintiff and Plaintiff's Lead Counsel have and will fairly and adequately represent and protect the interests of the Settlement Class; (e) the prosecution of separate actions by individual Settlement Class Members would create a risk of inconsistent adjudications with respect to individual members of the Settlement Class which would establish incompatible standards of conduct for Defendants; (f) adjudications with respect to individual members of the Settlement Class would as a practical matter be dispositive of the interests of the other members of the Settlement Class who are not parties to the adjudications, or substantially impair or impede their ability to protect their interests; and (g) Defendants have acted or refused to act on grounds generally applicable to the Settlement Class and Plaintiff sought relief with respect to the Settlement Class as a whole.

6. **Final Settlement Approval and Dismissal of Claims**: The Stipulation and the terms of the Settlement as described in the Stipulation and the Notice are found to be fair, reasonable, and adequate, and are hereby approved. The

Parties are hereby authorized and directed to comply with and to consummate the Settlement in accordance with the terms and provisions set forth in the Stipulation.

7. The Action against the Defendants is hereby finally and fully settled, compromised, and dismissed, on the merits and with prejudice; the Released Plaintiff's Claims are hereby finally and fully compromised, settled, released, discharged, and dismissed with prejudice as against the Defendants' Releasees; and the Released Defendants' Claims are hereby finally and fully compromised, settled, released, discharged, and dismissed with prejudice as against the Plaintiff's Releasees. The Parties shall bear their own costs and expenses, except as otherwise expressly provided in the Stipulation.

8. The Settlement Administrator shall make distributions to Eligible Class Members in the manner and subject to the conditions set forth in the Stipulation and the Plan of Allocation.

9. **Binding Effect**: This Judgment and the Stipulation are and shall be binding upon and shall inure to the benefit of each and any of the Defendants' Releasees and each and any of the Plaintiff's Releasees (including the Settlement Class Members) and the respective legal representatives, heirs, executors, administrators, transferees, successors and assigns of all such foregoing persons and entities and upon any corporation, partnership, or other entity into or with which any party may merge, consolidate, or reorganize.

10. **Releases**: The Court orders that:

a. Upon the Effective Date of the Settlement, Plaintiff and each of the other Class Members, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns in their capacities as such, shall be deemed to have, and by operation of law and of this Judgment shall have, fully, finally, and forever compromised, settled, released, resolved, relinquished, waived, and discharged each and every Released Plaintiff's Claim against Defendants and the other Defendants' Releasees, and shall forever be enjoined from prosecuting any or all of the Released Plaintiff's Claims against the Defendants' Releasees.

members of any Defendant's Immediate Family, or any trust of which any Defendant is the settlor or which is for the benefit of any Defendant and/or member(s) of any Defendant's Immediate Family.

ii. "Released Plaintiff's Claims" means any and all claims and causes of action of every nature and description, whether known claims or Unknown Claims, contingent or absolute, liquidated or not liquidated, accrued or unaccrued, suspected or unsuspected, disclosed or undisclosed, apparent or not apparent, foreseen or unforeseen, matured or not matured, which now exist, heretofore or previously existed, or may hereafter exist including, but not limited to, any claims arising under federal, state, common, or foreign law, that Plaintiff or any other member of the Settlement Class (i) asserted in the Complaint or (ii) could have asserted or could in the future assert in any forum that concern, arise out of, refer to, are based upon, or are related to the allegations, transactions, facts, matters, occurrences, representations, statements, or omissions alleged, involved, set forth, or referred to in the Action and relate in any way to the purchase, sale, ownership, and/or holding of Capital Bank securities. Released Plaintiff's Claims do not include any claims relating to the enforcement of the Settlement.

b. Upon the Effective Date of the Settlement, Defendants, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns in their capacities as such, shall be deemed to have, and by

operation of law and of this Judgment shall have, fully, finally and forever compromised, settled, released, resolved, relinquished, waived, and discharged each and every Released Defendants' Claim against Plaintiff and the other Plaintiff's Releasees, and shall forever be enjoined from prosecuting any or all of the Released Defendants' Claims against the Plaintiff's Releasees.

i. ii. "Released Defendants' Claims" means any and all claims and causes of action of every nature and description, whether known claims or Unknown

Claims, contingent or absolute, liquidated or not liquidated, accrued or unaccrued, suspected or unsuspected, disclosed or undisclosed, apparent or not apparent, foreseen or unforeseen, matured or not matured, which now exist, heretofore or previously existed, or may hereafter exist including, but not limited to, any claims arising under federal, state, common, or foreign law, that arise out of or relate to the institution, prosecution, or settlement of the claims asserted in the Action against the Defendants. Released Defendants' Claims do not include any claims relating to the enforcement of the Settlement.

11. With respect to the Released Claims, the Parties shall be deemed to have waived any and all provisions, rights, and benefits conferred by any law of the United States, any law of any state or commonwealth, or principle of common law which governs or limits a person's release of unknown claims to the fullest extent permitted by law, and to have relinquished, to the full extent permitted by law, the provisions, rights, and benefits of Section 1542 of the California Civil Code, which provides:

> A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

12. With respect to the Released Claims, the Parties shall also be deemed to have waived any and all provisions, rights, and benefits conferred by any law of

any state or commonwealth of the United States or principle of common law, which is similar, comparable, or equivalent to California Civil Code Section 1542. The Parties acknowledge that they may discover facts in addition to or different from those that they now know or believe to be true with respect to the Released Claims, but that it is their intention to fully, finally, and forever settle and release any and all such Released Claims, known or unknown, suspected or unsuspected, which now exist or heretofore existed, from the beginning of time to the Effective Date, without regard to the subsequent discovery or existence of such additional or different facts, to the fullest extent permitted by law.

13. **No Admissions**: Neither this Judgment, nor the Stipulation, nor the fact or any term of the Settlement, nor any communications relating thereto, is an admission or concession by Plaintiff or Defendants or their counsel, any Settlement Class Member, or any other Defendants' Releasees or Plaintiff's Releasees, of any fault, liability or wrongdoing whatsoever, as to any facts or claims alleged or asserted in the Action or otherwise, or any other actions or proceedings, or as to the validity or merit of any of the claims or defenses alleged or asserted in any such action or proceeding. Neither this Judgment nor the Stipulation shall constitute a finding or evidence of the validity or invalidity of any claims or defenses in the Action, any wrongdoing by Plaintiff, Defendants, any Settlement Class Member, or other Defendants' Releasees or Plaintiff's Releasees, or any damages or injury to Plaintiff,

Defendants, any Settlement Class Member or other Defendants' Releasees or Plaintiff's Releasees. Neither this Judgment, nor the Stipulation, nor any of the negotiations or proceedings in connection therewith, nor any of the documents or statements referred to herein or therein, nor the Settlement, nor the fact of the Settlement, nor the Settlement proceedings, nor any statements in connection therewith, (a) shall (i) be argued to be, used or construed as, offered or received in evidence as, or otherwise constitute an admission, concession, presumption, proof, evidence, or a finding of any liability, fault, wrongdoing, injury or damages, or of any wrongful conduct, acts or omissions on the part of any of the Defendants' Releasees or Plaintiff's Releasees, or of any infirmity of any defense, or of any damage to Plaintiff or any other Settlement Class Member, or (ii) otherwise be used to create or give rise to any inference or presumption against any of the Defendants' Releasees or Plaintiff's Releasees concerning any fact or any purported liability, fault, or wrongdoing of the Defendants' Releasees or Plaintiff's Releasees or any injury or damages to any person or entity, or (b) shall otherwise be admissible, referred to or used in any proceeding of any nature, for any purpose whatsoever; provided, however, that the Stipulation and Judgment may be introduced in any proceeding, whether in the Court or otherwise, as may be necessary to argue and establish that the Stipulation and this Judgment has res judicata, collateral estoppel,

or other issue or claim preclusion effect or to otherwise consummate or enforce the Settlement and this Judgment.

14. **Award of Attorneys' Fees and Litigation Expenses:** Plaintiff's Counsel are hereby awarded attorneys' fees and litigation expenses in the sum of $_____, which sum the Court finds to be fair and reasonable. Such sum shall be paid solely out of the Settlement Fund in accordance with the terms of the Stipulation.

15. No proceedings or court order with respect to the award of attorneys' fees and expenses to Plaintiff's Counsel shall in any way affect or delay the finality of this Judgment (or otherwise preclude this Judgment from being entitled to preclusive effect), and shall not affect or delay the Effective Date of the Settlement.

16. **Plan of Allocation of Net Settlement Fund:** The Court hereby finds and concludes that the method for the calculation of payments to Settlement Class Members as set forth in the Plan of Allocation provides a fair and reasonable basis upon which to allocate the proceeds of the Net Settlement Fund among Settlement Class Members with due consideration having been given to administrative convenience and necessity. No proceedings or court order with respect to approval of the Plan of Allocation shall in any way affect or delay the finality of this Judgment (or otherwise preclude this Judgment from being entitled to preclusive effect), and shall not affect or delay the Effective Date of the Settlement.

17. **Modification of the Stipulation:** Without further approval from the Court, the Parties are hereby authorized to agree to and adopt such amendments or modifications of the Stipulation or any exhibits attached thereto to effectuate the Settlement that: (i) are not materially inconsistent with this Judgment; and (ii) do not materially limit the rights of Settlement Class Members in connection with the Settlement. Without further order of the Court, the Parties may agree to reasonable extensions of time to carry out any provisions of the Settlement.

18. **Termination of Settlement:** If the Settlement is terminated as provided in the Stipulation, this Judgment shall be vacated and rendered null and void, and shall be of no further force and effect, except as otherwise provided by the Stipulation, and this Judgment shall be without prejudice to the rights of Plaintiff, the other Settlement Class Members, and Defendants, and Plaintiffs and Defendants shall be deemed to have reverted to their respective litigation status immediately prior to execution of the Term Sheet on July 19, 2021, as provided in the Stipulation.

19. **Retention of Jurisdiction:** Without affecting the finality of this Judgment in any way, this Court retains continuing and exclusive jurisdiction over the Parties and all Settlement Class Members for purposes of the administration, interpretation, implementation, and enforcement of the Settlement, and all other matters relating to the Action and the Settlement.

20. **Entry of Final Judgment:** There is no just reason to delay the entry of this Judgment as a final judgment in the Action. Accordingly, the Register in Chancery is expressly directed to immediately enter this final judgment in the Action.

IT IS SO ORDERED this _____ day of _____, 2021.
